Statement Pursuant to Section 102(1) of the Companies Act, 2013 (“the Act”)

The following Statement sets out all material facts relating to the Special Business mentioned in the Notice:

Item No. 4

Re-appointment of Shri H.N. Taparia as Managing Director

Shri H.N. Taparia (DIN : 00126774) , aged about 87 years, is a graduate in Commerce, Law & Industrial Management. He was first appointed as Director in 1977 and appointed as Managing Director of the Company in 1982 and has continued in the post of M.D. ever since. Throughout his tenure, the Company has achieved various milestones in the form of performance, results etc. and during the last decade, in particular, the Company has recorded consistent growth and has built strong fundamentals under his leadership. It is considered necessary for the Company to continue to have his continued presence and guidance for scaling greater heights. In the Annual General Meeting of the Shareholders of the Company held on 29-09-2015, the shareholders fixed the ceiling limit of remuneration payable to Shri H.N. Taparia as Managing Director from its limit of ₹ 2,50,000/- per month to ₹ 5,00,000/- per month plus perquisites, provided that the salary payable to him shall not be lower than his existing salary.

However, Shri H.N. Taparia, vide his letter dated 14-11-2019 intended to voluntarily forgo his remuneration w.e.f. 1st December 2019 as Managing Director and willing to accept sitting Fee as is payable to other Non-executive Directors who are not in receipt of any remuneration from the Company, the Board, in its Meeting held on 14-11-2019, approved the same.

Shri H.N. Taparia is interested in the resolution set out at Item No. 4 of the Notice with regard to his re-appointment. Shri J.K. Taparia, Shri M.P. Taparia, and Shri D.P. Taparia, Directors, being related to Shri H.N. Taparia, may be deemed to be interested in the resolution. Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / his relatives is, in any way, concerned or interested, financially or otherwise, in the resolution.

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company in its Meeting held on 24th July 2020, re-appointed Shri H.N. Taparia (DIN : 00126774), as Managing Director of the Company for the period of 3 (three) years with effect from 17-09-2020, subject to approval of shareholders by Special Resolution in the Annual General Meeting.

The Board of Directors recommends the resolution in relation to the re-appointment of Shri H.N. Taparia as Chairman and Managing Director for the approval of the shareholders of the Company. In pursuance of Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, the Disclosure of Shri H.N. Taparia seeking re-appointment as Managing Director in the forthcoming Annual General Meeting is furnished in “Annexure I”.

The Board commends the Special Resolution set out at Item No. 4 of the Notice for approval by the members.

Item No. 5

Mrs. Disha Nitin Wadhvani (DIN: 06980759) was appointed as an Independent Director of the Company and she holds office as an Independent Director of the Company till the conclusion of this meeting ("first term").

The Board, based on the performance evaluation and as per the recommendation of the Nomination & Remuneration Committee, considers that, given her background and experience and contributions made by during her tenure, the continued association of Mrs. Disha Nitin Wadhvani would be beneficial to the Company and it is desirable to continue to avail her services as an Independent Director. Accordingly, it is proposed to re-appoint Mrs. Disha Nitin Wadhvani as an Independent Director of the Company, not liable to retire by rotation, for a term of 3 (three) consecutive years on the Board of the Company.

Mrs. Disha Nitin Wadhvani is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director.

The Company has also received declaration from Mrs. Disha Nitin Wadhvani that she meets the criteria of independence as prescribed both under Section 149(6) of the Act and under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Mrs. Disha Nitin Wadhvani is independent of the management.

Details of Mrs. Disha Nitin Wadhvani are provided in the "Annexure I" to the Notice. She will be paid remuneration by way of Sitting Fee for attending meetings of the Board or Committees thereof or for any other purpose whatsoever as may be decided by the Board, reimbursement of expenses for participating in the Meetings.

Copy of the draft letter of appointment of Mrs. Disha Nitin Wadhvani setting out the terms and conditions of appointment is available for inspection by the members at the registered office of the Company.

Mrs. Disha Nitin Wadhvani is interested in the resolution set out at Item No. 5 of the Notice with regard to her re-appointment. Relatives of Mrs. Disha Nitin Wadhvani may be deemed to be interested in the resolution to the extent of her shareholding interest, if any, in the Company. Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / her relatives is, in any way, concerned or interested, financially or otherwise, in the resolution.

This statement may also be regarded as an appropriate disclosure under the Act and the Listing Regulations.

