As per Section 180(1)(c) of the Companies Act, 2013 ('the Act'), the Company can borrow money together with the money already borrowed by the Company, exceeding aggregate of its paid-up share capital, free reserves and securities premium, apart from temporary loans obtained from the Company's bankers in ordinary course of business only with the consent of the Members of the Company by a Special Resolution.

The Company's current limit of borrowing as per the provisions of Section 180 (1) (c) of the Act is Rs. 1362 Cr and the current outstanding debt of the Company is Rs. 650 Cr.

It is further to be noted that the Company has already agreed to acquire a majority stake in Home Credit India Finance P Ltd (HCIFL) post regulatory approvals for which the available borrowing limits would be utilised.

Considering that the core business objectives of the Company necessitate ongoing capital infusion for sustained growth, diversification and value creation, the Board of Directors at their meeting held on 23rd October 2024 deliberated and approved the proposal to seek the approval of the shareholders for an enhanced limit of borrowing upto Rs. 5,000 Cr or the limits calculated as per the provisions of Section 180 (1)(c) of the Act, as amended from time to time, whichever is higher.

This augmented capacity will empower the Company to meet its borrowing requirements effectively, not only in the immediate future but also as it navigates subsequent investments, expansion and other value maximisation endeavours.

The Board would be exercising necessary caution so as to maintain a healthy debt level which would allow the Company to capitalize on growth opportunities while safeguarding its financial health.

The Company would also ensure compliance of the capital adequacy norms and other requirements as may be prescribed by the Reserve Bank of India from time to time.
