It is clarified that all Shareholders are eligible to participate in the Open Offer at any time before the closing of the Tendering Period of the Offer.*

RISK FACTORS

The risk factors set forth below pertain to this Offer, the Underlying Transaction and association with the Acquirer, and do not pertain to the present or future business or operations of the Target Company or any other related matters. These risk factors are neither exhaustive nor intended to constitute a complete or comprehensive analysis of the risks involved in or associated with the participation by a Shareholder in the Offer, but are merely indicative. Shareholders are advised to consult their legal advisor, stockbroker, and investment consultant and / or tax advisors, for analysing all the risks with respect to their participation in the Offer.

A. RISKS RELATING TO THE OPEN OFFER AND THE UNDERLYING TRANSACTION

1. The Open Offer is an open offer under the SEBI (SAST) Regulations to acquire up to 3,929,114 (three million nine hundred twenty-nine thousand one hundred fourteen) Equity Shares representing 26.00% (twenty six percent) of the Voting Share Capital, from the Shareholders. If the number of Equity Shares validly tendered by the Shareholders under this Open Offer is more than the Offer Size, then the Offer Shares validly tendered by the Shareholders will be accepted on a proportionate basis, subject to acquisition of a maximum of 3,929,114 (three million nine hundred twenty-nine thousand one hundred fourteen) Equity Shares, representing 26.00% (twenty six percent) of the Voting Share Capital. Accordingly, there is no assurance that all the Equity Shares tendered by the Shareholders in the Open Offer will be accepted. The unaccepted Equity Shares will be returned to the Shareholders in

accordance with the schedule of activities for the Open Offer.

2. The Underlying Transaction requires approval from the CCI and the Acquirer has submitted an application with the CCI to obtain such approval on October 11, 2022 and received CCI's acknowledgment on the application on November 2, 2022 and is awaiting CCI's approval. As on the date of this LOF, to the best of the knowledge of the Acquirer, there are no statutory or regulatory approvals required by the Acquirer to complete this Offer. However, in case any statutory approvals are required by the Acquirer at a later date before closure of the Tendering Period, this Open Offer shall be subject to such statutory approvals and the Acquirer shall make the necessary applications for such statutory approvals. In the event of delay of any such statutory approvals, this Offer process may be delayed beyond the schedule of activities indicated in this LOF. Consequently, the payment of consideration to the Shareholders whose Equity Shares are validly tendered and accepted in this Offer, as well as the return of Equity Shares not validly tendered and accepted in this Offer, may be delayed. As per Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that the non-receipt of approvals was not on account of any wilful default or negligence on the part of the Acquirer, grant an extension for the purpose of completion of this Open Offer, subject to the Acquirer agreeing to pay interest to the Shareholders, as may be specified by SEBI. Where the required statutory approvals apply to some but not all the Shareholders, the Acquirer will have the option to make payment to such Shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer. Should any such statutory approvals be finally refused for reasons outside the reasonable control of the Acquirer, the Acquirer shall have the right to withdraw the Open Offer in terms of Regulation 23(1) of the SEBI (SAST) Regulations. In the event of a withdrawal of the Offer, the Acquirer (through the Manager) shall, within 2 (two) Working Days of such withdrawal, make a public announcement, in the same newspapers in which the Detailed Public Statement was published, stating the grounds for withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulation.
3. If (i) there is any litigation that leads to a stay on the Open Offer or restricts the Acquirer from performing its obligations hereunder; or (ii) SEBI instructs the Acquirer not to proceed with the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this LOF. Consequently, the payment of consideration to the Shareholders whose Equity Shares have been accepted in this Open Offer as well as return of the Equity Shares not accepted by the Acquirer may be delayed.
4. The acquisition of Equity Shares under the Open Offer from all Shareholders (resident and non-resident) is subject to all approvals required to be obtained by such Shareholders in relation to the Open Offer and the transfer of Equity Shares held by them to the Acquirer. If Shareholders who are not persons resident in India had required any approvals (including from the RBI, or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approvals, that they would have obtained for acquiring / holding the Equity Shares, in order to tender the Equity Shares held by them in this Open Offer, along with the other documents required to be tendered to accept this Open Offer. Such Shareholders shall also seek appropriate approvals from the RBI or any other regulatory body, if required, to tender their Equity Shares in the Open Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in this Open Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on repatriable basis or non-repatriable basis.
5. This LOF has not been filed, registered or approved in any jurisdiction outside India. Recipients of the LOF residing in jurisdictions outside India should

