MESSAGE FROM CHAIRMAN, BOARD OF DIRECTORS, DR.VIVEK HEBBAR

Dear Shareholders,

I have great pleasure in welcoming you to this 21st Annual General Meeting of **M/s. Firstobject Technologies Limited**.

I trust the Notice convening the meeting, the Board's Report and the Audited Accounts along with the Report of Auditors thereon for the year ended March, 2021 have reached you on time. With your permission, I take them as read.

Since the massive spike in COVID-19 cases and the consequent lockdown has hit the business operations and it has an impact on the financial performance and business operations of the Company. These unprecedented times that the Company is going through on account of the COVID-19 pandemic, lockdowns, statewide restrictions etc. has substantially disrupted its business. However, the Company is confident to sail through this crisis smoothly. The Company is hoping that its business operations will resume as soon as COVID-19 situation improves in our country and globally. From an operational performance perspective, the last twelve months have been challenging and volatile. The company had to face severe headwinds caused principally of company's low margin businesses.

The definitive assessment of the impact of Lockdown and other restrictions related to Covid 19 Pandemic in subsequent period is highly dependent on the circumstances as they evolve. Your Company is exploring various strategic initiatives to strengthen its Operations.

Only a definitive strategy, considering expected level of technological changes required to meet competition and future requirements across the Industry, while concurrently addressing its current requirements, can drive today's enterprise to the next level of growth. Our business approach is structured to this futuristic philosophy, which gives us the technological edge to stay ahead in the competitive market space.

I wish to thank all of our loyal shareholders for standing by us in tough time. I would also like to thank our precious customers, business partners, suppliers, professional advisers, and bankers for their continuous support and confidence in the company.

I would like to express my sincere gratitude to my fellow Board members and shareholders of company for their valuable guidance and support in growth of the Company. I would also like to highlight the dedication, patience and hard work put in by all of our staff members and management over the years.

I would like to conclude by commending the hard work and sincere efforts put in by all the employees of the Company.

Thank you,

Dr. Vivek Hebbar
Chairman

PERFORMANCE AT A GLANCE

MANAGEMENT DISCUSSION & ANALYSIS REPORT

CORPORATE OVERVIEW

Firstobject Technologies Ltd is an IT / ITE's and an E- education company. It has unveiled more quality E-learning products rapidly in the K-10 and beyond segment. FTL is in the K-10 segment. It has stopped Legal, Management and Engineering segments due to rapid changes in syllabus and heavy costs of obsolescence.

Firstobject currently offering its e-learning modules through DVDs, USB ports, Androids etc customized for the usage by various users like Schools, Institutions, etc.

E-learning business is going through a grater transformation both in terms of technological changes and also syllabus changes on yearly bases of various boards leading to redundancy and revenue and financial losses.

Further, augmented reality artificial intelligence, and machine learning are fast changing the landscape of e- Learning. To gear up to these new changes Firstobject is re-orienting itself and this transformation may take significant period of time.

OPPORTUNITIES IN E - EDUCATION INDUSTRY POST COVID 19

The new normal created by the COVID-19 outbreak has compelled organisations to rethink the way businesses operate and deliver value to customers.

Moreover, the COVID 19 pandemic has put the spotlight on the ever-increasing structural imbalances in school education in terms of rural-urban, rich and poor and gender divide.

Sometime in the second week of March, state governments across the country began shutting down schools and colleges temporarily as a measure to contain the spread of the novel coronavirus. The structure of schooling and learning, including teaching and assessment methodologies, was the first to be affected by these closures. Only a handful of private schools could adopt online teaching methods. In this time of crisis, a well-rounded and effective educational practice is what is needed for the capacity-building of young minds.

It is also important to reconsider the current delivery and pedagogical methods in school and higher education by seamlessly integrating classroom learning with e-learning modes to build a unified learning system.

Broadly, eLearning involves the use of digital media and technology to deliver learning experiences. A learning experience attempts to simulate the real-world classroom learning process. It involves assembling great content, distributing it to facilitate learning, managing the learning process and providing validations (E.g. tests, certifications). E-Learning typically reaches learners through one of 4 channels: Traditional Education, Corporates, Government or Direct Consumer. In the past few years, direct consumer learning has emerged as one of the fastest growing channels. On the supply side, the industry has content providers (Authors, Institutions, etc.), service providers (Content creation, Publishing, Marketing, etc.) and technology providers (Authoring tools, Platforms, Learning Management Systems, etc.). Businesses in the eLearning space often straddle more than one bucket to deliver a seamless experience.

