# CHAIRMAN'S MESSAGE

2023

**Dear Members,**

*Across the globe, 2022-23 was another year of significant challenges: from a terrible war in Ukraine and growing geopolitical tensions to a politically divided America. Almost all nations felt the effects of global economic uncertainty, including higher energy and food prices, and volatile markets, and, of course, COVID-19's lingering impacts. The report of International Monetary Fund (IMF) has highlighted that the geopolitical tensions and China's economic slowdown are the key contributors to the slowdown in global GDP growth in 2022.*

*According to the report, Global economic activity is experiencing a broad-based and sharper-than-expected slowdown, with inflation higher than seen in several decades. The baseline forecast is for growth to fall from 3.4 percent in 2022 to 2.8 percent in 2023, before settling at 3.0 percent in 2024. For India, data and projections are presented on a fiscal year basis, with FY 2022/23. India's growth projections are 6.6% in 2023 and 5.8% in 2024 based on calendar year. It is pertinent to note that the Reserve Bank of India has projected 6.5% growth for this fiscal year while the World Bank's projection stands at 6.3%.*

*Over the past few years, Non-Banking Financial Companies (NBFCs) have played a prominent role in the Indian financial system. They provide financial inclusion to the underserved section of the society that does not have easy access to credit. NBFCs have revolutionized the Indian lending system and have efficiently leveraged digitization to drive efficiency and provide customers with a quick and convenient financing experience. The plethora of services include vehicle financing, MSME financing, home financing, microfinance and other retail segments. The Government has consistently worked on the governance measures to strengthen the systemic importance of the NBFCs.*

*The total number of NBFCs registered with the RBI stood at 9,443 as of March 31, 2023. Of the total, non-deposit-taking NBFCs (NBFC - ND) number 8,966, systemically important non-deposit-taking NBFCs number 413, and deposit-taking NBFCs are just 39.*

*The Company's Assets under management stands at Rs. 548.13 lacs. The total income for the financial year was Rs. 108.91 lacs, and the Profit after tax was Rs. 24.58 lacs. Your company had the earnings per share for the year at Rs. 0.7926 lacs.*

*I take this opportunity to thank all our esteemed shareholders and our promoters, who have always extended their faith to us in our journey so far. My sincere thanks go out to the Reserve Bank of India, Securities and Exchange Board of India, BSE Ltd, Registrar, various commercial banks and the esteemed promoters of our assisted projects for their continued support and confidence. I am also grateful to my fellow members on the Board for their contribution towards steering the Company to a path of sustainable growth.*

*I would like to express my gratitude to the management team, staff, and business associates for their dedication and assistance in getting us this far.*

***Thank you for your support.***

***With my best wishes,  
Yours sincerely***

# THE MANAGEMENT DISCUSSION AND ANALYSIS REPORT (“MDAR”)

*F mec International Financial Services Limited* (or the Company) is a Non-deposit-taking Non-Banking Financial Company (NBFC-ND) registered with the Reserve Bank of India (RBI) and is engaged in the business of lending. The Company has a diversified lending portfolio across retail, SMEs and commercial customers with significant presence in urban and rural India.

## 1. Global Economy

Over the course of the past year, the global economy has experienced numerous challenges in the form of geopolitical tension, rising interest rates, high inflation levels. Alongside, the consequences of a sudden surge in COVID-19 cases in China also impacted growth projections. As per the latest estimates by the International Monetary Fund, the global GDP growth rate is estimated to be 3.4% in CY22 showing resilience towards the recessionary fears. On account of these headwinds, supply chain disruptions were also rampant. Moreover, due to geopolitical conflicts, crude oil prices soared, global trade was impacted and inflationary pressures worsened. To rein in inflation, Central Banks across the world, including the US Federal Reserve, responded with synchronised rate hikes. A stronger boost from pent-up demand in numerous economies or a fall in inflation is expected in the course of 2023. The emerging and developing economies of the world are likely to play a major role in accelerating global economic growth. Another silver lining is the fact that global inflation is likely to decline from \*8.8% in C.Y. 2022 to 6.6% in C.Y. 2023 and 4.3% in C.Y. 2024. \*Source: IMF World Economic Outlook January, 2023

