RISK FACTORS

Risk factors relating to the Open Offer

- The Acquirer and the PACs may withdraw the Open Offer in accordance with the conditions specified in chapter VI section C (*Statutory & other Approvals*) in this Letter of Offer. In the event of a withdrawal of the Open Offer, the Acquirer and PACs (through the Manager) shall, within 2 (two) Working Days of such withdrawal, make a public announcement of such withdrawal, in the same newspapers in which the Detailed Public Statement had appeared, stating the grounds for the withdrawal in accordance with regulation 23(2) of the SEBI (SAST) Regulations.
- In the event of any litigation leading to a stay on the Open Offer by a court of competent jurisdiction, or SEBI instructing that the Open Offer should not proceed, the Open Offer may be withdrawn or the Open Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. Consequently, in the event of any delay, the payment of consideration to the Public Shareholders of the Target Company, whose Equity Shares are accepted under this Open Offer, as well as the return of Equity Shares not accepted under this Open Offer by the Acquirer may be delayed.
- The Equity Shares tendered in the Open Offer will be held in trust by the Registrar to the Open Offer / Clearing Corporation (as defined below) until the completion of the Open Offer formalities, and the Public Shareholders who have tendered their Equity Shares will not be able to trade such Equity Shares held in trust by the Registrar to the Open Offer / Clearing Corporation during such period. During such period, there may be fluctuations in the market price of the Equity Shares that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Open Offer.
- In the event that the number of Equity Shares validly tendered by the Public Shareholders under this Open Offer is more than the number of Offer Shares, the Acquirer and PACs shall accept those Equity Shares which are validly tendered by the Public Shareholders on a proportionate basis as detailed in Chapter V Section A (*Justification of Offer Price*) paragraph 9 below. Therefore, there is no certainty that all the Equity Shares tendered in the Open Offer will be accepted. The unaccepted Equity Shares will be returned to the respective Public Shareholders in accordance with the schedule of activities for the Open Offer.
- Further, Public Shareholders should note that, under the SEBI (SAST) Regulations, once Public Shareholders have tendered their Equity Shares in the Open Offer, they will not be able to withdraw their Equity Shares from the Open Offer even in the event of a delay in the acceptance of Equity Shares under the Open Offer and/or the dispatch of consideration.
- All Public Shareholders, including non-residents holders of Equity Shares, must obtain all approvals required, if any, to tender the Offer Shares (including without limitation, the approval from the RBI) and submit such approvals, along with the other documents required to accept this Open Offer. In the event such approvals are not submitted, the Acquirer and the PACs reserve the right to reject such Equity Shares tendered in this Open Offer. Further, if the holders of the Equity Shares who are not persons resident in India had required any approvals (including from the RBI, or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approvals, that they would have obtained for holding the Equity Shares, to tender the Offer Shares, along with the other documents required to be tendered to accept this Open Offer. In the event such approvals are not submitted, the Acquirer and the PACs reserve the right to reject such Offer Shares
- In case of delay in receipt of any statutory approval, SEBI may, if satisfied that such delay in receipt of the requisite statutory approval(s) was not attributable to any willful default, failure or neglect on the part of the Acquirer or the PACs to diligently pursue such approval, and subject to such terms and conditions as specified by SEBI, including payment of interest in accordance with regulation 18(11) of the SEBI (SAST) Regulations, grant an extension of time to the Acquirer and PACs pending receipt of such statutory approval(s) to make the payment of the consideration to the Public Shareholders whose Equity Shares have been accepted in the Open Offer. In accordance with the SEBI Letter, the Acquirer and the PACs are liable to make an interest payment to the Public Shareholders who successfully tender their Equity Shares, to be computed at the rate of 10 (ten) per cent per annum on the Offer Price due to delay in payment as a result of the delayed receipt of the RBI Approval. This payment shall be made within the specified timeframe of 10 (ten) working days from the last date of the Tendering Period. Accordingly, the Acquirer and the PACs will make the interest payment at the rate of 10 (ten) per cent per annum on the Offer Price for the period from November 30, 2018 (Scheduled Payment Date) till March 6, 2019 (being the date of the actual date of payment of consideration under the Open Offer), to the Public Shareholders who successfully tender their Equity Shares, within 10 (ten) working days from the last date of the Tendering Period. The interest computed at 10 (ten) per cent per annum on the Offer Price over such period is INR 4.18 (Indian Rupees Four and Eighteen Paise only) per Equity Share. However, it is clarified that the Acquirer and the PACs shall make this payment of INR 4.18 (Indian Rupees Four and Eighteen Paise only) per Equity Share after deducting TDS in accordance with the provisions of the ITA at the