inform themselves of and observe any applicable legal requirements. This Offer is not directed towards any person or entity in any jurisdiction or country where the same would be contrary to the applicable laws or regulations or would subject the Acquirer or the Manager to the Offer to any new or additional registration requirements. This is not an offer for sale, or a solicitation of an offer to buy, in any foreign jurisdictions covered under the “General Disclaimer” clause in Section II (Disclaimer Clause) of this LOF and cannot be accepted by any means or instrumentality from within any such foreign jurisdictions.

6. Equity Shares, once tendered through the Form of Acceptance in the Open Offer, cannot be withdrawn by the Shareholders, even if the acceptance of their Equity Shares in this Open Offer and payment of consideration are delayed. The Shareholders will not be able to trade in such Equity Shares which have been tendered in the Open Offer. During such period, there may be fluctuations in the market price of the Equity Shares. Neither the Acquirer nor the Manager to the Offer make any assurance with respect to the market price of the Equity Shares, both during the period that the Open Offer is open and upon completion of the Open Offer and disclaim any responsibility with respect to any decision taken by the Shareholders with respect to whether or not to participate in the Open Offer. The Shareholders will be solely responsible for their decisions regarding their participation in this Open Offer.
7. The tendered Equity Shares and documents will be held in trust by the Registrar to the Offer until the completion of the Offer formalities. The Shareholders will not be able to trade in such Equity Shares which are in the custody of the Clearing Corporation / Registrar to the Offer. During such period, there may be fluctuations in the market price of the Equity Shares and the Shareholders will not be able to trade in such Equity Shares held in trust by the Clearing Corporation / Registrar to the Offer and that may adversely impact the Shareholders who have tendered their Equity Shares in this Offer.
8. The Shareholders are advised to consult their respective tax advisors for assessing tax liability arising from this Offer, including but not limited to the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer and the Manager to the Offer do not accept any responsibility for the accuracy or completeness of the tax provisions set forth in this Letter of Offer.
9. The Acquirer and the Manager to the Offer accept no responsibility for statements made otherwise than in the PA, the DPS, the DLOF or this LOF or in the advertisement or any materials issued by or at the instance of the Acquirer, excluding such information pertaining to the Target Company, which has been obtained from publicly available sources or provided or confirmed by the Target Company. Any person placing reliance on any source of information other than the PA, the DPS, the DLOF and this LOF, or any other advertisement or materials issued by or on behalf of the Acquirer, will be doing so at its own risk.
10. Persons in possession of this LOF are required to inform themselves of any relevant restrictions in their respective jurisdictions. Any Shareholder who tenders his, her, or its Equity Shares in this Offer shall be deemed to have declared, represented, warranted and agreed that he, she, or it is authorised under the provisions of any applicable local laws, rules, regulations and statutes to participate in this Offer.
11. The information contained in this LOF is as of date of this LOF unless specified otherwise. The Acquirer and the Manager to the Offer are under no obligation to update the information contained herein at any time after the date of this LOF.

