Limited Review Report on Unaudited Quarterly Standalone Financial Results of “PVP Ventures Limited” pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
The Board of Directors
PVP Ventures Limited
Chennai.

1. We have reviewed the accompanying statement of the unaudited standalone financial results of **PVP Ventures Limited** (“the Company”), for the quarter ended 30th June 2020 (the statement), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended. This Statement is the responsibility of the Company’s Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, ‘Review of Interim Financial Information Performed by the Independent Auditor of the Entity’ issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to the financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. *Attention is invited to Note no. 5 to the standalone financial results, in relation to investment in equity shares includes investments in three subsidiary companies net off provision made amounting to Rs.25,008.90 Lakhs and loans and advances to subsidiary companies of net off provision made amounting to Rs.33,016.65 Lakhs. The management is of the view that considering the market value of the assets and expected cash flows from the business of these subsidiary companies the provision already made is adequate. However, considering erosion in the net worth of the subsidiary companies and their dependence on the holding company to continue as a going concern, and in the absence of visible cash flows, delay in commencement of projects and other related factors indicate the existence of material uncertainty in the ability of the company to realize the values thus, the carrying value of investments and loans and advances (net of provision already made) is unascertain of recoverability. Therefore, we are of the view that the carrying amounts of the investments as well as loans shall be adjusted for their realisability by making additional provision taking cognizance of erosion in the networth of the investee/loanee companies and also taking to consideration their inability to continue as a going concern. Accordingly, loss for the quarter-ended 30th June, 2020 is understated to this extent.*

4. Attention is invited to Note No.6 to the standalone financial results, the Company has mortgaged its land situated at perambur as a security and also given corporate guarantee to a bank for the borrowings made by PVP Capital Limited (i.e. wholly owned step down subsidiary company) amounting to Rs.10,000 Lakhs. The outstanding amount is Rs.17,539.69 lakhs as per the books of accounts as on 30th June, 2020.

PVP Capital Limited has not adhered to repayment schedule for principal and interest dues to its bank, consequent to which the bank filed for recovery of its dues before the Debt Recovery Tribunal (DRT) and also initiated recovery proceedings against the company under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act, 2002). Further, the bank has taken symbolic possession of immovable property and issued sale notice for e-auction of the property given by the ultimate holding company as corporate guarantee but there were no bidders. We were informed that the PVP Capital Limited is in negotiation with the bank for one time settlement (OTS).

The management asserts that no adjustment to the carrying value is required as it is confident that the payment obligation by the PVP Capital Limited will be met in due course. Whereas, in our view the carrying value of the relevant mortgaged assets is dependent on the repayment of the loan by the PVP Capital Limited. In this background, we are unable to express our view whether the company is justified in carrying the assets that have been mortgaged where the underlying loan have already been defaulted and similarly whether the company is justified in not taking cognizance of financial obligation that may devolve on the company towards corporate guarantee issued. Accordingly, to the extent of the carrying value of assets or the guarantees issued should be considered as obligation of the company. Accordingly, the loss for the quarter-ended 30th June, 2020 is understated to this extent.

5. Attention is invited to note no.1(d) to the standalone financial results, which explains the management view point and understanding of the implications arising on account of defaults committed in redeeming the debentures as per the schedule of redemption, though the management obtained an extension from the debenture holder, we are unable to express our view whether such extension of redemption period (covering all the defaults happened upto 30th June, 2019) with retrospective effect will exonerate the board of directors from the implications of section 164(2)(b) of the Companies Act, 2013.

6. Without qualifying our audit conclusion, attention is invited to

- i) Attention is invited to note no.1(c) to the standalone financial results, where many aspects of debenture trust deed have not been adhered by the company including repayment of principal and interest. We are unable to assess the current implications as the eventual outcome of these defaults which are unascertainable at this stage, as various concessions and approvals from the debenture holders, seeking exemptions from implications arising from the defaults in debenture trust deed are awaited.

