The shareholders of the Company approved the Buyback, by way of a special resolution, through e-voting on August 26, 2022, the results of which were announced on August 27, 2022.

- 6.5 The details of the paid-up equity share capital and free reserves of the Company based on the audited standalone and audited consolidated financial statements of the Company for the financial year ended March 31, 2022 and the Maximum Buyback Size as a percentage of the Company’s total paid-up equity share capital and free reserves is as under:

(Amount in ₹ Crore)

<i>Particulars</i>	<i>Standalone</i>	<i>Consolidated</i>
Issued, subscribed and fully paid-up equity share capital	58.01	58.01
Free Reserves	549.03	550.23
Total Paid-up capital and free reserves	607.04	608.24
Maximum amount of capital payment permissible for the Buyback	151.76	152.06

The Board at its meeting held on July 21, 2022, passed a resolution approving the Buyback of Equity Shares of the Company and sought approval of its Shareholders, through Notice dated July 21, 2022 the dispatch of which was intimated to the Stock Exchanges on August 2, 2022. The Buyback is subject to such other approvals and permissions, as may be required from statutory, regulatory or governmental authorities under applicable laws.

8. NECESSITY FOR THE BUYBACK

The Buyback is being undertaken by the Company after taking into account the operational and strategic cash requirements of the Company in the medium term and for returning surplus funds to the shareholders in an effective and efficient manner. The Buyback is being undertaken for the following reasons:

- (i) The Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares thereby enhancing the overall return for them;
- (ii) The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve a reservation of up to 15% of the Equity Shares, which the Company proposes to buyback, for small shareholders or the actual number of Equity Shares entitled as per the shareholding of small shareholders on the Record Date, whichever is higher. The Company believes that this reservation for small shareholders would benefit a significant number of the Company's public shareholders, who would be classified as "**Small Shareholders**";
- (iii) The Buyback is generally expected to improve return on equity through distribution of cash and improve earnings per share by reduction in the equity base of the Company, thereby leading to long term increase in shareholders' value; and
- (iv) The Buyback gives an option to the Eligible Shareholders to either (A) participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback, or (B) not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

9. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF THE BUYBACK ON THE COMPANY

- 9.1 We believe that the Buyback is not likely to cause any impact on the profitability or earnings of the Company, except to the extent of reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. Assuming there is full participation in the Buyback, the funds deployed by the Company towards the Buyback (excluding Transaction Costs) would be ₹ 150 crore (Rupees one hundred and fifty crore only).
- 9.2 We believe that the Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations. The Buyback is being undertaken, *inter alia*, for helping the Company to return surplus cash to the Eligible Shareholders broadly in proportion to their shareholding, thereby, enhancing the overall return to the Equity Shareholders.
- 9.3 The Buyback will not result in a change in control or otherwise affect the existing management structure of the Company.
- 9.4 The aggregate shareholding of the Promoters and Promoter Group and persons in control of the Company as on the date of the Public Announcement and this Letter of Offer is as follows:

Sl. No.	Name of Promoter/Promoter group	No. of Equity Shares	% Shareholding

Sl. No.	Name of Promoter/Promoter group	No. of Equity Shares	% Shareholding
Total		4,22,63,177	72.78

- 9.5 In terms of the Buyback Regulations, under the tender offer route, the Promoters and Promoter Group have an option to participate in the Buyback. In this regard, the Promoters have expressed their intention to participate in the Buyback *vide* their letters dated July 21, 2022 and may tender up to an aggregate maximum of 36,41,860 Equity Shares or such lower number of Equity Shares in accordance with the provisions of the Buyback Regulations. Please see below the maximum number of Equity Shares to be tendered by each of the Promoters:

19.3 The aggregate shareholding of the Promoters and Promoter Group as on the date of the Public Announcement and the date of this Letter of Offer is 4,22,63,177 Equity Shares, which represents 72.78% of the existing equity share capital of the Company. In terms of the Buyback Regulations, under the tender offer route, the Promoters and Promoter Group have an option to participate in the Buyback. In this regard, the Promoters have expressed their intention to participate in the Buyback *vide* their letters dated July 21, 2022 and may tender up to an aggregate maximum of 36,41,860 Equity Shares or such lower number of Equity Shares in accordance with the provisions of the Buyback Regulations. Please see below the maximum number of Equity Shares to be tendered by each of the Promoters:

2	Sanjay Sahebrao Katkar	14,63,810
3	Anupama Kailash Katkar	3,57,120
4	Chhaya Sanjay Katkar	3,57,120
Total		36,41,860

19.4 Assuming the response to the Buyback is to the extent of 100% (full acceptance) from all the Eligible Shareholders up to their entitlement including the Promoters, the aggregate shareholding and the voting rights of the Promoters and Promoter Group of the Company, may increase to 73.11% post Buyback from the current pre Buyback shareholding of 72.78%, and the aggregate shareholding of the public shareholders in the Company may decrease to 26.89% post Buyback from the current pre Buyback shareholding of 27.22%.

