**Independent Auditor's limited review report on the quarterly and year to date unaudited standalone financial results of Zuari Global Limited under Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015**

**To The Board of Directors  
Zuari Global Limited**

1. We have reviewed the accompanying statement of un-audited standalone financial results ('the Statement') of Zuari Global Limited ('the Company') for the quarter ended 31<sup>st</sup> December, 2020 and for the year to date from 1 April 2020 to 31 December 2020 being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's management and has been approved by the Company's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of un-audited standalone financial results prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to Note no. 3 of the Statement which describes the uncertainties due to outbreak of Covid-19 pandemic and management evaluation of the impact on the standalone financial results of the Company as at the reporting date. The impact of these uncertainties on the Company's operations is significantly dependant on the future developments. Our conclusion is not modified in respect of this matter.

**Other Matters**

6. The unaudited standalone financial results of the Company for the quarter / nine months ended 31<sup>st</sup> December, 2019 were reviewed by the predecessor auditor who expressed an unmodified opinion on those financial information on 14<sup>th</sup> February 2020. Our conclusion is not modified in respect of this matter.

To The Board of Directors  
Zuari Global Limited

1. We have reviewed the accompanying statement of un-audited consolidated financial results ('the Statement') of Zuari Global Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associates and joint ventures for the quarter ended 31<sup>st</sup> December, 2020 and for the year to date from 1 April 2020 to 31 December 2020 being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.  
  
We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.
4. The Statement includes the results of the entities as mentioned in Annexure 1.
5. Based on our review conducted and procedure performed as stated in paragraph 3 above and upon consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to:

- a) Note 3 of the Statement which describes the uncertainties due to the outbreak of Covid-19 pandemic and the management's evaluation of the impact on the consolidated financial results of the Group, its associates and joint venture as at the reporting date. The impact of these uncertainties on the Group's operations is significantly dependent on future developments.

The above matter has also been reported as emphasis of matter in the review reports issued by independent firms of Chartered Accountants on the consolidated financial results of an associate and a subsidiary for the quarter ended 31 December 2020.

- b) Note 16(a), 16(b) and 16(c) to the Statement and the following Emphasis of Matter paragraphs included in review report of the financial results of the Zuari Infraworld India Limited, a subsidiary of the Holding Company, reviewed by an independent firm of Chartered Accountants, vide its review report dated 8<sup>th</sup> February 2021 which are reproduced as under:

i) "We draw attention to Note XX of the accompanying unaudited financial results for the period ended 31 December 2020 regarding the advances paid to a sub-contractor aggregating to INR 2,246.49 lakhs and interest accrued on the same for INR 33.72 lakhs in respect of which the Management is in negotiation with that party for its recovery. The Management of the Company is confident that this advance will be fully recovered and hence no provision is considered necessary at this stage"

ii) "We draw attention to Note XX of the accompanying unaudited financial results for the period ended 31 December 2020 regarding advance payment aggregating to INR 639.61 lakhs to an agent under the Development Management Agreement against whom Corporate Insolvency Resolution Process has been initiated by one of its operating creditors. The Management of the Company is confident that this advance will be recovered / adjusted in full without any material adjustment and hence no provision is considered necessary at this stage."

iii) "We draw attention to Note XX of the accompanying unaudited financial results for the period ended 31 December 2020 and the following Emphasis of Matter paragraph included in the Independent auditor's review report on interim condensed consolidated statement of profit or loss and other comprehensive income for the quarter ended 31 December 2020 of Zuari Infra Middle East Limited, a wholly owned foreign subsidiary issued by the auditors of that subsidiary, which is relevant to our conclusion on the accompanying unaudited consolidated financial results, which is reproduced below:

"Without qualifying our conclusion, we draw attention to notes XX to the accompanying financial statements, for the period ended 31 December 2020 which state that due to non-carrying of major construction work activities during the year then ended and due to uncertainties associated with the impact of Global pandemic COVID-19, the management has not carried out a detailed valuation of development work in progress as of 31 March 2020 by an external professional valuer which will be carried before the end of Q4 of the financial year 2020-21."

The consequent adjustments, if any, in the carrying value of the assets and equity deficit will be made upon completion of valuation as mentioned above."

