'Star Ratings' to automobiles based on performance in crash tests: Gadkari

MPOST BUREAU

NEW DELHI: To boost road safety in India, Union minister Nitin Gadkari on Friday said the new car assessment programme - Bharat NCAP, proposes a mechanism wherein automobiles in India shall be accorded 'Star Ratings' based upon their performance in crash tests.

In a series of tweets, Gadkari said the Bharat New Car Assessment Programme (Bharat NCAP) will serve as a consumer-centric platform, allowing customers to opt for safer cars based upon their Star-Ratings, while promoting a healthy competition among original equipment manufacturers (OEMs) in India to manufacture safer vehicles.

"I have now approved the draft GSR notification to introduce Bharat NCAP (New Car Assessment Program), wherein automobiles in India shall be accorded Star Ratings based upon their performance in crash tests," he said.

The Road Transport and Highways minister stressed that Star Ratings of Indian cars based on crash tests is extremely crucial not only to ensure structural and passenger safety in cars, but to also increase the export-worthiness of Indian automobiles.

The testing protocol of Bharat NCAP shall be aligned with global crash-test protocols factoring in the existing Indian regulations, allowing OEMs to get their vehicles tested at India's own in-house testing facilities, Gadkari said.

According to him, Bharat NCAP will prove to be a critical instrument in making our automobile industry Aatmanirbhar with the mission of making India the top automobile hub in the world. **Continued on P4**

BOTH THACKERAY AND SHINDE FACTIONS CLAIM OF BEING 'REAL' SHIV SENA

I have left CM's bungalow, not my determination, says Uddhav

Sharad Pawar meets Uddhav; Sena's national executive meet today

OUR CORRESPONDENT

MUMBAI: Shiv Sena president and Maharashtra Chief Minister Uddhav Thackeray on Friday reached out to the functionaries of his party, which is currently battling a rebellion, and sought to allay fears surrounding the survival of his political outfit and the MVA government.

The Sena has been witnessing the rebellion within the party after Eknath Shinde broke away and formed a rebel group with the support of several legislators. Shinde is currently camping with at least 38 rebel MLAs of the Sena and 10 Independents in Guwahati. He has claimed that the faction led by him is the "real Shiv Sena".

Meanwhile, NCP president Sharad Pawar on Friday evening met Thackeray at the latter's residence.

State NCP president Jayant Patil and Deputy Chief Minister Ajit Pawar accompanied Pawar as he arrived at 'Matoshree', Thackeray's private residence in Bandra area.

Shiv Sena MP Sanjay Raut admitted that the party's numbers in the Legislative Assembly have dwindled, but expressed confidence that the rebel MLAs will support the Maha Vikas Aghadi (MVA) combine during a floor test.

Shiv Sena, meanwhile, has called for a national executive meeting at 1 pm on Saturday which the CM will attend via video conference.

Shiv Sena chief Uddhav Thackeray

Highlights

- » One more Shiv Sena MLA joins rebel Eknath Shinde's camp
- » Raut says Sena's count in Assembly gone down, but confident of rebels supporting MVA in floor test
- » Thackeray takes on Shinde: 'Your son is MP, should my son also not grow politically?'

In his virtual address to the party's district unit chiefs and 'sampark pramukhs' assembled at the Shiv Sena Bhavan at Dadar in central Mumbai, CM Thackeray said he may have vacated the chief minister's official residence, but his determination is intact.

DEPUTY SPEAKER MAY SEND NOTICES TO 16 SENNA REBELS

MUMBAI: Sources have said that Maharashtra's Deputy Speaker Narhari Zirwal may send disqualification notices to 16 rebel Shiv Sena MLAs on Saturday and the hearing may take place on Monday. The MLAs will have to be personally present for the hearing and presenting their case, sources said.

The Sena filed to disqualify the rebel MLAs in a last-ditch attempt to save the ruling alliance. Team Thackeray is unlikely to seek more rebel MLAs for disqualification since that would bring the halfway mark down, which would benefit the BJP.