19.5 **Record Date, Ratio of Buyback as per the Buyback Entitlement of each category**

19.5.1 The Buyback Committee on August 27, 2022 has fixed September 14, 2022 as the Record Date for the purpose of determining the entitlement and the names of the Equity Shareholders, who are eligible to participate in the Buyback Offer.

19.5.2 The Equity Shares proposed to be bought back by the Company shall be divided into two categories:

- (i) Reserved category for Small Shareholders (“**Reserved Category**”); and
- (ii) General category for all Eligible Shareholders other than Small Shareholders (“**General Category**”)

19.5.3 As defined under Regulation 2(i)(n) of the Buyback Regulations, a “Small Shareholder” is a Shareholder who holds Equity Shares whose market value, on the basis of closing price on Stock Exchanges as on Record Date, is not more than ₹ 2,00,000/- (Rupees two hundred thousand only). As on the Record Date, the volume of Equity Shares traded on BSE was 17,603 Equity shares and on NSE was 1,67,817 Equity Shares. Accordingly, NSE being the stock exchange with highest trading volume, the closing price was ₹205.70 and hence all Shareholders holding not more than 972 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.

19.5.4 Based on the above definition, there are 73,474 Small Shareholders with aggregate shareholding of 62,22,810 Equity Shares, as on the Record Date, which constitutes

10.72% of the outstanding number of Equity Shares of the Company and 124.46% of the maximum number of Equity Shares which are proposed to be bought back as part of this Buyback Offer.

19.5.5 In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be 7,50,000 Equity Shares which is higher of:

- (i) Fifteen percent of the number of Equity Shares which the Company proposes to Buyback i.e., 15% of 50,00,000 Equity Shares which works out to 7,50,000 Equity Shares; or
- (ii) The number of Equity Shares to which the Small Shareholders are entitled, as per their shareholding as on Record Date i.e. (62,22,810/5,80,72,901) X 50,00,000 which works out to 5,35,776 Equity Shares.

All the outstanding fully paid-up Equity Shares have been used for computing the entitlement of Small Shareholders since the Promoters and Promoter Group also intend to offer Equity Shares held by them in the Buyback.

In case the total number of Equity Shares held by the Small Shareholders on the Record Date is less than 7,50,000 (higher of (i) and (ii) above), the maximum number of Equity Shares reserved for Small Shareholders will be restricted to the total number of Equity Shares held by the Small Shareholders as on Record Date.

19.5.6 Based on the above analysis and in accordance with Regulation 6 of the Buyback Regulations, 7,50,000 Equity Shares have been reserved for the Small Shareholders (“**Reserved Category**”) and accordingly, the General Category for all other Eligible Shareholders shall consist of 42,50,000 Equity Shares (“**General Category**”).

19.6 Category wise Entitlement Ratio of Buyback

Based on the above, the entitlement ratio of Buyback for both categories is decided as below:

Category	Indicative Entitlement Ratio of Buyback*
Reserved Category	10 Equity Shares out of every 83 fully paid-up Equity Shares held on the Record Date
General Category	5 Equity Shares out of every 61 fully paid-up Equity Shares held on the Record Date

**The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number due to rounding-off. The actual Buyback Entitlement for Reserved category for Small Shareholders is 12.0524329 % and General category for all other Eligible Shareholders is 8.1967069%.*

19.7 Fractional Entitlements

If the entitlement under Buyback, after applying the above-mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share) then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback Offer, for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 8 or less Equity Shares as on Record Date, will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buyback Offer and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered Additional Equity Shares. The Company shall make best efforts subject to Buyback Regulations in accepting Equity Shares tendered by such Eligible Shareholders to the extent possible and permissible.

19.8 **Basis of Acceptance of Equity Shares validly tendered in the Reserved Category**

Subject to the provisions contained in this Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- 19.8.1 Full acceptance (100%) of Shares from Small Shareholders in the Reserved Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- 19.8.2 Post the acceptance as described in paragraph 19.8.1 above, in case, there are any Shares left to be bought back from the Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Shares (on account of fractional entitlement), and have tendered additional Shares, shall be given preference and one Equity Share each from the additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- 19.8.3 Post the acceptance as described in paragraph 19.8.1 and 19.8.2 , in case, there are any validly tendered unaccepted Shares in the Reserved Category (“**Reserved Category Additional Shares**”) and Shares left to be bought back in Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Eligible Shareholder shall be equal to the Reserved Category Additional Shares validly tendered by the Eligible Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with paragraph 19.8.1, shall be reduced by one.
- 19.8.4 Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19.8.3, will be made as follows:
 - (i) For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional acceptance is greater than or equal to 0.50 (zero point five zero), then the fraction would be rounded off to the next higher integer.
 - (ii) For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional acceptance is less than 0.50 (zero point five zero), then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Equity Shares or otherwise, the Buyback Committee or any person(s) authorized by the Buyback Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in paragraph 19 of this Letter of Offer.

19.9 **Basis of Acceptance of Equity Shares validly tendered in the General Category**

Subject to the provisions contained in this Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by Eligible Shareholders (other than Small Shareholders) in the General Category in the following order of priority:

- 19.9.1 Full acceptance (100%) of Shares from Eligible Shareholders in the General Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.