The Board commends the Special Resolution set out at Item No. 5 of the Notice for approval by the members.

Global and Indian Economy

GDP growth moderated to 4.8 per cent in the 1st half of 2019-2020, amidst a weakened global trade and demand, as per the economic survey tabled before the Parliament. CPI inflation increased to 4.1% in 2019-20 from 3.7% in 2018-19 with major drivers being food and beverages, particularly vegetables and pulses. WPI inflation declined to 1.5% in 2019-20 from 4.7% in 2018-19. However, the affordability of meal improved by 29 percent (from 2016-17 to 2019-20). India is moving forward on the path of Sustainable Development Growth through well-designed initiatives as per SDG India Index. Some reforms were undertaken during 2019-20 to boost investment, consumption and exports include, speeding up the insolvency resolution process under Insolvency and Bankruptcy Code (IBC), Easing of credit, particularly for the stressed real estate and NBFC sectors and launch of the National Infrastructure Pipeline for the period FY 2020-2025.

An economic recession gripped global economy following the lockdowns due to COVID-19 pandemic. With cut in GDP growth forecast for India to 2 per cent for the fiscal year ending March 2021 after lowering it to 5.1 per cent previously, which would makes it the slowest growth in India over the past 30 years. World Bank Officials have pointed that "Steps to improve the business climate, the rule of law, debt management and productivity can help achieve sustained growth".

- b. CNC double head milling machine for joint milling operation of Pliers. Due to high rigidity of machine and CNC technology, it improves quality of our joint milling operation.
- c. Automatic grinding machines for Adjustable Spanners. The machine uses CNC Technology for grinding process which reduces human skill requirement and gives consistent quality in grinding.
- d. Horizontal hydraulic milling machines for slot milling operation of Adjustable spanner handles.
- e. CNC machine for Screw drivers tip manufacturing. The machine is capable to give high accuracy in Screw driver tip manufacturing.
- f. Cheek Grinding machine to increase the capacity of Pliers cheek grinding.

3. Low Cost automations-

- a. Company has retrofitted existing manual feed drilling machines of Adjustable handle manufacturing line with servo controlled feed.
- b. Company has retrofitted existing manual feed joint milling machines of Pliers manufacturing line with Hydro-Pneumatic feed.

The following new products have been introduced during the year 2019-2020

- Additional big sizes of Double Ended Spanners
- Additional big sizes of Ring Spanners
- Half Moon spanners
- Masonry Drill Bits
- Tile Cutter Blade
- Chalk Line Reel Set
- Wood working Chisel set
- Additional sizes of T-Socket Wrench
- L-Spanner with Jack Hole

The company has continued participation in National & International exhibitions to understand the modernization taking place in hand tools market and to explore the modern manufacturing processes.

- ii) Benefits Derived as a results of above efforts
 - Better & efficient manufacturing process.

- Turnover of the Company has increased because of increase in the product range & variety.
- Above activities have helped the organization to improve quality, reduce cost & reduce rejection, which had helped in sustained business.

The Secretarial Audit for the period mentioned above was carried out in two phases. Physical records maintained by the Company for the period April 01, 2019 to December 31, 2019 have been verified by visiting the Company premises. The Secretarial Audit for the last quarter (January 01, 2020- March 31, 2020) has been carried out by examining the electronic records maintained by the Company using technological means. This was decided keeping in mind the constraints/ lockdown imposed due to the sudden outbreak of the COVID-19 pandemic and restriction on physical visit to company office. The Audit has been conducted to the best of my abilities and information represented by the Management of the Company was to the extent possible examined and verified

Further I have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standard on General Meetings (SS-2) issued by The Institute of Company Secretaries of India (ICSI)
- ii) The Listing Agreements entered by the Company with the Bombay Stock Exchange (BSE) Limited and SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, and Listing Agreements etc mentioned above. Following is our observations on specific matters of the Company:

1. The Securities and Exchange Board of India (SEBI) had passed an order numbered WTM/GM/CFD/17/2019-2020 dated June 26, 2019 (hereinafter called as 'the Order') with reference to categorization of Promoters Shareholding.

During the audit period, the Company was yet to take any action towards re-categorisation and dilution of Promoters and Promoters group shareholding as per the SEBI Order.

