**8. Approval for Related Party Transaction as per Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015**

As per the provision of Section 188 of the Companies Act, 2013 read with rules made thereunder transactions with related parties which are at arm length basis and in ordinary course of business are exempt from the obligation of obtaining prior approval of shareholders. However, prior approval of the shareholders is required for the Related Party Transactions, as defined in Section 188 of the Companies Act, 2013, where the amount of transaction with Related party (i.e., Related party falling within the definition of 'Related Party' Section 2(76) of the Companies Act, 2013) exceeds the limits as specified in Section 188 of the Companies Act, 2013 read with Rule 15(3) of Companies (Meeting of Board and its Power) Rules, 2014.

As per Regulation 23 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), prior approval of the shareholders is required for Related Party Transactions (as per 'Related Party Transaction' defined under Regulation 2(1)(zc) of the Listing Regulations) exceeding the threshold of lower of Rs. 1,000 crores (Rupees one thousand crores) or 10% (ten per cent) of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity (i.e. transaction between the Company and Related party. Related party falling within the definition of 'Related Party' under Regulation 2(1)(zb) of the Listing Regulations).

Given the nature of the Company's business, the Company works closely with its related party to achieve its business objectives and enters into various operational transactions with its related parties, from time to time, in the ordinary course of business and on an arm's length basis.

Amongst the transactions that the Company enters into with its related parties, the estimated value of the contract(s)/ arrangement(s)/ agreement(s)/ transaction(s) of the Company with the Related Party may exceed the threshold of Material Related Party Transactions within the meaning of Regulation 23(1) of the Listing Regulations i.e. 10% of the annual consolidated turnover of the Company, being the lower of Rs. 1,000 crores (Rupees one thousand crores) or 10% (ten per cent) of the annual consolidated turnover of the Company as per the last audited financial statements of the Company or exceeds the threshold limits as specified in Section 188 of the Companies Act, 2013 read with Rule 15(3) of Companies (Meeting of Board and its Power) Rules, 2014.

*None of the Director(s) and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the passing of resolution set out at Item No. 08 of the Notice except to the extent of their directorships and shareholding in the Company (if any).*

Accordingly, the Board/Committee sought consent/approval of the members for passing a Special Resolution as set out in Item No.8 of Notice.

**9. Alteration of Articles of Association of the Company**

Pursuant to the provisions of section 14 of the Companies Act, 2013, alteration of articles requires approval of the members of the Company by way of a Special Resolution at a general meeting.

The Board of Directors' in their meeting held on August 30, 2024 has approved the amendment in the Article of Association of the Company by inserting new Article 66A in the existing Articles of Association of the Company as set out in item no. 9 of the notice, subject to the approval of members of the Company:

A copy of the proposed amended Articles of Association (AOA) is available for inspection in physical by the members at the registered office of the Company during normal business hours on all working days from the date of dispatch of the notice, up to the last date of voting i.e. August 30, 2024.

*None of the Director(s) and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the passing of resolution set out at Item No. 09 of the Notice except to the extent of their directorships and shareholding in the Company (if any).*

The Board recommends the Special Resolution set out at Item No 9 of the Notice for approval by the Members.

**10. Approval for borrowing limits of the company as provided under section 180 (1)(c) of the Companies Act, 2013**

Pursuant to the provisions of Section 180(1)(c) of the Companies Act, 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014 (the "Rules") (as amended from time to time), the Board of Directors have the powers to borrow money, where the money to be borrowed, together with the money already borrowed by the company could exceed aggregate of its paid-up share capital, free reserves and securities premium, apart from temporary loans obtained from the company's bankers in the ordinary course of business provided a consent by way of special Resolution by the Shareholders of the Company has been obtained.

Keeping in view the future plans of the Company and to fulfil long term strategic and business objectives and as a measure of achieving greater financial flexibility and to enable optimal financing structure, the Board of Directors in its meeting held on August 30, 2024 has, subject to the approval of shareholders of the Company, proposed and approved for seeking the shareholder's approval for giving authorization to Board of Directors under section 180(1)(c) of the Companies Act, 2013 upto an aggregate limit of Rs. 50 crores (Rupees Fifty Crores only).

*None of the Director(s) and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the passing of resolution set out at Item No. 10 of the Notice except to the extent of their directorships and shareholding in the Company (if any).*

Accordingly, the Board/Committee sought consent/approval of the members for passing a Special Resolution as set out in Item No. 10 of Notice.

