GTL LIMITED

- The above unaudited standalone financial results and notes thereto have been reviewed by the Audit Committee and approved and taken on record by the Board of Directors in their respective meetings held on August 25,2020.
- The Statutory Auditors of the Company have conducted a limited review of the above standalone financial results.
- 3. The results, as stated above, have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) (Ind AS), prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable.
- 4. The Company is engaged only in business of providing "Network Services" and as such there are no separate reportable segments.
- 5. In a dispute between the Company and GTL Infrastructure Limited (GIL), the Arbitration Tribunal vide its interim order dated December 17, 2019 has directed GIL to pay an amount of ₹ 44,000 Lakhs in stipulated timeline. The parties had initiated a settlement process, however, it could not be completed due to non-receipt of consents from lenders of both parties. Further GIL's appeal under section 37 of Arbitration and Conciliation Act,1996 have been dismissed by the Hon'ble Delhi High Court on March 04,2020, execution proceedings filed by the Company is ongoing. GIL's lenders have also challenged the award and related execution proceedings, which the Company is defending. Hence the Company shall recognize this income upon receipt of consent of the lenders / based on the outcome of the legal proceedings.
- 6. The Company is awaiting the for outcome of the Inter-creditor agreement and is in discussion with the Lead Bank. In the meanwhile, in the matter of application under section 7 of the Insolvency and Bankruptcy Code, 2016 filed by one of the lenders before NCLT, on appeal the Hon'ble Supreme Court has passed status quo order.
- 7. During the last few years, the Company has incurred cash losses, resulting in erosion of its entire net worth. The Company's current liabilities are higher than its current assets. On account of the above developments, the management is of the view that through negotiated settlement it would be in a position to settle the matter and continue its operations. Accordingly, it continues to prepare above results on going concern basis.

8. The Company has neither paid nor provided interest on its borrowing during the current quarter and year in view of the foregoing as explained.

Had such interest been recognized, the Finance Cost for the quarter ended June 30,2020 would have been more by ₹ 12,083.89 lakhs.

The resultant profit / (loss) would have been \mathbb{Z} (12,606.52) lakks and EPS would have been \mathbb{Z} (8.00) for the quarter June 30,2020. The Auditors have issued modified opinion in respect of this matter.

9. Pending appropriation of the pledged shares of GTL Infrastructure Ltd (GIL) invoked by the lenders, Company continues to classify the same as investment under 'Long Term Investments'. Market value of these shares has substantially increased from ₹5,116.26 lakhs to ₹25,581.32 lakhs resulting in gain of ₹20,465.06 lakhs, as on 30th June, 2020.

As the Company is not the beneficial owner of the said shares, on account of the reasons stated above and also the gain in the market value of these shares, as on 30th, June 2020, is temporary in nature, the company while continuing with the valuation of shares of GIL as per the market value as on March 31,2020 opted not to recognise the gain of ₹20,465.06 Lakhs.

- 10. The Ministry of home affairs notified telecommunication services including telecom infrastructure services among the essential services, which continued to operate during lock down declared since March 25, on account of COVID-19. While this has enabled the Company to continue its operations, as it has got only one customer in viz GTL Infrastructure Ltd, which in turn depends upon 3 private operators, the majority of whose operations are under severe stress due to the debt burden and the decision of Supreme Court on Adjusted Gross Revenue, the Company is trying to maintain its revenue at present level. However, the COVID-19 crisis has impacted ability of technicians to visit the tower sites for upkeep and maintenance of tower and Diesel filling. Against this background, and keeping in mind the health and safety of employees/customers/vendors, the Company has for the moment taking maximum precaution to protect its network and maintain uptime. Thus, though the Company is trying its best to keep the customer focus / network uptime humming/ maintain revenue at present level, the exact impact of the crisis on the operations cannot be determined at this juncture.
- 11. Debenture Redemption Reserve would be considered at the end of the financial year subject to availability of the profits.

- 12. Figures for the last quarters ended March 31, 2020 represent the difference between the audited figures in respect of the full financials year and the published figures of nine months ended December 31, 2019.
- 13. The figures for the previous quarter / year have been regrouped / rearranged / recast wherever considered necessary.

Limited Review Report

Review Report to,
The Board of Directors of
GTL LIMITED

 We have reviewed the accompanying statement of standalone unaudited financial results of GTL LIMITED ("the Company") for the quarter ended June 30, 2020. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

This Statement, which is the responsibility of the Company's Management and approved by the company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.

We Conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India (ICAI). A review of Interim Financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

2. Basis for Modified Conclusion

As mentioned in Note No. 8 to the Statement, the Company has neither paid nor provided interest on its borrowings during the quarter ended June 30, 2020. Had such interest been recognised, the finance cost and interest liability for the quarter ended June 30, 2020 would have been more by Rs. 12,083.89 Lakhs.

Consequently, the reported Loss after Other Comprehensive Income by the Company for the quarter ended June 30, 2020 would have been Rs. 12,606.52 Lakhs. The Earnings per Share (EPS) would have been Negative Rs. 8.00.