applicable rates. Further, the interest payment will be paid separately to the Public Shareholders who successfully tender their Equity Shares, within 10 (ten) working days from the last date of the Tendering Period. For the purpose of clarification it may be noted that the aforesaid Interest Payment Amount will be payable to all successful Public Shareholders whose Equity Shares are validly tendered and accepted in the Open Offer.

- The Acquirer and the PACs and the Manager accept no responsibility for the statements made otherwise than in this Letter of Offer, the Detailed Public Statements (as defined below) and/or the Public Announcement (as defined below) and/or in the Offer Opening Public Announcement (as defined below) or in any corrigendum to the Detailed Public Statements and the Public Announcement (if issued) and anyone placing reliance on any other source of information (not released by the Acquirer, the PACs or the Manager) would be doing so at his, her or their own risk.
- Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability, pursuant to this Open Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer, the PACs and the Manager do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Letter of Offer.

Probable risks involved in associating with the Acquirer and the PACs and the Manager

- Neither the Manager, the Acquirer nor the PACs make any assurance with respect to the continuation of past trends in the financial performance of the Target Company.
- Neither the Acquirer, the PACs nor the Manager can provide any assurance with respect to the market price of the Equity Shares of the Target Company before, during or after the Open Offer and each of them expressly disclaim any responsibility or obligation of any kind with respect to any decision by any Public Shareholder regarding whether or not to participate in the Open Offer.

The risk factors set forth above are indicative only and are not intended to provide a complete analysis of all risks as perceived in relation to the Open Offer or associating with the Acquirer and the PACs. The risk factors set forth above do not relate to the present or future business or operations of the Target Company and any other related matters, and are neither exhaustive nor intended to constitute a complete analysis of the risks involved in the participation by any Public Shareholder in the Open Offer. Public Shareholders are advised to consult their stockbroker, investment consultant or tax advisor for an understanding of the further risks associated with their participation in the Open Offer.

Income tax demand has been received during the previous financial year from the Indian tax authorities for payment of additional tax of Rs. 21,421,450/-, upon completion of their tax review for the financial years 2011-12 (assessment year 2012-13). The Acquirer has further received a stay order dated October 16, 2015 according to which, 50% of the demand has been stayed and remaining is to be paid in 18 (eighteen) installments from October 2015 onwards. Also, as per the revised guidelines issued by the Central Board of Direct Taxes ("CBDT") by its press release dated March 30, 2016, where the outstanding demand is disputed before the Commissioner (Appeals), the assessing officer shall grant stay of demand till disposal of first appeal on payment of 15% of the disputed demand. Accordingly, till March 31, 2017, the Acquirer has paid an amount of INR 3,826,000 (Indian Rupees Thirty Eight Lakhs Twenty Six Thousand only) with the authorities. The Acquirer is contesting the demands and the management, including its tax advisors, believe that its position will likely be upheld in the appellate process. 20. **Note on taxation**

The information provided below sets out the income-tax implications on tendering of listed equity shares on the recognised stock exchange under an open offer in a summary manner only and is not a complete analysis or listing of all potential tax consequences under the tax laws presently in force in India. The following overview is not exhaustive or comprehensive and is not intended to be a substitute for professional advice.

ELIGIBLE EQUITY SHAREHOLDERS ARE ADVISED TO CONSULT THEIR OWN TAX CONSULTANT WITH RESPECT TO THE TAX IMPLICATIONS AND CONSEQUENCES ON TENDERING OF LISTED EQUITY SHARES OF THE TARGET COMPANY, PARTICULARLY IN VIEW OF THE FACT THAT CERTAIN RECENTLY ENACTED LEGISLATION MAY NOT HAVE A DIRECT LEGAL PRECEDENT OR MAY HAVE A DIFFERENT INTERPRETATION.

