D. Grounds for seeking the exemption:

- (i) The proposed acquisition is pursuant to an internal reorganization within the promoter family and is intended to streamline succession and promote welfare of the promoter family. This acquisition would not affect or prejudice the interests of the public shareholders of the Target Company in any manner. The transfer to the acquirers is for efficient succession planning and for holding the controlling interest in the Target Company in one entity rather than spreading the holding amongst different individuals which may not be in the best interest of the Target Company and its investors.
- (ii) The proposed acquisition would not result in change in control and management of the Target Company. The trustees of the Acquirer Trusts through whom control would be exercised over the assets of the Trusts, are also the members belonging to promoter and promoter group of Target Company in their personal capacity. The pre-acquisition shareholding and post-acquisition shareholding of promoter and members of the promoter group in the Target Company would remain the same.
- (iii) Only individual promoters or their immediate relatives or lineal descendants are trustees and beneficiaries of acquirer trusts.
- (iv) The trust is a private family trust. The trustees and the ultimate beneficiaries are individual from the promoter family. The structure in no way results in lack of transparency and does not in any way impact the interest of investors.
- (v) The acquirers have undertaken that no outsider other than family members and their descendants shall be part of the acquirer and any change in the trustees or beneficiaries of the Acquirer Trusts resulting in change in ownership or control of the Target Company shall be in compliance with the Target Company and shall be adequately disclosed. They have also submitted an undertaking to comply with the provisions of the SEBI Circular dated December 22, 2017 (SEBI/HO/CFD/DCR1/CIR/P/2017/131)

4. In their reply to certain clarifications sought by SEBI through e-mail dated July 24, 2018, the Acquirer Trusts (vide email dated July 30, 2018) confirmed their compliance with the Guidelines outlined in the Schedule to the SEBI Circular dated December 22, 2017. Further, Acquirer vide email dated October 17, 2018 submitted

the shareholding pattern of the Target Company filed with stock exchange for last 3 years.

...

**Acquisition of control.**

**4. Irrespective of acquisition or holding of shares or voting rights in a target company, no acquirer shall acquire, directly or indirectly, control over such target company unless the acquirer makes a public announcement of an open offer for acquiring shares of such target company in accordance with these regulations.**

**Indirect acquisition of shares or control.**

**5. (1) For the purposes of regulation 3 and regulation 4, acquisition of shares or voting rights in, or control over, any company or other entity, that would enable any person and persons acting in concert with him to exercise or direct the exercise of such percentage of voting rights in, or control over, a Target Company, the acquisition of which would otherwise attract the obligation to make a public announcement of an open offer for acquiring shares under these regulations, shall be considered as an indirect acquisition of shares or voting rights in, or control over the Target Company.”**