- ii) Attention is invited to Note no.3 to the standalone financial results, which describes the uncertainties due to the outbreak of COVID-19 pandemic and management's evaluation of the impact on the consolidated financial results as on 30th June, 2020. The assessment of management of the group is dependent on the circumstance as they evolve considering the uncertainties prevailing in the economic situation.
- iii) Attention is invited to Note No.4 to the standalone financial results, which indicates that the company's current liabilities exceeded its current assets and the company was unable to honour its obligation towards repayment of principal and interest to its debenture holders and with its non-current investments are to be impaired significantly. Further, the impact of outbreak of Coronavirus (COVID -19) on the business operations especially considering the prevalent situation in real estate sector in which the company has significant exposure and along with the other matters as stated in said note, indicates that there is a material uncertainty exists that may cast doubt on the company's ability to continue as a going concern.
- iv) Attention is invited to note no. 8 to the standalone financial results, the obligations towards disputed income tax matters amounting to Rs.1,783.25 lakhs are pending before different judicial forums. Pending disposal of these appeals the eventual obligation in this regard is unascertainable at this time. Based on the management's assessment and based on the experts view on the merits of the dispute, no provision is made in the standalone financial results in this regard.
- v) Attention is invited to Note no. 9 to the standalone financial results, Bombay Stock Exchange Limited (BSE) has imposed penalty on the company amounting to Rs.12.97 lakhs as per regulation 17 and 19 of the SEBI (LODR) Regulations, 2015 for non compliance with the requirements pertaining to the composition of Board regarding failure to appoint Women Director and for non-compliance with the constitution of Nomination and Remuneration Committee. The company has disputed the same and filed an appeal before Securities Appellate Tribunal (SAT), the eventual obligation if any, in this regard is unascertainable at this stage. Based on the management's assessment, that it has good case to succeed, hence no provision is made in the standalone financial results.

Our conclusion is not modified in respect of above matters.

7. Based on our review conducted as stated above, *except for the possible effects of the matters described in the paragraphs 3,4 and 5*, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

8. Attention is drawn to the fact that the figures for three months ended 31st March, 2020 as reported in these standalone financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures upto the third quarter of the previous financial year. The figures upto the third quarter of the previous financial year had only been reviewed not subjected to audit.

Independent Auditor's Review Report on Unaudited Consolidated Quarterly Financial Results of "PVP Ventures Limited" Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Board of Directors
PVP Ventures Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of **PVP Ventures Limited** ("the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the quarter ended 30th June 2020 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. The Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the entity" issued by the Institute of Chartered Accountants of India ("ICAI"). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

3. *Attention is invited to note no.3 to the consolidated financial results, the holding company has mortgaged its land situated at perambur as a security and also given corporate guarantee to a bank for the borrowings made by PVP Capital Limited (i.e. wholly owned step down subsidiary company) amounting to Rs.10,000 Lakhs. The outstanding amount is Rs.17,539.69 lakhs (including interest accrued) as per the books of accounts as on 30th June, 2020.*

PVP Capital Limited has not adhered to repayment schedule for principal and interest dues to its bank, consequent to which the bank filed for recovery of its dues before the Debt Recovery Tribunal (DRT) and also initiated recovery proceedings against the company under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act, 2002). Further, the bank has taken symbolic possession of immovable property and issued sale notice for e-auction of the property given by the ultimate holding company as corporate guarantee but there were no bidders. We were informed that the PVP Capital Limited is in negotiation with the bank for one time settlement (OTS).

The management asserts that no adjustment to the carrying value is required as it is confident that the payment obligation by the PVP Capital Limited will be met in due course. Whereas, in our view the carrying value of the relevant mortgaged assets is dependent on the repayment of the loan by the PVP Capital Limited. In this background, we are unable to express our view whether the company is justified in carrying the assets that have been mortgaged where the underlying loan have already been defaulted

and similarly whether the company is justified in not taking cognizance of financial obligation that may devolve on the company towards corporate guarantee issued. Accordingly, to the extent of the carrying value of assets or the guarantees issued should be considered as obligation of the company. Accordingly, the loss for the quarter-ended 30th June, 2020 is understated to this extent.