12. This Offer is subject to completion risks as would be applicable to similar transactions.

B. RISKS RELATING TO THE ACQUIRER

1. Neither the Acquirer nor the Manager to the Offer make any assurance with respect to the financial performance of the Target Company or the continuation of the past trend in the financial performance of the Target Company.
2. Neither the Acquirer nor the Manager to the Offer make any assurance with respect to the future performance of the Target Company.
3. Neither the Acquirer nor the Manager to the Offer provide any assurance with respect to the market price of the Equity Shares, before, during or after the Offer and each of them expressly disclaim any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by any Shareholder with respect to participation in the Offer.
4. The Acquirer makes no assurance with respect to its investment or divestment decisions relating to its shareholding in the Target Company.
5. The information pertaining to the Target Company contained in the PA, the DPS, the DLOF, this Letter of Offer or any other advertisement/publications made in connection with the Open Offer has been compiled from information published or provided by the Target Company, as the case may be, or publicly available sources. The accuracy of such details of the Target Company have not been independently verified by the Acquirer and the Manager, and the Acquirer and the Manager do not accept any responsibility with respect to such information.
6. As per Regulation 38 of SEBI (LODR) Regulations, read with Rule 19A of the SCRR (*as defined below*), the Target Company is required to maintain at least 25.00% (twenty five percent) public shareholding (“MPS”), as determined in accordance with SCRR, on a continuous basis for listing. As a result of the completion of the Underlying Transaction, the Acquirer, i.e., Cummins Inc. indirectly holds approximately 35.52% (thirty five point five two percent) of the equity share capital of the Target Company. Further, the promoter and promoter group of the Target Company currently hold approximately 71.04% (seventy one point zero four percent) of the equity share capital of the Target Company. Pursuant to completion of this Open Offer, in the event that the public shareholding of the Target Company falls below the MPS, the Acquirer, i.e., Cummins Inc. shall bring down the non-public shareholding in the Target Company to the level specified within the time prescribed in the SCRR, SEBI (SAST) Regulations and SEBI (LODR) Regulations through any such routes as may be approved by SEBI from time to time. Any failure to comply with the conditions of the SCRR and the SEBI (LODR) Regulations within the time period stated therein through permitted routes and any other such routes as may be approved by SEBI from time to time could have an adverse effect on the price and tradability of the Equity Shares.
7. Neither the Acquirer nor the Manager or the Registrar to the Offer accept any responsibility for any loss of documents during transit (including but not limited to Open Offer acceptance forms, copies of delivery instruction slips, etc.), and Shareholders are advised to adequately safeguard their interests in this regard.

The risk factors set forth above are not intended to cover a complete analysis of all risks as perceived in relation to the Open Offer or in association with the Acquirer but are only indicative in nature. The risk factors set forth above pertain to the Open Offer and do not pertain to the present or future business or operations of the Target Company or any other related matters and are neither exhaustive nor intended to constitute a complete analysis of the risks involved in participation or otherwise by Shareholders in the Offer. Shareholders of the Target Company are advised to consult their stockbroker, legal advisors, tax advisors or investment consultant, for further risks with respect to their participation in the Open Offer.

3. DETAILS OF THE OFFER

3.1. Background to the Offer

- 3.1.1. The Offer made by the Acquirer is a mandatory offer made in compliance with Regulations 3(1), 4, 5(1) and other applicable provisions of the SEBI (SAST) Regulations, as a result of: (i) indirect acquisition of 5,367,275 (five million three hundred sixty-seven thousand two hundred seventy five) Equity Shares held by MHVS in the Target Company, constituting approximately 35.52% (thirty-five point five two percent) of the paid-up equity share capital of the Target Company; and (ii) indirect acquisition of joint control of the Target Company pursuant to completion of the Underlying Transaction (*as defined below*).
- 3.1.2. In a report dated October 8, 2022 prepared by M/s. R.D. Sarfare & Co., Chartered Accountants, (Rajesh Sarfare, Partner, Membership No. 140399), the criteria set out under Regulation 5(2) of the SEBI (SAST) Regulations have been analysed and M/s. R.D. Sarfare & Co has concluded that the Underlying Transaction does not constitute a deemed direct acquisition under Regulation 5(2) of the SEBI (SAST) Regulations.
- 3.1.3. On February 21, 2022, the Acquirer entered into an Agreement and Plan of Merger with Meritor, Inc., an Indiana corporation and Rose New Co Inc., an Indiana corporation, a wholly owned subsidiary of the Acquirer (“Rose Inc.”) (“Merger Agreement”) to acquire 100.00% (one hundred percent) of the capital stock of Meritor Inc. As on the date of execution of the Merger Agreement, Meritor, Inc. was a publicly traded company with its securities listed on the New York Stock Exchange and did not have identifiable persons in control or promoters. Meritor Inc. is a leading global supplier of drivetrains, mobility, braking, aftermarket and electric powertrain solutions to commercial vehicle and industrial markets.
- 3.1.4. Meritor Inc. is the parent company of MHVS, and as on the date of this LOF, (i) Meritor Inc. holds 100.00% (one hundred percent) of the issued shares of the common stock MHVS; and (ii) MHVS holds 5,367,275 (five million three hundred sixty-seven thousand two hundred seventy five) Equity Shares of the Target Company constituting approximately 35.52% (thirty-five point five two percent) of the paid-up equity share capital of the Target Company. MHVS was a wholly owned subsidiary of Meritor, Inc. on the date of the Merger Agreement and continues to be a wholly owned subsidiary of Meritor, Inc. MHVS is also categorised as a promoter of the Target Company.
- 3.1.5. The consummation of transactions contemplated by the Merger Agreement took place on August 3, 2022. As per the terms of the Merger Agreement, on August 3, 2022, Rose Inc. merged with and into Meritor Inc., with Meritor Inc. surviving the merger as a wholly owned subsidiary of the Acquirer (“**Merger**”). Upon the Merger, each share of Meritor Inc. common stock was converted into the right to receive US \$36.50 (United States Dollar thirty-six point five zero only) in cash.