**11. Approval under Section 180 (1)(a) of the Companies Act, 2013**

Pursuant to the provisions of Section 180(1)(a) of the Companies Act, 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014 (the "Rules") (as amended from time to time), the Board of Directors have the powers to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the company or where the company owns more than one undertaking, of the whole or substantially the whole of any of such undertakings; provided a consent by way of a **Special Resolution** by the Shareholders of the Company has been obtained.

In order to secure the borrowings / financial assistance, the Company may be required to create security by way of mortgage/ charge and/or hypothecation of its assets and properties both present and future in favour of the Lender.

Keeping in view the future plans of the Company and to fulfil long term strategic and business objectives and as a measure of achieving greater financial flexibility and to enable optimal financing structure, the Board of Directors in its meeting held **on August 30, 2024** has, subject to the approval of shareholders of the Company, proposed and approved for seeking the shareholder approval for setting up limit upto an aggregate limit of **Rs.**

**50 Crores (Rupees Fifty Crores only)** under Section 180(1)(a) of the Companies Act, 2013 due to the sanction of limits under Section 180(1)(c) of the Companies Act, 2013.

*None of the Director(s) and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the passing of resolution set out at Item No. 11 of the Notice except to the extent of their directorships and shareholding in the Company (if any).*

Accordingly, the Board/Committee sought consent/approval of the members for passing a Special Resolution as set out in Item No. 11 of Notice.

12. **Approval of Limits for the Loans, Guarantees and Investment by the Company as per Section 186 of the Companies Act, 2013**

Pursuant to the provisions of Section 186 of the Companies Act, 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014 (the "Rules") (as amended from time to time), the Board of Directors of a Company can give loan to any person or body corporate, give guarantee or provide security in connection with a loan to any other body corporate or person(s); and acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, any sum or sum of money(ies) on such terms and conditions and with or without security as the Board of Directors may think fit from time to time which together with the loans, guarantee, security and investment given/provided/made by the Company, beyond the maximum permissible limit under Section 186 of the Companies Act, 2013 i.e. 60% of the paid-up capital of the Company and its free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is more, provided that if special resolution has been passed by the shareholders of the Company to that effect.

Keeping in view the future plans of the Company and to fulfil long term strategic and business objectives and as a measure of achieving greater financial flexibility and to enable optimal financing structure, the Board of Directors in its meeting held on **August 30, 2024** has, subject to the approval of shareholders of the Company, has proposed and approved for seeking the shareholder approval for setting up limit upto an amount of Rs.50 Crores (Rupees Fifty Crore only) over & above the limit of 60% of the paid-up share capital, free reserves and securities premium account of the Company or 100% of free reserves and securities premium account of the Company, whichever is more, as prescribed under Section 186 of the Companies Act, 2013 and to give powers to the Board of Directors or any duly constituted committee thereof to that effect under Section 186 of the Companies Act, 2013.

The loan(s), guarantee(s), security (ies) and investment(s), as the case may be, shall be made in accordance with the applicable provisions of the Companies Act, 2013 and relevant rules made thereunder.

None of the Directors or Key Managerial Personnel or their relative(s) is / are in any way concerned or interested, in passing of the above-mentioned resolution except to the extent of their directorships and shareholding in the Company (if any).

Accordingly, consent of the members is sought for passing a Special Resolution as set out at Item No. 12 of this Notice, in relation to the details as stated above and thus the Board of Directors recommends the said Resolution for the approval of the shareholders of the Company as a Special Resolution.

## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

We submit herewith the “Management Discussion and Analysis Report” on the business of the Company as applicable to the extent relevant.

### **GLOBAL ECONOMY OVERVIEW**

The Textile Industry is expected to grow from USD 723 billion in 2023 to USD 859 billion by 2028, at a CAGR of 3.52% during the forecast period (2023-2028).

The global Manufacturing PMI has been under contraction in CY2023 but has indicated stabilization towards the start of CY2024. Additionally, commodity prices have remained relatively stable in CY2023 despite the ongoing economic slowdown in China & Europe and geo-political challenges in Europe and the Middle East. Owing to the rising interest of foreign institution investor, several emerging economies like India, Vietnam and Mexico are expected to show a positive growth trajectory.