"Despite the rebellions that the party has faced earlier, it came to power twice. I may have left 'Varsha', the chief minister's official residence, but not my determination," he said.

Digging in his heels, Thackeray expressed determination to fight the political crisis gripping his government and took on cabinet minister Eknath Shinde, saying the rebel leader's son is a Lok Sabha MP and should his son Aadiya Thackeray not also grow politically as both sides showed no signs of backing down to break the four-day-old impasse.

Thackeray said Shinde was given the key department of urban development which is usually headed by the chief minister of the day and publicly blamed the opposition BJP for the rebellion in the Shiv Sena which has threatened the stability of his Maha Vikas Aghadi (MVA) coalition government which also consists of the NCP and the Congress.

Gujarat riots: SC upholds SIT clean chit to Modi

Says NCP material to support violence pre-planned

MPOST BUREAU

NEW DELHI: The Supreme Court Friday upheld the SIT's clean chit to then Gujarat Chief Minister Narendra Modi and 63 others in the 2002 riots

boiling, obviously, for ulterior design.

Suffice it to observe that there is no tittle of material, much less tangible material to support the plea of the appellant that the Godhra incident unfolded on February 27, 2002, and the events which followed, were a pre-planned event owing to the criminal conspiracy hatched at the highest level in the state, a bench headed by Justice A M Khanwilkar said in its 452-page judgement, which included annexure.

The bench, also comprising Justices Dinesh Maheshwari and C T Ravikumar, dismissed a plea by slain Congress leader Ehsan Jafri's wife Zakia Jafri who had alleged a larger conspiracy during the 2002 violence and had challenged the Gujarat High Court's October 5, 2017 order rejecting her petition against the SIT decision. **Continued on P4**

India reports 17,336 new Coronavirus cases, highest daily rise after a gap of 4 months

Rise, fall in cases 'common' when disease transitions to endemic phase, say experts

MPOST BUREAU

NEW DELHI: India reported a single-day rise of more than 17,000 fresh COVID-19 cases on Friday after a gap of over four months (124 days), recording a 30 per cent jump in daily cases, according to the Union Health Ministry.

A total 17,336 Coronavirus cases were reported in a span of 24 hours, taking the total infection tally to 4,33,62,294, while the death toll due to the disease has climbed to 5,24,954 with 13 new fatalities being reported, data updated by the ministry at 8 am showed.

The daily positivity rate was recorded at 4.32 per cent and the weekly positivity rate at 3.07 per cent, according to the ministry.

The count of active cases has increased to 88,284, comprising 0.20 per cent of the total infections, while the national COVID-

GOVT PANEL RECOMMENDS EUA FOR COVOVAX FOR 7-11 YEAR OLDS

NEW DELHI: An expert panel of India's central drug authority on Friday recommended granting emergency use authorisation to Serum Institute's Covovax for children aged 7 to 11 years, official sources said. The recommendation has been sent to Drugs Controller General of India (DCGI) for final approval.

The application for emergency use authorisation was submitted by Prakash Kumar Singh, director (government and regulatory affairs) at Serum Institute of India (SII) on March 16.

The DCGI had approved Covovax for restricted use in emergency situations in adults on December 28 and in the 12 to 17 years age group subject to certain conditions on March 9. **MPOST**

19 recovery rate was recorded at 98.59 per cent, it said. An increase of 4,294 cases has been recorded in the active

COVID-19 caseload in a span of 24 hours, the data showed. The number of people who have recuperated from the disease

has surged to 4,27,49,056, while the case fatality rate was recorded at 1.21 per cent.

According to the ministry, 196.77 crore vaccine doses have been administered in the country so far under the nationwide COVID-19 vaccination drive.

Meanwhile, experts said on Friday that rise and fall in cases from time to time is a common phenomenon when an infectious disease transitions from pandemic to endemic phase.

