**WABAG wins Mega order worth INR 1,000 Crores
towards a 100 MLD Sea Water Desalination Plant from
Indosol Solar for their Solar PV manufacturing facility**

October 15, 2024: VA TECH WABAG ('WABAG'), a leading pure-play water technology Indian Multinational Group, continues to strengthen its Global Leadership position in the Desalination Segment with this mega order worth INR 1,000 Crores from Indosol Solar Private Limited ('Indosol Solar'). With this order win, WABAG embarks on its journey to provide water security for the Solar PV sector.

An ISO 9001 Company

This order includes the Engineering Procurement (EP) scope of design, engineering, supply, Installation, Testing and Commissioning of the 100 MLD Desalination Plant which will be executed over a 38-month period, followed by a 15 years Operation and Maintenance (O&M) contract. This plant will be built with the state-of-the-art Desalination technologies, designed for superior energy efficiency and production of water to meet the requirements of the 10 GW integrated Solar PV manufacturing unit of Indosol Solar in Andhra Pradesh.

WABAG is a global leader in the Desalination segment ranking among the top 5 Desalination players globally. Since 1995, WABAG has constructed over 60 desalination plants in 17 countries, for various municipalities and industries, thereby significantly contributing to the cause of water security.

Commenting on this order win, Mr. Saravanan Krishnan, Head – Desalination, India Cluster said, *“This mega order marks WABAG’s entry into the Solar PV sector which is a key segment for the future. WABAG’s technological expertise, proven track record and competitive pricing enabled us offer lowest life-cycle cost of water for Indosol Solar. We express our sincere gratitude to Indosol Solar for having reposed confidence in WABAG and entrusted this important project to us.”*
