Dear Sir(s)/Madam,

**Sub: Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Update on Restoration of Soda Ash Production**

With Reference to our earlier communications dated June 14, 2023 and July 4, 2023 and in compliance with Regulation 30(4) read with Para B of Part - A of Schedule III to the SEBI (LODR) Regulations, 2015 and other applicable provisions, if any, we hereby provide update on mechanical breakdown of CO<sub>2</sub> gas compressor in our Soda Ash Plant.

We wish to inform you that, the new parts for the compressor from the Original Equipment Manufacturer (OEM) have failed to restore the production back to 100%. As per our earlier intimation, the Company continues to operate at 75% capacity with the repaired parts. We await the site inspection by OEM and future course of action based on their findings.

We assure our shareholders that the Management is committed to maintain highest possible level of operational efficiency & risk management in the production process of the Soda Ash Facility and will keep the shareholders updated in due course of time.

Thanking You,

Yours faithfully,

For DCW Limited
