These are neither exhaustive nor intended to constitute a complete analysis of all the risks involved in the participation by Public Shareholders in this Open Offer, or in association with the Acquirer, but are merely indicative in nature. Public Shareholders are advised to consult their stockbrokers, legal, financial, tax, investment or other consultants and advisors, for understanding and analysing all risks associated with respect to their participation in this Open Offer.

For capitalised terms used herein please refer to the section on Key Definitions set out below.

1. Risks relating to the Open Offer:

- The Open Offer is an open offer under the SEBI (SAST) Regulations to acquire up to 10,465,000 Equity Shares representing 26.00% of the Expanded Voting Share Capital, from the Public Shareholders. If the number of Equity Shares validly tendered by the Public Shareholders under this Open Offer is more than the Offer Size, then the Offer Shares validly tendered by the Public Shareholders will be accepted on a proportionate basis, subject to acquisition of a maximum of 10,465,000 Equity Shares, representing 26.00% of the Expanded Voting Share Capital. Accordingly, there is no assurance that all the Equity Shares tendered by the Public Shareholders in the Open Offer will be accepted. The unaccepted Equity Shares will be returned to the Public Shareholders in accordance with the schedule of activities for the Open Offer.
- To the best of the knowledge of the Acquirer, all the statutory approvals required by the Acquirer to complete this Open Offer have now been received/are now not required. However, in case of any additional statutory approvals being required by the Acquirer at any later date, this Open Offer will be subject to such approvals and the Acquirer shall make necessary applications for such other approvals. In the event that either: **(a)** there is any litigation leading to a stay/injunction on the Open Offer or that restricts/restrains the Acquirer from performing its obligations hereunder; or **(b)** SEBI instructs the Acquirer not to proceed with the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer or may be withdrawn in terms of Regulation 23 of the SEBI (SAST) Regulations. In case any statutory approval or governmental approval that may be required by the Acquirer, is not received in time, in accordance with Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied, grant an extension of time to the Acquirer for making payment of the consideration to the Public Shareholders whose Offer Shares have been accepted in the Open Offer, subject to such terms and conditions as may be specified by SEBI, including payment of interest, if any, in accordance with the SEBI (SAST) Regulations. In addition, where any statutory approval extends to some but not all of the Public Shareholders, the Acquirer shall have the option to make payment to such Public Shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer.
- The Acquirer shall acquire partly paid-up shares tendered by the Public Shareholders under the Open Offer, subject to such Public Shareholders holding partly paid-up shares of the Target Company making full payment to the Target Company, including interest liability, outstanding in respect of the amount unpaid. The Public Shareholder who holds party paid-up shares will have to contact the Target Company for knowing the amount outstanding and payable in respect of such partly paid-up shares, including the interest for delay.

- The acquisition of Equity Shares under the Open Offer from all Public Shareholders (resident and non-resident) is subject to all approvals required to be obtained by such Public Shareholders in relation to the Open Offer and the transfer of Equity Shares held by them to the Acquirer. Further, if the Public Shareholders who are not persons resident in India require or had required any approvals in respect of the transfer of Equity Shares held by them, they will be required to submit such previous approvals that they would have obtained for holding the Equity Shares, to tender the Equity Shares held by them pursuant to this Open Offer, along with the other documents required to be tendered to accept this Open Offer. In the event such prior approvals are not submitted, the Acquirer reserves its right to reject such Equity Shares tendered in this Open Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Public Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on repatriable basis or non-repatriable basis.
- Public Shareholders who have lodged their acceptance to this Open Offer are not entitled to withdraw such acceptance during the Tendering Period, even if the acceptance of their Equity Shares in this Open Offer and payment of consideration are delayed. The Public Shareholders will not be able to trade in such Equity Shares which have been tendered in the Open Offer. During such period, there may be fluctuations in the market price of the Equity Shares. Neither the Acquirer nor the Manager to the Offer make any assurance with respect to the market price of the Equity Shares, both during the period that the Open Offer is open and upon completion of the Open Offer, and disclaim any responsibility with respect to any decision taken by the Public Shareholders with respect to whether or not to participate in the Open Offer. The Public Shareholders will be solely responsible for their decisions regarding their participation in this Open Offer.

