Ref: Clarification sought by BSE through website notification.

Dear Sir/Madam,

With reference to clarification sought on significant increase in price of securities of SMS Lifesciences India Limited (hereafter referred as "Company") across exchanges in the recent past, the Company would like to clarify as under:

- ✦ All the material information having bearing on operations / performance of the Company, including price sensitive information under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, have always been disclosed by the Company within the specified time.
- ✦ There is no pending information or announcement from the Company's end that may have bearing on the price movement of the Company. The price movement in the share price of the Company is entirely due to the market conditions and completely market driven. The Company is in no way connected with any such movement in price.
- ✦ Due to the global outbreak of the pandemic, the share market is showing volatile movements in its trends and the Pharma Sector in general is also going well, which may have resulted in significant price movement in the Company' script.
