In case any statutory approval or governmental approval that may be required by the Acquirer and/or PACs, is not received in time, in accordance with Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied, grant an extension of time to the Acquirer and PACs for making payment of the consideration to the Public Shareholders whose Offer Shares have been accepted in the Open Offer, subject to such terms and conditions as may be specified by SEBI, including payment of interest, if any, in accordance with the SEBI (SAST) Regulations. 1. General:

- (a) Securities transaction tax will not be applicable to the Equity Shares accepted in this Offer.
- (b) The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his/her worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which accrues or arises or is deemed to accrue or arise in India) as also income received by such person in India. In case of shares of a company, the source of income from shares will depend on the "situs" of such shares. As per judicial precedents, the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred.
- (c) Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.
- (d) Further, the non-resident shareholder can avail beneficial treatment under the DTAA between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions (if any) present in the said DTAA read with the relevant provisions of the Multilateral Instrument ("MLI") as ratified by India with the respective country of which the said shareholder is a tax resident and (b) non-applicability of General Anti-Avoidance Rule ("GAAR") and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.
- (e) The IT Act also provides for different income-tax regimes/rates applicable to the gains arising from the tendering of shares under the Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.
- (f) The Public Shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income-tax authorities, reporting their income for the relevant year.
- (g) The summary of income-tax implications on tendering of listed equity shares is set out below. All references to equity shares herein refer to listed equity shares unless stated otherwise.

Subject to regulations in this regard, wherever applicable and it is required to do so, tax at source (including applicable surcharge and cess) shall be deducted at appropriate rates as per the IT Act read with the provisions of the relevant DTAA, if applicable. In doing this, the Acquirer will be guided by generally followed practices and make use of data available in the records of the Registrar to the Offer except in cases where the non-resident Public Shareholders provide a specific mandate in this regard.

The Acquirer will arrange to deduct taxes at source in accordance with such TDC only if it has been submitted along with the Form of Acceptance cum-Acknowledgement and the same is valid and effective as of the date on which tax is required to be deducted at source.
 - In case TDC is not submitted requiring lower withholding of tax by non-resident shareholders including NRIs/foreign shareholders or is otherwise not valid and effective as of the date on which tax is required to be deducted at source, the Acquirer will arrange to deduct tax at the maximum marginal rate as may be applicable to the relevant category to which the shareholder belongs under the IT Act (i.e., 40% in case of foreign company, 30% in case of all other category of persons, plus applicable surcharge and health and education cess), on the gross consideration towards acquisition of shares, payable to such shareholder under the Offer.

In the event, to withhold tax, the same shall be basis the documents submitted along with the Form of Acceptance-cum-Acknowledgement or such additional documents as may be called for by the Acquirer. It is recommended that the shareholders consult their custodians/ authorized dealers/ tax advisors appropriately with respect to the taxability of such interest amount (including on the categorisation of the interest, whether as capital gains or as other income).

Tax shall be deducted at source on gross amount of interest for delay in payment of the consideration at the applicable tax rate in accordance with the provisions of the IT Act depending on category of the Public Shareholder. The shareholders shall be required to submit a valid TDC at a NIL/lower rate issued by the income tax authorities under the IT Act along with the Form of Acceptance-cum-Acknowledgement, indicating the amount of tax to be deducted by the Acquirer before payment of such interest. In the event the Acquirer is held liable for the tax liability of the Public Shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer should be indemnified.

Other withholding related provisions

It is clarified that the provisions of Section 206AB of the IT Act are not applicable where the payee is a non-resident, which does not have a permanent establishment in India.
- Further, it is also clarified that where the provisions of both Section 206AA and Section 206AB of the IT Act are applicable, then taxes shall be deducted at higher of the two rates provided in Section 206AA and Section 206AB of the IT Act.

In addition to the tax deducted at source as per para 7 above, Surcharge, Health and Education Cess as applicable will be levied, as applicable.

The Shareholders undertake to indemnify the Acquirer if any tax demand is raised on the Acquirer on account of gains arising to the Public Shareholders pursuant to this Offer.

- The tax deducted by the Acquirer while making the payment to a shareholder under this Offer may not be the final liability of such shareholders and shall in no way discharge the obligation of the shareholders to appropriately disclose the amount received by it, pursuant to this Offer, before the income tax authorities. The rate at which tax is required to be deducted is based on the tax laws prevailing as on the date of this Letter of offer. If there is any change in the tax laws with regards to withholding tax rates as on the date of deduction of tax, the tax will be deducted at the rates applicable at the time of deduction of tax.
- All shareholders are advised to consult their tax advisors for the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take.