The Management has represented that it has filed an Appeal on August 13, 2019 with the Securities Appellate Tribunal (SAT), Mumbai against the Order dated June 26, 2019 received from SEBI. The matter was heard by the Honourable Judge on February 21, 2020. The next hearing of the Appeal which was scheduled on April 23, 2020 at SAT, Mumbai, has been cancelled and postponed to July 06, 2020 at SAT, Mumbai.

2. *The Quarterly Shareholding pattern being filed by Company with Bombay Stock Exchange is different from the promoters Shareholding pattern mentioned by SEBI in the order.*

The Management has represented that there has been an appeal filed on August 13, 2019 with the Securities Appellate Tribunal (SAT), Mumbai against the Order dated June 26, 2019 received from SEBI. The matter was heard by the Honourable Judge on February 21, 2020. The next hearing of the Appeal which was scheduled on April 23, 2020 at SAT, Mumbai, has been cancelled and postponed to July 06, 2020 at SAT, Mumbai.

3. *Details regarding non-compliance of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015*

75.83% Shareholding of Promoters was dematerialised whereas Regulation 31 necessitates 100% Shareholding of Promoter and Promoter group to be in dematerialised form.

The Management has represented that the pending dematerialization is only for shares in joint holding between HUF and Individual promoters, the transfer of Promoters shares are currently restricted by SEBI as per its order dated Order No: WTM/GM/CFD/17/2019-2020 dated June 26, 2019.

I further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- There was no prosecution initiated and no fines or penalties were imposed during the year under review under the Act, SEBI Act, SCRA, Depositories Act, Listing Agreement and Rules, Regulations and Guidelines framed under these Acts against / on the Company, its Directors and Officers other than mentioned above;
- The Directors have complied with the disclosure requirements in respect of their eligibility of appointment, their being independent and compliance with the Code of Business Conduct & Ethics for Directors and Management Personnel other than mentioned above.

- The FEMA, 1999 is not applicable on Company under the review of audit.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there were no specific events/actions in the pursuance to the above referred laws, rules, regulations, guidelines, standards etc. having a major bearing on the company's affairs.

Management Discussion And Analysis

Global Economy in View of Pandemic, COVID-19

The world economy has witnessed in decades the largest economic shock following the emergence of pandemic COVID-19, causing a collapse in global activity. In all, the pandemic is expected to plunge a majority of countries into recession this year, with per capita output contracting in the largest fraction of countries since 1870.

Emerging Markets and Developing Economies (EMDE) GDP is forecasted by various global agencies to contract by 2.5 percent in 2020. During the last global recession in 2009, many EMDEs were able to implement large -scale fiscal and monetary responses. Today, however, many EMDEs are less prepared to weather a global downturn and must simultaneously grapple with a severe public health crisis with heavy human costs.

Advanced economies have faced a very substantial slump in activity as they grapple with the far-reaching consequences of the pandemic. As a result, advanced-economy output is now projected to slow dramatically, from an expansion of 1.6 percent in 2019 to a contraction of 7 percent in 2020.

Growth among the Low Income Countries (LICs) is expected to slow markedly to 1 percent in 2020—the slowest pace in at least 25 years—reflecting the pandemic’s broad-based disruption to activity. Aggregate activity in LICs is expected to rebound in 2021, with growth rising to 4.6 percent as headwinds related to the pandemic fade.

Indian Economy in View of Pandemic, COVID-19

In 2019-20, the Indian economy grew by 4.2% against 6.1% expansion in 2018-19, according to data released by the National Statistical Office. The economic growth has slowed down to an 11 year low.

The International Monetary Fund (IMF) has projected a deeper 4.5% contraction for India in FY21 than earlier estimated, citing a longer lockdown period and slower than anticipated recovery. The latest assessment has also toned down the bounce back in FY2022 to 6% against a stronger 7.4% growth forecast in April, 2020.

“India’s economy is in deep trouble in containing the virus, an anemic policy response, and underlying vulnerabilities, especially across the financial sector, are leading us to expect growth to fall by 5 per cent this fiscal year before rebounding in 2021,” S&P said in a report.

The pandemic caused a sudden stop in activity and to prevent a collapse, policymakers, helped by banks, have provided extraordinary financial support to firms and households. One risk now looming larger is yet another “balance sheet recession” in which at least one important sector of the economy -- the government, firms, or households -- tries to bolster its weak financial position by saving more, paying down debt, and spending less, S&P said.

