Dear Sir,

Company Scrip:500166

Ref: L/SURV/ONL/PV/NK/2019-2020 /1313

Sub: Clarification on price movement

We have noted the contents of your mail regarding clarifications sought on significant movement in the price of our security at your Exchange, in the recent past.

Kindly note that our Tea Gardens in Assam and West Bengal and operations in other establishments in the Country have been closed ever since the Prime Minister announced a nationwide lock down on 24.03.2020. Though the Home Department, Government of India, has announced to resume "Tea Manufacturing including plantations" with reduced manpower on 3rd April, 2020, however, we are yet to receive permission from the respective state authorities. Thus the same remains status quo.

Other than the above, in our opinion, there is no such event/reason as enumerated under Regulation 30 of the SEBI (LODR) Regulations, 2015 which can caste the price behaviour of the scrip or any other information from the corporate's end that can corroborate the movement in security prices.

We assure you that we remain committed to our investors and all relevant information are promptly shared at the Exchange's portal.

Yours faithfully
GOODRICKE GROUP LIMITED