4. Attention is invited to note no.1(d) to the consolidated financial results, which explains the management view point and understanding of the implications arising on account of defaults committed in redeeming the debentures as per the schedule of redemption, though the management obtained an extension from the debenture holder, we are unable to express our view whether such extension of redemption period (covering all the defaults happened upto 30th June, 2019) with retrospective effect will exonerate the board of directors from the implications of section 164(2)(b) of the Companies Act, 2013.
5. Attention is invited to note no.6 to the consolidated financial results includes financial results of Picturehouse Media Limited, in relation to loans and advances made for film production (including interest accrued) amounting to Rs.3,632.82 lakhs, whose realisability is significantly dependent on timely completion of production of films and the commercial viability of the films under production etc. Management is of the view that loans and advances can be realised at the time of release of the movies and accordingly, the company is confident of realizing the entire amount of loans with interest and does not foresee any erosion in carrying value. We were unable to obtain sufficient appropriate audit evidence about the carrying amounts of loans and advances as on 30th June, 2020 as the management was unable to provide us the current status of production films and confirmation of balances from the borrowers. Consequently, we were unable to determine whether any adjustments to the carrying amounts of loans and advances were necessary and to this extent, loss for the quarter-ended 30th June, 2020 is understated to this extent.
6. As explained in Note No.6 to the consolidated financial results includes financial results of Picturehouse Media Limited, in relation to inventory i.e films production expenses amounting to Rs.4,820.49 lakhs, mainly consists of advances given to artists and co-producers. As the management has not commenced the production of films, the advances continued to be carried as inventory. However, management states that it is evaluating options for optimal utilization of these payments. In the absences of demonstrable approach towards commencement and completion of production of films and also in the absence of confirmation of balances from the parties, we are of the view that the realisability of the inventory is doubtful and in the absence of any provision in this regard, the loss for the quarter-ended 30th June, 2020 is understated to this extent.
7. The independent auditor of subsidiary company have drawn Qualified Conclusion which has been reproduced by us as under:
 - a. Attention is invited to note no.9 to the consolidated financial results includes the results of PVP Capital Limited, company has not adhered to repayment schedule for principal and interest dues to its bank, consequent to which the bank filed for recovery of its dues before the Debt Recovery Tribunal (DRT) and also initiated recovery proceedings against the company under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act, 2002). Further, the bank has taken symbolic possession of immovable property and issued sale notice for e-auction of the property given by the ultimate holding company as corporate guarantee but there were no bidders and consequently the e-auction sale proceedings has become in fructuous. The outstanding amount is Rs.17,539.69 lakhs (including interest accrued) as per books of accounts as on 30th June, 2020.

Further, the company is currently pursuing the realization of dues to the company and settlement of existing lenders, other than this the company has not been carrying any business activity, the regulatory authorities may cancel the registration to carry the principal business activity as a Non-Banking Finance Company due to non-maintenance of minimum net owned fund of Rs.200 lakhs as

stated in said note to the financial results, the company's ability to meet its financial obligations, non payment of statutory dues and in the absence of visible cash flows, doubts are cast on its ability to continue as a going concern to achieve its future business plans. Taking into consideration, pending ultimate outcome of the legal proceedings as well as liquidity constraints, we are unable to express our view whether it would be appropriate to treat the company as going concern. However based on the management assertions the company's financial results have been prepared on the basis of going concern, the impact if any, if the company was to be treated as not a going concern is not ascertainable at this stage.

