Notes:

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its General circulars dated May 5, 2022, December 8, 2021, December 14, 2021, January 13, 2021, May 5, 2020, April 13, 2020, April 8, 2020 and December 28, 2022 (collectively referred to as 'MCA Circulars') permitted the holding of the Annual General Meeting ('AGM') through VC/OAVM without physical presence of the Members at a common venue. Further, the Securities and Exchange Board of India ('SEBI') vide its Circulars dated January 5, 2023, May 13, 2022, January 15, 2021 and May 12, 2020 ('SEBI Circulars') has also granted relaxation from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 permitted the holding of AGM through VC/OAVM without physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ('the Act'), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations') and the MCA Circulars, the 33rd AGM of the Company is being held through VC/OAVM.
2. A statement pursuant to Section 102(1) of the Act, relating to the Special Businesses mentioned above is annexed hereto. The relevant details, pursuant to 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment at this AGM is annexed hereto.
3. Since this AGM is being held through VC/OAVM pursuant to the MCA Circulars read with SEBI Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxy by the Members under Section 105 of the Act will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
4. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 8, 2020, April 13, 2020, May 5, 2020, June 15, 2020, January 13, 2021, December 8, 2021, December 14, 2021, May 5, 2022 and December 28, 2022, the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
7. In line with the MCA Circulars, the Notice calling the AGM has been uploaded on the website of the Company at www.indiahomeloan.co.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
8. The Register of Members and Share Transfer Books of the Company will remain closed from Saturday, September 23, 2023 to Saturday, September 30, 2023 (both days inclusive) for the purpose of Annual General Meeting.
9. Any person holding shares in physical form and non-individual shareholders, who acquires shares of the Company and becomes member of the Company after the notice is send through e-mail and holding shares as of the cut-off date i.e. September 23, 2023, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or Issuer/RTA. MANAGEMENT DISCUSSION AND ANALYSIS

INTRODUCTION

Global Overview

During the year, the global economy continued to face shocks emanating from deepening geopolitical tensions, fragmented supply chains and rising inflationary pressures resulting in a cost-of-living crisis. Towards the end of the financial year in March 2023, increased headwinds stemmed from the banking turmoil in some advanced economies. This triggered concerns of potential risks of contagion, which in turn resulted in increased turbulence across global markets

As per the International Monetary Fund (IMF), global headline inflation stood at 8.7% in 2022. To anchor spiraling inflation, major central banks across the world resorted to monetary policy tightening. In the current upward interest rate cycle, as of date, the US Federal Reserve had cumulatively raised interest rates by 500 basis points (bps), the Bank of England by 415 bps and the European Central Bank by 350 bps. The Reserve Bank of India (RBI) increased the policy repo rate by a relatively lower amount of 250 bps. Globally, the elevated consumer price inflation levels were well above the targeted inflation rates of most central banks.

As per the IMF's World Economic Outlook, global GDP growth for the calendar year 2022 was 3.4%, of which GDP of advanced economies was 2.7% and emerging markets and developing economies was 4.0%

India Overview :

The Indian economy staged a broad-based recovery from the pandemic induced slowdown. Despite global headwinds, domestic economic activity was resilient. Most high frequency indicators, including those that were impacted during the pandemic recorded positive growth. As per the second advance estimates by the National Statistical Office (NSO), the Indian economy is estimated to grow by 7% in FY23. India has continued to be the fastest growing major economy. The Consumer Price Index (CPI) inflation for FY23 remained at elevated levels for most parts of the year under review, aggravated by rising commodity prices and adverse supply shocks. In the month of March 2023, with lower food and fuel prices, the CPI eased to 5.7%, marking a 15-month low. During the year, to anchor inflationary pressures, the RBI undertook a series of calibrated repo rate increases –

40 bps in May 2022, 50 bps each in June, August and September 2022, 35 bps in December 2022 and 25 bps in February 2023. In April 2023, the RBI kept the repo rate unchanged, but continued with its 'withdrawal of accommodation' policy stance. As at March 31, 2023, year-on-year bank credit growth was robust at 15.0%, though deposits growth lagged at 9.6%. Owing to global macro-economic risks and geo-political tensions, during the year, foreign portfolio investors were net sellers of equity to the tune of ₹ 40,413 crore. The Indian equity markets, however, were strongly supported by domestic institutional investors – largely mutual funds and insurance companies who were net buyers amounting to ₹ 2.5 lac crore.

Housing and Real Estate Market

FY23 marked a year of sustained growth for the Indian real estate sector. Residential markets saw strong traction in both, new launches and sales across the metros, tier II and tier III cities. Despite rising costs of construction and labour, real estate prices at a pan-India level recorded modest increases, though certain pockets, particularly in the higher-end luxury segment saw sharper increases in prices during the year. The strong momentum in the residential market was also evident from the fact that across the top metro cities, the unsold inventory stood at the lowest level in the past five years. Despite rising interest rates, the inherent demand for home loans continued on the back of rising disposable incomes, increased urbanisation and continued fiscal incentives. The demand for home loans was predominantly in the mid-income and premium segments. India's net absorption of commercial office space during the year surpassed the five year pre-pandemic average rate. This showed the continued resilience in the India office space, despite certain companies opting for hybrid/ flexible work models. In addition, demand for commercial space is arising from logistics, warehousing

Risk Management and Portfolio Quality

As a Housing Finance Company (HFC), IHLL is exposed to credit, liquidity, and interest rate risk. It continues to invest in talent, processes, and emerging technologies for building advanced risk and underwriting capabilities.