Underlining the current rise in Coronavirus cases is so far limited to certain districts of the country, they said not wearing masks, increased travel and social interactions and low uptake of booster doses of Covid vaccine could possibly be behind the increase. **Continued on P4**

Inflation to peak further till December: RBI Guv

'Revival of economic activity remains steady'

MUMBAI: Reserve Bank of India is on track to bring down prices but the retail inflation rate is likely to remain above the mandated target band of 6 per cent until December, Governor Shaktikanta Das said in an interview to Times of India. Inflation is expected to go below 6 per cent only in the fourth quarter of FY23, in line with RBI's projection, he said.

"Inflation has now become broad-based and that is the issue which we are now addressing through our actions," Das said.

Retail inflation eased marginally in May, after touching an eight-year high of 7.79 per cent in April, but remained above the central bank's tolerance band of 2-6 per cent for a fifth month in a row.

Das said despite current inflation being driven by supply-side factors, monetary policy still plays an important role when inflation rises since household price expectations are backward-looking.

When asked why the repo rate wasn't hiked earlier, Das said, "In our April 2022 policy, we sent out a clear message by prioritising inflation over growth. We introduced the Standing Deposit Facility at a rate that was 40 basis points higher than the reverse repo rate. Consequently, the overnight call rate - which is the operating target of monetary policy - moved up in tandem."

"The idea behind these steps was to take out liquidity from the system in a very gradual and orderly manner. Unless you take out excess liquidity, overnight call rates will not respond to rate hikes and will remain lower. So, you have to

"Inflation has now become broad-based and that is the issue which we are now addressing through our actions," Das said

deal with the problem of excess liquidity first," noted the RBI governor in the interview.

Das also said India's economy is stable and continues to steadily recover from the shock of the COVID-19 pandemic.

He said pressure on the rupee, which hit a record low of 78.39 against the dollar on Wednesday, was largely due to the monetary policy tightening in advanced economies to tackle high inflation.

"In such a situation, there will be outflow of capital from emerging market economies. It is happening across emerging market economies. This is nothing but the spillover of the monetary policy actions in advanced economies," he said. **Continued on P4**

Agnipath: IAF begins selection process

MPOST BUREAU

NEW DELHI: The recruitment process in the Indian Air Force under the Agnipath scheme got underway on Friday with the opening of the registration window, a week after violent protests rocked several states.

"Registration window to apply for #Agniveervayu is operational from 10 am today," the IAF said on Twitter.

Unveiling the Agnipath scheme on June 14, the government had said youth between the ages of 17-and-a-half and 21 years would be inducted for a four-year tenure, while 25 per cent of them will be subsequently inducted for regular service.

Several parts of the country witnessed violent protests against the scheme. A number of opposition parties and military experts had slammed the scheme, contending it will adversely impact the operational capabilities of the armed forces.

The government had on June 16 increased the upper age limit for recruitment under the scheme to 23 years from 21 for the year 2022.

Those recruited under the Agnipath scheme will be called 'Agniveer'.

The Army has said the new scheme will ensure a youthful profile of the defence forces and result in reduction of the average age of soldiers from 32 to 26 years over a period of time.

The three service chiefs have strongly backed the scheme, which was unveiled after over two years of deliberations. **Continued on P4**

India eye improved top-order show in 2nd T20I against Sri Lanka

The team would not only aim to secure the three-match series but also address the grey areas and continue the winning momentum

DAMBULLA: Eyeing a series-clinching victory, the Indian women's cricket team would expect a better showing from its top-order when it takes on Sri Lanka in the second T20 International, here on Saturday.

The Indians made a positive start to the limited-overs tour of the Island nation with a 34-run win in the series-opener on Thursday.

The team would not only aim to secure the three-match series but also address the grey areas and continue the winning momentum ahead of the Birmingham Commonwealth Games, where women's cricket will make its debut in the T20 format.

