7.17 Note on Taxation

- 7.17.1 The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to pay income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act, 1961 (“IT Act”). A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person’s India-sourced income (i.e. income which accrues or arises or is deemed to accrue or arise in India) and income received or deemed to be received by such persons in India. In case of shares of a company, the source of income from shares would depend on the “situs” of such shares. As per judicial precedents, generally the “situs” of the shares is where the company is “incorporated”.
- 7.17.2 Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.
- 7.17.3 Further, the non-resident shareholder can avail benefits of the Double Taxation Avoidance Agreement (“DTAA”), between India and the respective country of which the said shareholder is a tax resident subject to satisfying relevant conditions including: (i) those set out in limitation of benefits provisions present in the said DTAA (if any), (ii) the non-applicability of General Anti-Avoidance Rules (“GAAR”), and (iii) providing and maintaining necessary information and documents as prescribed under the IT Act.
- 7.17.4 IT Act also provides for different income-tax regimes / rates applicable to the gains arising from the tendering of Equity Shares under the Open Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc. The summary of income-tax implications on tendering of listed equity shares on the recognized stock exchange in India is set out below. All references to equity shares herein refer to listed equity shares unless stated otherwise.
- 7.17.5 **Classification of shareholders:** Public Shareholders can be classified under the following categories:
- a. Resident shareholders being:
 - i. Individuals, HUF, Association of Persons (“AOP”) and Body of Individuals (“BOI”)
 - ii. Others
 - b. Non-Resident shareholders being:
 - i. NRIs
 - ii. FIIs / FPIs
 - iii. Others:
 - A foreign company
 - Other than a foreign company
- 7.17.6 Classification of income from Equity Shares can be made under the following two categories:
- a. Shares held as investment (Income from transfer is taxable under the heading "Capital Gains"); and
 - b. Shares held as stock-in-trade (Income from transfer is taxable under the heading "Profits and Gains of Business or Profession")
- 7.17.7 As per the current provisions of the IT Act, unless specifically exempted, income arising from the sale of equity shares in an Indian company are generally taxable in India either as “capital

gains” under Section 45 of the Income Tax Act or as “business profits/income”, depending on the facts and circumstances of the case. Further, please note that Section 2(14) of the IT Act provides for deemed characterisation of securities held by FPIs/FIIs as capital asset and therefore, the gains arising in hands of FPIs will be taxable in India as capital gains.

7.17.8 Shares held as investment:

- a. As per the provisions of the IT Act, where the shares are held as investments (i.e. capital asset), income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital gains in the hands of shareholders would be computed as per provisions of Section 48 of the IT Act and the rate of income tax would depend on the period of holding.
- b. Period of holding: Depending on the period for which the shares are held, the gains would be taxable as “short term capital gain” or “long-term capital gain”. In respect of equity shares held for a period less than or equal to 12 (Twelve) months prior to the date of transfer, the same will be treated as a “short-term capital asset”, and accordingly, the gains arising therefrom will be taxable as short-term capital gains (“STCG”). Similarly, where equity shares are held for a period more than 12 (Twelve) months prior to the date of transfer, the same should be treated as a “long-term capital asset”, and accordingly, the gains arising therefrom should be taxable as long-term capital gains (“LTCG”).
- c. Where a transaction for transfer of such equity shares (i.e. acceptance under the Open Offer) is transacted through a recognized stock exchange and is chargeable to Securities Transaction Tax (“STT”), then as per the provisions of Section 112A of the IT Act, income tax @10% will be levied on LTCG on the sale or transfer of equity shares that are listed on a recognized stock exchange, which have been held for more than 12 (Twelve) months and have been subject to STT, upon acquisition and sale. If no STT is paid on acquisition, then mode of such acquisition should be exempted under the notification issued by the Central Government under Section 112A of the IT Act in order to get benefit of taxation at 10% under Section 112A of the IT Act. This tax of 10% (ten per cent) (exclusive of any surcharge and cess that would be applied) would be payable only if the LTCG exceeds INR100,000/- in the financial year. In case of a resident individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the tax on such LTCG. Further, LTCG that arise on shares purchased prior to February 1, 2018 shall be grandfathered for the notional gains earned on such shares till January 31, 2018. For computing capital gains under the grandfathering regime, the cost of acquisition of the asset will be the higher of: (i) actual purchase price, or (ii) lower of (A) fair market value as on January 31, 2018, and (B) sale consideration for the shares.
- d. Where provisions of section 112A of the IT Act are not applicable (for example where STT was not paid at the time of acquisition of the equity shares).
- e. LTCG will be chargeable to tax at rate of up to 20% (plus applicable surcharge and cess) in the case of a non-resident shareholder (other than a FPI/FII, or a NRI who is governed by the provisions of Chapter XII-A of the Income Tax Act) under section 112 of the IT Act.
- f. In the case of FIIs/FPIs, LTCG would be taxable at 10% (plus applicable surcharge and cess) under section 115AD of the IT Act.
- g. For an NRI who is governed by the provisions of Chapter XII-A of the IT Act, LTCG would be taxable at 10% (plus applicable surcharge and cess) under Section 115E of the IT Act.
- h. For a resident shareholder, an option is available to pay tax on such LTCG at either 20% (plus applicable surcharge and cess) with indexation or 10% (plus applicable surcharge and cess) without indexation under Section 112 of the IT Act. Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the tax on such LTCG under section 112 of the IT Act.