IHLL has a well-defined risk governance structure which provides for identification, assessment, and management of risks. Risk management involves making decisions and establishing governance systems that embed and support effective risk process, as well as building an organizational culture that supports agility. The Company has a Risk Management Committee (RMC)

IHLL's balanced approach to portfolio management coupled with a rigorous portfolio review mechanism has enabled it to pick up early warning signals and take corrective actions. IHLL's loan portfolio continues to remain healthy and in the growth mode.

A robust governance framework ensures that board committees approve risk strategies and delegates credit authorities, and robust underwriting practices coupled with continuous risk monitoring ensure that portfolios stays within acceptable risk levels. IHLL follows RBI / NHB prudential norms for asset classifications and Expected Credit Loss (ECL) model prescribed under Ind AS for provisioning.

HLL calibrates its risk policies and underwriting norms periodically to promptly respond to the changing market scenario.

IHLL's Gross and Net NPA as at 31 March 2023 stood at 4.60% and 3.02% respectively.

Asset Liability Management (ALM)

IHLL's total borrowings stood at ₹ 90.83 crore as of 31 March 2023. IHLL's Asset Liability Committee (ALCO) meets as and when required to i) monitor asset-liability mismatches; ii) ensure that there are no imbalances on either side of the balance sheet; and iii) ensure that adequate level of liquidity is maintained.

IHLL has Asset Liability Committee (ALCO)' to monitor its asset liability management. Borrowings of the Company are guided by Board approved resource raising policy.

ALCO reviews macroeconomic conditions affecting the housing finance business, liquidity situation and interest rate environment and provides direction to treasury on resource mobilization and fund planning.

The ALM position of the Company is based on the maturity buckets as per the guidelines issued by the regulator from time to time. IHLL assesses behaviouralised maturity pattern of its assets and liabilities and maintains adequate liquidity for its business

Customer Service

Mortgages is a long duration product and a high involvement buying decision for the customer - which involves frequent and regular interactions. To enable a transparent, convenient and hassle-free customer experience, our dedicated team of customer service supported with transparent operations and strong technology infrastructure, helps us to be responsive to our customers thereby maintaining high standards of customer service. Digital communication, continuous customer feedback and transparency remain key focus areas of the Company while engaging with customers.

The Company strives towards improving and strengthening its customer experience by transitioning from query / complaint resolution to first time right delivery to customers. To uphold highest standards of transparency, IHLL has implemented an end to end proactive communication framework through life stages of customer journey. IHLL continues to leverage technology to gauge the unstated and emerging service needs of customers.

Human Resources

At IHLL, employees are the most valuable assets. In IHLL, employee's performance enhancement, well-being, skill development, growth and engagement remains a key focus area. IHLL fosters a culture of productive empowerment to build an outcome focused organization.

As on 31 March 2023, IHLL had 53 employees.

Internal Control Systems and their Adequacy

IHLL has instituted adequate internal control systems commensurate with the nature of its business and the size of its operations. Internal audit is carried out by external agency to evaluate the adequacy of all internal controls and processes. All significant audit observations and follow-up actions thereon are reported to the Audit Committee. The Audit committee reviews the internal audit reports and the adequacy and effectiveness of internal control.

Fulfilment of the RBI and NHB's norms and standards

BOARD PROCEDURE

The required information, including information as enumerated in Part A of Schedule II of the Listing Regulations is made available to the Board of Directors for discussions and consideration at Board Meetings. A detailed Agenda, setting out the business to be transacted at the Meeting(s), supported by detailed Notes and Presentations, if any, is sent to each Director at least seven days before the date of the Board Meeting(s) and of the Committee Meeting(s) and at times when meetings are held at a shorter notice then consent is taken prior to holding the meeting. The Board meets at least once in a quarter to review financial results and operations of the Company. In addition to the above, the Board also meets as and when necessary to address specific issues concerning the businesses of the Company. We provide video/teleconferencing facilities to enable their participation. The Board periodically reviews compliance reports pertaining to all laws applicable to the Company, prepared by the Company.

ROLE OF INDEPENDENT DIRECTORS

The Company has received declarations from the Independent Directors that they continue to fulfil the criteria of independence prescribed in Section 149 (6) of the Companies Act, 2013 read with Schedule IV and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as 'SEBI Listing Regulations'). In the opinion of the Board, the independent directors fulfil the conditions specified in these regulations and are independent of the management.

Independent Directors act as a guide to the company. Their roles broadly include improving corporate credibility and governance standards functioning as a watchdog, and playing a vital role in risk management. Independent Directors play an active role in various committees set up by company to ensure good governance.

FAMILIARIZATION PROGRAMMES FOR THE INDEPENDENT DIRECTORS:

The Company follows a structured orientation programme for its newly inducted Director(s) to ensure that they become fully aware of the industry in which the Company operates, the processes, systems and policies adopted and followed by the Company. The familiarization programme focuses on the business model and operations of the Company and aims at informing the directors on the legal, regulatory as well as socio-economic regime in which the Company functions.