The textile industry is an ever-growing market, with key competitors being China, the European Union, the United States, and India. China is the world’s leading producer and exporter of both raw textiles and garments. The United States is the leading producer and exporter of raw cotton, while also being the top importer of raw textiles and garments. The textile industry of the European Union comprises Germany, Spain, France, Italy, and Portugal at the forefront with a value of more than 1/5th of the global textile industry. India is the third-largest textile manufacturing industry and is responsible for more than 6% of the total textile production, globally. The rapid industrialization in the developed and developing countries and the evolving technology are helping the textile industry to have modern installations which are capable of high-efficient fabric production. These factors are helping the textile industry to record more revenues during the study period and are expected to help the industry further in the forecast period.

#### **Outlook**

Global growth is estimated to remain stable at 3.2% throughout CY 2024 and CY 2025\*. Global inflation is receding at a faster pace than anticipated. It declined from 8.7% in CY 2022 to 6.8% in CY 2023 and is expected to further decline to 5.9% in CY 2024, according to IMF.

However, geopolitical risks remain high, particularly in light of the continuing conflict in the Middle East and political tensions in Europe. Going forward, declining inflation and greater government spending is anticipated to alleviate fiscal pressures and expected to attract investments for future growth.

### **INDIAN ECONOMIC OVERVIEW**

India’s economy is one of the fastest-growing major economies in the world. In FY 2024, India registered a GDP growth rate of 8.2%\*. This growth was accompanied by a fall in the inflation rate and improved disposable income which resulted in increased private consumption and sustained demand for goods and services in the country. The Reserve Bank of India’s (RBI) proactive monetary policies contributed to strengthening the financial landscape of the country. The capital expenditure push, particularly on roads and railroads, has favoured in maintaining the economic growth rate. For the year under review, the FDI in India remained resilient and amounted to USD 71.0 billion#. The Government of India also allocated 3.3% of GDP to infrastructure development and supported the economy by creating employment opportunities. The manufacturing sector grew by 9.9% in FY 2024 owing to the favourable demand conditions in the economy. Notably, there has been greater capacity utilisation across the manufacturing sector, which has further fuelled economic growth.

#### **Outlook**

The Indian economy is expected to continue its upward trend and become the third-largest economy by 2027. According to the Organization for Economic Co-operation and Development (OECD), the GDP is expected to grow by 6.6% in FY 2024-25. Inflation is expected to further fall and this will support the increased level of consumption of goods and services and contribute to increased activity in the economy.

With the support of various industry-promoting programmes like the Production-Linked Incentive (PLI) scheme and the government’s ‘Make in India’ initiative, the manufacturing sector can potentially expand into a USD 1 trillion industry by 2025–2026. This strategic move is expected to help the growth of the manufacturing sector and thereby contribute to economic growth in the coming years.

## INDUSTRY OVERVIEW

### TEXTILE

#### GLOBAL TEXTILE MARKET

The global textile industry attained a market size of USD 1,837.27 billion in CY 2023\*. The global textile industry witnessed a trend of adopting Artificial Intelligence (AI) in CY 2023, which also helped enhance the industry's productivity. Innovations such as automation and digital printing have significantly transformed the global market by enhancing the productive efficiency of the industries and meeting the dynamic market demands in the reported year.

The Global textile industry is recovering, with inventory levels of international retailers and brands back to pre-pandemic norms. Despite this, the industry remains cautious about demand as textile companies await an increase in order book momentum. The growth in this industry was significantly contributed by the growth in the Asia Pacific markets for the year under review. The European markets are also expected to experience significant growth in the future.

The consumers increasing environment-consciousness is moving the industry towards manufacture of sustainable products. Further the buyers' thrust to diversify their supply chain beyond China to avoid over-reliance on a single country is a driver for India to come up as a value chain partner owing to our raw material strength and robust manpower pool.

Anticipated Free Trade Agreement (FTA) include the long overdue UK FTA and EU FTA, along with negotiations between India and the Russia-led five-member Eurasian Economic Union (EaEU) set to commence in 2024. Another FTA between India and Oman is on the horizon and is likely to be signed in 2024. This will make us competitive in these markets.

Rapid Adoption of Digitalization, Block chain, Traceability and increased action towards Sustainability & ESG focus would be an optimal strategy to boost efficiency and maintain competitiveness. ESG is at the core of Strategy for every retailer. They are prioritizing vendors on the basis of ESG score

#### INDIA'S TEXTILE MARKET

India's textile market is one of the world's largest markets. The industry contributed to the Gross Domestic Product (GDP) by 2.3% in FY 2024. It has a 4% share in the global trade of textiles and apparel. This industry remained a significant contributor to the growth of the economy by providing employment opportunities and attracting investments.

