**Subject: Business Update- Bags Order for Security Operations Center (SOC) Services to
SBI Cards and Payments Services Limited
Scrip Code: - 544189 – SATTRIX INFORMATION SECURITY LIMITED**

Dear Sir/Madam,

We are pleased to inform all the stakeholders that the Company has bagged a very prestigious order to provide SOC Services to SBI Cards and Payment Services Limited.

Satrix Information Security Limited (“Satrix”), the Company is into a cyber security services-focused Company that has spent the previous 11 years focusing only on the "delivery" of a solution. The delivery center of the Company is situated in Ahmedabad, Gujarat, with an ISO27001 certification and ongoing service to more than 40+ national and international clients.

Satrix follow’s the SOC-CMM and SOC2 standards in addition to its well-established ISMS architecture. For any Enterprise customers, this places Satrix in a special "delivery oriented" partner position.

Satrix is acknowledged as the official Professional Services arm for major cybersecurity product OEMs, including Splunk, MicroFocus, TripWire, RSA, Checkpoint, Tenable, Akamai, etc. Our company is acknowledged as a 4-star service delivery organization by the Gartner Peer review, a testament to our strength.

SBI Cards and Payment Services Limited (“SBIC”), the Company with an aim to offer Indian consumers access to a wide range of world-class, value-added payment products and services. Its endeavor is to simplify the lives of its customers, employees and other important stakeholders.

As per PO, Satrix will provide Supply of SOC Services to SBIC which includes (1) 4500 Devices /Log sources (2) Platform and device administration (3) Proactive threat hunting services across networks and a Daily Threat Hunting Report (4) Program Management & Resource Matrix & (5) One On-site SOC L3 at SBI Card's Gurgaon Office, as captured in SOW section Resource Matrix. In addition

to 24x7 monitoring, Satrix will manage Threat Intelligence operations, perform advanced threat hunting to identify anomalous user and network behavior to detect advanced attacks and perform Incident response and SOC device administration for a comprehensive security operation.

Kindly take the above information on the record.

Thanking you,

Yours faithfully,

For, Satrix Information Security Limited

(formerly known as Satrix Information Security Private Limited)