The Company briefs its Independent Directors on the roles, rights and responsibilities of the Independent Directors, nature of the industry in which the Company operates, business and operations model, credit policies of the Company etc. It also ensures that regular updates are provided to all the Directors on the changes/revision in the Company's business model, new developments & initiatives undertaken by the Company, new processes & policies adopted/revised, amendment/introduction of applicable laws and/or regulations etc.

The familiarization programme for the new and continuing Independent Directors of the Company ensures valuable participation and inputs from them which helps in bringing forth the best practices into the organization and helps in taking informed decision(s) at the Board Level. The details of such familiarization programmes for Independent Director(s) are put up on the website of the Company www.indiahomeloan.co.in.

INDEPENDENT DIRECTOR'S MEETING:

The Independent Directors convened a separate meeting without the presence of the Non-Independent Directors or Chief Financial Officer or any other Managerial Personnel.

The meeting was conducted in an informal and flexible manner to enable the Independent Directors to discuss matters pertaining to inter alia review performance of Non-Independent Directors and the Board as a whole, review the performance of the company, assess the quality, quantity and timelines of flow of information between Company's management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

The Meeting of the Independent Directors was held on February 15, 2023.

BOARD EVALUATION:

The Board of Directors has carried out an annual evaluation of its own performance, Board committees and individual Directors pursuant to the provisions of the Companies Act 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The performance of the Board was evaluated by the Board after seeking inputs from the Directors on the basis of specified criteria such as the Board Composition and structures, effectiveness of board processes, information and functioning, etc.

The Board and the Nomination and Remuneration Committee ("NRC") reviewed the performance of the Individual Directors on the basis of contribution of the Individual Director to the Board and Committee meetings based upon criteria such as attendance, preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc.

At a separate meeting of Independent Directors, performance of Non-Independent Directors & performance of the Board as a whole was evaluated, taking into account the views of the Executive and Non-Executive Directors. The same was discussed at the next Board meeting at which the performance of the Board, its Committees and individual Directors was also discussed. Performance evaluation of Independent Directors was done by the entire Board, excluding the Independent Director being evaluated.

The board has identified the following skills/expertise/competencies fundamental for the effective functioning of the Company which are currently /available with the Board:

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **INDIA HOME LOAN LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement Of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and Notes to the Financial Statements, including a summary of Significant Accounting Policies and other Explanatory Information (hereinafter referred to as the "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (the "Act"), in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing ('SAs'), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Emphasis of Matter

1. In light of the non-availability of the comfort given to HFCs during COVID times and the backlash thereof, in the form of the underlying securities, in our opinion, we state that due to non-implementation of Omnifin, the classification of advances into NPA category is not clearly defined, due to which provisioning may not be accurate. To that extent, the company's income may be overstated (loss may be understated) and the NPAs as well as the provisions may be understated. We are not in a position to quantify the same in light of the above.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We have fulfilled the responsibilities described in the 'Auditor's responsibilities for the audit of the Financial Statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Financial Statements.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Recognition and measurement of Assets Held for Sale:</p> <p>To mitigate the credit risk on financial assets, the Company seeks to use collateral, where possible as per the powers conferred on the HFC under SARFAESI act.</p> <p>In its normal course of business, the company does not physically repossess properties or other assets in its retail portfolio, but generally engages external or internal agents to recover funds generally at auctions to settle outstanding debt.</p> <p>Any surplus funds are returned to the customers/obligors. As a result of this practice, the residential properties under legal repossession processes are not recorded on the balance sheet and are treated as assets held for sale at (i) fair value less cost to sell or (ii) principal outstanding, whichever is less, at the repossession date.</p>	<p>We have evaluated management's process and control around identification and measurement of underlying securities eligible for legal repossession.</p> <p>We have test checked the same with orders issued by appropriate authority under the SARFESI Act.</p> <p>We have test checked the valuation reports of the underlying securities of the repossessed securities so as to verify whether assets held for sale has been measured at valued at lower of (i) fair value less cost to sell or (ii) principal outstanding, whichever is less, at the repossession date.</p> <p>We have verified the appropriateness of disclosure made by the company in relation with regards to Assets held for Sale.</p>
2	<p>Impact of COVID 19</p> <p>Novel Corona Virus (Covid -19) -A Pandemic as declared by WHO, has disrupted the social & economic structure and continues to affect people and businesses world-wide, causing various Governments to impose restrictions. Given the unique nature of the pandemic and the extent of its economic impact which depends on future developments including governmental and regulatory measures and the Company's responses thereto, the actual credit loss can be different than that being estimated.</p> <p>We have identified that the impact and uncertainty related to the Covid-19 pandemic as a key element and consideration for recognition and measurement of impairment of loans and advances on account of:</p> <ul style="list-style-type: none"> - Application of RBI guidelines relating to COVID-19 Regulatory Package dated March 27, 2020, April 17, 2020 and May 23, 2020, on asset classification and provisioning; - Application of RBI Notification relating to Resolution Framework 2.0 for MSME resolution of Covid-19 related stress of MSMEs dated 5th May 2021. - Impact of the pandemic on the borrowers and their ability to repay their dues. - Short and Long-term macroeconomic effect on businesses and employment generation opportunities. <p>Management, while calculating ECL that affects financial results, has taken into account its historical experience of losses, updated to reflect current conditions of pandemic and moratorium as well as forecasts of future economic conditions.</p>	<p>The appropriateness of management's judgement was also independently reconsidered in respect of moratorium offered on the payment of instalments falling due between March 1, 2020 and August 31, 2020 to eligible borrowers.</p> <p>Test checked the basis of historical loss rates used and moratorium as well as forecasts of future economic conditions.</p> <p>Read and assessed the specific disclosures made in the financial statements with regards to managements evaluation of the uncertainties arising from COVID-19 and its impact on ECL.</p>