The law stated below is as per the IT Act as amended upto Finance Act, 2018.

a) **General:**

- (i) The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31.
- (ii) A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the IT Act.
- (iii) A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e. income which accrues or arises or deemed to accrue or arise in India) and income received by such persons in India. In case of shares of a company, the source of income from shares would depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred.

Accordingly, since the Target Company is incorporated in India, the Target Company's shares are deemed to be "situated" in India and any gains arising to a non-resident on transfer of such shares is taxable in India under the IT Act.

Further, the non-resident shareholder can avail benefits of the Double Taxation Avoidance Agreement ("DTAA") between India and the respective country of which the said shareholder is a tax resident subject to satisfying the relevant conditions including non-applicability of General Anti-Avoidance Rule ("GAAR") and providing and maintaining necessary information and documents as prescribed under the IT Act.

- (iv) The IT Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of shares under the open offer, based on the period of holding, residential status, classification of the shareholder, nature of the income earned, etc.
- (v) All references to equity shares herein refer to listed equity shares unless stated otherwise.

b) **Classification of Shares**

The characterization of gains/losses, arising from sale of shares, as Capital Gains or Business Income would depend on the nature of holding in the hands of the shareholder and various other factors. Shareholders are also required to refer to *Circular No.6/2016 dated February 29, 2016* issued by the Central Board of Direct Taxes ("CBDT"). The nature of gains/loss in the foregoing cases will be as under:

- **Shares held as investment** : Income arising from transfer of shares taxable under the head "Capital Gains"
- **Shares held as stock-in-trade** : Income arising from transfer taxable under the head "Profits and Gains from Business or Profession"

c) **Taxability of Capital Gains in the hands of the Shareholders:**

- (i) Capital gains in the hands of shareholders would be computed as per the provisions of section 48 of the IT Act and the rate of income-tax would depend on the period of holding.
- (ii) Period of Holding: Depending on the period for which the shares are held, the gains would be taxable as 'short term capital gain' or 'long-term capital gain'. Such classification would be determined as under:
 - **Short-term Capital Asset ("STCA")** : Equity shares held for less than or equal to 12 months

The said rate will be increased by applicable surcharge and cess. Further, no deduction under Chapter VI-A would be allowed in computing LTCG subject to tax under section 112A of the IT Act.
- (v) Such LTCG will be computed without considering the indexation benefit. The cost of acquisition will be computed in accordance with the provisions of section 55 read with section 112A of the IT Act.
- (vi) STCG realized on sale of listed equity shares (STT paid) will be subject to tax at the rate of 15% under section 111A of the IT Act. The said rate will be increased by applicable surcharge and cess. Further, no deduction under Chapter VI-A would be allowed in computing STCG subject to tax under section 111A of the IT Act.
- (vii) As per the seventh proviso to section 48 of the IT Act, no deduction of amount paid on account of STT will be allowed in computing the income chargeable to tax as Capital Gains.
- (viii) Further the provisions of Minimum Alternate Tax on the book profits as contained in section 115JB of the IT Act or Alternate Minimum Tax contained in section 115JC of the IT Act, as the case may be, also need to be considered by the shareholders.

The provisions of section 115JB of the IT Act do not apply to a foreign company if it is a resident of a country with which India has entered into a DTAA under section 90/90A of the IT Act and the assessee does not have a Permanent Establishment in India or such company is a resident of a country with which India does not have such agreement and the assessee is not required to seek registration under any law for the time being in force, relating to companies.
- (ix) As per section 70 of the IT Act, Short Term Capital Loss computed for the given year is allowed to be set off against STCG as well as LTCG computed for the said year. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off against subsequent years' STCG as well as LTCG, in terms of section 74 of the IT Act.
- (x) Long Term Capital Loss computed for a given year is allowed to be set off only against LTCG computed for the said year, in terms of section 70 of the IT Act. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off only against subsequent years' LTCG, in terms of section 74 of the IT Act.
- (xi) Additional information in case of Foreign Institutional Investors ("FIIs"):
 - A. As per section 2(14) of the IT Act, any securities held by a FII which has

- B. The provisions of Indirect transfer in terms of Explanation 5 to section 9 of the IT Act do not apply to non-resident investors in FIIs referred to in section 115AD and Category-I and Category-II Foreign Portfolio Investor (“FPI”) registered under Securities and Exchange Board of India (FPI) Regulations, 2014.