The Birmingham Games will be held from July 28 to August 8.

In the series opener, the Indians managed a modest 138 for six after opting to bat before the bowlers, led by left-arm spinner Radha Yadav, chocked the Lankan batters.

But India's batting show left a lot to be desired in the first game.

The likes of Shafali Verma, who made a run-a-ball 31, skipper Harmanpreet Kaur (22) and Richa Ghosh (11) all got starts but could not convert them into substantial knocks.

Having failed in the previ-

ous game, Harmanpreet will be hoping to eclipse the legendary Mithali Raj in the shortest format. She needs just 24 runs to become the highest run-getter from India in this format. Mithali, who recently retired from all forms of cricket, had scored 2364 runs from 89 games.

Vice-captain Smriti Mandhana and Sabbineni Meghana endured an off day in office and the visitors would need the duo

to click if India are to put on a big total.

It was left to Jemimah Rodrigues, who made her comeback to the side after a while, and Deepti Sharma to provide the late burst and take India to the winning total.

Even though Rodrigues and Deepti did the rescue act, the Indian think tank would want the top-order to do better job. The Indian bowlers, on the

Middle-order batter Kavisha Dilhari (47 not out) remained stranded as she failed to get support from the other hand. The likes of skipper Chamari Athapaththu, Vishmi Gunaratne, Harshitha Madavi and Nilakshi de Silva will have to take more responsibility in the batting unit.

On the bowling front, spin duo of Inoka Ranaweera (3/30) and Oshadi Ranasinghe (2/22) would look for support from their opening bowlers to keep Indian batters quiet.

Teams (from):

India: Harmanpreet Kaur (C), Smriti Mandhana (VC), Simran Bahadur, Yastika Bhatia, Rajeshwari Gayakwad, Richa Ghosh (WK), Sabbineni Meghana, Meghna Singh, Poonam Yadav, Renuka Singh, Jemimah Rodrigues, Shafali Verma, Deepti Sharma, Pooja Vastrakar, Radha Yadav.

Sri Lanka: Chamari Athapaththu (C), Nilakshi de Silva, Kavisha Dilhari, Vishmi Gunaratne, Ama Kanchana, Hansima Karunaratne, Achini Kulasuriya, Sugandika Kumari, Harshitha Madavi, Hasini Perera, Udeshika Prabodhani, Oshadi Ranasinghe, Inoka Ranaweera, Sathya Sandeepani, Anushka Sanjeevani, Malsha Shehani, Tharika Sewwandi. Match starts at 2:00PM. AGENCIES

other hand, were right on the money with the spin trio of Radha (2/22), Deepti (1/9) and part-timer Shafali (1/10) shining bright on the low and slow wicket.

With the same venue hosting all the three T20s, spinners of both teams will play vital roles.

Sri Lanka too would be hoping for a better effort from their batters.

Ireland T20Is: Surya, Sanju set to be in playing XI

MALAHIDE: Dashing stroke-players Suryakumar Yadav and Sanju Samson will be returning to the India playing XI in place of Shreyas Iyer and Rishabh Pant in the two-match T20I series against Ireland starting Sunday.

While chief coach Rahul Dravid is in Leicester with the Test squad, National Cricket Academy (NCA) head VVS Laxman, who is in charge of the T20I side for this particular series, is expected to follow the template set by 'The Wall'.

With Iyer and Pant in the Test team, Surya, who is making a comeback from a wrist injury, and Samson, who is looking to make use of what could be his last chance to prove his worth, will be sure-shot starters.

Surya has been a regular in the Indian T20I side for the past one year and will only get his place back.

But as far as Samson is concerned, his alternative could be Deepak Hooda, who can also bowl a couple of overs of handy off-spin, besides possessing an ability to hit the ball hard.

However, if one looks at coach Dravid's philosophy, he doesn't believe in casting his net too wide and exploring too many options.