Some of the most important textile production locations in India are Gujarat, Maharashtra, Tamil Nadu, Punjab, Uttar Pradesh and West Bengal. The domestic market faced several headwinds during the reported year including fluctuation of cotton prices. Even the festive season did not bring enough market demand, and at the same time increasing imports of fabrics from Bangladesh at lower production cost also put pressure in the domestic market. Although India is the largest exporter of textiles and apparel in the global market, the contribution of the industry in trade declined in FY 2024. However, the export statistics indicate that cotton yarn, fabrics and handloom products experienced an increase of 6.71% in their exports\*.

The Government of India consistently made efforts to support the growth of this industry in the reported year. The Ministry of Textiles approved 18 Research and Development (R&D) projects across key strategic areas including sustainable textiles#, providing the industry with significant growth opportunities. This initiative is expected to boost innovation and enhance the industry's operational efficiency. The government signed the Trade and Economic Partnership Agreement (TEPA) with the European Free Trade Association in the reported year. This agreement included integrating advanced technologies to enhance the productivity in the industry and support the industry's growth further

#### KEY INITIATIVES UNDERTAKEN BY THE GOVERNMENT OF INDIA IN FY 2024\*

##### PM MITRA Scheme

The government launched the PM Mega Integrated Textile Region and Apparel (PM MITRA) Parks Scheme to build and develop textile infrastructure. The scheme is inspired by the 5F vision: Farm to Fibre to Factory to Fashion to Foreign.

## PLI Scheme

The government also launched the Production Linked Incentive (PLI) Scheme for Textiles, with an investment of INR 10,683 crore over the next five years, to promote the production of man-made fibres (MMF) apparel. The MMF are artificially produced fibres and are becoming common among the weavers and spinners in India. The PLI scheme also promotes the production of technical textile products in the country.

## Kasturi Cotton Bharat

Kasturi Cotton Bharat programme of the Ministry of Textiles is a first-of-its-kind branding, traceability and certification exercise carried out jointly by the Government of India, Trade Bodies and Industry to promote the cotton produced in India.

## National Technical Textile Mission (NTTM)

The GOI launched the National Technical Textiles Mission (NTTM). It promotes the development and export of technical textiles.

## Bharat Tex 2024

Prime Minister Narendra Modi inaugurated Bharat Tex 2024, one of the largest-ever global events held in India, at Bharat Mandapam in Delhi.

Speaking at the event, PM Modi promised his full support to the textiles sector, stressing its crucial role in India's development.

## OPPORTUNITIES, CHALLENGES AND OUTLOOK

### OPPORTUNITIES

- **Bharat Tex 2024**
  - Bharat Tex 2024 is an excellent platform to highlight India's exceptional capabilities in the textile industry.
  - Thread of Bharat Tex connects the glorious history of Indian tradition with today's talent; technology with traditions; and is a thread to bring together style, sustainability, scale and skill.
  - Focussing on tradition, technology, talent and training.
  - We are working in a very wide ambit to further increase the contribution of Textile Sector in building a developed India.
  - Textiles and Khadi have empowered women of India.
  - Today technology and modernization can co-exist with uniqueness and authenticity.
  - Kasturi Cotton is going to be a big step towards creating India's own identity.
  - In PM-MITRA parks, Government strives to establish the entire value chain ecosystem in a single place where modern infrastructure with plug and play facilities are made available.
  - Today a people's movement is going on in the country for 'Vocal for Local and Local to Global
- Helping SMEs in the textile sector by providing them with modern machines and other allied infrastructure.
- **Growing Population and Rising Disposable Income**

India's textile market is primarily driven by its large and growing population, which creates a substantial demand for clothing and textiles. With a population exceeding 1.3 billion, India presents a vast consumer base for the textile industry. Moreover, the rising disposable income levels among the middle class and urban population further fuel this demand.

According to the Ministry of Statistics and Programme Implementation, India's per capita income increased to USD 1615.55 in FY 2020-21, reflecting a steady rise in purchasing power. This growing purchasing power translates into increased expenditure on clothing and textiles, thus driving the market forward.