Recipients of the Letter of Offer resident in jurisdictions outside India should inform themselves of and observe any applicable legal requirements. This Open Offer is not directed towards any person or entity in any jurisdiction or country where the same would be contrary to the applicable laws or regulations or would subject the Acquirer or the Manager to the Open Offer to any new or additional registration requirements. This is not an offer for sale, or a solicitation of an offer to buy in, any foreign jurisdictions covered under the “General Disclaimer” clause in Section II (*Disclaimer Clause*) of this Letter of Offer and cannot be accepted by any means or instrumentality from within any such foreign jurisdictions.

- The Acquirer and the Manager to the Offer accept no responsibility for statements made otherwise than in the Public Announcement, the Detailed Public Statement, this Letter of Offer or in the advertisement or any materials issued by or at the instance of the Acquirer, excluding such information pertaining to the Target Company, which has been obtained from publicly available sources or provided or confirmed by the Target Company. Any person placing reliance on any other source of information will be doing so at his/her/its own risk.

Each of the Acquirer and the Manager to the Offer expressly disclaim any responsibility or obligation of any kind (except as required under applicable law) with respect to any decision by any Public Shareholder on whether to participate or not in this Open Offer.

17. Contingent liabilities of Acquirer as on 31 December 2021:

- (a) The Acquirer is contingently liable as guarantor of the indebtedness of distributors, including associates and customers, for their borrowings from financial institutions. These guarantees obligate the Acquirer to make payments in the event of default by the distributor, including associates and customers. The term of these guarantees are from one to four years. The maximum potential amounts of undiscounted future payments of these financial guarantees were JPY 3,539 million (INR 2,202 million) and JPY 3,442 million (INR 2,142 million) at December 31, 2021 and 2020, respectively. The fair values of these financial guarantees were not material, and the probability of incurrence of a loss is remote.
- (b) Since May 2007, the Acquirer has been subject to 51 asbestos-related lawsuits in Japan, which were filed against the Acquirer or defendant parties consisting of the Japanese government and asbestos-related companies, including the Acquirer. By May 2021, with regard to the four lawsuits consolidating 14 cases, the Supreme Court of Japan has concluded proceedings and ruled that the government and a part of asbestos using companies were liable for compensation. On the other hand, all claims against the Acquirer were rejected.

Other 37 cases are still ongoing, and the total claims for compensation of all lawsuits aggregate to JPY 21,421 million (INR 13,330 million), which relate to 578 construction workers who suffered from asbestos-related diseases. 10 among 37 lawsuits were compiled into four cases and the first instance ordered the Acquirer to pay compensation damages of JPY 2 million (INR 1 million) under judgement for one case, and other cases were decided in favor of the Acquirer. All four cases were appealed to the appellate court. Two appellate courts ruled in favor of the Acquirer, but the plaintiffs of these two cases appealed to the supreme courts.

However, the Acquirer believes that it is currently unable to predict the ultimate outcome of lawsuits. The Acquirer does not have any cost-sharing arrangements with other potentially responsible parties, including the government, for these 51 lawsuits.

- (c) The Law for the Relief of Patients Suffering from Asbestos-Related Diseases (the “**New Asbestos Law**”) was established by the Japanese government in March 2006. The purpose of this law is to provide prompt relief to persons who sustain asbestos-related diseases but are not relieved by compensation for accidents under workmen's compensation insurance. Contributions under this law are made by the Japanese government, local authorities and business entities. Contributions by business entities commenced from the year ended 31 March 2008, and these include special contributions by business entities which operated a business closely to asbestos.

The Acquirer accrues asbestos-related expenses when the Acquirer receives claims on voluntary consolation payment, relief payment, compensation for current and former employees, and the special contribution in accordance with the New Asbestos Law. The accrued balances for asbestos-related expenses are JPY 125 million (INR 78 million) and JPY 222 million (INR 138 million) at 31 December 2021, and 2020, respectively. The asbestos-related expenses recognized for the twelve months ended 31 December 2021 and 2020, were JPY 626 million (INR 390 million) and JPY 817 million (INR 508 million), respectively.