Other Matters

1. This report is to be read alongwith our Limited Review report dated 10th August, 2023.
2. The process of removing name of banks, of which the loans were repaid, from MCA Portal is pending as informed to us.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a

basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements for the financial year ended March 31, 2023, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The company's balance sheet and the statement of profit and loss account dealt with by this report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued there under;
 - e) On the basis of the written representations received from the directors taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company does not have any long-term contracts, including derivative contracts having any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2023.
 - A. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - B. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - C. Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under both sub-clauses mentioned above contain any material mis-statement.
 - iv. The company has not proposed or declared any dividend during the year.
- h) In our opinion, the remuneration paid / provided by the Company for its directors and manager for the year ended March 31, 2023 is in accordance with provision of section 197 read with Schedule V to the Act.
2. As required by the Companies (Auditor’s Report) Order, 2020 (the ‘Order’), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1(f) under 'Report on other legal and regulatory requirements' section of our modified report of even date to the members of INDIA HOME LOAN LIMITED

Report On The Internal Financial Controls With Reference To The Standalone Financial Statements Under Section 143(3) (i) Of The Act

We have audited the internal financial controls over financial reporting of the Company as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Qualified Opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to the standalone financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICA'.

Basis for Qualified Opinion

1. The company is in the process of implementation of an NBFC industry-specific ERP software which is yet to be implemented for strengthening the internal controls.

Management's Responsibility For Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning Of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations Of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

2 Summary of Significant Accounting Policies:

2.1.1 Statement of Compliance

Financial Statements of the Company have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards ("the Ind AS") prescribed under section 133 of the Companies Act, 2013 ("the Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and the guidelines issued by the National Housing Bank ("NHB") and Reserve Bank of India (RBI) to the extent applicable. The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The company presents its Balance sheet in order of liquidity.

2.1.2 Basis of Preparation and Presentation

The Company has prepared these Financial Statements, which comprises the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended March 31, 2023, and accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements") on the historical cost basis except employee benefit assets, which are measured at fair values at the end of each reporting period. The standalone financial statements are presented in Indian Rupees which is the functional and presentation currency of the Company and all values are rounded to the nearest thousands with two decimals, except when otherwise indicated.

2.2 MCA notifies new standard or amendments to the existing standards. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022 which is effective from April 01, 2022. On March 24, 2021, MCA through a notification, amended Schedule III of the Companies Act, 2013 effective from April 01, 2021. Amendments relating to Division III which relate to NBFCs whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015, as amended by the Companies (Indian Accounting Standards) Rules, 2016, have been complied with.

2.3 Use of Estimates and Judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, and disclosure of Contingent liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are as below:

1. Measurement of Expected Credit Loss
2. Measurement of useful life of Property, Plant & Equipment
3. Estimation of Taxes on Income
4. Estimation of Employee Benefit Expense”

2.4 Critical Accounting Estimates and Judgements

The preparation of the Company’s financial statements requires Management to make use of estimates and judgements. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from the Management’s estimates and judgements. Accounting estimates and judgements are used in various line items in the financial statements for e.g.

- 2.4.1 Business model assessment [Refer note no. 2.12.3.(i)]
- 2.4.2 Fair value of financial instruments [Refer note no. 2.12.3.(iii) & (iv)and note no. 35]
- 2.4.3 Impairment of financial assets [Refer note no. 2.12.5 and note no.4]
- 2.4.4 Provisions and contingent liabilities (Refer note no. 2.19 and note no. 32.9)
- 2.4.5 Provision for tax expenses (Refer note no. 41)

Estimation of impairment allowance on financial assets amidst COVID-19 pandemic

The Company believes that the factors considered are reasonable under the current circumstances and information available. However, the uncertainties caused by resurgence of the COVID-19 pandemic and related events could further influence the estimate of credit losses.

2.5 Presentation of Financial Statements

Balance Sheet and the Statement of Profit and Loss are prepared on accrual basis and presented in the format prescribed in the Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 “Statement of Cash Flows”. All values are rounded to the nearest thousands with two decimals, except when otherwise indicated.

2.6 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

2.6.1 Interest and Dividend Income

Interest income are recognised in the statement of profit or loss using the effective interest method. The effective interest method is a method of calculating the amortised cost of a financial asset or a financial liability and of allocating the interest income over the relevant period.

The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument or, when appropriate, a shorter period to the net carrying amount of the financial asset or financial liability. When calculating the effective interest rate, the Company estimates cash flows considering all contractual terms of the financial instrument but does not consider future credit losses.

Dividend income is recognised when the Company’s right to receive dividend is established by the reporting date.

2.6.2 Fees Income

Processing fees collected on loan proposals, the entire fees will be amortised over the behavioural tenure of the loan and will be recognised as income on the basis of Effective Interest Rate calculation.

