Acquisition Announcement of M.R. ORGANISATION

Transaction Brief

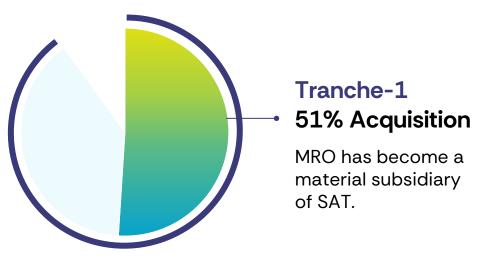

SAT Industries Limited is pleased to announce the acquisition of M.R. Organisation Limited, based out of Ahmedabad.

This strategic move aligns with our core strategy of combining cash flow-generating businesses with high-growth investments, creating a balanced and sustainable growth trajectory making the proposition value accretive from day one.

MRO is into the business of tech-based last-mile utility services to the end-user industries. Established in the year 1984 by the promoter Mr. Mayur Kamdar, the company has become a market leader and has presence across all 29 states via 59 locations and 5 warehouses spread across the country to serve the customers with the fastest service and delivery time. With business spread across 75+ countries, the company has global presence in strategic locations viz. USA, UK and Belgium via 3 wholly owned subsidiaries. It supplies Air Compressor parts and kits to more than 3000 customers. The company has value-added products such as blowers and vacuum systems in its pipeline to further enhance its operating margins. Company achieved a consolidated revenue of INR 70.10 crores* in FY24 with an EBITDA margin of 27% showing the strength of its business operations.

The acquisition of M.R. Organisation exemplifies our ability to identify and develop promising ventures while maintaining a balance for comprehensive growth. Integrating M.R. Organisation will improve our financial performance and strengthen our market positioning. We believe this acquisition will drive significant value and contribute to long-term benefits to all our stakeholders.

Acquisition Overview SAT is set to acquire a 90% stake in MRO in four tranches

Funding

The entire transaction will be fully funded through internal accruals.

Acquisition Cost INR 115.47 Crores

Knowledge based Engineering – Aeroflex Industries

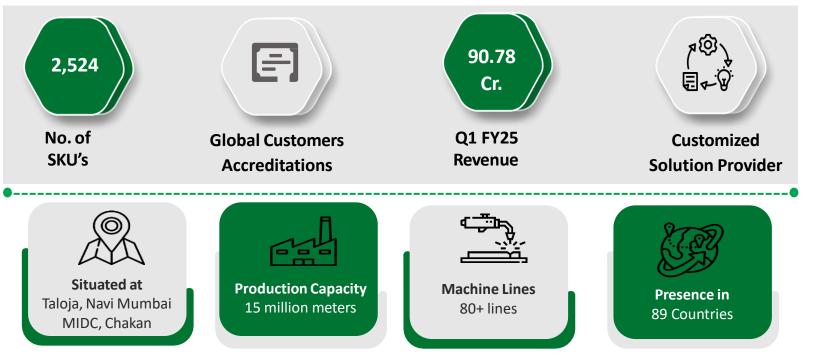

Knowledge based Engineering

Introducing Aeroflex Industries, a pivotal business within the SAT's portfolio, and a distinguished player in the manufacturing and global export of a wide array of flexible flow solutions. These encompass braided hoses, unbraided hoses, solar hoses, gas hoses, vacuum hoses, braiding, interlock hoses, hose assemblies, lancing hose assemblies, jacketed hose assemblies, exhaust connectors, exhaust gas recirculation (EGR) tubes, expansion bellows, compensators, and associated end fittings.

At Aeroflex , state-of-the-art technology converges with a cutting-edge facility, complemented by a team of seasoned professionals. This synergy ensures meticulous oversight and resolute adherence to the most stringent international quality standards. Recognised as an ISO 9001:2015 certified company by TUV NORD Germany, Aeroflex relentlessly pursues excellence, solidifying its presence in both domestic and international markets.

Value Added Product Segment

Aeroflex now entered into manufacturing of expansion joints (expansion bellows or flexible joints) for piping systems. Made from stainless steel, nickel alloys, inconel, they absorb vibrations, heat, and misalignment, reducing strain and extending system lifespan. These joints enhance flexibility and cut costs, ideal for industries prone to thermal expansion.

Inorganic Acquisition of HYD-AIR ENGINEERING

The acquisition of Hyd-Air Engineering gave Aeroflex a direct advantage by integrating the acquired company's products into its fluid control assemblies, facilitating expansion into the assembly product segment.

The Quality Lab installation is currently underway, and orders for new machinery installations have been placed, with completion expected by Mar-25

Management Comments

Commenting on the performance of the quarter ended 30th June, 2024

Mr. Harikant Turgalia (Whole-time Director) said:

We are pleased to report that SAT Industries Limited has achieved notable growth and strategic advancements in Q1 FY25.

Our recent acquisition of M.R. Organisation Limited marks a significant milestone in our strategic plan, aligning with our strategy of integrating cash flowgenerating businesses with high-growth investments. This acquisition will add value by enhancing both our market position and financial performance.

During the quarter, we made three new and six follow-on investments in startups, reinforcing our commitment to innovation.

Our total income grew to Rs.129.49 crores in Q1 FY25 from Rs.122.82 crores in Q4 FY24, with EBITDA increasing to 28.32% from 24.20%. Our profit after tax grew to Rs.18.01 crores from Rs.14.37 crores, and the PAT margin improved to 13.91% from 11.70%.

Aeroflex Industries Limited demonstrated resilience despite macro-level challenges, leveraging a diversified product mix and geographical reach. Our focus on the metal bellows segment and inorganic expansion promises continued margin improvement, with full capacities expected by year end.

Sah Polymers Limited faced challenges from high ocean freight and polymer prices but remains focused on cost optimization and new market opportunities. Total income grew by 23.46% YoY to Rs.29.42 crores, with QoQ margin improvements.

Aeroflex Finance Private Limited expanded its reach through strategic fintech collaborations, enhancing loan origination and lifecycle management. Our strategic move across the portfolio positions us well for sustainable growth, reaffirming our commitment to delivering long-term value to stakeholders.

Thank you for your ongoing support and trust.

Thank You
