Notes:

- 1 The above unaudited standalone and consolidated financial results have been reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on August 13, 2019.
- 2 The unaudited standalone and consolidated financial results of the Company for the quarter ended June 30, 2019 have been subject to limited review by its Statutory auditors.
- 3 The Company has prepared these Standalone and Consolidated financial results in accordance with Companies (Indian Accounting Standard) Rules, 2015 as amended as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with the relevant rules issued thereunder as amended and the other accounting principles generally accepted in India.
- 4 The format for Standalone and Consolidated results as prescribed in SEBI's circular CIR/CFD/CMD/15/2015 dated November 30, 2015 has been modified to comply with the requirements of SEBI's circular dated July 05, 2016 read with SEBI Circular No.CIR/CFD/CMD/44/2019 dated March 29, 2019, Ind AS and Schedule III of the Companies Act, 2013 as amended applicable to the Companies that are required to comply with Ind AS.
- 5 The figures for the quarter ended March 31,2019 and the quarter June 30, 2018, included in the Statement of Consolidated Financial Results for the quarter ended June 30, 2019 have been approved by the Holding Company's Board of Directors, but have not been subjected to review as the mandatory requirement for limited review has been made applicable for periods beginning from April 1, 2019, pursuant to Regulation 33(8) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 6 Transition to Ind AS -116 - Leases - Effective April 1, 2019, the Company has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise Right-of-Use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is of a low value. The Company has used the 'modified retrospective approach' for transition from the previous standard- Ind AS 17, and consequently, comparatives for previous periods have not been retrospectively adjusted. On transition, the Company records the lease liability at the present value of future lease payments discounted using the incremental borrowing rate and has also chosen the practical expedient provided in the standard to measure the right-of-use at the same value as the lease liability.The effect of Ind AS 116 on profit for current quarter ended is not material.
- 7 The figures for the quarter ended March 31, 2019 are the balancing figures between the audited figures in respect of the full year ended March 31, 2019 and nine months ended December 31, 2018.
- 8 Previous period figures have been regrouped wherever necessary to confirm with the current period presentation.