## 2. Indian Economy

The Indian economy remained remarkably resilient to global challenges in F.Y. 2022-23. This is evident by robust domestic demand and upbeat investment activity. Sectoral analysis reveals that growth was driven by robust construction activity aided by increased infrastructure investment both by the Central Government and State Governments, which paved the way for large-scale employment opportunities. Building on the gains of first half of the fiscal year, the second half continued to see a gradual upswing in demand and economic activity. While post-covid, private investment recovery is still at a nascent stage, there are early signals, which indicate that India is poised for a stronger investment upcycle in both manufacturing and services sectors. The number of private investment projects under implementation in the manufacturing sector is also steadily growing.

### 3. Outlook

Despite high inflation, the Indian economy has achieved GDP growth of 7.2% in F.Y. 2022-23. Sustained growth in GST collections, electronic toll collections and the volume of e-way bills generated indicate encouraging momentum. Indices of manufacturing activity such as the PMI-manufacturing, the Index of Industrial Production and the Index of Core Industries (ICI) demonstrate that manufacturing activity continues to grow steadily. Indicators of the services sector (UPI transactions, high credit demand) also point towards sustained expansion.

To drive the virtuous cycle of infrastructure investment and job creation, the Union Government has considerably increased the capital expenditure outlay to H10 Lakh Crore, which is 33% higher than the previous year. The increase in infrastructure spending, especially in tier II and tier III cities is anticipated to have a substantial effect on the Indian economy, generating new employment opportunities and stimulating growth.

Overall, the demand conditions in India remain conducive to supporting economic activity. India faces the coming financial year with confidence imparted by underlying and overall macroeconomic stability, while being on the alert against geo-political and geo-economic risks.

Real GDP and GVA and growth, India	FY2020 (2nd RE)	FY2021 (2nd RE)	FY2022 (1st RE)	FY2023 (2nd AE)
Real GDP (H in trillion)	145.2	136.9	149.3	159.7
Real GVA (H in trillion)	132.2	126.8	138.0	147.1
Real GDP growth	3.7	(5.7)	9.1	7.0
Real GVA growth	3.8	(4.1)	8.8	6.6

The quarterly trend of GDP growth in FY2023 pegs the year-on-year growth of 5.1% in Q4 FY2023, 4.4% in Q3 FY2023, 6.3% in Q2 FY2023 and 13.2% in Q1 FY2023. Private consumption showed some signs of slowdown. A weaker trend in government final consumption expenditure is understandable as the spending on welfare schemes has moderated in comparison to what was the spending during the pandemic. Government led capital expenditure has continued to be an important driver of the economy with gross fixed capital formation (GFCF) expected to contribute to 34.0% of the GDP in FY2023 versus 32.7% of the GDP in FY2022. The current account deficit (CAD) widened in FY2023 on account of

(i) Rising commodity prices,

(ii) Appreciation of the US dollar and

(iii) A slowdown in economic growth and world trade owing to aggressive and synchronized monetary policy tightening across the world. For the first three quarters of FY2023, the CAD stood at 2.7% of GDP.

Consumer price inflation (CPI) remained at elevated levels during the year. Though it dropped from 7.79% in April 2022 to 5.72% in December 2022, it again rose to 6.52% in January 2023 before dropping to 5.66% in March 2023.

#### 4. Industry Overview

NBFCs have become important constituents of India's financial sector and have been recording higher credit growth than scheduled commercial banks (SCBs) over the past few years. NBFCs continue to leverage their superior understanding of regional dynamics and customised products and services to expedite financial inclusion in India. Lower transaction costs, innovative products, quick decision making, customer orientation and prompt service standards have typically differentiated NBFCs from banks. Considering the reach and expanse of NBFCs, these are well-suited to bridge the financing gap in a large country like India. Systemically important NBFCs have demonstrated agility, innovation and frugality to provide formal financial services to millions of Indians. The growing importance of NBFCs is reflected in the consistent rise of their credit as a proportion to GDP as well as in relation to credit extended by SCBs to the NBFC sector.

