## **2 NECESSITY AND RATIONALE OF THE DELISTING OFFER**

2.1 In terms of Regulation 8(3)(a) of the Delisting Regulations, the rationale/ reasons for the Delisting Proposal are as follows:

- (a) The Post exit of the Human Pharma Business of the Company, it is left with a host of consumer product lines with single digit margin and in highly competitive environment as well as B2B and white-label businesses that require separate attention and significant cash outflow;
- (b) The Promoters also perceive that any long term business plan would involve rationalization of certain portfolios, expanding operations into new product categories and new business activities, which may have different risk profiles, funding requirements, longer gestation periods compared to the current risk profile of the Company and it would be more prudent to preserve the cash;
- (c) Promoters believe that instead of subjecting the Public Shareholders to uncertainties it would be fair to provide them an exit opportunity through a delisting offer.

Thus, the proposed delisting is in the interest of the Public Shareholders as it will provide them an opportunity to exit from the Company at a price determined in compliance with the Delisting Regulations;

- (d) The proposed delisting would enable the members of the Promoter Group to obtain full ownership of the Company, which in turn will provide enhanced operational, financial and strategic flexibility;
- (e) As the Company will no longer remain listed in India, there will be reduction in dedicated management time and cost related to listing to comply with the applicable securities laws.