1. General:

- a) The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31 of the following year.
- b) A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, in a manner as provided under the Income Tax Act, 1961, as amended (“**IT Act**”).
- c) A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which accrues or arises or is deemed to accrue or arise in India) and income received by such persons in India (including income deemed to be received in India).
- d) Since the Target Company is incorporated in India, the Equity Shares are “situated” in India and any gains arising to a non-resident on transfer of such shares is taxable in India under the IT Act.
- e) Further, the non-resident Public Shareholder can avail benefits of the Double Taxation Avoidance Agreement (“**DTAA**”) between India and the respective country of which the said shareholder is a tax resident subject to satisfying the relevant conditions including but not limited to (a) conditions present in the said DTAA (if any) read with the relevant provisions of the Multilateral Convention to Implement Tax Treaty related Measures to Prevent Base Erosion and Profit Shifting (“**Multilateral Instrument/MLI**”) as ratified by India with the respective country of which the said shareholder is

tax resident; (b) meeting the anti-abuses tests under General Anti-Avoidance Rule (“GAAR”) and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.

- f) The IT Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of shares under the Open Offer, and corresponding withholding tax obligation based on the period of holding, residential status, classification of the Public Shareholder, nature of the income earned, etc.
- g) The Public Shareholders may be required to undertake compliances such as filing of an annual income tax return, as may be applicable to different categories of persons, with the income tax authorities, reporting their income for the relevant year.
- h) In addition to income tax, as the tendering of Equity Shares is being undertaken on a recognised stock exchange (i.e. BSE), such transaction will be chargeable to Securities Transaction Tax (“STT”). STT is payable in India on the value of securities on every purchase or sale of securities that are listed on recognised stock exchanges. Currently, the STT rate applicable on the purchase and sale of shares on recognised stock exchanges (including BSE) is 0.1% of the value of security transacted.
- i) All references to equity shares herein refer to listed equity shares unless stated otherwise.

2. **Classification of Public Shareholders:** Public Shareholders can be classified under the following categories:

- a) Resident Public Shareholders being:
 - (i) Individuals, Hindu Undivided Family (“HUF”), Association of Persons (“AOP”) and Body of Individuals (“BOI”)
 - (ii) Others
 - Company
 - Other than company
- b) Non-Resident Public Shareholders being:
 - (i) Non-Resident Indians (“NRIs”)
 - (ii) Foreign Institution Investors (FIIs)/ Foreign Portfolio Investors (FPIs)
 - (iii) Others:
 - Company
 - Other than company

3. **Classification of Shares**

The characterization of gains/losses, arising from sale of shares, as Capital Gains or Business Income would depend on the nature of holding in the hands of the Public Shareholder and various other factors. Public Shareholders are also required to refer to Circular No.6/2016 dated

February 29, 2016 issued by the Central Board of Direct Taxes (“CBDT”). The nature of gains/loss in the foregoing cases will be as under:

- a) Shares held as investment: Income arising from transfer of shares is taxable under the head “Capital Gains”.
- b) Shares held as stock-in-trade: Income arising from transfer is taxable under the head “Profits and Gains from Business or Profession”.