b. *Attention is invited to note no.10 to the consolidated financial results includes the results of PVP Capital Limited, in relation to loans for film production amounting to Rs.15,381.04 lakhs, whose realisability is significantly dependent on timely completion of production of films and the commercial viability of the films under production etc. Management has assessed the recoverability of the loan amount and accordingly made a provision amounting to Rs.12,770.76 lakhs as adequate, no additional provision is necessary in this regard. However, Management is not able to provide us the status of production of films and recoverability of the whole amount. Accordingly, we are unable to express our view, whether any adjustments to the carrying value, if any required, is not ascertainable at this stage.*

c. *Attention is invited to note no.11 to the consolidated financial results includes the results of Safe Trunk Services Private Limited, no impairment assessment of property, plant and equipment and intangible assets in carrying value amounting to Rs.972.78 lakhs as on 30th June, 2020 is made for the business of safe locker facility centre, despite low cash flows from cash generating unit (CGU). Therefore, we are unable to comment on consequential impairment, if any, that is required to be made in carrying value of property, plant and equipment and intangible assets.*

d. *Attention is invited to note no.12 to the consolidated financial results includes the results of PVP Global Ventures Private Limited, The Company has given advances to body corporates of Rs. 13,755.48 lakhs for scouting of land for the proposed power projects. The long duration of outstanding of these advances and other factors like low probability of getting a big chunk of land for a power project indicate the existence of uncertainty on the eventual realisability of these advances. The financial impact if any due to non realisability after considering the provision of Rs. 1,104.09 lakhs is not ascertainable at this stage.*

8. Without qualifying our audit conclusion, attention is invited to:

a. Attention is invited to note no.1(c) to the consolidated financial results, where many aspects of debenture trust deed have not been adhered by the company including repayment of principal and interest. We are unable to assess the current implications as the eventual outcome of these defaults which are unascertainable, as various concessions and approvals from the debenture holders, seeking exemptions from implications arising from the defaults in debenture trust deed are awaited.

b. Attention is invited to note no.5 to the consolidated financial results, Bombay Stock Exchange Limited (BSE) has imposed penalty on the company amounting to Rs. 12.97 lakhs as per regulation 17 and 19 of the SEBI (LODR) Regulations, 2015 for non compliance with the requirements pertaining to the composition of Board regarding failure to appoint Women Director and for non-compliance with the constitution of Nomination and Remuneration Committee. The company has disputed the same and filed an appeal before Securities Appellate Tribunal (SAT). Pending disposal of the appeal, the eventual obligation in this regard is unascertainable at this stage. Based on the management's assessment, that it has good case to succeed, hence, no provision is made in the consolidated financial results in this regard.

- c. Attention is invited to Note No.18 to the consolidated financial results, which indicates that the group was unable to honour its obligation towards repayment of principal and interest to its debenture holders and bank. Further, the impact of outbreak of Coronavirus (COVID -19) on the business operations especially considering the prevalent situation in real estate sector and movie production sector in which the group has significant exposure and along with the other matters as stated in said note, indicates that there is a material uncertainty exists that may cast doubt on the company's ability to continue as a going concern.
- d. Attention is invited to Note no.19 to the consolidated financial results, which describes the uncertainties due to the outbreak of COVID-19 pandemic and management's evaluation of the impact on the standalone financial results as on 30th June, 2020. The assessment of management is dependent on the circumstance as they evolve considering the uncertainties prevailing in the economic situation.
- e. Attention is invited to note no.20 to the consolidated financial results, the obligations towards disputed income tax matters amounting to Rs.1,893.13 lakhs are pending before different judicial forums. Pending disposal of these appeals the eventual obligation in this regard is unascertainable at this time. Based on the management's assessment and based on the experts view on the merits of the dispute, no provision is made in the consolidated financial results in this regard.

10. Based on our review conducted and procedures performed as stated in paragraph 2 above, *except for the possible effects of the matters described in the paragraphs 3,4,5,6 and 7*, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
11. We did not review interim financial results of ten subsidiaries; included in the Statement, whose financial results reflect total revenue of Rs.6.09 Lakhs, total net loss after tax of 1,391.48 Lakhs, total comprehensive loss of Rs.1,391.48 Lakhs for the quarter ended on 30th June 2020, as considered in the Statement. These financial results has been reviewed by the other auditor whose report has been furnished to us by the Management, and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on the report of the other auditor and the procedures performed by us as stated in paragraph 2 above.

Our conclusion on the statement is not modified in respect of the above matter.

12.
