## Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

### To the Board of Directors of V2 Retail Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results ('the Statement') of V2 Retail Limited ('the Holding Company') and its one subsidiary Company "V2 Smart Manufacturing Private Limited" (the Holding Company and its subsidiary together referred to as 'the Group'), for the quarter ended 31 December 2020 and the consolidated year to date results for the period 1 April 2020 to 31 December 2020, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.

4. As stated in Note 5 to the accompanying Statement, the Holding Company's contingent liabilities as at 31 December 2020 include certain contingent liabilities aggregating to ₹ 799.59 lakhs pertaining to litigations pending with various authorities, for which the Holding Company's management has not been able to provide necessary evidence in relation to probability of outflow of resources embodying economic benefits. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid amounts as provision or contingent liabilities as at 31 December 2020 in accordance with Ind AS 37, "Provisions, Contingent Liabilities and Contingent Assets" and the consequential impact, if any, on the total liabilities and profit as at and for the period then ended. Our opinion and conclusion on the consolidated financial results for the year ended 31 March 2020 and for the quarter ended 30 September 2020 and for the period ended 31 December 2019 were also qualified in respect of this matter.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and upon consideration of the review reports of the other auditor referred to in paragraph 7 below, except for the possible effects of the matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

## Emphasis of Matter

6. We draw attention to Note 9 of the accompanying Statement which describes the uncertainties relating to the effect of COVID-19 pandemic outbreak and the management's evaluation of the impact on the consolidated financial results of the Group as at the reporting date. The extent of the impact of these uncertainties on the Group's operations is significantly dependent on future developments.

Our conclusion is not modified in respect of this matter.

7. We did not review the interim financial results of one subsidiary company included in the Statement, whose financial information reflect(s) total revenues of ₹ 1,349.52 lakhs and ₹ 2,612.62 lakhs, total net profit after tax of ₹ 0.04 lakhs and total net (loss) after tax of ₹ 4.45 lakhs, total comprehensive income of ₹ 0.04 lakhs and total comprehensive (loss) of ₹ 4.45 lakhs, for the quarter and nine-month period ended on 31 December 2020, respectively, as considered in the Statement. These interim financial results have been reviewed by other auditors whose review report has been furnished to us by the management, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these subsidiary is based solely on the review report of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion is not modified in respect of this matter with respect to our reliance on the work done by and the reports of the other auditors.