4. **Taxability of Capital Gains in the hands of the Public Shareholders:**

- a) Capital gains in the hands of Public Shareholders would be computed as per the provisions of Section 48 of the IT Act and the rate of income-tax would depend on the period of holding.
- b) **Period of Holding:** Depending on the period for which the shares are held, the gains would be taxable as ‘short term capital gain’ or ‘long-term capital gain’. Such classification would be determined as under:
 - (i) Short-term Capital Asset (“STCA”): Equity shares held for less than or equal to 12 (Twelve) months.
 - (ii) Long-term Capital Asset (“LTCA”): Equity share held for more than 12 (Twelve) months.
- c) Accordingly, gains arising from transfer of a STCA are taxable as ‘Short-term Capital Gains’ (“STCG”). Gains arising from transfer of a LTCA are taxable as ‘Long-term Capital Gains’ (“LTCG”).
- d) As per Section 112A of the IT Act, LTCG arising on sale of listed equity shares will be subject to tax at the rate of 10% (plus applicable surcharge and cess) if Securities Transaction Tax (“STT”) has been paid at the time of both purchase and sale of shares (except in certain cases notified by CBDT *vide* Notification No. 60/2018 dated October 1, 2018) and if the aggregate LTCG during the financial year exceeds Rs. 1 lakh. Further, no deduction under Chapter VI-A would be allowed in computing LTCG under Section 112A of the IT Act.

Further, LTCG under section 112A of the IT Act will be computed without considering the indexation benefit as per provision of Section 48 of the IT Act. The cost of acquisition will be computed in accordance with the provisions of Section 55 read with Section 112A of the IT Act. In terms of Section 55 read with Section 112A of the IT Act, if investments were made before February 1, 2018, a method of determining the cost of acquisition of such investments has been specifically laid down such that gains up to January 31, 2018 are grandfathered. To clarify, if the equity shares on which STT is paid were acquired prior to February 1, 2018, the cost of acquisition of such shares should be higher of (a) actual cost of acquisition and (b) lower of (i) fair market value as on January 31, 2018 (highest quoted price on January 31, 2018 or immediately prior trading day if shares were not traded on January 31, 2018) and (ii) actual sale consideration.

- e) If STT is not paid at the time of acquisition of the shares being acquired under the Open Offer and they do not fall within the exceptions identified under Notification No. 60/2018 dated October 1, 2018, then, in case of a resident Public Shareholder the entire LTCG arising to the Public Shareholder shall be subject to tax @ 10% (plus applicable surcharge and cess) without indexation benefit or at 20% (plus applicable surcharge

and cess) with indexation benefits, at the option of the taxpayer. In case of non-resident, such gains may be taxed at 20% (plus applicable surcharge and cess) after allowing benefit of indexation or neutralization of foreign exchange gains, as may be applicable. Further, no deduction under Chapter VI-A would be allowed in computing LTCG subject to tax under Section 112 of the IT Act

- f) STCG realized on sale of listed equity shares (STT paid) will be subject to tax at the rate of 15% under Section 111A of the IT Act. The said rate will be increased by applicable surcharge and cess. Further, no deduction under Chapter VI-A would be allowed in computing STCG subject to tax under Section 111A of the IT Act.
- g) As per the seventh proviso to Section 48 of the IT Act, no deduction of amount paid on account of STT will be allowed in computing the income chargeable to tax as Capital Gains.
- h) Further the provisions of Minimum Alternate Tax on the book profits as contained in Section 115JB of the IT Act or Alternate Minimum Tax contained in Section 115JC of the IT Act, as the case may be, also need to be considered by the Public Shareholders.

The provisions of Section 115JB of the IT Act do not apply to a foreign company if it is a resident of a country with which India has entered into a DTAA under Section 90/90A of the IT Act and the assessee does not have a Permanent Establishment in India or such company is a resident of a country with which India does not have such agreement and the assessee is not required to seek registration under any law for the time being in force, relating to companies.

- i) As per Section 70 of the IT Act, Short Term Capital Loss computed for the given year is allowed to be set off against STCG as well as LTCG computed for the said year. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off against subsequent years' STCG as well as LTCG, in terms of Section 74 of the IT Act.
- j) Long Term Capital Loss computed for a given year is allowed to be set off only against LTCG computed for the said year, in terms of Section 70 of the IT Act. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off only against subsequent years' LTCG, in terms of Section 74 of the IT Act.
- k) Additional information in case of Foreign Institutional Investors (“**FII**s”):
 - (i) As per Section 2(14) of the IT Act, any securities held by a FII which has invested in the equity shares in accordance with the regulations made under the Securities and Exchange Board of India Act, 1992, will be treated as capital assets. Accordingly, any gains arising from transfer of such securities will be chargeable to tax in the hands of FIIs as capital gains.
 - (ii) Under Section 115AD(1)(ii) of the IT Act, STCG arising to a FII on transfer of shares (STT paid) will be chargeable at the rate of 15%.
 - (iii) Under Section 115AD(1)(iii) of the IT Act, income by way of LTCG arising from transfer of shares will be chargeable to tax at the rate of 10%. Provided that in case of income arising from the transfer of a LTCA referred to in Section 112A, income-tax at the rate of 10% will be calculated on such income exceeding Rs. 1 lakh.

