Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**Review Report to
The Board of Directors
Emkay Global Financial Services Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Emkay Global Financial Services Limited (the "Company") for the quarter ended December 31, 2019 and year to date from April 01, 2019 to December 31, 2019 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

- The above Standalone Financial Results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on January 24, 2020. The Statutory Auditors of the Company have carried out a limited review of the above financial results of the company for the quarter and nine months ended on December 31, 2019.
- The Company has adopted Indian Accounting Standards (Ind AS) with effect from April 1, 2019 and the effective date of such transition is April 1, 2018. The above financial results have been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 - Interim Financial Reporting prescribed under section 133 of Companies Act, 2013 read with relevant Rules issued thereunder and other accounting principles generally accepted in India. The transition has been carried out from the erstwhile Accounting Standards notified under the Act. Accordingly the impact of transition has been recorded in the opening reserves as at April 1, 2018 and the corresponding figures, presented in these results, have been restated/reclassified. There is a possibility that these financial results for the current and previous periods may require adjustments due to changes in the financial reporting requirements arising from new standards, modifications to the existing standards, guidelines issued by the Ministry of Corporate Affairs or changes in the use of one or more optional exemptions from full retrospective application of certain Ind AS 101 which may arise upon finalisation of the financial statements as at and for the year ending March 31, 2020 prepared under Ind AS.
- The Company has adopted Ind AS 116 with effect from April 1, 2019 and applied the standard retrospectively to its lease contracts existing on April 1, 2018 using the modified retrospective approach in accordance with the requirement of the standard and accordingly restated the comparative figures. This does not have any significant impact on the profit and loss for the period.
- The Company has opted to avail the relaxations provided by SEBI circular dated July 05, 2016 and therefore the above financial results does not include Ind AS compliant financial results for the previous year ended March 31, 2019 as the same is not mandatory. Financial Results under previous GAAP for the quarter and nine months ended December 31, 2018, as reviewed and published in the earlier period, have been adjusted for differences in the accounting principles adopted by the Company on transition to Ind AS. The Statutory Auditors of the Company have reviewed these Ind AS adjustments and the reconciliation as presented in Note 7 below.
- As on December 31, 2019, the Company has 42,72,984 Stock Options outstanding under various ESOP Schemes.
- The Government of India, on September 20, 2019, vide the Taxation Laws (Amendment) Ordinance 2019 (the Ordinance), inserted a new section 115BAA in the Income Tax Act, 1961, which provides an option to the Company for paying Income tax at reduced rates. The Company for the purposes of quarterly results is continuing status quo and in due course will evaluate whether to transit to available option under the Ordinance.

Notes:

1 The above Consolidated Financial Results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on January 24, 2020. The Statutory Auditors of the Company have carried out a limited review of the above financial results of the company for the quarter and nine months ended on December 31, 2019.

2 The Company has adopted Indian Accounting Standards (Ind AS) with effect from April 1, 2019 and the effective date of such transition is April 1, 2018. The above financial results have been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 - Interim Financial Reporting prescribed under section 133 of Companies Act, 2013 read with relevant Rules issued thereunder and other accounting principles generally accepted in India. The transition has been carried out from the erstwhile Accounting Standards notified under the Act. Accordingly the impact of transition has been recorded in the opening reserves as at April 1, 2018 and the corresponding figures, presented in these results, have been restated/reclassified. There is a possibility that these financial results for the current and previous periods may require adjustments due to changes in the financial reporting requirements arising from new standards, modifications to the existing standards, guidelines issued by the Ministry of Corporate Affairs or changes in the use of one or more optional exemptions from full retrospective application of certain Ind AS 101 which may arise upon finalisation of the financial statements as at and for the year ending March 31, 2020 prepared under Ind AS.

3 The Company has adopted Ind AS 116 with effect from April 1, 2019 and applied the standard retrospectively to its lease contracts existing on April 1, 2018 using the modified retrospective approach in accordance with the requirement of the standard and accordingly restated the comparative figures. This does not have any significant impact on the profit and loss for the period.

4 The Company has opted to avail the relaxations provided by SEBI circular dated July 05, 2016 and therefore the above financial results does not include Ind AS compliant financial results for the previous year ended March 31, 2019 as the same is not mandatory. Financial Results under previous GAAP for the quarter and nine months ended December 31, 2018, as reviewed and published in the earlier period, have been adjusted for differences in the accounting principles adopted by the Company on transition to Ind AS. The Statutory Auditors of the Company have reviewed these Ind AS adjustments and the reconciliation as presented in Note 7 below.

5 As on December 31, 2019, the Company has 42,72,984 Stock Options outstanding under various ESOP Schemes.

6 The Government of India, on September 20, 2019, vide the Taxation Laws (Amendment) Ordinance 2019 (the Ordinance), inserted a new section 115BAA in the Income Tax Act, 1961, which provides an option for paying Income tax at reduced rates. The Group is in the process of assessing the outcome based on various parameters in respect of every entity. For the purposes of quarterly results, current tax charge and deferred tax credit for the nine months ended December 31, 2019 has been reduced by Rs.4.38 Lakhs and Rs.0.06 Lakhs respectively, in respect of a company where such evaluation has been completed, while continuing with status quo in respect of others.
