Notes:

- 1 The above results were reviewed by the Audit Committee and were thereafter approved by the Board of Directors at their respective meetings held on 11 November, 2020.
- 2 The Company's operations and financial results for the quarter and six months ended have been impacted by the lockdown imposed to contain the spread of COVID-19. The operations gradually resumed in line with the directives of the Government. This was done with requisite precautions ensuring safety of employees. However, despite resumption of operation, there were disruptions due to limited availability of work force, containment zones and curfew restrictions coming up from time to time. The results for the quarter and six months ended are therefore not comparable with those for the previous periods.
The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of its assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company, as at the date of approval of these financial results has used internal and external sources of information. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects to recover the carrying amounts of these assets. The Company will continue to closely monitor any material changes to future economic conditions.
- 3 The Board of Directors recommended dividend of Rs. 5.50 per equity share for the year ended 31 March, 2020 in its meeting dated 27 June, 2020 which has been approved by the shareholders in the Annual General Meeting dated 29 September, 2020. Consequently, dividend of Rs. 84.12 crore has been provided during the current quarter and six months ended 30 September, 2020.
- 4 The Statutory Auditors have carried out a limited review of the unaudited standalone financial results for the quarter and six months ended 30 September, 2020.

FINOLEX CABLES LIMITED

PRESS RELEASE

FINOLEX CABLES LTD RESULTS

Pune, November 11th, 2020

Finolex Cables Ltd., (FCL) at the meeting of its Board of Directors held today approved results for the second quarter of the financial year 2020-21.

The gradual unlocking across the country during the quarter and the improving business sentiments, meant a better quarter for the company. While the numbers improved significantly compared to the previous quarter, they were still slightly lower than the corresponding period of 2019-20. Improvements in volumes were seen across all product categories; this combined with repeated assurances from government towards economy building, brings tremendous us hope for the immediate future.

Net Sales for the quarter ended September 30th 2020 were Rs 639.4 crores as against Rs 715.7 crores for the corresponding period of the previous year representing a 10% decline in value terms.

While volumes in Electrical Cables and Communication Cables reflected a similar trend (lower than the corresponding period of previous year), in the newer categories of Lamps, Switches, Switchgear, Fans and Water Heaters, there was a healthy growth of upwards of 20%. The strategy to focus on better distribution is bringing rewards, though slowly.

Efforts on cost containment that were started in the previous quarter, continue. Over the medium term these efforts will bring in a permanent reduction in operating costs.

Profit for the quarter, before taxes, was Rs.92.1 crores, as compared to Rs.139.1 crores in the previous year.

Profit for the quarter, after taxes, was Rs.69.0 crores, as compared to Rs.123.2 crores in the previous year.
