RISK FACTORS

Given below are the risks related to the transaction, proposed Offer and those associated with the Acquirer:

1) Relating to transaction

- a) Pursuant to the acquisition of Sale Shares, the Acquirer (i) will appoint its directors on the Board of Directors of the Target Company and (ii) shall acquire control of the Target Company, which will result in a change in ownership, control and management of the Target Company, which may have a significant effect on the business, financial condition and the results of operations of the Target Company.
- b) In accordance with the SPA, the acquisition of the Sale Shares shall be completed upon the fulfillment of conditions agreed between the Acquirer and the Sellers. In terms of and in accordance with Regulation 23(1) of the SEBI (SAST) Regulations, if the conditions as stated in paragraph 7.4 of this Letter of Offer are not complied with, for the reasons beyond the reasonable control of the Acquirer, the Open Offer would stand withdrawn.

2) Relating to the Offer

- a) This Offer is an offer to acquire only up to 34,33,000 Equity Shares (“Offer Shares”) representing 26.00% of the equity share capital of the Target Company. In the event that the number of Equity Shares validly tendered by the Public Shareholders under this Offer is more than the number of Offer Shares, the Acquirer shall accept the Equity Shares validly tendered by the Public Shareholders on a proportionate basis in consultation with the Manager. Accordingly, there is no assurance that all the Equity Shares tendered by the Public Shareholders in the Open Offer will be accepted. The unaccepted Equity Shares will be returned to the Public Shareholders in accordance with the schedule of activities for the Open Offer.
- b) To the best of the knowledge of the Acquirer, no statutory approvals apart from those mentioned in paragraph 7.4 of this Letter of Offer, are required by the Acquirer to complete this Offer. However, in case any other statutory approvals are required by the Acquirer at a later date, this Offer shall be subject to such approvals. While the Acquirer shall make the necessary applications for such

approvals, in case of delay in receipt of any such statutory approvals, as per Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that non-receipt of such approvals was not attributable to any willful default, failure or neglect on the part of the Acquirer to diligently pursue such approvals, grant an extension of time for the purpose of completion of this Offer, subject to the Acquirer agreeing to pay interest to the Public Shareholders for delay beyond 10 (Ten) Working Days from the date of closure of the Tendering Period, at such rate as may be specified by SEBI. Accordingly, in case of delay in receipt of any such statutory approvals, this Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. Consequently, the payment of consideration to the Public Shareholders whose Shares are validly accepted in this Offer, as well as the return of Shares not validly accepted in this Offer, may be delayed. Where the statutory approvals extend to some but not all the Public Shareholders, the Acquirer will have the option to make payment of the consideration to such Public Shareholders in respect of whom no statutory approvals are required in order to complete this Offer. The Acquirer will also have the right, under Regulation 23(1) of the SEBI (SAST) Regulations to withdraw this Offer in the event any statutory approval or other conditions precedent as mentioned in paragraph 7.4 below, as may be required, are not granted or satisfied.

- c) Shareholders should note that the Shareholders who tender the Equity Shares in acceptance of the Offer shall not be entitled to withdraw such acceptances during the tendering period even if the acceptance of Equity Shares under the Offer and dispatch of consideration gets delayed. The tendered shares and documents would be held in trust by the Registrar to the Offer / Custodian to the Offer, till such time as the process of acceptance of tenders and the payment of consideration is completed. During such period, there may be fluctuations in the market price of the Equity Shares and the Public Shareholders will not be able to trade in such Equity Shares which are in the custody of the Registrar to the Offer /Custodian to the Offer, thereby restricting the ability of such Public Shareholders to take advantage of any favorable price movements.
- d) The Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer and the Manager to the Offer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Letter of Offer.
- e) None of the Acquirer, the Manager or the Registrar to the Offer accept any responsibility for any loss of documents during transit (including but not limited to Open Offer acceptance forms, etc.), and Public Shareholders are advised to adequately safeguard their interest in this regard.