However the Indian economy is concentrating on overcoming the recessionary phase with the promotion of ‘pro-business’ policies that unleash the power of competitive markets to generate wealth as against ‘pro-cony’ policies that may favour incumbent private interests, the country may see raise in business.

The government aims at raising exports and thereby jobs by integrating “Assemble in India for the world” into Make in India. Also it is targeting ease of doing business in India coupled with its Atamnrirbhar policies. The Government of India is putting sincere efforts and is moving forward on the path of Sustainable Development and Growth implementation.

Hand Tools Market

As per the forecast for the period 2020-2024, the market will grow at a CAGR of over 4%. There is growth observed in hand tools market due to growth in construction industry. The construction industry is one of the major end-users of hand tools. Therefore, the growing global construction market results in increased sales of hand tools. Another important factor in increasing sales of hand tools is the rising popularity of DIY activities, primarily associated with home improvement plans.

Supply chain disruptions during the COVID-19 have made machine tools manufacturers, and other end-use industries realize the over-reliance on China could be destructive. The Government is already canvassing its initiatives under Atmanirbhar- Bharat campaign to increase self-reliance.

However to encash the host of opportunities available in hand tools market, considering the current global scenario, due to the COVID-19 pandemic, if India is to match the manufacturing prowess of China, the government has to support local manufacturing of higher value engineering goods, encourage Indian manufacturers for local production, over and above attracting foreign companies to invest in India through FDI (foreign direct investment) and FPI (foreign portfolio investment), and provide greater focus on the MSME sector.

Along with same incentives can be provided like duty free import for machinery to modernize plants, interest free loans or interest subsidies for five years, 10% subsidy for purchase of indigenous plant and machinery, all export policies should be valid for at-least 5 years so that exporters can plan long term, income tax relief for existing units going for expansion, along with extending subsidy on land purchase for export project.

HUMAN RESOURCES:

An efficiently run company needs an efficiently managed Human Resource. Human being is fundamental resource for making or construction of anything. Among the five Ms of management i.e. Men, Money, Machines, Materials and Methods, HRM deals with first M, which is men. It is believed that in the five Ms, "men" is not easy to manage, whereas other Ms are lifeless or abstract with no power to think and decide. Humans crucial assets for any organization.

At Taparia Tools Limited we believe in the saying of John F. Kennedy, Our progress can be no swifter than our progress in education, the human mind is our fundamental resource. Therefore not only does the organization provide training for new or inexperienced employees, it also designs training programs for experienced employees. Various development programs are conducted for managerial staff. The training and development programs are conducted at Taparia Tools Limited to ensure that employees are capable of performing their jobs at acceptable levels. Career planning and development conducted in organization helps the Company to give suitable opportunities to employees to grow their career and learn new skills.

The Company believes in equity. It recognizes every employee at par irrespective of caste, creed, religion and language, thus creating a very good environment in an organization.

At Taparia, everyone considers himself as a part of family and identifies himself as part of a one whole. The Company continued the welfare activities for the employees, which include Medical Care, Group Insurance, Canteen facility, etc. To enrich the skills of employees and enrich their experience, the Company arranges Practical Training Courses by Internal and External Faculty.

The Company has good cordial relation with trade union and employees representatives and views these relationships as contributing positively to the success of the business.

Corporate Governance Report

1. COMPANY'S PHILOSOPHY ON THE CODE OF GOVERNANCE

Good Corporate Governance is not an end in itself, it is the means to create confidence with stakeholders and establish business integrity for an organization. Taparia Tools has come a long way in adopting some of the key principles of Corporate Governance like transparency, fairness, disclosures and accountability and these principles have been strongly cemented in the pillars, it has been founded upon. The business strategies and operations of the Company are governed by these principles to ensure fiscal accountability, ethical corporate behavior and fairness to all stakeholders.

Company's Corporate Governance policy is the ideology of transparency and openness in the effective working of the management and Board. It is believed that the imperative for good Corporate Governance lies not merely in drafting a code of Corporate Governance but in practicing it.