- 3.1.6. As a result of the Merger, the Acquirer has acquired 100.00% (one hundred percent) of the issued shares of the common stock of Meritor Inc. and indirectly acquired 100.00% (one hundred percent) of the issued shares of the common stock of MHVS. As on the date of the LOF, the Acquirer holds 100.00% (one hundred percent) of the issued shares of the common stock of Meritor Inc.
- 3.1.7. Consequently, since August 3, 2022, the Acquirer indirectly holds approximately 35.52% (thirty-five point five two percent) of the paid up equity share capital of the Target Company associated with the 5,367,275 (five million three hundred sixty seven thousand two hundred seventy five) Equity Shares held by MHVS in the Target Company and exercises indirect joint control over the Target Company (“**Underlying Transaction**”).
- 3.1.8. Hence this Open Offer is being made by the Acquirer under Regulations 3(1), 4 and 5(1) and other applicable provisions of the SEBI (SAST) Regulations.
- 3.1.9. The following is a brief summary of what the Acquirer believes to be the material provisions of the Merger Agreement:
- (a) Structure of the Merger: On August 3, 2022, Rose Inc. merged with and into Meritor, Inc., with Meritor, Inc. surviving the Merger as a wholly owned subsidiary of Acquirer.
 - (b) Effect of the Merger on the Common Stock: On August 3, 2022, each share of common stock of Meritor, Inc. was converted into the right to receive US \$36.50 (United States Dollar thirty-six point five zero only) in cash.
 - (c) Representations and Warranties: The Merger Agreement contained customary representations and warranties of Meritor, Inc., subject to certain exceptions in the Merger Agreement, in Meritor, Inc.’s confidential disclosure letter delivered in connection with the Merger Agreement and in Meritor, Inc.’s public filings, as to, among other things its incorporation, capitalization, corporate power, business, assets and legal compliance.

The Merger Agreement also contained customary representations and warranties of the Acquirer and Rose Inc., subject to certain exceptions in the Merger Agreement and Acquirer’s confidential disclosure letter delivered in connection with the Merger Agreement and in Acquirer’s public filings, as to, among other things its incorporation, capitalization, and corporate power.

- (d) Conduct of Business Pending the Merger: During the period prior to the consummation of the Merger, the Merger Agreement required, subject to limited exceptions, Meritor and its subsidiaries to use commercially reasonable efforts to (x) conduct its business in all material respects in the ordinary course of business consistent with past practice and (y) maintain and preserve intact, in all material respects, its business organization, goodwill and ongoing business. In addition, the Merger Agreement included specific actions that Meritor, Inc. and its subsidiaries were not permitted to take without the Acquirer’s prior consent including, among other things, restrictions on changes to organizational documents and capital stock, limitations on certain actions involving employees or employee compensation, limitations on the incurrence of new debt and other business and operating restrictions.

- (e) Shareholders Meeting: The shareholders of Meritor, Inc. approved the transactions contemplated by the Merger Agreement at a special meeting held on May 26, 2022.
- (f) Employee Matters: For one year following the consummation of the Merger (or, if shorter, for the period of employment of the relevant employee), the Acquirer generally agreed to provide continuing Meritor, Inc. employees with specified levels of compensation and benefits.
- (g) Efforts to Complete the Merger Agreement: Each of Meritor, Inc., Acquirer, and Rose Inc. agreed to use reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws to consummate and make effective the transactions contemplated by the Merger Agreement.
- (h) Conditions to Completion of the Merger Agreement: Each party's obligation to complete the transactions contemplated by the Merger Agreement was subject to the satisfaction or waiver at or prior to the completion of the Merger of customary closing conditions, including without limitation, as to receipt of shareholder approval, receipt of regulatory approvals and the material accuracy of representations and warranties and performance of covenants by the other party. Acquirer's obligation to complete such transactions was also subject to certain conditions regarding the absence of a material adverse effect on Meritor and the absence of any burdensome regulatory condition.