#### Non-banking financial companies

Non-Banking Financial Companies (NBFCs) have played a prominent role in the Indian financial system. They provide financial inclusion to the underserved section of the society that does not have easy access to credit. NBFCs have revolutionized the Indian lending system and have efficiently leveraged digitization to drive efficiency and provide customers with a quick and convenient financing experience. The plethora of services include vehicle financing, MSME financing, home financing, microfinance and other retail segments. The Government has consistently worked on the governance measures to strengthen the systemic importance of the NBFCs..

The total number of NBFCs registered with the RBI stood at 9,443 as of March 31, 2023. Of the total, non-deposit-taking NBFCs (NBFC - ND) number 8,966, systemically important non-deposit-taking NBFCs number 413, and deposit-taking NBFCs are just 39.

NBFCs have carved a niche for themselves in the Indian financial sector through their differentiated business models and credit appraisal methods, targeting the relatively un-banked borrower segments with niche domain expertise. They provide last mile credit delivery and have been significantly using technology to achieve better operational efficiency and risk management.

### 3. Business review

*F MEC INTERNATIONAL FINANCIAL SERVICES LIMITED*, a Non-Deposit taking Non Systemically Important (“NBFC”), is a professionally managed Company. It focuses on four broad categories: (i) consumer lending, (ii) SME lending, (iii) commercial lending, (iv) rural lending,

## **ANNUAL BOARD EVALUATION**

The Board performs three major roles in a company – it provides direction (i.e. sets the strategic direction of the company), it controls (i.e. monitors the management) and provides support and advice (advisory role). Board evaluation typically examines these roles of the Board and the entailing responsibilities, and assesses how effectively these are fulfilled by the Board.

The evaluation of the performance of the Board is essentially an assessment of how the Board has performed on all these parameters.

The evaluation framework for assessing the performance of Directors comprises of various key areas such as attendance at Board and Committee Meetings, quality of contribution to Board discussions and decisions, strategic insights or inputs regarding future growth of the Company and its performance, ability to challenge views in a constructive manner, knowledge acquired with regard to the Company's business/ activities, understanding of industry and global trends, etc.

The performance of the Board as a whole, of its committee, and of its members, shall be evaluated at the end of the year keeping in view the objectives of the Company as per the provisions of the Companies Act, 2013 and Regulation 17 of SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015.

It will be the responsibility of the Chairperson who shall be supported by Company Secretary (if any) to organize the evaluation process and act on its outcome.

The evaluation of Independent Directors shall be done by the entire Board which shall include evaluation of performance of the Directors and fulfillment of the Independence Criteria as specified in the Listing Regulations and their independence from the Management. The Director who is subject to evaluation shall not participate. On the basis of performance evaluation done by the Board, it shall be determined whether to extend or continue their term of appointment, as and when their respective term expires.

The results of the annual evaluation shall remain confidential between the Chairperson, Directors concerned and the Company Secretary (if any).

The evaluation process will be used constructively as a mechanism to improve Board effectiveness, maximize strengths and tackle weaknesses.

## INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF  
F MEC INTERNATIONAL FINANCIAL SERVICES LIMITED

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of **F MEC INTERNATIONAL FINANCIAL SERVICES LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the financial statements in accordance with Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a

guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on March 31, 2023 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
  - g) With respect to the other matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us :

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
- iii. There were no amounts which required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether, recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate beneficiaries;  
  
(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
  
(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under clause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of F Mec International Financial Services Limited of even date)

**Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of **F MEC INTERNATIONAL FINANCIAL SERVICES LIMITED** (the "Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to Financial Statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## F MEC INTERNATIONAL FINANCIAL SERVICES LIMITED

### Significant Accounting Policies and Notes to Accounts for the year ended 31st March 2023

(All amounts in Indian Rupees '000, unless stated otherwise)