Market Size

Currently, the school segment is valued at US\$ 52 billion and contributes 52 per cent to the education market in India, higher education contributes 15 per cent of the market size, text-book, and allied service contribute 28 per cent and vocational education in manufacturing and services contributes 5 per cent. Higher education system in India has undergone rapid expansion. Amid the opportunities spread across in the traditional mode, e-learning has to make its place in terms of significant contribution for which huge marketing expenses for propagation and brand building are essential.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

● **OUTSOURCING SERVICES**

Knowledge Process Outsourcing (KPO):

Firstobject Technologies provides middle office and back office support to capital market arms of leading global banks, educational institutions, manufacturing giants and services companies. Our customer-partners are all leaders in their respective industries and are included in top business enterprises. With each of our partners, we manage a number of discrete programs providing specific needs across multiple divisions. Current customer programs include data search programs, research report preparations, price monitoring and competitive analytics, financial contract risk management and data reconciliation services

Below are some Demand and supply side drivers for KPO Industry

Demand side drivers

Demand side drivers	
Skills/ capabilities	KPO is all about knowledge arbitrage. India, the dominant KPO destination, is facing a shortage of skilled professionals. Financial institutions should explore countries with an adequate pool of skilled finance resources.
Language	Countries that possess the depth and quality of KPO skill sets and non-English linguistic capabilities, are well positioned to commence KPO offerings.
Business continuity	High systems and applications availability are a critical requirement of the financial services Industry. KPO providers may need geographical spread to provide adequate business continuity.
Responsiveness	KPO providers having near-shoring and on-shoring capabilities for their clients are deemed more responsive. Competitive pressures are expected to drive KPO providers to set-up delivery centers closer to client-locations.
Risks	Financial institutions are normally wary of using one provider for all services unless part of an internal captive operation. The nature of KPO work lends itself to a multi-sourcing strategy, using multiple vendors to deliver specific activities.
Regulatory constraints	Clients cannot abdicate their regulatory and legal compliance responsibility. Some regulatory constraints prohibit the transfer of certain work offshore. This is expected to force the leading KPO providers to expand their geographical footprint to become more local to clients, and become more intimate with their clients' regulatory and legal constraints.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Supply side drivers

Supply side drivers	
Skills shortage	The KPO industry appears to be driven by access to the breadth and depth of talent. The demand-supply gap for qualified resources in India, currently the dominant KPO destination, is expected to force KPO providers to find new delivery locations with depth and quality of talent required for KPO activities.
Risk diversification (hedging)	Service providers cannot provide services solely from one single location or country. In order to maintain business continuity during adverse circumstances, KPO providers have to diversify globally to reduce their risk exposure.
Language	KPO providers are expected to expand to non-English speaking locations globally, to support non-English speaking clients.
Global delivery model	KPO providers having near-shoring and on-shoring capabilities are deemed more responsive. Competitive pressures are expected to drive KPO providers to set-up delivery centers closer to the client-locations.
Regulatory requirements	Some regulatory requirements prohibit the transfer of certain work overseas. In order to tap into this extra business, KPO providers are expected to set up new global delivery centers.

THREATS & RISKS

Part i: External Risks relating to the Business of the Company:

1. Changes in Government policies could adversely affect the Company’s business, results of operations and financial condition.
2. A decline in India’s foreign exchange reserves may affect liquidity and interest rates in the Indian economy, which could have an adverse impact on the Company. A rapid decrease in reserves would also create a risk of higher interest rates and a consequent slowdown in growth.
3. If inflation were to rise in India, the Company might not be able to increase the prices of its services and products in order to pass costs on to its customers and the Company’s profits might decline.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

4. A significant change in the Central and State Governments' economic liberalization and deregulation policies could disrupt the Company's business.
5. If regional hostilities, terrorist attacks or social unrest in India increase, the Company's business could be adversely affected and the price of the Shares could decrease.
6. A slowdown in economic growth in India could cause the Company's business to suffer
7. Natural calamities could have a negative impact on the Indian economy and could cause the Company's business to suffer and the price of the Shares to decrease.
8. Covid -19 leading to continuous lock down and non- committal of clients due to schools being shut.