2.6.3 Other operational revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

2.7 Property, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost less accumulated depreciation and cumulative impairment, if any. Cost includes professional fees related to the acquisition of PPE. For transition to Ind AS, the Company has elected to adopt as deemed cost, the carrying value of PPE measured as per IGAAP less accumulated depreciation and cumulative impairment on the transition date of April 1, 2018.

PPE not ready for the intended uses on the date of the Balance Sheet are disclosed as “capital work-in-progress”. Depreciation is recognised using WDV so as to write off the cost of the assets (other than freehold land) less their residual values over their useful lives specified in Schedule II to the Act, or in case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/residual value is accounted on prospective basis. Depreciation on asset of or less than Rs. 10,000/- shall be provided fully in the year of purchase.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

2.8 Intangible Assets

Intangible assets comprising application software are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost less accumulated amortisation and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as “Intangible assets under development”.

Intangible assets are amortised on WDV method over the estimated useful life as follows :

Name of Asset	Useful life (years)
Computer Software	10

The method of amortisation and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

An intangible asset is derecognised on disposal or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is derecognised.

2.9 Impairment Of Non Financial Assets

The carrying amount of assets is reviewed at each reporting date. If there is any indication of impairment based on internal/ external factors, an impairment loss is recognised in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. After impairment, depreciation/amortisation is provided on the revised carrying amount of the asset over its remaining useful life. If at the reporting date there is an indication that previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

2.10 Employee Benefits

2.10.1 Short-term obligations:

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

2.10.2 Post-employment obligations:

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund.

2.10.3 Defined Benefit Plans:

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

'Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss. When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

2.10.4 Defined contribution plan

Obligations for contributions to defined contribution plans are expensed as the related service is provided and the Company will have no legal or constructive obligation to pay further amounts. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

2.10.5 Termination benefits

Termination benefits are recognised as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognised as an expense if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

2.11 Leases

The company assesses whether a contract contains a lease, at inception of a contract. The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

Also in case of company has a lease agreement for the office premise, which is a cancellable agreement. A lease has a contract period of five years but can be terminated any time at the option of the lessor or the lessee without incurring any significant penalty. Thus, Lease rentals on assets under operating lease are charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.

2.12 Financial instruments

2.12.1 Initial recognition and measurement:

All financial instruments are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition of the financial asset are recognised in determining the carrying amount, if it is not classified as at fair value through profit or loss.

Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. Loans, borrowings and payables are recognised net of directly attributable transaction costs. Subsequently, financial instruments are measured according to the category in which they are classified.

2.12.2 Subsequent measurement:

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non- derivative financial assets comprising amortised cost, debt instruments at fair value through other comprehensive income (FVTOCI), equity instruments at FVTOCI or fair value through profit and loss account (FVTPL), non-derivative financial liabilities at amortised cost or FVTPL and derivative financial instruments (under the category of financial assets or financial liabilities) at FVTPL.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

2.12.3 Non-derivative financial assets

(i) Business Model Test for Financial Assets

An assessment of business models for managing financial assets is fundamental to the classification of a financial asset. The Company determines the business models at a level that reflects how financial assets are managed together to achieve a particular business objective. The Company's business model does not depend on management's intentions for an individual instrument, therefore the business model is not assessed on an instrument-by-instrument basis but at a higher level of aggregated portfolios and is based on observable factors such as:

- (a) How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel;

- (b) The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way in which those risks are managed; and
- (c) How employees of the business are compensated (e.g. whether the compensation is based on the fair value of mutual funds of the assets managed or on the contractual cash flows collected of loans).

At initial recognition of a financial asset, the Company determines whether newly recognised financial assets are part of an existing business model or whether they reflect the commencement of a new business model. The Company reassesses its business models each reporting period to determine whether the business models have changed since the preceding period. For the current and prior reporting period the Company has not identified a change in its business models.

Solely Payment of Principal and Interest (SPPI test)

For an asset to be classified and measured at amortised cost or at FVTOCI, its contractual terms should give rise to cash flows that are meeting SPPI test.

For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. That principal amount may change over the life of the financial asset (e.g. if there are repayments of principal).

Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin. The SPPI assessment is made in the currency in which the financial asset is denominated.

Contractual cash flows that are SPPI are consistent with a basic lending arrangement. Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI. An originated or an acquired financial asset can be a basic lending arrangement irrespective of whether it is a loan in its legal form.

(ii) Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest rate method, less any impairment loss.

Financial assets at amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets. Cash and cash equivalents are highly liquid instruments that are readily convertible into cash and which are subject to an insignificant risk of changes in value and comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

(iii) Financial instruments at FVTOCI

A financial instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

- (a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and
- (b) the asset's contractual cash flow represents SPPI

Financial instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs. Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain/(loss) in statement of profit and loss. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the effective interest rate (EIR) model.

(iv) Financial instruments at FVTPL

A financial asset shall be measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income.

2.12.4 Non-derivative financial liabilities

Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

2.12.5 Impairment of financial assets

Impairment approach: 'Ind AS 109 establishes a credit risk impairment model based on expected losses. This model will apply to loans and debt instruments measured at amortised cost or at fair value through shareholders' equity (on a separate line), to loan commitments and financial guarantees not recognised at fair value, as well as to lease receivables. The impairment model under Ind AS 109 requires accounting for 12-month expected credit losses (that result from the risk of default in the next 12 months) on the financial instruments issued or acquired, as of the date of initial recognition on the balance sheet.