#### 1 Corporate Information

F MEC International Financial Services Limited ("FMEC" or "Company") is a public limited company domiciled in India and incorporated under provision of Companies Act, 1956 as on 7th June 1993 and the Company's shares are listed on Bombay Stock Exchange Limited (BSE) w.e.f 15.01.2016. The registered office of the company is at 908, 9th Floor, Mercantile House, 15, K.G. Marg, Delhi-110001. The Company got its registration as NBFC from Reserve Bank of India on 11.09.1998 vide Registration No. 14.01129. The Company have more than 25 years of working experience as a Non Banking Financial Company (non accepting deposit from the public). The main object of the company is to carry on the non banking financial and other allied activities.

#### 2 Significant Accounting Policies

##### 2.1 Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 along with other relevant provisions of the Act and the Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI.

##### Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) defined benefit plans - plan assets measured at fair value.

##### Current and non-current classification

The financial statements have been prepared on accrual and going concern basis. All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Division III of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

##### 2.2 Use of estimates and judgements

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/ materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

##### 2.3 Revenue Recognition

###### (a) Interest income

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets [as set out in note no. 2.17(a)] regarded as 'stage 3', the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired [as outlined in note no. 2.17(a)], the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non payment of contractual cashflows is recognised on realisation.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest.

**(b) Other revenue from operations**

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

**Fees and commission**

The Company recognises service and administration charges towards rendering of additional services to its loan customers on satisfactory completion of service delivery.

Fees on value added services and products are recognised on rendering of services and products to the customer.

Distribution income is earned by selling of services and products of other entities under distribution arrangements. The income so earned is recognised on successful sales on behalf of other entities subject to there being no significant uncertainty of its recovery. Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognised on realisation.

**Net gain on fair value changes**

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognises gains/losses on fair value change of financial assets measured as FVTPL and realised gains/losses on derecognition of financial asset measured at FVTPL and FVOCI.

**Sale of services**

The Company, on de-recognition of financial assets where a right to service the derecognised financial assets for a fee is retained, recognises the fair value of future service fee income over service obligations cost on net basis as service fee income in the statement of profit or loss and, correspondingly creates a service asset in Balance Sheet. Any subsequent increase in the fair value of service assets is recognised as service income and any decrease is recognised as an expense in the period in which it occurs. The embedded interest component in the service asset is recognised as interest income in line with Ind AS 109 'Financial instruments'.

Other revenues on sale of services are recognised as per Ind AS 115 'Revenue From Contracts with Customers' as articulated above in 'other revenue from operations'.

**Recoveries of financial assets written off**

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

**2.4 Property, Plant and Equipment**

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation is provided on a pro-rata basis on the written down value method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 with the exception of the following:

- Depreciation on assets costing ₹ 5,000 or less is provided @100% over a period of one year.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

## 2.5 Intangible Assets

Separately purchased intangible assets are initially measured at cost. Intangible assets acquired in a business combination are recognised at fair value at the acquisition date. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Finite-life intangible assets are amortised on a straight-line basis over the period of their expected useful lives. Estimated useful life by major class of finite-life intangible asset is as follows:

Computer software - 5 years

## 2.6 Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of Assets. Qualifying Asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are treated as period cost and charged to the statement of profit and loss in the year in which it was incurred.

## 2.7 Impairment of non-financial assets

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

## 2.8 Investments in subsidiaries

Investment in subsidiaries is recognised at cost and are not adjusted to fair value at the end of each reporting period. Cost of investment represents amount paid for acquisition of the said investment.

The Company assesses at the end of each reporting period, if there are any indications that the said investment may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

## 2.9 Foreign Exchange Transaction

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transactions.

Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract. Any profit or loss arising on cancellation or renewal of forward exchange contracts are recognized as income

Non-monetary items are carried at cost.

Any income or expense on account of exchange difference either on settlement or on translation is recognized and is reflected separately in the Statement of Profit & Loss.