A report on compliance with the principles of Corporate Governance as prescribed by SEBI in Chapter IV read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "Listing Regulations") is given below:

2. BOARD OF DIRECTORS

Independent Auditor's Report

To the Members of Taparia Tools Ltd.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Taparia Tools Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit (including Other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Provisions for Contingencies and Litigations and disclosure of Contingent liabilities

Description of Key Audit Matter:

At March 31, 2020, the Company held provisions of ₹61.42 lakh in respect of legal claims and has disclosed total contingent liabilities of ₹120.83 lakh. These provisions are based on judgements and accounting estimates made by management in determining the likelihood and magnitude of claims. Accordingly, unexpected adverse outcomes could significantly impact the Company's reported loss and balance sheet position.

Refer Note.17 and Note.28 of financial statements for accounting policies for provisions and contingent liabilities and related disclosures.

Our response:

- We evaluated the design and tested the operating effectiveness of controls in respect of the determination of the provisions. We determined that the operation of the controls provided us with evidence over the completeness, accuracy and valuation of the provisions.

- We read the summary of litigation matters provided by management and held discussions with the management and their legal counsels. We requested legal letters from some of the Company's external legal advisors with respect to the matters included in the aforesaid disclosures. Where appropriate, we examined correspondence connected with the cases.
- For litigation provisions, we tested the calculation of the provisions, assessed the assumptions against third party data, where available and assessed the estimates against historical trends.
- We considered management's judgements on the level of provisioning and disclosures in respect of the aforesaid matters, which we considered to be appropriate.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any Director is not in excess of the limit laid down under section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 28 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure – A to the Independent Auditor’s Report

The Annexure referred to in Independent Auditor’s Report to the members of the Company on the Financial Statements for the year ended March 31, 2020, we report that:

- (i) (a) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) According to the information and explanations given to us, the Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner over a period of three years. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain fixed assets were physically verified during the year and no material discrepancies were observed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) According to the information and explanations given to us, the management was unable to conduct physical inventory counting as at year-end as inventories were held in locations which are closed due to Government imposed lockdown for COVID-19 (also refer note 36 to the financial statements). However, the management has conducted physical verification of inventory post year-end with roll-back procedures to the reporting date. In our opinion, the frequency of verification and the duration of roll-back procedures is reasonable. Discrepancies noticed on physical verification of inventories were not material, and have been properly dealt with in the books of account.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to Companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act. Accordingly, paragraph 3(iii) of the Order is not applicable to the Company.
- (iv) According to the information and explanations given to us, the Company has not given any loans, or

made any investments, or provided any guarantee, or security as specified under Section 185 and 186 of the Companies Act, 2013. Accordingly, paragraph 3(iv) of the Order is not applicable.

- (v) According to information and explanations given to us, the Company has not accepted any deposits from the public in accordance with the provisions of section 73 to 76 or any relevant provisions of the Act and rules framed thereunder.
- (vi) According to the information and explanations given to us, we have broadly reviewed the books of account maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 148 of the Act, related to the manufacture of hand tools, and are of the opinion that prima-facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, income-tax, employees’ state insurance, sales tax, value added tax, duty of customs, service tax, Goods and service tax, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, value added tax, duty of customs, service tax, Goods and service tax, cess and other material statutory dues were in arrears as at 31 March 2020 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, outstanding dues of octroi that have not been deposited by the Company on account of disputes are given below:

Name of the Statute	Nature of Dues	Amount (₹ lakh)	Period to which the amount relates	Forum where dispute is pending
Municipal Tax Act, 1963	Octroi Duty	15.22	1984-1986 & 1988	High Court

- (viii) According to the information and explanations given to us, based on our audit procedures and as per information and explanation given to us, the Company has not defaulted in repayment of dues to any bank. The Company did not have any outstanding dues in respect of loans or borrowings from any financial institution, government or debenture holders during the year.
- (ix) According to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) The company has paid/provided for managerial remuneration in accordance with requisite approvals mandated by the provisions of section 197 read with schedule V of the Act.
- (xii) According to the information and explanations given to us, in our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure – B to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Controls over financial reporting of Taparia Tools Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act,2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal

Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Controls, both applicable to an Audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain Reasonable Assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor’s Judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s Internal Financial Controls system over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted Accounting Principles. A company’s Internal Financial Control over Financial Reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

transactions and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

*NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020***1. Reporting entity**

Taparia Tools Ltd (the 'Company') is a Company domiciled in India, with its registered office situated at 52 & 52-B, MIDC Satpur, Nashik - 422007. The equity shares of the company are listed on the Bombay stock exchange (BSE) in India. The Company is primarily involved in manufacturing and trading of hand tools.