- 19.9.2 Post the acceptance as described in paragraph 19.9.1 , in case, there are any validly tendered unaccepted Shares in the General Category (“**General Category Additional Shares**”) and Shares left to be bought back in General Category, the General Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder shall be equal to the General Category Additional Shares validly tendered by the Shareholder divided by the total General Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in General Category.

The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies, etc. with a common PAN will not be clubbed

together for determining the category and will be considered separately where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body – broker” as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

21. NOTE ON TAXATION

The following summary of the tax considerations is based on the reading of the current provisions of the tax laws of India and the regulations thereunder, the judicial and the administrative interpretations thereof, which are subject to change or modification by

subsequent legislative, regulatory, administrative or judicial decisions, any such changes might have different tax implications.

In view of the complexity and the subjectivity involved in the tax consequences on buyback transaction, eligible shareholders are required to consult their respective tax advisors for tax treatment in their hands considering the relevant tax provisions, facts and circumstances of their case. The company does not accept any responsibility for the accuracy or otherwise of this tax summary and explicitly disowns any liability arising out of any action including a tax position taken by the eligible shareholder by relying on this summary. The summary of tax considerations relating to buy back of equity shares listed on the stock exchange set out below should be treated as indicative and for general guidance purposes only.

1) General

The Indian tax year runs from 1 April to 31 March. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act 1961 (“**ITA**”).

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his/her India sourced income or income received by such person in India. In case of shares of a Company, the source of income from shares would depend on the ‘situs’ of the shares. As per judicial precedents, generally the “situs” of the shares is where company is “incorporated” and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the relevant Double Tax Avoidance Agreement (“**DTAA**”) subject to satisfaction of the relevant conditions including non-applicability of General Anti-Avoidance Rule (“**GAAR**”) and providing and maintaining necessary information and documents as prescribed under the ITA.

The summary of tax implications on buyback of equity shares listed on the stock exchanges in India is set out below. All references to equity shares in this note refer to equity shares listed on the stock exchanges in India unless stated otherwise.

Classification of Shareholder

Section 6 of the ITA determines the residential status of an assessee. Accordingly, shareholders can be classified broadly in categories as mentioned below:

A. Resident Shareholders being:

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI), Firm, LLP
- Others (corporate bodies):
 - Company
 - Other than Company

B. Deemed Resident Shareholder – an individual being a citizen of India who is not liable to tax in any other country or territory by reason of domicile, residence or any other criteria of similar nature and has total income other than foreign sourced income exceeding ₹ 15 lakh during the tax year.

C. Non-Resident Shareholders being:

- Non-Resident Indians (NRIs)

- Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)
- Others:
 - Company
 - Other than Company

2) **Income Tax Provisions in respect of Buyback of Equity Shares listed on Recognized Stock Exchange**

- Finance Act, 2019 has amended Section 115QA to include Companies Listed on Recognized stock Exchange within the ambit of Section 115QA. As per Section 115QA, Listed Companies making a public announcement of Buyback of shares on or after 5th July 2019 are required to pay an additional tax at 20%, plus surcharge at 12%, plus health & education cess at 4% on the distributed income on buyback of shares from shareholders. Distributed Income is defined under section 115QA to include consideration paid by the company on buyback of shares as reduced by the amount which was received by the company on issue of such shares, determined in the manner specified in Rule 40BB.
- The tax on the distributed income by the company shall be treated as the final payment of tax in respect of the said income and no further credit therefor shall be claimed by the company or by any other person in respect of the amount of tax so paid.
- No deduction under any other provision of this Act shall be allowed to the company or a shareholder in respect of the income which has been charged to tax.
- As the said income has been charged to tax at company level, it shall be exempt in the hands of shareholders under section 10(34A) of the ITA. Accordingly, any income arising in the hands of the shareholder (whether resident or non-resident) on buyback of equity shares shall be exempt from tax in India irrespective of the characterization of the shares, i.e. whether long term or short term or held as investment or stock-in-trade under sub-clause (34A) of Section 10 of the ITA.

3) **Tax Deduction at Source**

Since there is no provision regarding the TDS in case of Buyback, company is not required to deduct any tax at source on consideration payable to Resident Shareholders.

Further, given that the consequential income would be exempt from tax in the hands of shareholders u/s 10(34A) of the ITA, the same would not be subject to TDS for Non-Resident Shareholders.

4) **Securities Transaction Tax**

Since the buyback of shares shall take place through the settlement mechanism of the Stock Exchange, Securities Transaction Tax at 0.1% of the value of the transaction will be applicable.

Caveat:

The summary of the tax considerations as above is based on the current provisions of the tax laws of India, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

Shareholders, who are non-residents in India, in respect of tax consequence (including capital gain tax, if any) in their state of residence, are required to consult their tax advisors for the applicable tax and the appropriate course of action that they should take considering the provisions of the relevant Country or State tax law and provisions of DTAA where applicable.

The above note on taxation sets out the provisions of law in a summary manner only and does not purport to be a complete analysis or listing of all potential tax consequences of the disposal of equity shares. This note is neither binding on any regulators nor can there be any assurance that they will not take a position contrary to the comments mentioned herein.