Expected credit losses at maturity (that result from the risk of default over the life of the financial instrument) will be recognised if the credit risk has increased significantly since initial recognition (Stage 2) or have become credit impaired (Stage 3).

Under the standard, there is also a rebuttable presumption that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due. Based on past experience, the company has developed the ECL model rebutting this presumption and uses 30 days past due as the trigger for confirming a significant increase in credit risk. The structure of the ECL model developed by the company is :

Stage-1 When loans are first recognised, the Company recognises an allowance based on 12mECLs. This also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.

Stage-2 When a loan has shown a significant increase in credit risk since origination, the Company records an allowance for the LTECLs. Stage 2 loans also include facilities, where the credit risk has improved and the loan has been reclassified from Stage 3.

Stage-3 Loans considered credit-impaired. A default on a financial asset is when the counterparty fails to make the contractual payments within 90 days of when they fall due. Accordingly, the financial assets shall be classified as Stage 3, if on the reporting date, it has been 90 days past due. Further if the customer has requested forbearance in repayment terms, such restructured, rescheduled or renegotiated accounts are also classified as Stage 3. Non-payment on another obligation of the same customer is also considered as a stage 3. Defaulted accounts include customers reported as fraud in the FRMC. Once an account defaults as a result of the DPD condition, it will be considered to be cured only when entire arrears of interest and principal are paid by the borrower. The Company records an allowance for the LTECLs.

The Company assesses periodically and at each balance sheet date whether there is objective evidence that a financial asset or group of financial assets is impaired. Impairment allowances represent management's best estimate of the losses incurred within the loan portfolios at the balance sheet date. They are calculated on a collective basis for portfolios of loans of a similar nature and on an individual basis for significant loans. The calculation of both collective and specific impairment allowances is inherently judgmental. Collective impairment allowances are calculated using models which approximate the impact of current economic and credit conditions on large portfolios of loans. The inputs to these models are based on historical loss experience with judgement applied to determine the assumptions (for example the value of collateral) used to calculate impairment. The amount of provision for loan losses is calculated by multiplying the exposure at default (EAD), Probability of Default (PD) and Loss Given Default (LGD).

Being a housing finance company, the company has to follow the guidelines given by the Master Directions Non Banking Financial Company -Housing Finance Company (Reserve Bank) Directions,2021 on Asset Classification and provisioning requirement. The Prudential norms prescribed do not consider the value of security for standard and sub-standard assets. The company provides for impairment of financial assets on the basis of the Expected Credit Loss Model or the norms of RBI whichever is higher.

2.12.6 Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is de-recognised when the rights to receive cash flows from the financial asset have expired. The Company also de-recognised the financial asset if it has transferred the financial asset and the transfer qualifies for de recognition.

The Company has transferred the financial asset if, and only if, either:

- (a) It has transferred its contractual rights to receive cash flows from the financial asset or
- (b) It retains the rights to the cash flows, but has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement.

A transfer only qualifies for derecognition if either:

- (a) The Company has transferred substantially all the risks and rewards of the asset or
- (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/loss that had been recognised in OCI and accumulated in equity is recognised in profit or loss.

2.12.7 Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in profit or loss.

2.13 Cash and cash equivalents

Cash comprises of cash on hand and demand deposits with banks. Cash equivalents are short-term deposits with banks (with an original maturity of three months or less from the date of placement) and cheques on hand. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.14 Borrowing Costs

Borrowing costs includes interest, commission/brokerage on deposits and exchange differences arising from foreign currency borrowings to the extent they are regarded as adjustment to interest cost. Interest expenses is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate (EIR) applicable.

The effective interest method is a method of calculating the amortised cost of a financial liability and allocating interest expenses over the relevant period.

2.15 Dividends on ordinary shares

The Company recognises a liability to make cash distributions to equity shareholders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the Companies Act, 2013 final dividend is authorised when it is approved by the shareholders and interim dividend is authorised when it is approved by the Board of Directors of the Company. A corresponding amount is recognised directly in equity

2.16 Segments

The Company's main business is financing by way of loans for the purchase or construction of residential houses in India. All other activities of the Company revolve around the main business. In the context of Ind AS 108 – "Operating Segments" specified under section 133 of the Companies Act, 2013, is considered to constitute one reportable segment.

2.17 Taxes on Income

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the Statement of Profit and Loss except when they relate to items that are recognized outside profit or loss (whether in other comprehensive income or directly in equity), in which case tax is also recognized outside profit or loss.

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carry-forwards and tax credits. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date, and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

2.18 Earnings Per Share

Basic earnings per share have been computed by dividing net income by the weighted average number of shares outstanding during the year. Diluted earnings per share has been computed using the weighted average number of shares and dilutive potential shares, except where the result would be anti-dilutive.

2.19 Provisions, Contingent Liabilities and Contingent Assets

2.19.1 Provisions are recognised only when :

- (i) An entity has a present obligation (legal or constructive) as a result of a past event; and
- (ii) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) A reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

2.19.2 Contingent liability is disclosed by way of note in case of :

- (i) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- (ii) A present obligation arising from past events, when no reliable estimate is possible.