- c) Note 17(a) to the Statement and the following paragraph on Material Uncertainty Related to Going Concern included in the review report of consolidated financial results of Zuari Agro Chemicals Limited ('ZACL'), which is reproduced as under:

"We draw attention to Note XX of the accompanying Unaudited Consolidated Financial results, which states that in addition to net current liability position as at December 31, 2020, there are some other factors indicating material uncertainty over timely discharge of its liabilities and its consequential impact on Holding Company's ability to continue as a going concern. Note XX, also describes the mitigating factors considered by the management in its assessment, in view of which the Unaudited Financial Results of the Holding Company have been prepared under the going concern assumption."

d) Note 17(b), 17(c) and 17(d) to the Statement and the following Emphasis of Matter paragraphs included in review report of the consolidated financial results of the ZACL, which are reproduced by us as under:

- i) "We draw attention to Note XX of the accompanying Unaudited Consolidated Financial Results, wherein the Holding Company is carrying a receivable of INR 19.49 crores in relation to the subsidy income accrued during the year ended March 31, 2013. Based on the legal opinion obtained by the Holding Company, the management believes that the amount is fully recoverable from the department of fertilizers. Pending settlement of the differential subsidy amount as more fully explained in note, the Holding Company has not made any provision in this regard in the Unaudited Consolidated Financial Results."
- ii) "We draw attention to Note XX of the accompanying Unaudited Consolidated Financial Results, regarding Goods and Service Tax ('GST') credit on input services recognized by the Holding Company and a subsidiary based on the legal opinion obtained by the Holding Company and a subsidiary and reliance place on an order of High Court of Gujrat. The Holding company has also filed a written petition in the High Court of Bombay at Goa."
- iii) We draw attention to Note 8 which states that in case of a subsidiary company (MCFL) has recognised urea subsidy income of INR 26.94 crores based on higher energy norms which was effective till the period ended 31 March 2020 and INR 30.48 crores without benchmarking its cost of production of urea with that of gas price of fertilizer companies recently converted to natural gas. In addition to several representations made to Department of Fertilizers (DoF) with regard to these matters, MCFL has also filed writ petition against DoF which is pending before the Hon'ble High Court of Delhi. Based on legal opinion obtained on both matters, the management believes the criteria for recognition of subsidy revenue is met

Our opinion is not modified in respect of above matters.

Notes to statement of unaudited standalone and consolidated financial results for the quarter and Nine months period ended 31 Dec 2020:

17 Notes relating the unaudited consolidated financial results of Zuari Agro Chemicals Limited (an Associate of the Holding Company) for the quarter and nine months period ended 31 Dec 2020:

- a) The Company is in the business of manufacturing and trading of various types of fertilizer products. In earlier periods, due to significant delays in receipt of subsidies, drought like situation in key marketing areas led to deterioration of the Company's liquidity position along-with elongation of the working capital cycle of the Company. Also in earlier periods, the Company was unable to pass on the increase in the prices of the raw materials to the farmers which contributed to the cash flow mismatch and reduced financial flexibility of the Company, on account of which the Company is having net current liability position of INR 1,555.69 crores as at December 31, 2020 (INR 1,506.22 crores as at March 30, 2020). The management believes that the Company will be able to realize its assets and discharge its liabilities in the normal course of business and thus material uncertainty will be resolved due to various steps undertaken, restructuring and sale of certain assets, ongoing discussion with other lenders for funding as required, expected advance from a Group Company against acquisition of assets, and future cash flow projections, the management of Company believes that the Company is fully secured in relation to the payment of external debts payable by the Company.
- b) The Company is carrying a receivable of INR 19.49 crores for the period February 2013 and March 2013 on account of accrual of subsidy income at higher rate in comparison to rate at which subsidy is granted. The Company had filed writ petition at Hon'ble High Court of Delhi against Department of Fertilizer (DOF) to recover this amount. Pursuant to the court order, the Court hearing was granted by DoF to present its claims and also submitted written representations. DoF vide their order dated September 29, 2019 had rejected the representation and submissions by the Company. The Company has filed writ petition to the higher authority against the order passed by DoF and based on the legal assessment done by the Company, it is hopeful to realize the aforesaid amount, hence, no provision has been made in the accounts.
- c) Vide notification number 26/ 2018 dated June 13, 2018, the Government has amended the definition of "Net Input Tax Credit (ITC)" for the purpose of GST refund on account of inverted duty structure with effect from July 01, 2017 to include ITC availed only on inputs which excludes input services. The management has contested this amendment (both retrospective and prospective) at different levels of authorities including but not limited to filing a writ petition in the Hon'ble High Court of Bombay at Goa in this regard. Basis legal view obtained by the management, believes that the refund / utilization in respect of tax paid on input services would be available and that no liability including interest, if any, would arise from the same on the Group. Consequently, as at December 31, 2020, the Company and the Group has carried forward an amount of INR 97.63 crores and INR 104.15 crores, respectively as amount recoverable towards this matter.

The subsidiary Company has filed a writ petition against DOF, which is pending before the Hon'ble High Court and based on legal opinion, the management is confident of realisation of the aforesaid subsidy income.