In respect of foreign branch, the company has adopted integral foreign operation approach as per Ind AS 21 and accordingly revenue items have been converted at date of transaction date. Monetary Assets and Liabilities are converted at the year-end exchange rate, Exchange gain or loss arising out of above is charged to Statement of Profit & Loss.

## 2.10 Tax expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

### Current Tax:

Provision for Taxation is ascertained on the basis of assessable profit computed in accordance with the provisions of Income Tax Act, 1961.

**Minimum Alternate Tax (MAT) Credit:**

Minimum Alternate Tax credit is recognized, as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Profit and Loss Account and shown as MAT Credit Entitlement under Loans & Advances. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

**Deferred Tax:**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

**2.11 Employee benefits****Short Term Employee Benefits:**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and the undiscounted amount of such employee benefits are recognised in Statement of Profit and Loss in the period in which the employee renders the related services. These benefits include salaries, wages, bonus, performance incentives etc.

**Defined Benefit Plan**

Gratuity and long-term compensated absences are provided for based on actuarial valuation carried out at the close of each period. The actuarial valuation is done by an Independent Actuary as per projected unit credit method.

For defined benefit plans, the amount recognised as 'Employee benefit expenses' in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the year and the costs of individual events such as past/future service benefit changes and settlements (such events are recognised immediately in the Statement of Profit and Loss). The amount of net interest expense calculated by applying the liability discount rate to the net defined benefit liability or asset is charged to 'Employee benefits expense' in the Statement of Profit and Loss. Any differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised immediately in 'Other comprehensive income' and subsequently not reclassified to the Statement of Profit and Loss.

**Defined Contribution Plan**

Contributions to defined contribution schemes such as employee provident fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

**2.12 Segment reporting****Identification of segments**

As defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments. The accounting principles used in the preparation of financial statements are consistently applied to record revenue and expenditure in individual segment and are as set out in the significant accounting policies.

**Allocation of common costs**

Common allocable costs are allocated to each segment on reasonable basis.

**Unallocated items**

Include general corporate income and expense items which are not allocable to any business segment.

### Segment policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

#### 2.13 Cash Flow Statement

Cash flows are reported using the indirect method in accordance with Ind AS 7, whereby a profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, financing and investing activities of the Company are segregated.

#### 2.14 Earning Per Share

Earning Per Share (EPS) is calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the Weighted Average Number of equity shares outstanding during the period.

For the purpose of calculating Diluted Earning Per share, the Net Profit or Loss for the period attributable to equity shareholders is divided by the Weighted Average Number of shares outstanding during the period after adjusting for the effects of all dilutive potential equity shares.

#### 2.15 Miscellaneous Expenditure

Share issue expenses are adjusted from Securities Premium Account at the time of issue of respective Shares.

#### 2.16 Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

#### 2.17 Financial Instruments

##### a). Financial Assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset. Financial assets are subsequently classified and measured at

- amortised cost
- fair value through profit and loss (FVTPL).

##### Other equity investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

##### Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12 month ECL is recognised. Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognised for stage 2 and stage 3 financial assets.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

#### **Treatment of the different stages of financial assets and the methodology of determination of ECL**

##### **(i) Credit impaired (stage 3)**

The Company recognises a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether:

- Contractual payments of either principal or interest are past due for more than 90 days;
- The loan is otherwise considered to be in default.

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months— post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Interest income is recognised by applying the EIR to the net amortised cost amount i.e. gross carrying amount less ECL allowance.

##### **(ii) Significant increase in credit risk (stage 2)**

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure. However, unless identified at an earlier stage, 30 days past due is considered as an indication of financial assets to have suffered a significant increase in credit risk. Based on other indications such as borrower's frequently delaying payments beyond due dates though not 30 days past due are included in stage 2 for mortgage loans.

The measurement of risk of defaults under stage 2 is computed on homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles. The default risk is assessed using PD (probability of default) derived from past behavioural trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioural trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

##### **(iii) Without significant increase in credit risk since initial recognition (stage 1)**

ECL resulting from default events that are possible in the next 12 months are recognised for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioural trends witnessed for each homogenous portfolio using application/behavioural score cards and other performance indicators, determined statistically.