The manufacturing facility of the Company is located at Nashik and Goa.

1.1 Basis of preparation*a. Statement of compliance*

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements were authorised for issue by the Company's Board of Directors on 24th July, 2020.

Details of the Company's accounting policies are included in Note 2.

b. Functional and presentation currency

These financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded off to two decimal places to the nearest lakh, unless otherwise indicated.

c. Basis of measurement

The financial statements have been prepared on the historical cost basis, except for certain financial assets and liabilities and defined benefit plan assets/liabilities measured at fair value.

d. Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- Note 30 – lease; whether an arrangement contains a lease and:
- Note 30 – lease classification

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March 2020 is included in the following notes:

- Note 3 – useful life of Property, plant and equipment
- Note 4 – useful life of Intangible assets
- Note 31 – employee benefit plans
- Note 25 – Income taxes

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020

- Note 28 – recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;

e. *Measurement of fair values*

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2. Significant accounting policies

a. *Property, plant and equipment*

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is recognised in the statement of profit and loss.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Asset	Management estimate useful life	Useful life as per Schedule II of the Companies Act, 2013
Building	30 Years	30 Years
Plant and machinery (including moulds)	15 years	15 years
Office equipment's	5 years	5 years
Furniture and fixtures	10 years	10 years
Computers	3 years	3 years
Computer server	3 years	6 years
Vehicles- Motor car	8 years	8 years
Electric fittings	10 years	10 years

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on internal assessment and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed off).

b. Intangible assets

i. Acquired intangible

Intangible assets comprise purchased technical know-how are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

iii. Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method and is included in depreciation and amortisation in Statement of Profit and Loss.

Intangible assets are amortised over a period of 10 years for technical know-how and 3 years for others.

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

c. Inventories

Inventories are valued at the lower of cost and net realisable value. Cost includes purchase price, duties, transport & handling costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition.

The basis of determination of cost remains as follows:

- a) Raw material, packing material: Moving weighted average cost.
- b) Stores & stores: Moving weighted average cost.
- c) Work-in-progress: Cost of input plus overhead up to the stage of completion.
- d) Finished Goods: Cost of input plus appropriate overhead.
- e) Scrap: at net realisable value.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020

d. Impairment

Impairment of non-financial assets

- a) An asset is deemed impairable when recoverable value is less than its carrying cost and the difference between the two represents provisioning exigency.
- b) Recoverable value is the higher of the 'Value in Use' and fair value as reduced by cost of disposal.
- c) Test of impairment of PPE, investment in subsidiaries / associates / joint venture and goodwill are undertaken under Cash Generating Unit (CGU) concept. For Intangible Assets and Investment Properties it is undertaken in asset specific context.
- d) Test of impairment of assets are generally undertaken based on indication of impairment, if any, from external and internal sources of information outlined in para 12 of Ind AS-36.

Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

e. Employee benefits

i. Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund and Employee State Insurance scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

iii. Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

*NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020***iv. Other long-term employee benefits**

The Company's net obligation in respect of long-term employee benefits other than post-employment benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The obligation is measured on the basis of an annual independent actuarial valuation using the projected unit credit method. Remeasurements gains or losses are recognised in profit or loss in the period in which they arise.

f. Provisions and contingent liabilities

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assumptions of the time value of money and the risks specific to the liability. The unwinding of discount is recognized as finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A provision for onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

g. As a lessee

The Company has adopted modified simplified approach under Ind AS 116 - Leases, with effect from April 01, 2019. Accordingly, the Company has recognised 'Right of use (ROU)' assets of ₹ 183.61 lakh, accumulated amortisation is Nil and present value of lease liabilities of ₹ 183.61 lakh as on April 01, 2019.

In the statement of profit and loss for the year, instead of rent expenses (as accounted under previous periods), amortisation of right of use has been accounted under depreciation and amortisation expenses and unwinding of discount on lease liabilities has been accounted under finance cost. The impact on the profits / (loss) for the year due the above change in accounting policy is additional expense of ₹ 7.03 lakh.