Such capital gains would be computed without giving effect to the first and second proviso to section 48. In other words, adjustment in respect of foreign exchange fluctuation and benefit of indexation would not allowed while computing the Capital Gains.

- E. The above rates are to be increased by applicable surcharge and cess.
- F. Further, no deduction under Chapter VI-A would be allowed in computing STCG and as well as LTCG.

Where the shares of the Target Company were acquired or purchased in convertible foreign exchange, NRIs, i.e. individuals being citizen of India or person of Indian origin who are not resident, have the option of being governed by the provisions of Chapter XII-A of the IT Act, which *inter alia* entitles them to the following benefits:

- A. Under section 115E of the IT Act, the LTCG arising to an NRI will be taxable at the rate of 10 % (plus applicable surcharge and cess). While computing the LTCG, the benefit of indexation of cost would not be available.
- B. Under section 115F of the IT Act, LTCG arising to an NRI from the transfer of the shares acquired or purchased in convertible foreign exchange shall be exempt from income-tax, if the net consideration is reinvested in specified assets, within six months of the date of transfer. If only part of the net consideration is so reinvested, the exemption shall be proportionately reduced. The amount so exempted shall be chargeable to tax subsequently, if the specified assets are transferred or converted into money within 3 (three) years from the date of their acquisition.
- C. Under section 115G of the IT Act, it will not be necessary for an NRI to furnish his return of income under section 139(1) of the IT Act if his income chargeable under the IT Act consists of only investment income or LTCG or both; arising out of assets acquired, purchased or subscribed to in convertible foreign exchange and tax deductible at source has been deducted there from as per the provisions of Chapter XVII-B of the IT Act.
- D. As per provisions of Section 115-I of the IT Act, an NRI may elect not to be

governed by provisions of Chapter XII-A and compute his total income as per other provisions of the IT Act.

(xiii) Section 90(2) of the IT Act, provides relief to a non-resident, where there is a DTAA between India and the country of residence of the non-resident shareholder and the provisions of the DTAA are more favorable to the taxpayer, subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the IT Act.

(xiv) Investment Funds:

Under section 10(23FBA) of the IT Act, any income of an Investment Fund, other than the income chargeable under the head “Profits and gains of business or profession” would be exempt from income-tax. For this purpose, an “Investment Fund” means a fund registered as Category I or Category II Alternative Investment Fund and is regulated under the Securities and Exchange Board of India (Alternate Investment Fund) Regulations, 2012.

(xv) Mutual Fund

Under Section 10(23D) of the IT Act, any income of mutual funds registered under SEBI or Regulations made thereunder or mutual funds set up by public sector banks or public financial institutions or mutual funds authorised by the RBI and subject to the conditions specified therein, is exempt from tax subject to such conditions as the Central Government may by notification in the Official Gazette, specify in this behalf.

d) **Taxability of Business Income in the hands of the Shareholders:**

(i) Where gains realized from sale of listed equity shares are taxable as business income, they will be taxable at applicable tax rates to such shareholders.

(ii) In terms of section 36(1)(xv) of the IT Act, STT paid by the shareholder in respect of the taxable securities transactions entered into in the course of his business would be eligible for deduction from the amount of income chargeable under the head “Profit and gains of business or profession”, if the income arising from taxable securities transaction is included in such income.

(iii) Section 90(2) of the IT Act, provides relief to a non-resident, where there is a DTAA between India and the country of residence of the non-resident shareholder and the provisions of the DTAA are more favorable to the taxpayer, subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the IT Act.

e) **Withholding Tax implications:**

(i) Remittance/Payment of Consideration

A. Resident shareholders:

In the absence of any provisions under the IT Act casting an obligation on the buyer to deduct tax on income arising in the hands of the resident seller on transfer of any property (other than immovable property), the Acquirer and the PACs are not required to withhold tax on the consideration payable to eligible shareholders pursuant to tendering of shares under the Open Offer.