- (iv) Such capital gains would be computed without giving effect to the first and second proviso to Section 48. In other words, adjustment in respect of foreign exchange fluctuation and benefit of indexation would not be allowed while computing the Capital Gains. The above rates are to be increased by applicable surcharge and cess.
 - (v) Further, no deduction under Chapter VI-A would be allowed in computing STCG and as well as LTCG.
 - (vi) The CBDT has *vide* Notification No. 9/2014 dated January 22, 2014 notified Foreign Portfolio Investors (“**FPIs**”) registered under the Securities and Exchange Board of India (FPI) Regulations, 2014 as FII for the purpose of Section 115AD of the IT Act.
- l) Additional Information in case of Non-resident Indians (“**NRIs**”):
- Where the shares of the Target Company were acquired or purchased in convertible foreign exchange, NRIs, i.e. individuals being citizen of India or person of Indian origin who are not resident, have the option of being governed by the provisions of Chapter XII-A of the IT Act, which *inter alia* entitles them to the following benefits:
- (i) Under Section 115E of the IT Act, the LTCG arising to an NRI will be taxable at the rate of 10 % (plus applicable surcharge and cess). While computing the LTCG, the benefit of indexation of cost would not be available.
 - (ii) Under Section 115F of the IT Act, LTCG arising to an NRI from the transfer of the shares acquired or purchased in convertible foreign exchange shall be exempt from income tax, if the net consideration is reinvested in specified assets, within 6 (Six) months of the date of transfer. If only part of the net consideration is so reinvested, the exemption shall be proportionately reduced. The amount so exempted shall be chargeable to tax subsequently, if the specified assets are transferred or converted into money within 3 (three) years from the date of their acquisition.
 - (iii) Under Section 115G of the IT Act, it will not be necessary for an NRI to furnish his return of income under Section 139(1) of the IT Act if his income chargeable under the IT Act consists of only investment income or LTCG or both; arising out of assets acquired, purchased or subscribed to in convertible foreign exchange and tax deductible at source has been deducted there from as per the provisions of Chapter XVII-B of the IT Act.
 - (iv) Further, no deduction under Chapter VI-A would be allowed in computing LTCG.
 - (v) As per provisions of Section 115-I of the IT Act, an NRI may elect not to be governed by provisions of Chapter XII-A and compute his total income as per other provisions of the IT Act.
- m) Section 90(2) of the IT Act, provides relief to a non-resident, where there is a DTAA between India and the country of residence of the non-resident Public Shareholder and the provisions of the DTAA are more favourable to the taxpayer, subject to satisfying relevant conditions including not limited to (a) conditions present in the said DTAA (if any) read with the relevant provisions of the MLI as ratified by India with the respective country of which the said shareholder is tax resident; (b) meeting anti-abuse

tests under GAAR; and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.

n) Investment Funds:

Under Section 10(23FBA) of the IT Act, any income of an Investment Fund, other than the income chargeable under the head “Profits and gains of business or profession” would be exempt from income-tax. For this purpose, an “Investment Fund” means a fund registered as Category I or Category II Alternative Investment Fund and is regulated under the Securities and Exchange Board of India (Alternate Investment Fund) Regulations, 2012.

o) Mutual Fund

Under Section 10(23D) of the IT Act, any income of mutual funds registered under SEBI or Regulations made thereunder or mutual funds set up by public sector banks or public financial institutions or mutual funds authorised by the RBI and subject to the conditions specified therein, is exempt from tax subject to such conditions as the Central Government may by notification in the Official Gazette, specify in this behalf.