**Notes:**

1. The Unaudited Consolidated Financial Results were reviewed by the Audit Committee and approved by the Board of Directors at the meeting held on 4 February 2021. The statutory auditors have carried out limited review for the quarter and period ended 31 December 2020 and have issued a modified review report.
2. The above consolidated financial results have been prepared in accordance with the recognition and measurement principles of the Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015 as specified under section 133 of the Companies Act, 2013.
3. The Group's primary business segment is reflected based on principal business activities carried on by the Group. As per Ind AS 108, Operating Segments, the Group operates in one reportable business segment i.e., retail trade and is primarily operating in India and hence, considered as single geographical segment.
4. The Holding Company restructured its business in the financial year 2010-11 resulting in creation of Capital Reserve amounting to Rs. 60,523.24 lakh. The aforementioned reserve has been reconciled except for Rs. 365.36 lakh which the Holding Company is in the process of reconciling. However, the management believes that there is no impact of the same on statement of profit and loss.
5. Out of contingent liabilities existing as at 31 December 2020, certain liabilities aggregating to Rs. 790.59 lakh are under appeal with different authorities at different levels. Whilst the impact of contingent liabilities on these consolidated results can only be ascertained on the settlement of such cases/disputes, management has assessed that based on the merits of such cases, the Holding Company has reasonably good chances on succeeding and accordingly, no provision has been recognised in these consolidated financial results.
6. During the year ended 31 March 2020, the Holding Company had sold its property situated at Hubli, Karnataka, having book value of Rs. 1,244 lakh at a sale consideration of Rs. 2,449 lakh. The gain on sale of above property amounting to Rs. 1,254.51 lakh was recorded as exceptional item in consolidated financial results. This gain also included advance received from one of the prospective buyers amounting to Rs. 50 lakh and forfeited by the Holding Company on account of failure on the part of prospective buyers to finalize the transaction in accordance with the terms of agreement to sell entered into between both parties.
7. During the period ended 31 December 2020, the Group has recorded additional provision amounting to Rs 635.29 lakh for expected loss for sale of old inventory taking into account most reliable information available at the reporting date and in view of management the provision is adequate.
8. During the previous year, V2 Smart Manufacturing Private Limited ("VSMPL" or "the Subsidiary") has been incorporated (on 25 October 2019) as a Wholly Owned Subsidiary of V2 Retail Limited ("the Holding Company"). VSMPL is in the business of manufacturing of apparels. It was incorporated on 25 October 2019 and commenced its business on 12 November 2019. Consequently, the consolidated results presented for the comparative period ended 31 December 2019 are for the period from 25 October 2019 to 31 December 2019.
9. World Health Organization (WHO) declared outbreak of Corona virus disease (COVID-19) a global pandemic. Consequent to this, Government of India has declared lockdown i.e. 24 March 2020 which is causing significant economic slowdown and disruptions of business operations. This has also temporarily impacted the business activities of the Group such as closure of stores and warehouse, disruption of supply chain, etc. for next 12 months. The management has also considered the possible effects of the pandemic on the carrying values of assets and the business forecasts. In developing the projections to assess the cash flow requirements and funds available from various sources including bank borrowings etc. for next 12 months. The management has also considered the possible effects of the pandemic on the carrying values of assets and the business forecasts. In developing the assumptions relating to the possible impacts of this pandemic and cash flow projections, the Group has used internal and external information up to the date of approval of these financial results and current indicators of future economic conditions. The Group expects to recover the carrying amount of these assets and have sufficient liquidity for business operations for at least another twelve months. The impact of the pandemic on the Group's financial results may differ from that estimated as at the date of approval of these financial results and the management will continue to closely monitor any material changes arising of future economic conditions and impact on its business. Further, the results of nine months ended 31 December 2020 are not comparable to previous period ended 31 December 2019 because of the aforementioned pandemic situation.
10. The Group had exercised the option permitted under Section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Deferred Tax Assets (net) as at 31 March 2019 and estimate of tax expense for the year ended 31 March 2020 had been re-measured for the financial year 2019-20. The resultant impact was being recognised over the financial year. Consequently, tax expense for the year ended 31 March 2020 included a one time charge of Rs. 410.10 lakh.
11. The Group has elected to apply the practical expedient of not assessing the rent concessions as a lease modification, as per MCA notification dated 24 July 2020 on Ind AS 116 for rent concessions which are granted due to COVID-19 pandemic. Accordingly, it has accounted Rs.695.76 lakh in quarter ended 30 June 2020, Rs. 270.58 lakh in quarter ended 30 September 2020 and Rs. 106.21 lakh in quarter ended 31 December 2020 under head other income with respect to rent concessions confirmed by the landlord.

### To the Board of Directors of V2 Retail Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of V2 Retail Limited ('the Company') for the quarter ended 31 December 2020 and the year to date results for the period 1 April 2020 to 31 December 2020, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. As stated in Note 5 to the accompanying Statement, the Company's contingent liabilities as at 31 December 2020 include certain contingent liabilities aggregating to ₹ 799.59 lakhs pertaining to litigations pending with various authorities, for which the Company's management has not been able to provide necessary evidence in relation to probability of outflow of resources embodying economic benefits. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the appropriateness and classification of the aforesaid amounts as provision or contingent liabilities as at 31 December 2020 in accordance with Ind AS 37, "Provisions, Contingent Liabilities and Contingent Assets" and the consequential impact, if any, on the total liabilities and profit as at and for the period then ended. Our opinion and conclusion on the standalone financial results for the year ended 31 March 2020 and for the quarter ended 30 September 2020 and quarter and nine months ended 31 December 2019, were also qualified in respect of this matter.
5. Based on our review conducted as above, except for the possible effects of the matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

## Emphasis of Matter

6. We draw attention to Note 8 of the accompanying Statement, which describes the uncertainties relating to the effect of COVID-19 pandemic outbreak and the management's evaluation of the impact on the standalone financial results of the Company as at the reporting date. The extent of the impact of these uncertainties on the Company's operations is significantly dependent on future developments.