B. Non-resident shareholders – FIIs

Section 196D of IT Act, provides for a specific exemption from withholding tax at source from any income, by way of Capital Gains arising to an FII from the transfer of securities referred to in section 115AD of the IT Act. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs.

C. Non-resident shareholders (other than FIIs):

- Each non-resident shareholder will confirm its status by selecting the appropriate box in the Form of Acceptance-cum-Acknowledgement.
- Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax under the provisions of the IT Act is required to deduct tax at source at applicable rates in force.
- However, the Acquirer / PACs will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirer/PACs to deduct taxes since the remittance/payment will be routed through the stock exchange, and there will be no direct payment by the Acquirer/PAC to the non-resident shareholders.
- Since the tendering of shares under the open offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is on the non-resident shareholder given that practically it is not possible to withhold taxes. It is therefore recommended that the non-resident shareholders consult their custodians / authorized dealers / tax advisors appropriately.

(ii) Remittance/Payment of Interest

- A. In case of interest, if any, paid by the Acquirer and PACs to resident and non-resident shareholder for delay in receipt of statutory approvals as per Regulation 18 (11) of the SEBI (SAST) Regulations, the Acquirer and the PACs will deduct TDS at the applicable rates in accordance with the provisions of the IT Act, so long as a Permanent Account number (“PAN”) is submitted by the shareholders. In case the PAN is not submitted or is invalid or does not belong to the shareholder, the applicable withholding tax rate would be the higher of 20% or at the rate in force or at the rate specified in the relevant provisions of the IT Act. The provisions of section 206AA will not apply if the non-resident shareholder provides to the payer the following documents:
- name, e-mail id, contact number;
 - address in the country or specified territory outside India of which the shareholder is a resident;
 - Tax Residency Certificate with details prescribed under rule 37BC or TRC with 10F if the TRC does not contain all such prescribed;
 - Tax Identification Number/ Unique Identification Number of the shareholder.
- B. The TDS on interest payment as mentioned above is subject to the following exemptions:

Resident shareholders:

- There will be no TDS if interest payable does not exceed Rs 5,000/-
- There will be no TDS on interest payable to the following parties:
 - (a) any banking company to which the Banking Regulation Act, 1949 (10 of 1949), applies;
 - (b) any co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank);
 - (c) any financial corporation established by or under a Central, State or Provincial Act;
 - (d) the Life Insurance Corporation of India established under the Life Insurance Corporation Act, 1956 (31 of 1956);
 - (e) the Unit Trust of India established under the Unit Trust of India Act, 1963 (52 of 1963); and

(f) any company or co-operative society carrying on the business of insurance.

- There will be no TDS in the case of a SEBI registered mutual fund as per section 10(23D) of the IT Act;
- There will be no TDS for any entity which is exempted as such by any notification issued under Section 197A (1F) of the IT Act;
- Nil or lower rate of TDS (as applicable) will be applied if the shareholder furnishes a certificate from the Income-tax authorities under section 197 of the IT Act

Non-resident shareholders:

Shareholders claiming benefit of DTAA should submit Tax Residency Certificate, Form 10F, Self-declaration confirming 'No permanent establishment in India' and such other documentation required to substantiate their claim as per the relevant provisions of the DTAA along with the Form of Acceptance. In the absence of the aforesaid documents, taxes would be deducted in accordance with Chapter VII Section 20 (*Note on Taxation*) sub-section (e)(ii)(C) below.

- C. Notwithstanding any of the above, in case of ambiguity, incomplete or conflicting information, or the information not being provided to the Acquirer and the PACs, the Acquirer and the PACs will arrange to deduct tax at the maximum marginal rate, as may be applicable to the relevant category to which the shareholder belongs under the IT Act (i.e. 40% in case of foreign company, 30% in case of all other category of persons, plus applicable surcharge and cess) on the interest payable to such shareholder.

f) **Documents to be provided alongwith the Form of Acceptance:**