He also needs to close in on spots by the time India play the Asia Cup.

While Ruturaj Gaikwad has not been very successful, the Chennai Super Kings

Suryakumar Yadav

Surya has been a regular in the Indian T20I side for the past one year and will only get his place back

opener might just get two more chances against a weak Ireland side, against whom he can score some runs and get his confidence back.

Ishan Kishan, who has all but sealed the reserve opener's slot for the next few months, will continue in his role for the time being and will open with regular skipper Rohit Sharma

in the England leg of the T20Is also.

Stand-in captain Hardik Pandya, who batted at No. 5 in the last series, is expected to continue in that position with Dinesh Karthik coming a shot below him.

However, with Karthik being assigned a specific role, he could also come ahead of Pandya, depending on the situation.

But it is still not clear if Dravid or Laxman will try out 'Jammu Express' Umran Malik or blockhole specialist Arshdeep Singh in this series, or continue with Bhuvneshwar Kumar and Avesh Khan, with Axar Patel and Yuzvendra Chahal as the spinners. AGENCIES

Manu Bhaker strikes double gold

BHOPAL: Pistol ace Manu Bhaker shot a double gold, claiming both the women's and junior women's 10m air pistol titles at the 20th Kumar Surendra Singh Memorial Shooting event here on Friday.

The 20-year-old from Haryana shot 263.9 to outclass her opponents in the eight-women semi-final event.

Compatriot Arshdeep Kaur had a neck-and-neck fight with Manu and even followed her to the gold medal contest.

However, Manu, a former world number one, outshot Kaur 16-14 in a closely fought final contest.

Kaur finished second with a score of 260.5 to bag the silver medal, while Haryana's Radhika Tanwar won the bronze.

In the junior women's event, Manu was once again in a league of her own as she claimed the top position with a score of 249. AGENCIES

ARCHERY WCUP STAGE 3 Compound mixed pair make final, confirm second medal for India

PARIS: Indian archers assured themselves of a second medal in the World Cup Stage 3 with ace duo of Abhishek Verma and Jyothi Surekha Vennam sailing into the compound mixed team final here on Friday.

A day after Deepika Kumari and Co. cruised into the final of recurve women's team event to confirm their first medal of the meet, the compound mixed pair of Verma and Jyothi lost suit, defeating Estonia's Robin Jaatma and Lisell Jaatma 156-151 in a lopsided semi-final.

The Indian duo will face fifth seed France in the compound mixed team final on Saturday. Making a comeback after more than seven months, world number 3 Jyothi, who was sidelined in the Asian Games trial, is also in the hunt for an individual medal, having advanced

into the semi-final.

A day after Lisell gave Jyothi a tough fight in the individual quarterfinal, the Estonian along with her teammate Robin failed to create much pressure and slipped behind after the Indian pair had a perfect first round.

Maintaining their consistency, Verma and Jyothi extended their lead to five points in the third round that proved decisive, even as their rivals levelled it 38-38 in the final set of arrows.

Having got a bye into the pre-quarters, third seeded India began their mixed team campaign eliminating Puerto Rico by a handsome eight-point margin (158-150). In the quarters, the Indian duo faced their stiffest challenge from El Salvador's Roberto Hernandez and Sofia Paiz who stretched it to shoot-off. AGENCIES

paign against the USA on October 11 (Tuesday) at the Kalinga Stadium in Bhubaneswar. Their second match will be against Morocco on October 14 (Friday) at the same venue. The home team's last group stage match against Brazil will be on October 17 (Monday).

