Sub: Clarification on news article appearing in The Hindu Business Line dated 28th May, 2022 (<https://www.thehindubusinessline.com/info-tech/tech-mahindra-wins-its-first-big-metaverse-deal/article65467265.ece>)

Dear Sir/Madam,

This has reference to the subject matter and the clarification sought in respect of the news article published in The Hindu Business Line dated 28th May, 2022.

Kindly note that as a large Company with a turnover of Rs. 347,261 million for the year ended 31st March, 2022 with more than 1200 global customers, the company routinely bags many large orders from customers in the normal course of business..

The Metaverse deal being referred in the said article, although a unique one for the company as it is in the emerging area is not a large deal. Pursuant to Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Disclosure Policy of the Company, it is not a material transaction for the company and therefore the same was not intimated to the Exchanges.

Kindly note that as a responsible Company driven by the highest standards of corporate governance, we keep the Stock Exchange(s) duly informed of all the events that warrant disclosures pursuant to Regulation 30 of the Listing Regulations.

Trust this clarifies.

Request you to take this on record.

Yours Faithfully
For Tech Mahindra Limited

Company Secretary