Our conclusion is not modified in respect of this matter.

# V2 Retail Limited

**Notes:**

1. The Unaudited Standalone Financial Results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at the meeting held on 4 February 2021. The statutory auditors have carried out limited review for the quarter and period ended 31 December 2020 and have issued a modified review report.
2. The above standalone financial results have been prepared in accordance with the recognition and measurement principles of the Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015 as specified under section 133 of the Companies Act, 2013.
3. The Company's primary business segment is reflected based on principal business activities carried on by the Company. As per Ind AS 108, Operating Segments, the Company operates in one reportable business segment i.e., retail trade and is primarily operating in India and hence, considered as single geographical segment.
4. The Company restructured its business in the financial year 2010-11 resulting in creation of Capital Reserve amounting to Rs. 60,523.24 lakh. The aforementioned reserve has been reconciled except for Rs. 365.36 lakh which the Company is in the process of reconciling. However, the management believes that there is no impact of the same on statement of profit and loss.
5. Out of contingent liabilities existing as at 31 December 2020, certain liabilities aggregating to Rs. 799.59 lakh are under appeal with different authorities at different levels. Whilst the impact of contingent liabilities on these standalone results can only be ascertained on the settlement of such cases/disputes, management has assessed that based on the merits of such cases, the Company has reasonably good chances on succeeding and accordingly, no provision has been recognised in these standalone financial results.
6. During the year ended 31 March 2020, the Company had sold its property situated at Hubli, Karnataka, having book value of Rs. 1,244 lakh at a sale consideration of Rs. 2,449 lakh. The gain on sale of above property amounting to Rs. 1,254.51 lakh was recorded as exceptional item in standalone financial results. This gain also included advance received from one of the prospective buyers amounting to Rs. 50 lakh and forfeited by the company on account of failure on the part of prospective buyers to finalize the transaction in accordance with the terms of agreement to sell entered into between both parties.
7. During the current period ended 31 December 2020, the management has recorded additional provision amounting to Rs 635.29 lakh for expected loss for sale of old inventory taking into account most reliable information available at the reporting date and in view of management the provision is adequate.
8. World Health Organization (WHO) declared outbreak of Corona virus disease (COVID-19) a global pandemic. Consequent to this, Government of India has declared lockdown i.e. 24 March 2020 which is causing significant economic slowdown and disruptions of business operations. This has also temporarily impacted the business activities of the Company such as closure of stores and warehouse, disruption of supply chain, etc. The Company has prepared cash flow projections to assess the cash flow requirements and funds available from various sources including bank borrowings etc. for next 12 months. The management has also considered the possible effects of the pandemic on the carrying values of assets and the business forecasts. In developing the assumptions relating to the possible impacts of this pandemic and cash flow projections, the Company has used internal and external information up to the date of approval of these financial results and current indicators of future economic conditions. The Company expects to recover the carrying amount of these assets and have sufficient liquidity for business operations for at least another twelve months. The impact of the pandemic on the Company's financial results may differ from that estimated as at the date of approval of these financial results and the management will continue to closely monitor any material changes arising of future economic conditions and impact on its business. Further, the results of nine months ended 31 December 2020 are not comparable to previous nine months ended 31 December 2019 because of the aforementioned pandemic situation.
9. The Company had exercised the option permitted under Section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Deferred Tax Assets (net) as at 31 March 2019 and estimate of tax expense for the year ended 31 March 2020 had been re-measured for the financial year 2019-20. The resultant impact was being recognised over the financial year. Consequently, tax expense for the year ended 31 March 2020 included a one time charge of Rs. 394.20 lakh.
10. The Company has elected to apply the practical expedient of not assessing the rent concessions as a lease modification, as per MCA notification dated 24 July 2020 on Ind AS 116 for rent concessions which are granted due to COVID-19 pandemic. Accordingly, it has accounted Rs.675.16 lakh in quarter ended 30 June 2020, Rs. 253.83 lakh in quarter ended 30 September 2020 and Rs. 104.78 lakh in quarter ended 31 December 2020 under head other income with respect to rent concessions confirmed by the landlord.