The Company's leases primarily consist of leases of land and office premises. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the date of commencement of the lease, the Company recognizes a ROU and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and/or low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Currently, ROU assets are being amortised over a period of 3-5 years based on lease term being lower of lease term and estimated useful life of underlying assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing activities in statement of cash flows.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020

As a lessor

Lease income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

h. Borrowing costs

Borrowing costs directly attributable to the acquisition or construction of those property, plant and equipment which necessarily takes a substantial period of time to get ready for their intended use are capitalised. All other borrowing costs are expensed in the period in which they incur in the statement of profit and loss.

i. Revenue

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations. The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms. Revenue is measured on the basis of contracted / transaction price, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the Government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for such discounts and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur. Our customers have the contractual right to return goods only when authorised by the Company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Interest income is recognised using the effective interest rate (EIR) method.

j. Foreign currency transactions

Transactions in foreign currencies are initially recorded by the company at their functional currency spot rates at the date of the transaction.

Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

k. Recognition of interest income or expense

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

l. Government grant

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to revenue, it is recognised in the statement of profit and loss on a systematic basis over the periods to which they relate. When the grant relates to an asset, it is treated as deferred income and recognised in the statement of profit and loss on a systematic basis over the useful life of the asset.

*NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020***m. Income tax**

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

n. Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding after adjusting for the effects of all potential dilutive ordinary shares.

o. Cash flow statement

Cash Flows are reported using indirect method, where by profit /loss before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year are classified by operating, investing and financing activities.

p. Financial instruments**i. Recognition and initial measurement**

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020

initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii. Classification and subsequent measurement

Financial assets

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Impairment of financial assets

The company assesses impairment based on expected credit losses (ECL) model at an amount equal to:

- 12 months expected credit losses, or
- Lifetime expected credit losses

depending upon whether there has been a significant increase in credit risk since initial recognition.

However, for trade receivables, the company does not track the changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020

under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

Impact of tax rate change: The Company elected to exercise the option permitted under Section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has re-measured its Deferred Tax Assets basis the rate prescribed in the said section. The full impact of this change has been recognised in the Statement of Profit & Loss for the year.

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income by each jurisdiction in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

27 Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

	276.56	262.11

28 Commitments (to the extent not provided for)

28.1 Contingent liabilities above represent estimates made mainly for probable claims arising out of litigation and disputes pending with tax authorities. The probability and timing of outflow with regard to these matters depend on the final outcome of litigations / disputes. Hence the Company is not able to reasonably ascertain the timing of the outflow.

28.2 The Company is subject to legal proceedings and claims which arise in the ordinary course of business. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liability, where applicable. The management does not reasonably expect that these legal actions, when ultimately concluded and determined, will have a material and adverse effect on the Company's operations or financial condition.

29 The Company was set up with the objective of manufacturing Handtools. This is the only activity performed and is therefore the main source of risks and returns. Accordingly, the Company has a single reportable segment. Further, as the Company does not operate in more than one geographical segment hence the relevant disclosures as per Ind AS 108 are not applicable to the company.

(i) Defined benefit plan - Gratuity

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is an unfunded plan.

The amounts recognised in the balance sheet and the movements in the net defined benefit obligation over the year are as follows:

(₹ In lakh)

	As at March 31, 2020	As at March 31, 2019
Present value of obligation as at the beginning of the year	732.11	637.82

Benefit payments	(19.88)	(22.53)
Present value of obligation as at the end of the year	824.14	732.09

Significant estimates: actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:

	As at March 31, 2020	As at March 31, 2019
Discount rate	6.83%	7.88%
Salary growth rate	10.00%	10.80%
Retirement age	58 & 75 Years	58 & 75 Years
Withdrawal rates	2.00%	2.00%
Weighted average duration of defined benefit obligation	9	10

Assumptions regarding future mortality rates are based on Indian Assured Lives Mortality (2006-08) Ultimate as published by Insurance Regulatory and Development Authority (IRDA).

The actuarial valuation is carried out yearly by an independent actuary. The discount rate used for determining the present value of obligation under the defined benefit plan is determined by reference to market yields at the end of the reporting period on Indian Government Bonds. The currency and the term of the government bonds is consistent with the currency and term of the defined benefit obligation.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

(₹ In lakh)

	Year ended 31 March 2020	Year ended 31 March 2019
Discount rate (1.00% increase)	(5,996,657)	(5,438,182)
Discount rate (1.00% decrease)	6,924,317	6,252,856
Future salary growth (1.00% increase)	6,402,525	5,707,804
Future salary growth (1.00% decrease)	(5,674,993)	(5,115,716)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period