Part ii : Risks Associated with the Expansion of the Company's Business

1. The Company faces risks and uncertainties associated with the implementation of its expansion projects.
 The Company plans to expand its brand and product portfolios and its service and distribution networks in India and abroad in the near future, both organically and inorganically via strategic acquisitions. In taking these and any other such expansion initiatives, the Company faces risks and uncertainties, including funding anticipated to be deployed towards the cost of the project will not become available in a timely manner or at all.
2. The company has various education modules, to sell them company requires specialized marketing force which also needs huge expenditure, paucity of funds may delay aggressive marketing of its e-learning products.
3. IT/ITES, Education and Healthcare services have become very competitive and margins are under pressure due to varied kind of assignments.
4. E-learning offerings are subject to syllabus changes from time to time.

Risks and Risk Mitigation

The ITES Industry thrives under a dynamically changing and highly competitive business environment. The Company too faces several business risks, of which some prominent ones are discussed hereunder alongside the risk mitigation approach followed by the Company:

Concentration risks

The Company has taken significant steps to ensure that it does not become too dependent on few clients or any particular geography.

Considerable efforts are being made to generate business from new geographies.

Investment portfolio related risks

In order to deal with surplus cash, the Company, as a policy, does not prefer to invest in high risk assets such as equities and low liquidity assets like real estate etc. The primary area of risk for the Company's market exposures are related to its investment in securities. To mitigate risk, surplus funds if any are invested in appropriate avenues upon a review by the investment committee. All investment decisions are driven by certain guiding principles like, safety of investments, liquidity and-returns.

Employee-related risks

Attrition: Human Resource functions and initiatives of the Company are driven by a strong set of values and policies. The Company has maintained a competitive, healthy and harmonious work environment at all levels. The Company has taken new initiatives to strengthen its recruitment processes, values and vision programmes, leadership and performance management programmes to retain the best talent.

Constraints in availability of skilled resources

The Company offers competitive salary constantly benchmarked to the market, world class infrastructure, excellent work culture, high class training and career development and long term growth prospect, to remain an employer of choice. The Company's development centers are in cities which have good availability of skilled manpower.

MANAGEMENT DISCUSSION & ANALYSIS REPORT**Competition-related risk**

Indian IT services market remains a very competitive space. The Company is facing competition from large Indian IT vendors and global vendors which are increasing their India presence by setting up offshore delivery centres.

The Company is managed by locally recruited professionals and talents across all geographies. They have established strong interaction with various analyst firms worldwide through participation in IT conferences and industry specific events attended by CIO's and executives of major corporations. Sales & marketing and delivery infrastructure of the Company is world class. This helps the Company to maintain its competitive edge over other players.

Exchange rate risk: Hedge Accounting

The company has policies and measures in place to mitigate Exchange rate risk.

Geo-political risks

The ability of Indian ITES services companies to secure offshore projects from client organisations abroad is often subject to threat perceptions as regards the Indian subcontinent. Current civil situations in neighboring countries of India may have negative implications for the operations of the Company. To mitigate these risks and to ensure continued delivery of services to clients irrespective of any geo-political disturbances, the Company has been taking appropriate measures in respect of disaster recovery and business continuity, at different locations.

SECRETARIAL AUDIT REPORT

Secretarial Audit Report for the financial year ended March 31, 2021

(Pursuant to Section 204(1) of Companies Act 2013 and the Rules made there under)

To,

The Members,

Firstobject Technologies Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Firstobject Technologies Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2021 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. The provisions of Foreign Exchange Management Act, 1999 and rules and regulations made there under to the extent of Foreign Direct Investment and Overseas Direct Investment and External Commercial Borrowings were not applicable to the company under the financial year under report.
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- vi. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act,1992 ('SEBI') were not applicable to the Company under the financial year under report:-
 - a. The Securities and Exchange Board of India (Issue of Capital and Disclosure requirements) Regulations, 2018;
 - b. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations,2014;
 - c. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations,2008;
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with client;
 - e. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - f. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;

We further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test check basis, the Company has complied with the following laws applicable specifically to the Company:

- i. Information Technology Act, 2000 and the rules made there under
- ii. Special Economic Zones Act, 2005 and the rules made there under
- iii. Software Technology Parks of India rules and regulations
- iv. Copy Rights Act

SECRETARIAL AUDIT REPORT

- v. The Patents Act, 1970
- vi. The Trade Marks Act, 1999

We have also examined compliance with the applicable clauses of the following:

1. Secretarial Standards issued by The Institute of Company Secretaries of India.
2. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

We further report that, based on the information provided by the Company, its officers and authorized representatives during the conduct of the audit, and also on the review of quarterly compliance reports by respective department heads/ company secretary/ CEO taken on record by the Board of Directors of the Company, in our opinion, adequate systems and processes and control mechanism exist in the Company to monitor and ensure compliance with applicable general laws like labour laws, and environmental laws.