3.1.10. The salient features of the Merger Agreement are also available in the Form DEFM14A filed by Meritor, Inc. with the Securities and Exchange Commission, United States, which is available at [0001140361-22-014882 | DEFM14A | Meritor, Inc.](https://www.sec.gov/edgar/search/0001140361-22-014882/DEFM14A/Meritor,Inc/)

3.1.11. The requisite board and shareholder approvals were obtained by the respective entities at the time of the Merger:

- (a) The Acquirer was authorized to enter into the Merger Agreement pursuant to resolutions passed by the Acquirer's board of directors, as required by Chapter 40, Section 1(a) of the Indiana Business Corporation Law. Further, under Chapter 33, Section 1(b) of the Indiana Business Corporation Law "all corporate powers are to be exercised by, or under the authority of, and the business and affairs of the corporation managed under the direction of, its board of directors, subject to any limitation set forth in the articles of incorporation." No such limitation of power is included in Acquirer's Articles of Incorporation, and therefore Acquirer's board of directors has broad discretion to direct the transaction of any and all lawful business for which a corporation may be incorporated under the laws of the State of Indiana.
- (b) Meritor, Inc. was authorized to enter into the Merger Agreement pursuant to resolutions passed by Meritor, Inc.'s board of directors and submitted to Meritor, Inc.'s shareholders for approval, as required by Chapter 40, Sections 1(a) and 3 of the Indiana Business Corporation Law. The applicable threshold for shareholder approval under the Indiana Business Corporation Law was a majority vote, which was obtained. Language in Article 9 of Meritor, Inc.'s Articles of Incorporation set a heightened shareholder vote threshold for certain transactions, but did not apply to the transaction contemplated by the Merger Agreement. Pursuant to Section 3.4 of Meritor, Inc.'s Bylaws, its board of directors

had broad authority to manage the property, affairs and business of Meritor, Inc. and the board of directors had the authority to exercise all powers of Meritor, Inc. and do all lawful acts allowed under the Indiana Business Corporation Law.

- (c) Rose Inc. was authorized to enter into the Merger Agreement pursuant to resolutions passed by Rose Inc.'s board of directors and submitted to Rose Inc.'s sole shareholder (the Acquirer) for approval, as required by Chapter 40, Sections 1(a) and 3 of the Indiana Business Corporation Law. Pursuant to Section 7.3 of the Rose Inc. Articles of Incorporation and Section 5.10 of Rose Inc.'s Bylaws, its board of directors had broad authority to direct the management of the business and affairs of Rose Inc. and was authorized to exercise all powers and perform all acts as may be done by a corporation under the Indiana Business Corporation Law.

3.1.12. At the time of execution of the Merger Agreement and completion of the Merger, the Acquirer was unaware of the open offer requirement under the SEBI (SAST) Regulations to make an open offer. The requirement to make an open offer was inadvertently missed given the overall size of the Target Company as compared to Meritor Inc. Subsequently, the Manager to the Open Offer was appointed by the Acquirer effectively from August 25, 2022 and preparations for the Open Offer were commenced. In view of the delay in making the Public Announcement for the Open Offer, the Offer Price comprises of interest of INR 96.86 (Indian Rupees ninety six point eight six only) per Offer Share computed in accordance with Regulation 8(12) of the SEBI (SAST) Regulations. - 4.1.16. The major contingent liabilities of the Acquirer, as described in its Quarterly Report on Form 10-Q for the period ended September 30, 2022 as filed with the SEC, are as follows:

Legal Proceedings

The Acquirer is subject to numerous lawsuits and claims arising out of the ordinary course of our business, including actions related to product liability; personal injury; the use and performance of its products; warranty matters; product recalls; patent, trademark or other intellectual property infringement; contractual liability; the conduct of its business; tax reporting in foreign jurisdictions; distributor termination; workplace safety; and environmental matters. The Acquirer also has been identified as a potentially responsible party at multiple waste disposal sites under U.S. federal and related state environmental statutes and regulations and may have joint and several liability for any investigation and remediation costs incurred with respect to such sites. The Acquirer has denied liability with respect to many of these lawsuits, claims and proceedings and is vigorously defending such lawsuits, claims and proceedings. The Acquirer carries various forms of commercial, property and casualty, product liability and other forms of insurance; however, such insurance may not be applicable or adequate to cover the costs associated with a judgment against the Acquirer with respect to these lawsuits, claims and proceedings. The Acquirer does not believe that these lawsuits are material individually or in the aggregate. While the Acquirer believes it has also established adequate accruals for its expected future liability with respect to pending lawsuits, claims and proceedings, where the nature and extent of any such liability can be reasonably estimated based upon then presently available information, there can be no assurance that the final resolution of any existing or future lawsuits, claims or proceedings will not have a material adverse effect on our business, results of operations, financial condition or cash flows.

The Acquirer conducts significant business operations in Brazil that are subject to the Brazilian federal, state and local labor, social security, tax and customs laws. While the Acquirer believes it complies with such laws, they are complex, subject to varying interpretations and the Acquirer is often engaged in litigation regarding the application of these laws to particular circumstances.

On March 17, 2022, the Board of Directors decided to indefinitely suspend the Acquirer's operations in Russia due to the ongoing conflict in Ukraine. At the time of suspension, the Acquirer's Russian operations included a wholly-owned distributor in Russia, an unconsolidated joint venture (the Unconsolidated JV) with KAMAZ Publicly Traded Company (KAMAZ), a Russian truck manufacturer with whom the Acquirer shares the Unconsolidated JV, and direct sales into Russia from the Acquirer's other business segments. On June 28, 2022, KAMAZ was designated to the List of Specially Designated Nationals and Blocked Persons by the U.S. Department of the Treasury's Office of Foreign Assets Control. The Acquirer filed blocked property reports for relevant assets and is seeking relevant authorizations to extricate itself from its relationship with KAMAZ and its subsidiaries, including the Unconsolidated JV, in compliance with U.S. law.

On April 29, 2019, the Acquirer announced that it was conducting a formal internal review of its emissions certification process and compliance with emission standards for its pick-up truck applications, following conversations with the U.S. Environmental Protection Agency (EPA) and California Air Resources Board (CARB) regarding certification of its engines in model year 2019 RAM 2500 and 3500 trucks. This review is being conducted with external advisors as the Acquirer strives to ensure the certification and compliance processes for all of its pick-up truck applications are consistent with its internal policies, engineering standards and applicable laws. During conversations with the EPA and CARB about the effectiveness of the Acquirer's pick-up truck applications, the regulators raised concerns that certain aspects of the Acquirer's emissions systems may reduce the effectiveness of its emissions control systems and thereby act as defeat devices. As a result, the Acquirer's internal review focuses, in part, on the regulators' concerns. The Acquirer is working closely with the regulators to enhance its emissions systems to improve the effectiveness of all of its pick-up truck applications and to fully address the regulators' requirements. Based on discussions with the regulators, the Acquirer has developed a

new calibration for the engines in model year 2019 RAM 2500 and 3500 trucks that has been included in all engines shipped since September 2019. During the Acquirer's ongoing discussions, the regulators turned their attention to other model years and other engines, most notably its pick-up truck applications for RAM 2500 and 3500 trucks for model years 2013 through 2018. In connection with these and other ongoing discussions with the EPA and CARB, the Acquirer is developing a new software calibration and will recall model years 2013 through 2018 RAM 2500 and 3500 trucks. The Acquirer accrued \$30 million (INR 2,472 million) for the recall during the first quarter of 2022, an amount that reflects its current estimate of the cost of the recall. The Acquirer accrued \$29 million (INR 2,390 million) for the recall during the third quarter of 2022, an amount that reflected its current estimate of the cost of the recall.

The Acquirer will continue to work together closely with the relevant regulators to develop and implement recommendations for improvement and seek to reach further resolutions as part of its ongoing commitment to compliance. Due to the presence of many unknown facts and circumstances, the Acquirer is not yet able to estimate any further financial impact of these matters. It is possible that the consequences of any remediation plans resulting from the Acquirer's formal review and these regulatory processes could have a material adverse impact on its results of operations and cash flows.