- **Government Initiatives and Policies**

The Indian government's proactive initiatives and policies play a crucial role in driving growth in the textile industry. Programs such as the 'Make in India' campaign and the 'National Textile Policy' aim to promote domestic manufacturing, boost exports, and attract investments into the sector.

- **Sustainability and Eco-Friendly Textiles**

Increasing awareness regarding environmental sustainability presents a significant opportunity for the Indian textile industry. Consumers are becoming more conscious of the environmental impact of textile production and are demanding eco-friendly and sustainable products.

The adoption of organic cotton, recycled materials, and eco-friendly manufacturing processes can help Indian textile manufacturers tap into this growing market segment. According to the Cotton Corporation of India, the demand for organic cotton in India has been increasing by 20-25% annually, indicating a promising opportunity for sustainable textiles.

- **Digital Transformation and E-Commerce**

The rapid growth of e-commerce platforms presents new avenues for market expansion in the Indian textile industry. With the increasing penetration of smartphones and internet connectivity, online retailing has become increasingly popular among Indian consumers. Textile companies can leverage digital channels to reach a wider audience, improve customer engagement, and enhance the overall shopping experience.

According to the Ministry of Electronics and Information Technology, India's digital economy is expected to reach USD 1 trillion by 2025, offering immense opportunities for textile businesses to capitalize on digital transformation and e-commerce trends.

## THREATS

Based on review of the textile market situation and level of rivalry present in the domestic market, following threats might be present in the market, which can hinder growth of the revenue of the Company:

- **Infrastructure Challenges**

Despite significant progress, India's textile industry still faces infrastructure challenges that hinder its growth potential. Inadequate transportation networks, outdated manufacturing facilities, and insufficient power supply infrastructure contribute to operational inefficiencies and higher production costs.

According to the Confederation of Indian Textile Industry (CITI), infrastructure bottlenecks increase production costs by up to 15-20% in some cases, making Indian textiles less competitive in the global market.

- **Fragmented Industry Structure**

The Indian textile industry is highly fragmented, comprising numerous small-scale and unorganized players alongside larger corporations. This fragmented structure often leads to inefficiencies in production, distribution, and marketing. Small-scale producers face challenges such as limited access to finance, outdated technology, and lack of economies of scale.

Additionally, the presence of a large informal sector makes regulation and quality control difficult, impacting the overall reputation of Indian textiles in international markets.

1. Intense competition between established brands and private label brands.
2. Low cost substitute products from other countries
3. Significant presence of small suppliers has reduced the bargaining power.
4. Major clothing brands have better bargaining power over textile manufacturers, as the product differentiation is low and numbers of players are high and fragmented.

**DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

The financial statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable accounting standards issued by the Institute of Chartered Accountants of India. The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Accounts and other financial statements forming part of this annual report.

**INTERNAL FINANCIAL CONTROL SYSTEM**

Given the magnitude and nature of its business, the Company has maintained sound and commercial practice with an effective internal control system. The system ensures that all transactions are authorized, recorded and reported correctly to safeguard the assets of the Company and protect them from any loss due to unauthorized use or disposition. The adequate internal information system is in place to ensure proper information flow for the decision-making process. The Company also has well-established processes and clearly defined roles and responsibilities for people at various levels. The control mechanism also involves well documented policies, authorization guidelines commensurate with the level of responsibility and standard operating procedures specific to the respective businesses, adherence to which is strictly ensured. Internal audit is carried out frequently to create awareness and to take corrective actions on the respective units or areas, which need rectification. These reports are then reviewed by the "Management Team" and the "Audit Committee" for follow-up action.

**HUMAN RESOURCE DEVELOPMENT**

The Company regards its human resources as amongst its most valuable assets and proactively reviews policies and processes by creating a work environment that encourages initiative, provides challenges and opportunities and recognizes the performance and potential of its employees attracting and retaining the best manpower available by providing high degree of motivation.

Your Company believes in trust, transparency & teamwork to improve employees productivity at all levels.

**DISCLOSURE OF ACCOUNTING TREATMENT**

While preparation of financial statements, a relevant Accounting Standard treatment has been followed.

**CAUTIONARY STATEMENT**

The Management Discussion and Analysis Report containing your Company's objectives, projections, estimates and expectation may constitute certain statements, which are forward looking within the meaning of applicable laws and regulations. The statements in this management discussion and analysis report could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operation include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in the governmental regulations, tax regimes, forex markets, economic developments within India and the countries with which the Company conducts business and other incidental factors.