We further report, that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by statutory financial audit and other designated professionals.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We report further that, during the audit period, there were no other events/actions in pursuance of the above referred laws, rules, regulations, guidelines, etc., having a major bearing on the Company's affairs.

AUDITORS REPORT

To the Members of Firstobject Technologies Ltd,

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Firstobject Technologies Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements including summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the ‘Act’) in the matter so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and code of Ethics. We believe that the audit evidences we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor’s Response
2	Impact of Covid 19	<p>Since the massive spike in COVID-19 cases and the consequent lockdown has hit the business operations and it may have an impact on the financial performance and business operations of the Company. These unprecedented times that the Company is going through on account of the COVID-19 pandemic, lockdowns, statewide restrictions etc. has substantially disrupted its business. However, the Company is confident to sail through this crisis smoothly. The Company is hoping that its business operations will resume as soon as COVID-19 situation improves in our country and globally.</p> <p>The Company foresee large scale contraction in demand which could result in significant down-sizing of its employee base rendering the physical infrastructure redundant.</p>
3	Recognition, measurement, estimation, presentation and disclosures in view of adoption of Ind AS 38 on Intangible assets.	<p>Intangible assets purchased including acquired in business combination, are measured at cost as at the date of acquisition, as applicable, less accumulated amortization and accumulated impairment if any.</p> <p>Intangible assets consist of Goodwill:</p> <p>Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer’s interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount.</p> <p>The management of the company has not measured the useful life of the Intangible Asset ie., Goodwill during the year and consequently no amortization has been made. Therefore, the carrying cost of the Goodwill continues to be the same and we are unable to quantify the amortization amount hence.</p>

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Management report and Chairman’s statement but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and those charged with Governance for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act,2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting

AUDITORS REPORT

principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Director's either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidences that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe

AUDITORS REPORT

these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2017, ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as its appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - g. With respect to the other matters to be included in Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanations given to us.
 - i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements, if any.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the company.

AUDITORS REPORT

Annexure – B:

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in our report of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Firstobject Technologies Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the unit has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

Note No. 1:

A. Significant Accounting Policies:

These financial statements are prepared in accordance with Indian Accounting Standards (“Ind AS”), the provisions of the Companies Act, 2013 (“the Companies Act”), as applicable and guidelines issued by the Securities and Exchange Board of India (“SEBI”). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Accounting policies have been applied consistently to all periods presented in these financial statements.

1. Basis of Accounting and Preparation of Financial Statements:

These standalone financial statements have been prepared on historical cost basis except for certain financial instruments and defined benefit plans which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company’s normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months. The statement of cash flows have been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing, and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an in significant risk of changes in value to be cash equivalents. The significant accounting policies used in preparation of the standalone financial statements have been discussed in the respective notes.

The financial statements correspond to the classification provisions contained in Ind AS 115, “Presentation of Financial Statements”. For clarity, various items are aggregated in the statements of profit and loss and balance sheet. These items are disaggregated separately in the notes to the financial statements, where applicable.

All amounts included in the financial statements are reported in Indian rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures. Previous year figures have been regrouped/re-arranged, wherever necessary.

- a. The standalone financial statements have been prepared under the historical cost conversion and in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India and relevant, presentational requirements of the Companies Act, 2013 except for certain financial instruments and defined benefit plans which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.
- b. Accounting policies not specifically referred to are consistent and in consonance with Generally Accepted Accounting Principles followed by the Company. The company has prepared these financial statements to comply in all material respects with the Companies (Accounts) Rules 2014 and the relevant provisions of the Companies Act, 2013.
- c. The Preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make estimates and losses on going software projects, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Such estimates are made for expected contract cost to be incurred to complete software development and the useful life of fixed assets. Actual could differ from these estimates.

2. Use of estimates and judgements:

The preparation of the standalone financial statements in conformity with the recognition and measurement principles of Ind-AS requires management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of the standalone financial statements and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on all ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised, and future periods are affected. The Company uses the following critical accounting estimates in preparation of its standalone financial statements.

NOTES TO FINANCIAL STATEMENTS

3. Revenue Recognition:

The Company derived its revenues primarily from software services, educational software in the form of e-content and software products.

Revenue for fixed-price contract is recognised using percentage-of completion method. The Company uses judgement to estimate the future cost-to-completion of the contracts which is used to determine degree of completion of the performance obligation.