- i. Further, any gain realized on the sale of listed equity shares held for a period of 12 (Twelve) months or less (ie STCG) and which is subject to STT, shall be subject to short term capital gains tax at 15% (plus applicable surcharge and cess) under Section 111A of the IT Act. Further, in case of a resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the tax on such STCG under Section 111A of the IT Act.
- j. Taxability of capital gain arising to a non-resident in India from the sale of equity shares shall be determined basis the provisions of the IT Act or the DTAA entered between India and the country of which the non-resident seller is resident, whichever is more beneficial, subject to satisfaction of certain prescribed conditions.

7.17.9 Shares held as stock-in trade:

- a. If the shares are held as stock-in-trade by any of the shareholders of the Target Company, then the gains would be characterized as business income and taxable under the heading "Profits and Gains of Business or Profession".
- b. Rates of tax: Where the gains realised from the sale of equity shares are taxable as business profits, the same will be taxable at applicable rates to such equity shareholders.
- c. Rate of Surcharge and Cess: As per the current provisions of the Income Tax Act, in addition to the basic tax rate, surcharge (as applicable) and a health and education cess at the rate of 4% are leviable.

7.17.10 Tax Deduction at Source:

- a. Resident shareholders: In the absence of any specific provision under the Income Tax Act, the Acquirer is not required to deduct tax on the consideration payable to resident Public Shareholders pursuant to tendering of the Equity Shares under the Open Offer.
- b. Non-Resident Shareholders:
 - a. In case of FIIs/ FPIs: Section 196D of the IT Act provides for specific exemption from withholding tax in case of capital gains arising in hands of FIIs/ FPIs. Thus, no withholding of tax is required in case of consideration payable to FIIs/ FPIs.
 - b. In case of non-resident Public Shareholders (other than FIIs/ FPIs) holding Equity Shares of the Target Company: Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax is required to deduct tax at source (including applicable surcharge and cess). Subject to regulations in this regard, wherever applicable and it is required to do so, tax at source (including applicable surcharge and cess) shall be deducted at appropriate rates as per the Income Tax Act. In doing this, the Acquirer will be guided by generally followed practices and make use of data available in the records of the Registrar to the Offer except in cases where the non-resident Public Shareholders provide a specific mandate in this regard.
 - c. Under Section 195 of the Income Tax Act, tax is required to be deducted on payments made to non-residents, at the rates prescribed in Part-II of the First Schedule to the Finance Act, 2018. However, since the tendering of shares under the Open Offer is through the BSE, a recognised stock exchange, the responsibility of discharge of the tax due on the gains (if any) is primarily on the non-resident shareholder given that practically it is very difficult to withhold taxes. It is therefore important for the non-resident shareholders to suitably compute such gains (if any) on this transaction and immediately pay taxes in India in consultation with their custodians, authorized dealers and/or tax advisors, as appropriate.

7.17.11 Others

- a. The tax implications are based on provisions of the IT Act as applicable as on date of this Offer letter. In case of any amendment made effective prior to the date of closure of this Offer, then the provisions of the IT Act as amended would apply.
- b. Notwithstanding the details given above, all payments will be made to equity shareholders subject to compliance with prevailing tax laws.
- c. Even if tax is deducted by the Acquirer while making payment to a Public Shareholder, it may not be the final tax liability of such Public Shareholder and shall in no way discharge the obligation of the Public Shareholder to appropriately disclose the amounts received by it, pursuant to this Open Offer, before the income tax authorities.
- d. If the Acquirer does deduct tax, it shall be as per the information provided and representation made by the Public Shareholders. In an event of any income-tax demand (including interest, penalty etc.) arising from any misrepresentation, inaccuracy or omission of information provided/ to be provided by the Public Shareholders, such Public Shareholders will be responsible to pay such income-tax demand under the IT Act and provide the Acquirer with all information/ documents that may be necessary and co-operate in any proceedings before income tax/ appellate authority in India. Each Public Shareholder shall indemnify and hold the Acquirer harmless from and against any and all losses, damages, costs, expenses, liabilities, (whether accrued, actual, contingent), of whatever nature or kind including all legal and professional fees and costs that are actually incurred by the Acquirer arising out of, involving or relating to, or in connection with any taxes (including interest and penalties) payable by such Public Shareholder pursuant to the Offer and any obligation of the Acquirer to deduct taxes at source from any payments made pursuant to the Offer.
- e. Taxes once deducted will not be refunded by the Acquirer under any circumstances.