5. Taxability of Business Income in the hands of the Public Shareholders:

- a) Where gains realized from sale of listed equity shares are taxable as business income, they will be taxable at applicable tax rates to such shareholders. The loss if any can be carried forward in accordance with the provisions of the IT Act.
- b) In terms of Section 36(1)(xv) of the IT Act, STT paid by the Public Shareholder in respect of the taxable securities transactions entered into in the course of his business would be eligible for deduction from the amount of income chargeable under the head “Profit and gains of business or profession”, if the income arising from taxable securities transaction is included in such income.
- c) Section 90(2) of the IT Act, provides relief to a non-resident, where there is a DTAA between India and the country of residence of the non-resident Public Shareholder and the provisions of the DTAA are more favourable to the taxpayer, subject to satisfying relevant conditions including but not limited to (a) conditions present in the said DTAA (if any) read with the relevant provisions of the MLI as ratified by India with the respective country of which the said shareholder is tax resident; (b) meeting anti-abuse tests under GAAR; and (c) maintaining necessary information and documents as prescribed under the IT Act.

6. Withholding Tax implications:

- a) Remittance/Payment of Consideration
 - (i) Resident Public Shareholders:
 - With effect from 1 July 2021, Finance Act 2021 creates an obligation on the buyer of goods to withhold tax under Section 194Q at the rate of 0.1% when buying goods from an Indian resident. The withholding obligation only exists where the consideration for goods exceeds Rs. 50,00,000 and the buyer had a business turnover of more than Rs. 10,00,00,000 in the immediately preceding year. The term “goods” has not been defined and may cover shares.

- As per Circular No 13 of 2021 dated June 30, 2021 issued by the CBDT, the provisions of Section 194Q is not applicable where the transactions in securities and commodities are traded through recognised stock exchanges (including BSE). Therefore, the Acquirer is not required to withhold tax under Section 194Q on consideration payable to resident Public Shareholders.
 - The resident Public Shareholders must file their tax return in India *inter alia* considering gains arising pursuant to this Open Offer. The resident Public Shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc. The resident Public Shareholders shall also keep the Acquirer indemnified for any taxes of the resident Public Shareholder that may be recovered from the Acquirer under withholding tax provisions or otherwise under the IT Act.
- (ii) Non-Resident Public Shareholders – FIIs/FPIs
- Section 196D of IT Act, provides for a specific exemption from withholding tax at source from any income, by way of Capital Gains arising to an FII/FPIs from the transfer of securities referred to in Section 115AD of the IT Act. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs subject to FIIs/FPIs providing the required documentation and information..
- (iii) Non-Resident Public Shareholders (other than FIIs/FPIs):
- Each non-resident Public Shareholder will confirm its status by selecting the appropriate box in the Form of Acceptance-cum-Acknowledgement.
 - Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax under the provisions of the IT Act is required to deduct tax at source at applicable rates in force.
 - However, the Acquirer will not be able to deduct income-tax at source on the consideration payable to such shareholders as there is no ability for the Acquirer to deduct taxes since the remittance/payment will be routed through BSE, and there will be no direct payment by the Acquirer to the non-resident Public Shareholders.
 - Since the tendering of shares under the Open Offer is through BSE, the responsibility to discharge tax due on the gains (if any) is on the non-resident Public Shareholder given that practically it is not possible to withhold taxes and the Acquirer believes that the responsibility of withholding/ discharge of the taxes due on such gains (if any) on sale of Equity Shares is solely on the custodians/ authorized dealers/ non-resident Public Shareholders – with no recourse to the Acquirer. It is therefore recommended that the non-resident Public Shareholders consult their custodians/ authorized dealers/ tax advisors

appropriately. In the event the Acquirer is held liable for the tax liability of the Public Shareholder, the same shall be to the account of the Public Shareholder and to that extent the Acquirer should be indemnified.

- The non-resident Public Shareholders must file their tax return in India *inter alia* considering gains arising pursuant to this Open Offer.
