Ramco Aviation signs deal with Nova Systems

To provide MRP and MRO services for its UK-based operations

Chennai, INDIA – February 07, 2023 – Enterprise aviation software provider [Ramco Systems](#) announced that its [Aviation M&E MRO Suite V5.9](#) has been selected by [Nova Systems](#), a global engineering services and technology solutions company.

Ramco's Aviation Software will provide Nova Systems modules covering Aviation Manufacturing, Maintenance, Supply Chain Management and Compliance Management. The solution's robust workflow and reporting capabilities will enable Nova Systems to streamline their Part 21J, Part 21G and Part 145 operations, meet their industry-specific requirements for material management and provide them with actionable insights.

Nova Systems General Manager Aerospace Capability Cher Min Teo said: "We were looking for an aviation specific MRP that would provide the platform for us to build and scale our aviation solution and services business. We selected Ramco's suite after a comprehensive evaluation of various suppliers and systems."

Manoj Kumar Singh, President – Ramco Systems Corporation, USA and Chief Customer Officer – Aviation, Aerospace & Defense, Ramco Systems, said, "We are delighted to partner with Nova Systems on their transformation journey. Equipped with the latest artificial intelligence, machine learning stacks, and with intelligent voice interface user experience, Ramco's Aviation solution tailored from the ground up for the aviation industry has secured the trust of trendsetters in the business. We look forward to enabling Nova Systems to optimize their operations and continue making our world safe and secure."

[Ramco Aviation, Aerospace & Defense \(AAD\) Software](#) is trusted by 24,000+ users to manage 4,000+ aircraft globally. With 90+ Aviation organizations onboard, Ramco is the solution of choice for top heli-operators, leading defense companies, space launch vehicles, UAS/Drones, eVTOL and multiple MROs around the world. Available on cloud and mobile, Ramco AAD Software provides accessibility with 'Anywhere Apps', significantly reducing transaction time both during aircraft-on-ground (AOG) conditions and critical aircraft turnarounds. Ramco is changing the paradigm of enterprise software with Artificial Intelligence based solutions, intelligent voice enabled user experience, and cool new features such as digital task cards, offline capability, chatbots, mail bots, HUBs and cognitive solutions.

About Nova Systems:

Nova Systems is a leading global engineering services and technology solutions company with more than 850 employees working from strategically located offices around the world including the United Kingdom, Norway, Ireland, Singapore, Australia, and New Zealand. Nova Systems is a trusted partner to solve complex challenges for clients across defence, parapublic, government, special missions and commercial aerospace. Our company brings two decades of aviation experience built on a foundation of operational and technical expertise to deliver bespoke, low-risk aerospace technology solutions.

About Ramco Systems:

Ramco is a next-gen enterprise software player disrupting the market with its multi-tenant cloud and mobile-based enterprise software in HR and Global Payroll, ERP and M&E MRO for Aviation. Part of the USD 1 billion Ramco Group, Ramco Systems focuses on Innovation and Culture to differentiate itself in the marketplace. On the Innovation front, Ramco has been focusing on moving towards Active ERP leveraging Artificial Intelligence and Machine Learning by building features such as **Talk It** - which allows transactions to be carried out by simple voice commands, **Bot it** – which allows users to complete transactions using natural conversations; **Mail It** – transact with the application by just sending an email; **HUB It** - a one screen does it all concept built to address all activities of a user; **Thumb It** – mobility where the system presents users with option to choose rather than type values and **Prompt It** – a cognitive ability which will let the system complete the transaction and prompts the user for approval.

With 2000+ employees spread across 29 offices, globally, Ramco follows a flat and open culture where employees are encouraged to share knowledge and grow. No Hierarchies, Cabin-less Offices, Respect work and not titles, among others are what makes the team say, Thank God it's Monday!