Revenue from time and material contract is recognized on the basis of software developed and billed in accordance with the terms of the contract, under the percentage of completion method.

4. Segments :

The Company is engaged primarily in the business of Software Development IT/ITES (E-education/Healthcare) and accordingly there are no separate reportable segments as per Accounting Standard - AS 17 - Segment Reporting issued by ICAI.

5. Foreign Currency Transactions :

The Company has earned a Foreign Exchange of Rs. 1,296,976 (Previous Year – Rs. 13,319,997) during the year. The Company has incurred an expenditure of Rs. 5,857,202 (Previous Year – Rs. 8,594,403)

6. Audit Fees for the year is Rs. 125,000 and Previous year Rs. 125,000.

7. Earnings per Share :

Basic and Diluted Earnings per share is calculated by dividing the net profit attributable to the ordinary shareholders by the weighted average number of ordinary shares outstanding during the year and shown in the Profit and loss account. The company has no potentially dilutive equity shares

8. 'Related Party' Disclosures as per Accounting Standard 18 :

1. Nature of related party and its relationship: There are no related party transactions during the year.
2. Nature and Volume of transactions carried out with the above related parties in the ordinary course of business for the year ended 31st March 2021.

Sr. No	Particulars	Related Party
1	Salaries & Other Amenities	Nil

9. Provision for income tax and deferred tax assets:

Taxation is accounted on the basis of the Liability Method which is generally followed in India. Provision is made for income tax based on computations after considering rebates, relief(s) and exemptions under the Income Tax Act, 1961.

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

1. The Provident Fund and Superannuation Schemes are defined contribution plans for which contribution accruing each year as per the scheme is expensed as applicable.
2. Retirement Benefits :

The Company has not provided for gratuity amount. It will be paid and accounted as and when the liability arises.

Salaries and all allowances include amount paid to employees.

B. Impact of COVID-19 (pandemic):

The Company has taken into account all the possible impacts of COVID-19 in preparation of these standalone financial statements, including but not limited to its assessment of, liquidity and going concern assumption, recoverable values of its financial and non-financial assets, impact on revenue recognition owing to changes in cost budgets of fixed price

NOTES TO FINANCIAL STATEMENTS

contracts, impact on leases and impact on effectiveness of its hedges. The Company has carried out this assessment based on available internal and external sources of information up to the date of approval of these standalone financial statements and believes that the impact of COVID-19 is not material to these financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the standalone financial statements may differ from that estimated as at the date of approval of these standalone financial statements owing to the nature and duration of COVID-19.

10. Quantitative details :

The company is engaged in the business of development of Software and Software Products which includes E-education content. The production and sale of Software is not capable of being expressed in any generic unit. Hence it is not possible to give the quantitative details of such sale and the information required under the relevant provisions of the Companies Act, 2013.

11. Fixed Assets and Depreciation :

Fixed Assets are stated at cost after providing the depreciation in the Hardware & Software and other fixed assets. Depreciation has been provided on WDV Basis.

12. Investments:

Investments that are readily realisable and intended to be held for not more than an year from the date of acquisition are classified as current investments. All other investments are classified as non-current investments. Non-current investments are carried at cost less, any other temporary diminution in value, determined separately for each individual investment. The reduction in carrying amount is reversed when there is arise in the value of the investment or if the reason for the reduction no longer exists. Current investments are carried at the owner of the cost and fair value.

13. Cash and Cash equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

14. Provisions and contingencies:

Provisions involving substantial degree estimation in measurement are recognised when there is a present obligation as a result of past events, and it is probability that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in notes. Contingent assets are neither recognised nor disclosed in the standalone financial statements.

A provision is recognised if, as a result of a past event, the company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis.

Depreciation as per Companies Act:	Rs. 45,901,946
Depreciation as per Income Tax Act:	Rs. 38,364,564
Timing Difference:	Rs. (7537382)
Provision for Deferred Tax:	Rs. (2194886)

C. Notes to Financial Statements:

- Figures have been rounded off to the nearest rupee.
- Notes 1 to 19 consists of forming part of Balance Sheet and Profit and Loss account.
- All figures are in Rupees. Paise have been rounded to nearest Rupee.
- Previous year figures are regrouped and rearranged wherever necessary.
- In the opinion of the management all current assets including loans and advances would in the normal course of business be realized to the value stated.
- The other accounting policies, which are not specifically mentioned, are in accordance with the generally accepted principles.