3. Modified Conclusion

Based on our review conducted as above, except for the effect of the matters described in the basis for modified conclusion paragraph above, nothing has come to our attention that causes us to believe that the accompanying statement of standalone unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of

Email: gdaandassociates@gmail.com. Page 1

Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. Emphasis of Matter

We draw attention to the following notes to the accompanying statements

- a) Note no. 7 which inter-alia states that the Company has incurred cash losses, its Net worth has been fully eroded and the Company's current liabilities have exceeded its current assets as at June 30, 2020. The above conditions indicate the existence of the material uncertainty that cast significant doubt about the Company's ability to continue as a going concern. However, the Standalone financial statements of the Company have been prepared on going concern basis for the reasons stated in the said note.
- b) Note no. 9 which inter-alia states that, company had pledged certain investments in its subsidiary / associate / affiliate companies with the lenders towards the borrowings from them. The lenders had invoked the pledge and transferred those investments of the company in the name of its trustees without appropriating the same against the borrowings. Pending appropriation of pledged shares as mentioned above, the said investments are continued to be classified under 'Long Term Investments'.

Further, as the Company is not the beneficial owner of the said shares, on account of the reasons stated above and also the gain in the market value of these shares, as on June 30, 2020, is temporary in nature, the company has opted not to recognize the gain of Rs. 20,465.06 Lakhs and continue with the valuation as per the market value as on March 31, 2020.

Our conclusion is not modified in respect of above matters.

5. Other matters

As at June 30, 2020, balance Confirmations, with respect to Bank Loan (including interest accrued), Bank Guarantee, Bank Current Account and Fixed Deposits aggregating to Rs. 3,57,950.18 Lakhs, have not been received.

Our conclusion is not modified in respect of above matter.

As the Company is not the beneficial owner of the said shares, on account of the reasons stated above and also the gain in the market value of these shares, as on 30th, June 2020, is temporary in nature, the company while continuing with the valuation of shares of GIL as per the market value as on March 31,2020 opted not to recognise the gain of ₹20,465.06 Lakhs.

- 11. The Ministry of home affairs notified telecommunication services including telecom infrastructure services among the essential services, which continued to operate during lock down declared since March 25, on account of COVID-19. Review Report to, The Board of Directors of GTL LIMITED

 We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of GTL LIMITED ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), for the quarter ended June 30, 2020 and for the period from April 01, 2020 to June 30, 2020 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

The Statement includes the results of the its subsidiary company, namely, International Global Telesystems Ltd., in so far as they relate to the consolidated results in the statement.

2. Basis for Modified Conclusion

As mentioned in Note No. 9 to the Statement, the Company has neither paid nor provided interest on its borrowings during the quarter ended June 30, 2020. Had such interest been recognised, the finance cost and interest liability for the quarter ended June 30, 2020 would have been more by Rs. 12,083.89 Lakhs.

Consequently, the reported Loss after Other Comprehensive Income by the Company for the quarter ended June 30, 2020 would have been Rs. 13,156.46 Lakhs. The Earnings per Share (EPS) would have been Negative Rs. 8.35.

3. Modified Conclusion

Based on our review conducted and procedures performed as stated in paragraph above except for the effect of the matters described in the basis for modified conclusion paragraph

Page 1

above and based on the consideration of the review reports of other auditors referred to in paragraph 5 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. Emphasis of Matter

We draw attention to the following notes to the accompanying statements

- a) Note no. 7 which inter-alia states that the Company has incurred cash losses, its Net worth has been fully eroded and the Company's current liabilities have exceeded its current assets as at June 30, 2020. The above conditions indicate the existence of the material uncertainty that cast significant doubt about the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on going concern basis for the reasons stated in the said note.
- b) Note no. 10 which inter-alia states that, company had pledged certain investments in its subsidiary / associate / affiliate companies with the lenders towards the borrowings from them. Lenders have invoked the pledge and transferred those investments of the company in the name of its trustees without appropriating the same against the borrowings. Pending appropriation of pledged shares as mentioned above, the said investments are continued to be classified under 'Long Term Investments'.

Further, as the Company is not the beneficial owner of the said shares, on account of the reasons stated above and also the gain in the market value of these shares, as on June 30, 2020, is temporary in nature, the company has opted not to recognize the gain of Rs. 20,465.06 Lakhs and continue with the valuation as per the market value as on March 31, 2020.

Our conclusion is not modified in respect of above matters.

5. Other Matters

- a) As at June 30, 2020 balance Confirmations, with respect to Bank Loan (including interest accrued), Bank Guarantee, Bank Current Account and Fixed Deposits aggregating to Rs. 3,57,950.18 Lakhs have not been received.
- b) We did not review the interim financial results of subsidiary company namely International Global Telesystems Ltd, classified as "held for sale" included in the consolidated unaudited financial results, whose interim financial results reflect total revenues of Rs.