2002 का गुजरात दंगा मोदी सरकार की नहीं थी साजिश

सुप्रीम कोर्ट ने जाकिया जाफरी की याचिका कर दी खारिज

एजेसी नई दिल्ली

सुप्रीम कोर्ट ने 2002 के गुजरात दंगा मामले में तत्कालीन मुख्यमंत्री नरेंद्र मोदी समेत 64 लोगों को विशेष जांच दल (एसआईटी) की ओर से दिए गए क्लीन चिट को चुनौती देने वाली याचिका खारिज कर दी है। कांग्रेस सांसद एहसान जाफरी की पत्नी जाकिया जाफरी की ओर से दायर याचिका को खारिज करते हुए कोर्ट ने यह भी समझाया कि प्रशासन की किसी खामी या सही समय पर उचित कार्रवाई शेष पेज 5 पर

राज्य प्रशासन के कुछ अधिकारियों की असफलता या निष्क्रियता आपराधिक साजिश का आधार नहीं हो सकता

कोरोना का उदाहरण दे समझाई बात

कोर्ट ने अपनी बात समझाते हुए कहा कि आपातकालीन समय में राज्य प्रशासन का विफल हो जाना कोई अनोखी चीज नहीं है। कोर्ट ने कोरोना महामारी का उदाहरण दिया कि सबसे अच्छी सुविधाओं से लैस सरकारें विफल होती दिखीं। कोर्ट ने पूछा, क्या इसे आपराधिक साजिश कहा जा सकता है? बेंच ने मामले को बंद करने संबंधी 2012 में सीपी गैर एसआईटी की रिपोर्ट के खिलाफ दायर याचिका को खारिज करने के विशेष मेट्रोपॉलिटन मजिस्ट्रेट के आदेश को बरकरार रखा।

यह कोई राज्य प्रायोजित हिंसा नहीं थी

जस्टिस एएम खानविलकर, जस्टिस दिनेश माहेश्वरी और जस्टिस सीटी रविकुमार की बेंच ने याचिकाकर्ता की ओर से पेश हुए वकील कपिल सिब्बल की दलीलों को खारिज कर दिया। कोर्ट ने कहा कि राज्य प्रशासन की असफलता या निष्क्रियता के आधार पर साजिश की बात नहीं कही जा सकती है। कोर्ट ने कहा, राज्य प्रशासन के कुछ अधिकारियों की असफलता या निष्क्रियता आपराधिक साजिश का आधार नहीं हो सकता है या यह नहीं कहा जा सकता है कि यह अल्पसंख्यक समुदाय के खिलाफ राज्य प्रायोजित अपराध (हिंसा) है।

गुजरात दंगों को लेकर मोदी के खिलाफ चलाया गया फर्जी कैंपेन: भाजपा

भाजपा ने कहा कि गुजरात दंगों को लेकर प्रधानमंत्री और गुजरात के पूर्व मुख्यमंत्री नरेंद्र मोदी के खिलाफ फर्जी कैंपेन चलाया गया। कांग्रेस और लेफ्ट का समर्थन जाकिया जाफरी को हासिल था। सुप्रीम कोर्ट ने 2002 के गुजरात दंगा मामले में

क्लीन चिट दिए जाने को चुनौती देने वाली याचिका शुक्रवार को खारिज कर दी। इसके बाद भाजपा नेता रविशंकर प्रसाद ने एक संवाददाता सम्मेलन में कहा कि पीएम मोदी पर जानबूझकर गलत आरोप लगाए गए। मोदी विरोध के नाम पर कुछ ने दुकान चलाई। गुजरात दंगों के नाम पर झूठे आरोप लगाए गए। रविशंकर प्रसाद ने कहा कि पूरी जांच यूएफो शासन के दौरान हुई। उन्होंने कहा कि तब के मुख्यमंत्री नरेंद्र मोदी को एसआईटी ने 9 घंटे तक इंटरेगोट किया, लेकिन एक दिन भी भाजपा कार्यकर्ताओं ने विरोध नहीं किया। जबकि आज देश में कांग्रेस के जो भी एक दो मुख्यमंत्री बचे हैं वो कामधाम छोड़कर दिल्ली में धरना दे रहे हैं। शेष पेज 5 पर