(ii) Defined contribution plan

The Company also has certain defined contribution plan. Contributions are made to provident fund and employee state insurance scheme for employees at the specified rate as per regulations. The contributions are made to registered provident fund administered by the government. 34. Financial Instrument - Accounting classifications and fair values measurements

The fair value of the assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to the short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the company based on parameters such as interest rate and individual credit worthiness of the counterparty. Based on this evaluation, allowance are taken to the account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2 : other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels of in the fair value hierarchy :

As at 31 March 2020

(₹ In lakh)

	Carrying amount			Total carrying amount	Fair value

Financial risk management objectives and policies

The Company has exposure to the following risks arising from financial instruments :

- Credit risk
- Liquidity risk
- Market risk
- Interest risk

Risk management framework

The Company's management has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company conduct yearly risk assessment activities to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company has a system in place to ensure risk identification and ongoing periodic risk assessment is carried out. The Board of directors periodically monitors the risk assessment.

i) Credit risk

Credit risk is the risk that counterparty will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables and deposits to landlords) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments. The company generally doesn't have collateral.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2020

The carrying amounts of financial assets represent the maximum credit risk exposure. The maximum exposure to credit risk at the reporting date was:

Particulars	(₹ In lakh)	
	As at 31 March 2020	As at 31 March 2019
Trade receivables	2,907.12	4,153.52
Cash and cash equivalents	451.05	273.40
Other financial assets	393.70	127.68

Trade receivables

Customer credit risk is managed as per Company's established policy, procedures and control relating to customer credit risk management. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

An impairment analysis is performed for all major customers at each reporting date on an individual basis. In addition, a large number of minor receivables are grouped into homogenous group and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in note 8. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several industries and operate in largely independent markets.

Bank balances and deposits with banks

Credit risk from balances with banks is managed by the company's finance department as per Company's policy. Investment of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

As at March 31, 2020

(₹ In lakh)

	Contractual cash flows

	5,216.06	5,216.06	5,216.06	-	-	-	-

iii) Market risk

Market risk is the risk of loss of future earnings, fair value or future cash flows arising out of change in the price of a financial instrument. These include change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowing.

The company manages market risk through a risk management committee engaged in, inter alia, evaluation and identification of risk factors with the object of governing/mitigation them accordingly to company's objectives and declared policies in specific context of impact thereof on various segments of financial instruments.

Currency risk

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which purchases are denominated and the functional currency of Company. The functional currency of the Company is Indian Rupees. However the Company is not exposed to foreign currency fluctuation between the foreign currency and Indian Rupees.

iv) Interest risk

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments was as follows

(₹ In lakh)

Particulars	As at March 31, 2020	As at March 31, 2019
Fixed rate instruments		
Financial assets		
Deposit with banks	445.54	267.38
Total	445.54	267.38
Variable-rate instruments		
Financial liabilities		
Borrowings	-	-
Total		-

Fixed deposits made by the Company carries fixed rate of interest and hence there is no interest rate risk.

- 35 Pursuant to the introduction of Section 1158AA of the Income Tax Act, 1961 vide Taxation Laws (Amendment) Ordinance, 2019 the company has an option to pay corporate income tax at the rate of 22% plus applicable surcharge and cess (lower rate) as against the earlier rate of 30% plus applicable surcharge and cess, subject to certain conditions. Considering the provisions under said section 115BAA of the Income Tax Act, 1961 the Company has decided to avail the lower rate from FY 2019-20. Accordingly, the Company has recognized Provision for Income tax for the year ended 31st March, 2020 and re-measured its net Deferred Tax liabilities on the basis of the rate prescribed in the said section.
- 36 In view of the country-wide lockdown due to the outbreak of COVID-19 pandemic, operations/despaches and administrative offices of the Company were scaled down or shut down for certain days beginning from second half of March, 2020. The lockdown is being lifted with systematic process by the Government at this point in time and resumption of full-fledged operations will depend upon directives issued by the Government authorities. The Company continues to closely monitor the situation and take appropriate action in due compliance with the applicable regulations. The operations/despaches have partially resumed at certain locations of the Company in compliance with Government directives in June, 2020.

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, trade receivables and other current assets. The eventual outcome or impact of COVID-19 on the Company's financial statement may differ from that estimated as at the date of approval of these financial statements, however, as per the current assessment of the management, the carrying amounts of these assets are expected to be recovered.

- 37 Previous year figures have been regrouped or arranged wherever necessary.
