SoftTech and CDCi sign an agreement to offer software products and services under CIVIT Platform to Malaysian AEC industry

World: SoftTech Engineers Limited, India (SoftTech) inks MoU with CDC international (CDCi) on July 21st, 2023 at their Malaysia head quarter to extend SoftTech's comprehensive suite of software product platform CIVIT for Digitalization of Government and Corporate construction and Infrastructure industry.

SoftTech is a leading provider of cutting-edge technology products & solutions for the construction and civil infrastructure sector, helping digitally transform the AEC industry. Equipped with 25+ years of deep domain expertise and industry knowledge, SoftTech has empowered more than 800 clients & government organizations, with more than 25000 users.

Commerce Dot Com Sdn. Bhd. International (CDCi) is a Malaysian government-linked company under the Ministry of Finance, where the ministry's corporate arm retains a strategic share in the company. Having garnered over two decades of experience, CDC has solidified its position as one of the premier procurement solutions providers in Malaysia. The company has gained a credible reputation for delivering exceptional services by leveraging its focused innovative solutions.

CDC's flagship product, ePerolehan, launched in 2000, has grown into a leading Government-to-business (G2B) virtual marketplace in Malaysia, with nearly 4,000 government offices and over 180,000 registered businesses. Expanding further, CDC formed CDCi offering procurement solutions for private organizations and government-linked firms through its wholly-owned subsidiaries. By leveraging CDCi's specialized experience and extensive footprint in Malaysia, SoftTech aims to offer unparalleled value to private construction companies as well as statutory authorities in Malaysia.

The CIVIT Platform's comprehensive suite of offerings will empower Malaysian AEC clients to optimize efficiency, boost profitability and make well-informed decisions that drive sustainable growth. With a steadfast conviction in the effective complementarity of their services and solutions, SoftTech and CDCi are keen to unlock the vast array of possibilities that this partnership holds for their businesses.

Commenting on the partnership, Mr. Vijay Gupta, CEO and Founder at SoftTech said, "We are thrilled to join forces with CDCi to extend our innovative software solutions and services under the CIVIT Platform to the Malaysian government and construction industry. As a part of our expansion strategy in Asia Pacific this partnership will strengthen and bring in vast experience, customer reach, technology expertise and innovations of CDCi in serving Malaysia government for last 20+ years". This collaboration will undoubtedly enhance the construction industry's efficiency and effectiveness, streamlining processes and delivering exceptional results. We look

forward to making a significant impact and fostering growth in the region with our advanced technology expertise and experience”.

On July 21st, 2023 at the head quarter of CDCi , MoU was signed between two companies represented by Putri Nurul Ida Yahya , CEO of CDCi and Vijay Gupta , Chairman and CEO of SoftTech in the august presence of Group CFO , CTO , VP–Tech solutions Group, VP Business Development and team of CDCi and VP – Sales of SoftTech.

About SoftTech:

SoftTech offers innovative products and services to help drive digital solutions in the infrastructure and construction industry.
