Company Secretary

PRESS RELEASE

Infosys Foundation Announces the Third Edition of the Aarohan Social Innovation Awards

INR 2 crore committed towards accelerating and rewarding social innovation in India

Bengaluru, India – January 10, 2023: [Infosys Foundation](#), the philanthropic and CSR arm of [Infosys](#), today announced the launch of the third edition of its Aarohan Social Innovation Awards. To further social innovation in India, Infosys Foundation is inviting innovators and social entrepreneurs from across the country to participate in the awards.

The Aarohan Social Innovation Awards 2023 seek to encourage and reward individuals, teams and NGOs developing unique technology-based solutions that have the potential to bring about a significant difference to the underprivileged across India, at scale. The Infosys Foundation will commit up to INR 50 lakh per winner, with a total award purse of INR 2 crore.

“At Infosys Foundation, we have always believed in the power of working relentlessly towards social good. Aarohan Social Innovation Awards further this very aim through a platform where the finest innovations with the potential to impact social good are valued, encouraged, and rewarded. The past editions of the awards have been a huge success, creating tremendous impact. With the 2023 edition, we hope to carry this momentum forward by encouraging social innovators across the country to translate their ideas and passion into impactful award-winning solutions, with the potential to bring real change, at scale.” said, **Sumit Virmani, Trustee, Infosys Foundation**.

The Aarohan Social Innovation Awards 2023 will accept submissions across three categories:

- Education
- Healthcare
- Women Empowerment

Key Highlights:

- The submissions for the third edition of the Aarohan Social Innovation Awards will commence **on January 10th, 2023, and will conclude on March 12th, 2023**
- Entries are open for all Indian citizens, of 18 years and above who are residing in the country
- Participants can submit entries describing their work in the form of videos that can be uploaded on the Aarohan Social Innovation Awards website

- The entries must be of a fully functioning prototype or finished project and not just a concept, idea, or mockup; additionally, the innovation can be from an individual, a team, a non-profit or a social enterprise.

A panel of distinguished judges will evaluate the shortlisted participants to ascertain the final winners. The final winners will be evaluated on the following broad criteria:

- Application to a social problem or need, with a potential to scale
- Innovative use of technology, with a focus on sustainability
- Originality of ideas
- Ease of use
- Quality of presentation

Safe Harbor

Certain statements in this release concerning our future growth prospects, financial expectations and plans for navigating the COVID-19 impact on our employees, clients and stakeholders are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding COVID-19 and the effects of government and other measures seeking to contain its spread, risks related to an economic downturn or recession in India, the United States and other countries around the world, changes in political, business, and economic conditions, fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India and the US, our ability to attract and retain highly skilled professionals, time and cost

overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry and the outcome of pending litigation and government investigation. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2022. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
