Sub: Announcement under Regulation 30 of SEBI (LODR) Regulations, 2021- Business Update

Dear Sirs,

This is to inform you that the management of Anmol India Ltd has decided to form a strategic committee “Expansion and Growth Committee”. The role of the Committee will be to explore new opportunities in the Chemical related products and steel related products like Iron Ore, Iron Pellet, Met Coke etc.

The committee will focus on investments in new products and to expand into new demographics. The newly-formed committee will focus on identifying and securing strategic partnerships and collaborations within the chemical and steel-related products sectors. This expansion is set to unlock significant growth potential for the Company, as the demand for steel and chemical-related products continues to surge worldwide.

By exploring new opportunities in the steel and chemical-related products markets and leveraging synergies with our existing client base, we aim to broaden our business horizons and solidify our position as a major player in the global trading arena

This is for your information and records.

Thanking You,

Yours Faithfully,
For Anmol India Limited