## INDEPENDENT AUDITOR'S REPORT

To the Members of  
**RAHUL MERCHANDISING LIMITED**

### Report on the audit of the Ind AS Financial Statements

#### Opinion

We have audited the Ind AS Financial Statements of **RAHUL MERCHANDISING LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024 and its loss, changes in Equity and its Cash Flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Ind AS Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by The Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules there-under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matters

The Company's net worth has been eroded. The Company has incurred a net loss during the current year and has been incurring losses in the previous years. However, the financial statements have been prepared on the fundamental assumption of going concern for the reasons stated in Note No.12 forming part of these financial statements.

Our opinion is not modified in respect of the above matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

#### Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, changes in Equity and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outway the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

## **Annexure B to the Independent Auditor’s Report of even date on the Financial Statements of RAHUL MERCHANDISING LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **RAHUL MERCHANDISING LIMITED** (“the Company”) as of 31st March, 2024 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the Financial Statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024****1. (A). CORPORATE INFORMATION**

RAHUL MERCHANDISING LIMITED (the Company) is a public limited company incorporated in India with its Registered Office at Delhi and is listed on the Bombay Stock Exchange. At present the Company is engaged in the business of providing consultancy services.

**(B). STATEMENT OF ACCOUNTING POLICIES**

The accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements.

**(a) Statement of compliance**

The Financial Statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") including the rules notified under the relevant provisions of the Companies Act, 2013.

**(b) Basis for preparation**

The Financial Statements have been prepared under the historical cost convention. Assets and Liabilities have been classified as Current/Non-Current as per the Companies normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of Current/Non-Current classification of assets and liabilities. The material accounting policy information used in preparation of the audited financial statements have been discussed in the respective notes.

**(c) Impairment**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**(d) Leases**

In accordance with Ind AS 116, as lessee for lease with a term of more than 12 months, the Company recognises a 'right-of-use' asset at cost for the lease term at the commencement date and a lease liability representing its obligation to make future lease payments. The 'Right-of-use' asset is depreciated using the straight line method from the commencement date over the shorter of lease term or useful life of 'right-of-use' asset. The lease payment is discounted using the lessee's incremental borrowing rate as there is no interest rate implicit in the lease. Short term lease and lease of low value is treated as expense on straight line basis or other systematic basis over the lease term.

**(e) Financial Instruments**

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument. Since the transaction price does not differ significantly from the fair value of the financial asset or financial liability, the transaction price is assumed to be the fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase and sale of financial assets are recognized using trade date accounting.

**i. Financial Assets**

Financial assets include Trade Receivables, Advances, Cash and Cash Equivalents etc which are classified for measurement at amortised cost.

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

**Impairment:**

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) are tested for impairment based on available evidence or information. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

**De-recognition:**

Financial assets are derecognized when the right to receive cash flow from the assets has expired, or has been transferred and the company has transferred substantially all of the risks and rewards of ownership.

**Income recognition:**

Interest income is recognized in the Statement of profit and loss using the effective interest method. Dividend income is recognized in the Statement of Profit and Loss when the right to receive the same is established.

**ii. Financial Liabilities:**

Borrowings, trade payables and other Financial Liabilities are initially recognized at the value of the respective contractual obligations. They are subsequently measured at amortised cost using the effective interest method, wherever applicable.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

**De-recognition:**

Financial liabilities are derecognized when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

**(f) Inventories**

Inventories are valued at lower of cost and net realizable value.

**(g) Revenue**

Revenue is recognized when the performance obligation is satisfied by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes and duties collected on behalf of the Government. Interest income is accrued on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable. Rental income from investment properties is recognized on a straight line basis over the term of the relevant leases. Income from services is accounted over the period of rendering of services.

**(h) Foreign Currency Transactions**

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (the functional currency). Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in statement of profit and loss.

**(i) Cash and cash Equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, demand deposits with banks, short term balances (with an original maturity of three months or less from date of acquisition).

**(j) Taxes on income**

Income tax expense represents the sum of the current tax and deferred tax.

Current tax charge is based on taxable profit for the year. Taxable profit differs from profit as reported in the Statement of profit and loss because Some items of income or expense are taxable or deductible in different years or may never be taxable or deductible. The company's liability for current tax is calculated using Indian tax rates and laws that have been enacted by the reporting date.

Current tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority.