Guarantees and Commitments

Periodically, the Acquirer enters into guarantee arrangements, including guarantees of non-U.S. distributor financings, residual value guarantees on equipment under operating leases and other miscellaneous guarantees of joint ventures or third-party obligations. At September 30, 2022, the maximum potential loss related to these guarantees was \$48 million (INR 3,955 million).

The Acquirer has arrangements with certain suppliers that require it to purchase minimum volumes or be subject to monetary penalties. At September 30, 2022, if the Acquirer were to stop purchasing from each of these suppliers, the aggregate amount of the penalty would be approximately \$138 million (INR 11,371 million). These arrangements enable the Acquirer to secure supplies of critical components and IT services. The Acquirer does not currently anticipate paying any penalties under these contracts.

The Acquirer enters into physical forward contracts with suppliers of platinum and palladium to purchase certain volumes of the commodities at contractually stated prices for various periods, which generally fall within two years. At September 30, 2022, the total commitments under these contracts were \$42 million (INR 3,461 million). These arrangements enable the Acquirer to guarantee the prices of these commodities, which otherwise are subject to market volatility.

The Acquirer has guarantees with certain customers that require it to satisfactorily honor contractual or regulatory obligations, or compensate for monetary losses related to nonperformance. These performance bonds and other performance-related guarantees were \$118 million (INR 9,723 million) at September 30, 2022.

Indemnifications

Periodically, the Acquirer enters into various contractual arrangements where the Acquirer agrees to indemnify a third-party against certain types of losses. Common types of indemnities include:

- product liability and license, patent or trademark indemnifications;
- asset sale agreements where the Acquirer agrees to indemnify the purchaser against future environmental exposures related to the asset sold; and
- any contractual agreement where the Acquirer agrees to indemnify the counterparty for losses suffered as a result of a misrepresentation in the contract.

The Acquirer regularly evaluates the probability of having to incur costs associated with these indemnities and accrue for expected losses that are probable. Because the indemnifications are not related to specified known liabilities and due to their uncertain nature, the Acquirer is unable to estimate the maximum amount of the potential loss associated with these indemnifications.

4.1.17. The litigations / disputes mentioned in paragraph 4.1.16 of the LOF above are in the ordinary course of business of the Acquirer and the Acquirer does not foresee such litigations / disputes having any impact on the Open Offer.

Because the put right was exercisable at fair value (as defined in the governing documents of the subsidiary), the NCI should have also been reflected at fair value at each balance sheet date with an offset to additional paid-in-capital (APIC). As a result, they have revised their historical financial statements to reflect the NCI at its estimated fair value as redeemable noncontrolling interests in their Condensed Consolidated Balance Sheets with a corresponding offset in NCI and APIC. 8.18.1. **General:**

- (a) The Offer is made a price of INR 1,601.29 (Indian Rupees one thousand six hundred one point two nine only) per Offer Share comprising of INR 1,504.43 (Indian Rupees one thousand five hundred four point four three only) per Offer Share plus interest of INR 96.86 (Indian Rupees ninety six point eight six only) per Offer Share at the rate of 10.00% (ten percent) per annum for the period between the date of the Underlying Transaction (i.e., February 21, 2022) and the date of publication of Detailed Public Statement (i.e., October 14, 2022), in accordance with Regulation 8(12) of the SEBI (SAST) Regulations.
- (b) The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his/her worldwide income, subject to certain tax

exemptions, which are provided under the Income-tax Act, 1961 (“**IT Act**”) as amended from time to time. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person’s India-sourced income (i.e., income which accrues or arises or is deemed to accrue or arise in India) as also income received by such person in India. In case of shares of a company, the source of income from shares will depend on the “situs” of such shares. As per judicial precedents, the “situs” of the shares is where a company is “incorporated” and where its shares can be transferred. Accordingly, since the Target Company is incorporated in India, the Target Company’s shares should be deemed to be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.

- (c) Further, the non-resident shareholder can avail beneficial treatment under the Double Taxation Avoidance Agreement (“**DTAA**”) between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions (if any) present in the said DTAA read with the relevant provisions of the Multilateral Instrument (“**MLI**”) as ratified by India with the respective country of which the said shareholder is a tax resident and (b) non-applicability of General Anti-Avoidance Rule (“**GAAR**”) and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.
- (d) The IT Act also provides for different income-tax regimes/rates applicable to the gains arising from the acceptance of shares under the Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.