2.19.3 Contingent Assets :

Contingent assets are not recognised in the financial statements.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

2.19.4 Commitments

Commitments are future liabilities for contractual expenditure and is disclosed in case of – • Estimated amount of contracts remaining to be executed on capital account and not provided for; • Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

2.19.5 Effective Interest Rate (EIR) Method

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges). This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/expense that are integral parts of the instrument

2.19.6 Estimating the incremental borrowing rate

The Company uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Company would have to pay to for its incremental borrowings.

4.1 There are no loans measured at FVOCI or FVTPL or designated at FVTPL.

4.2 Loans granted by IHLL are secured by one or combination of following securities:

- Equitable/Registered mortgage of property and / or
- Hypothecation of assets and / or
- Company guarantee or personal guarantee and/or
- Undertaking to create a security

4.3 In its normal course of business, the company does not physically repossess properties or other assets except properties repossessed under SARFAESI. Property acquisition is a last recourse which company exercise in case recovery become very difficult. Any surplus funds after settlement of outstanding loans are returned to the customers. As a result of this practice, the residential properties under legal repossession processes are not treated as non-current assets held for sale.

On 30th March, 2019 the company had issued 16,00,000 Convertible share warrants to promoters and non-promoters at a price of ₹ 76.75 per share warrant with an option to convert each warrant with one equity share of face value of ₹ 10 per equity shares on or before 29th September, 2020. The Company had already received 25% of the issue price from the Allottees upto 29th March, 2019. Allottees needed to pay balance 75% of issue price on or before 29th September, 2020. The Company, on request of all warrant holders, has made an application to SEBI for extension of due date of warrants on 4th September, 2020. The SEBI has given extension till 13th November, 2020. However allottees were unable to pay balance 75% of issue price till extended time allowed by SEBI and hence company has forfeited the paid 25% amount of issue price (₹ 3,07,00 thousands) and transferred the same to Capital Reserve.

Note: As per RBI Notification DOR (NBFC).CC.PD.No.109/22.10.106/2019-20, when the impairment allowance as per IND AS 109 is lower than provisioning requirements of IRACP (including standard assets provisioning), the differential amount has to be transferred to a separate "Impairment Reserve". During the year, the company has transferred NIL (previous year ₹ 28,576.15/- thousands) to such Impairment reserve.

32.5 COVID - 19 REGULATORY PACKAGE**32.5.1 COVID - 19 RESOLUTION FRAMEWORK 2.0**

The Company invoked resolution plans to relieve COVID-19 pandemic related stress to eligible borrowers. The resolution plans are based on the parameters laid down in the guidelines issued by the RBI May 5, 2021. The staging of accounts and provisioning for the eligible accounts where the resolution plans are invoked and implemented is in accordance with the Board Approved Policy in this regard.

Disclosure on Resolution Framework 2.0 implemented in terms of RBI notification no. RBI/2021-22/31/DOR.STR.REC.11 /21.04.048/2021-22 dated May 05, 2021.

32.5.2 COVID - 19 REGULATORY PACKAGE

In accordance with the RBI guidelines relating to COVID - 19 Regulatory Package dated March 27, 2020 and April 17, 2020, the Company granted moratorium of three months on payments of all instalments and/or interest falling due on or after March 1, 2020 till May 31, 2020 (further extended as per RBI guidelines for another 3 months falling due on or after June 1, 2020 till August 31, 2020) to eligible borrowers who have requested for moratorium. The Company has used the principles of prudence in applying judgments, estimates and possible forward looking scenarios to assess and provide for the impact of the COVID-19 pandemic on the Financial Statements specifically while assessing the expected credit loss on financial assets by applying the customer profiling within salaried and self-employed portfolio and management overlays. The Company has performed an estimation of portfolio stress through analysing its portfolio in respect of various risk classification, using the available historical and current data and based on current indicators of future economic conditions. On May 22, 2020, the RBI has announced extension of the moratorium period by further three months. The extent to which COVID - 19 pandemic will impact the company's provision on financial assets will depend on future developments, which are highly uncertain. The impact of COVID - 19 pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions. Post outbreak of COVID-19, virus continues to spread across the country, resulting in significant volatility in financial markets and a significant decrease in economic activities. On March 11, 2020, this outbreak was declared a global pandemic by the World Health Organisation and consequent lockdowns were imposed across. The situation was improving upto Jan - Feb 2021 but due to the onset of the 'second wave', things have deteriorated since March 2021. Increase in COVID 19 cases necessitated imposition of restrictions which may once again impact economic activity and markets. In preparing the accompanying financial statements, the Company's management has assessed the impact of the pandemic on its operations and its assets as at March 31, 2021. The management does not, at this juncture, believe that the impact on the value of the Company's assets and underline security is likely to be material. The extent to which the second wave of COVID 19 pandemic will impact the Company's results will depend on ongoing as well as future developments, which at this juncture are highly uncertain.

32.6 The company has complied with the norms prescribed under Housing Finance Companies (NHB) Directions, 2010 for recognising Non-Performing Assets (NPAs) in preparation of account. As per the prudential norms prescribed by the National Housing Bank, in respect of credit exposures, the total provisioning made (AS per ECL) for NPA and standard assets and towards COVID till 31st March, 2023 is ₹ 41298.33 thousands (Previous Year ₹ 57958.11 thousands). (B) FAIR VALUE HEIRARCHY

Fair value is the amount for which an asset could be exchanged or a liability settled between knowledgeable willing parties in an arm's length transaction. The Company has made certain judgements and estimates in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified the financial instruments into three levels prescribed under the accounting standard. An explanation of each level is as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities. This includes mutual funds and listed equity instruments that have quoted price. The mutual funds are valued using the closing NAV.