The company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is the tax expected to be payable or recoverable in the future arising from temporary differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred income tax assets and liabilities are off set against each other and the resultant net amount is presented in the balance sheet if and only when the company currently has a legally enforceable right to set off the current income tax assets and liabilities.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case the tax is also recognized in other comprehensive income or directly in equity respectively.

**(k) Earnings Per Share**

Basic earnings per share is calculated by dividing the profit for the period attributable to the owners of company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purposes of calculating diluted earnings per share the profit for the period attributable to the owners of the company and the weighted average

number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**(l) Exceptional items**

When items of income or expense are of such nature, size and incidence that their disclosure is necessary to explain the performance of the company for the year, the company makes a disclosure of the nature and amount of such items separately under the head “exceptional items.”

**(m) Provisions and contingent liabilities**

A provision is recognized if as a result of a past event, the company has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. If the effect of time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate the risks specific to the liability.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote.

**(n) Dividends**

Dividend proposed (including income tax thereon) is recognized in the period in which interim dividends are approved by the Board of Directors or in respect of final dividend when approved by shareholders.

**(o) Use of Estimates and Critical accounting Judgements**

The preparation of Financial Statements is in conformity with generally accepted accounting principles which requires management to make estimates and assumptions.

The estimates and the associated assumptions are based on historical experience, opinions of experts and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgements and estimates are made relating to impairment of Property, Plant and Equipments, Actuarial assumptions relating to recognition and measurement of employee defined benefit obligations, recognition of provisions and exposure of contingent liabilities relating to pending litigations or other outstanding claims etc.

**(p) Recent Indian Accounting Standards (Ind AS)**

Ministry of Corporate Affairs notifies (“MCA”) notifies new Standards or amendments to the existing Standards under Companies (Indian Accounting Standards) Rules, 2023, as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

**b) Fair Value Hierarchy**

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques based on observable market data.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs). Fair value of investment in unquoted equity shares is determined using discounted cash flow technique.

The carrying amounts of all financial instruments are considered to be the same as their fair values.

**c) Financial Risk Management**

In the course of its business, the Company is exposed to a number of financial risks: credit risk, liquidity risk, market risk. This note presents the Company's objectives, policies and processes for managing its financial risk and capital.

**i) Credit Risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

**Trade and other receivables**

The Company's Trade Receivables are largely from sales made to wholesale customers. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

The Company manages credit risk through credit approvals and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Exposures to customers outstanding at the end of each reporting period are reviewed to determine incurred and expected credit losses and the Company establishes an allowance for doubtful debts and impairment that represents its estimate of expected losses in respect of trade receivables. Historical trends of impairment of Trade Receivables do not reflect any significant losses.

Summary of the Company's ageing of outstanding from various customers and impairment for expected credit loss is as follows:

<b>As at March 31, 2024</b>	<b>gross carrying amount</b>	<b>expected credit losses</b>	<b>carrying amount of trade receivables (net of expected credit losses)</b>

Past due 0-180 days	-	-	-
Past due 180 and more days	-	-	-
<b>Total</b>	-	-	-

## ii) Liquidity Risk

Liquidity risk refers to risk that the Company may encounter difficulties in meeting its obligations associated with financial liabilities that are settled in cash or other financial assets. The Company regularly monitors the rolling forecasts to ensure that sufficient liquidity is maintained on an ongoing basis to meet operational needs. The Company manages the liquidity risk by planning the investments in a manner such that the desired quantum of funds could be made available to meet any of the business requirements within a reasonable period of time. In addition, the Company also maintains flexibility in arranging the funds by maintaining committed credit lines with various banks to meet the obligations.

### Exposure to Liquidity Risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted and include estimated interest payments and exclude the impact of netting agreements.

<b>As at March 31, 2024</b>	<b>Carrying Amount</b>	<b>Contractual Cash Flows</b>

**iii) Market risk**

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates and foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables. The Company is exposed to market risk primarily relates to foreign exchange rate risk.

**Currency risk**

The fluctuation in foreign currency exchange rates may have potential impact on the profit and loss account, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the entity. The Company is exposed to currency risk on account of its payables in foreign currency. The functional currency of the Company is Indian Rupee. The Company has exposure to GBP, USD, EURO and other currencies. The Company has not hedged this foreign currency exposure.

**Exposure to currency risk**

The Company do not have foreign currency risk at the end of the reporting period.
