PRESS RELEASE

The Anup Engineering Limited bags order valued over INR 100 Crores.

Ahmedabad, August 9, 2024: The Anup Engineering Limited (ANUP) has bagged two critical orders this week valued over INR 100 Crore. About 90% of this is from one of renowned EPC contractor in Europe for a critical project in UAE. The scope consists of manufacturing and supplying pressure vessels of complex metallurgies

Commenting on occasion, Mr Reginaldo D'souza, Managing Director and CEO of company said, "We are pleased to announce very encouraging new order intake this week in line with our growth plans. Winning repeat orders from renowned EPC companies, for such critical projects, for such complex equipment's, and on aggressive timelines, signifies our capability to serve the most complex requirements of our customers. The substantial exports order also emphasises that we are truly a global player. I believe this, along with our existing order book and strong order pipeline, provides a good visibility and reinforces our commitment towards achieving substantial growth in FY25 and beyond. We are grateful to our esteemed Customers for their trust and considering us as their reliable partners for delivering such important projects towards fulfilling the daily energy needs"
