## I Squared C

AMMAR ZAIDI  
New Delhi, November 12

US PRIVATE EQUITY firm Squared Capital is dropping out of the race to buy India's second-largest state oil firm BPCL owing to a complex deal structure and lack of financial backers for the transaction, sources said. I Squared Capital through its Indian arm, This Gas, was among the three sources that had evinced interest in buying the government's

## Vodafone Idea trims loss; Arpu improves in Q2

Though the company's numbers have improved on the back of increased average revenue per user (Arpu), a turnaround hinges on its ability to raise funds now that the government has provided it a cash flow relief by offering a four-year moratorium on payments of adjusted gross revenue (AGR) and spectrum dues.

In the notes to profit and loss account, the auditors of the company have noted that Vodafone's ability to continue as a going concern is dependent on raising funds as required, successful negotiations with lenders for continued support and generation of cash flow from operations that it needs to settle its liabilities as they fall due.

The company has incurred a loss of ₹14,451 crore for the half year ended September 30, as its net worth stands at a negative ₹52,685 crore. The total debt stands at ₹1.9 lakh crore as of September 30, while an amount of ₹10,022 crore has been classified from non-current borrowings to current maturities of long-term debt for not meeting certain covenant clauses under the financial agreements.

"Further, as a result of earlier rating downgrade, certain lenders had asked for hike of interest rates and additional margin money/security against existing facilities...as of date the group has met all its obligations. Pending the outcome of the above matters, these consolidated financial statements have been prepared on a going concern basis," the auditors note read.