##### **(iv) Measurement of ECL**

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro economic factors.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD and adjusted for time value of money using a rate which is a reasonable approximation of EIR.

- Determination of PD is covered above for each stages of ECL.

- EAD represents the expected balance at default, taking into account the repayment of principal and interest from the Balance Sheet date to the date of default together with any expected drawdowns of committed facilities.

- LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

**b). Financial Liabilities**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

**2.18 Derivative financial instruments**

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

27 In the opinion of the management, the value on realization of current assets, loans & advances in the ordinary course of business would not be less than the amount at which they are stated in the Balance Sheet and provisions for all known liabilities have been made.

28 The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of current assets which includes loans given, cash and cash equivalents, other bank balances and other financial assets approximate their carrying amounts largely due to short term maturities of these instruments.

2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

**35 Financial risk management**

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

**Management of liquidity and funding risk**

Liquidity risk arises from mismatches in the timing of cash flows.

Funding risk arises:

- when long term assets cannot be funded at the expected term resulting in cashflow mismatches,
- amidst volatile market conditions impacting sourcing of funds from banks and money markets.

Liquidity and funding risk is measured by identifying gaps in the structural and dynamic liquidity statements.

Liquidity and funding risk is monitored by :

- assessment of the gap between visibility of funds and the near term liabilities given current liquidity conditions and evolving regulatory directions for NBFCs.
- a constant calibration of sources of funds in line with emerging market conditions in banking and money markets.
- periodic reviews by risk management committee relating to the liquidity position and stress tests assuming varied 'what if' scenarios and comparing probable gaps with the liquidity buffers maintained by the Company.

Liquidity and funding risk is managed by the Company's treasury team under the guidance of risk management committee.

The table below summarises the maturity profile of the undiscounted cashflow of the Company's financial liabilities:

Trade Payables	959	959	-	45,321
Other Financial Liabilities	352	352	-	2,195

**Management of market risk**

Market risk is the risk that the fair value of future cash flow of financial instruments will fluctuate due to changes in the market variables such as interest rates, foreign exchange rates and equity prices. The Company do not have any exposure to foreign exchange rate and equity price risk.

**Management of credit risk**

Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations to the Company. It has a diversified lending model and focuses on six broad categories viz: (i) consumer lending, (ii) SME lending, (iii) rural lending, (iv) mortgages, (v) loan against securities, and (vi) commercial lending. The Company assesses the credit quality of all financial instruments that are subject to credit risk.

F MEC INTERNATIONAL FINANCIAL SERVICES LIMITED

Notes forming part of the Financial Statements

a). Classification of financial assets under various stages

The Company classifies its financial assets in three stages having the following characteristics:

**Stage 1**

Unimpaired and without significant increase in credit risk since initial recognition on which a 12 month allowance for ECL is recognised;

**Stage 2:**

A significant increase in credit risk since initial recognition on which a lifetime ECL is recognised;

**Stage 3:**

Objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.

Unless identified at an earlier stage, all financial assets are deemed to have suffered a significant increase in credit risk when they are 30 days past due (DPD) and are accordingly transferred from stage 1 to stage 2. For stage 1 an ECL allowance is calculated based on a 12 month Point in Time (PIT) probability weighted probability of default (PD). For stage 2 and 3 assets a life time ECL is calculated based on a lifetime PD.

Financial instruments other than loans were subjected to simplified ECL approach under Ind AS 109 'Financial Instruments' and accordingly were not subject to sensitivity of future economic conditions.

- 36 The figures for the previous year have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III, Division III.
- 37 All amounts in the financial statements are rounded off to the nearest amount in Indian Rupees '000, unless stated otherwise.
- 38 Note 1 to 37 are annexed to and form an integral part of the Balance Sheet as at 31st Mar 2023, Statement of Profit and Loss, statement of cash flows and statement of changes in equity for the year ended as on that date.