Level 2: Level 2 hierarchy includes financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates.

Level 3: If one or more of the significant inputs is not based on the observable market data, the instrument is included in Level 3 hierarchy.

(C) VALUATION TECHNIQUES

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices for mutual funds
- the use of quoted market prices for equity instruments

The carrying amounts of cash and cash equivalents, other bank balances, trade payables and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.

The fair values for loans and other financial assets were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair values of borrowings other than debt securities are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

NOTE 36 FINANCIAL RISK MANAGEMENT

A. CREDIT RISK

Credit risk is the risk of loss that may occur from the failure of any party to abide by the terms and conditions of any contract, principally the failure to make required payments of amounts due to company. In lending operations, the Company is principally exposed to credit risk.

The credit risk is governed by various Product Policies. The Product Policy outlines the type of products that can be offered, customer categories, the targeted customer profile and the credit approval process and limits.

The credit risk for retail borrowers is being managed at portfolio level for both Home loans and Non Home Loans. The Company has a structured and standardized credit approval process, which includes a well-established procedure of comprehensive credit appraisal. The Risk Management Policy addresses the recognition, measurement, monitoring and reporting of the Credit risk. The Company has additionally taken the following measures : -

- Borrower exposure limits as per applicable regulations.
- Establishment of a team to enhance focus on monitoring of process implementation at the branches and to facilitate proactive action wherever required.
- Enhanced monitoring of retail product portfolios through periodic review.

CREDIT APPROVAL AUTHORITIES

The Board of Directors has approved delegation of loan sanctioning powers to Managing Director and member of the management team on a graded level of the loan amount.

CREDIT RISK ASSESSMENT METHODOLOGY

i) Retail Loans

Company's customers for retail loans are primarily low, middle and high-income, salaried and self-employed individuals.

The Company's credit officers evaluate credit proposals on the basis of active credit policies as on the date of approval. The criteria typically include factors such as the borrower's income & obligations, the loan-to-value ratio, Fixed obligation to income ratio and demographic parameters subject to regulatory guidelines. Any deviations need to be approved at the designated levels.

The various process controls such as KYC check, Credit Bureau Report analysis are undertaken. Company's staff performs comprehensive due diligence process including visits to customer's business and residence premises.

Company analyses the portfolio performance of each product segment regularly, and use these as inputs in revising the product programs, target market definitions and credit assessment criteria to meet the twin objectives of combining volume growth and maintenance of asset quality. The retail loans are fully secured and have full recourse against the borrower. The Company has an equitable mortgage over the collateral Immovable Properties. Wherever the state laws provide, the memorandum of deposit of title deeds are also registered.

ii) Other Loans

The Company has a framework for the appraisal and execution of project finance transactions and it believes that such framework enables optimal risk identification, allocation and mitigation and helps minimize risk in the transaction.

The project finance approval process undertakes detailed evaluation of credit, technical, commercial and financial besides capacity and capability of developer/promoter. A credit scan by obtaining CIBIL and legal litigation reports of key developer/promoter further strengthens credit evaluation. As part of the appraisal process, a risk matrix is prepared to assess project risks in terms of its viability and implementation of projects and other risks associated with the project.

Project finance loans are fully secured by equitable mortgage with registered MOD (Memorandum of deposit of titles) of the prime property being land on which project is to be executed besides lien on constructed units. The Company creates lien on the receivables arising from sale of constructed units. Cash flows are being escrowed in favour of the company besides setting up the escrowing of sale proceeds as per the RERA Act. The Company also obtains personal guarantees of the developer/key promoters. Besides, monthly reports on progress of work, sales booking and sales proceeds are being collected from borrowers which are being monitored until loans are fully repaid.

RISK MANAGEMENT AND PORTFOLIO REVIEW

The Company ensures effective monitoring of credit facilities through a risk-based asset review framework under which the frequency of asset review is determined depending on the risk associated with the product.

For both Retail and other borrowers, the company staff verifies adherence to the terms of the credit approval prior to the commitment and disbursement of credit facilities.

The Company monitors compliance with the terms and conditions for credit facilities prior to disbursement. It also reviews the completeness of documentation, creation of security and compliance with regulatory guidelines.

The provision estimated as per ECL (Expected Credit Loss) model on an aggregate basis is lower than the overall provision required under IRAC (Income Recognition and Asset Classification) norms of the RBI. The Management on a conservative approach has decided to create Impairment reserve.

As at balance sheet date, the Company does not have significant concentration of credit risk

B. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

To limit this risk, management has arranged for diversified funding sources and adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a daily basis. The Company has developed internal control processes for managing liquidity risk.

Housing Finance being core business, maintaining the liquidity for meeting the growth perspective in the business as also to honour our committed repayments is the fundamental objective of the Asset Liability Management (ALM) framework.

C. Market Risk

The Company's core business is borrowing and lending as permitted by the National Housing Bank. These activities expose the Company to interest rate risk.

Interest Rate Risk refers to the risk associated with the adverse movement in the interest rates. Adverse movement would imply rising interest rates on liabilities and falling interest yields on the assets. This is the biggest risk which the company faces. It arises because of maturity and re-pricing mismatches of assets and liabilities.
