- (i) The Scrutinizer after conclusion of voting at the Annual General Meeting, will first count the votes cast at the meeting.
- (j) Thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than 2 working days of conclusion of the Annual General Meeting, issue a Consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, and submit the same to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
- (k) The result declared along with the Consolidated Scrutinizer's Report shall be placed on the website of the Company <https://konarkgroup.co.in/e-voting/> and on the website of the CDSL <https://www.evotingindia.com/> immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to BSE Limited.
- (l) Subject to receipt of requisite number of votes in favour, the Resolutions shall be deemed to be passed on the date of the Annual General Meeting i.e. Monday, 30th September, 2024.

A) Procedure/ Instructions for e-voting are as under:

In case a Member receives an email from CDSL [for members whose email IDs are registered with the Company/Depository Participants(s)]:

Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode is given below:

1B.) A break-up of median remuneration for employees is given below:

Employee Group	Median Remuneration (₹)*	Increase In Median Remuneration (%)
Full time Employees	303450	9.932%

*The number of permanent employees on the rolls of Company as of March 31, 2024: 33 Employees

- The Company decides the remuneration of its Managerial Personnel on the basis of Cost to Company (CTC), whereas, under the provisions of the Act, the managerial remuneration is calculated as per the Income Tax Act, 1961. To provide the fair interpretation of median, the annual Cost to Company (CTC) has been considered and not actual payout during the year, which could vary on account of several reasons. The reported figures look higher or lower depending on the components of the CTC.
- Average percentiles increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

Average Percentile increase in salaries of employees other than managerial personnel in the last financial year i.e 2023-24 was 13.01% ., while the average percentile increase in remuneration of managerial personnel was (5.60)%

The increments given to each individual employee is based on the employees' performance and retention & motivation policy of the Company. Average Increase in the remuneration of employees other than the managerial personnel and that of the managerial personnel is in line with the industry practice and is within the normal range. There are no exceptional circumstances for increase in the managerial remuneration

4. Affirmation that the remuneration is as per the remuneration policy of the Company: The Company confirms that the remuneration is as per the remuneration policy of the Company.

FOR THE FINANCIAL YEAR ENDED 31st MARCH 2024

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
KONARK SYNTHETIC LIMITED
Mittal Industrial Estate Building No. 7,
Saki Naka Andheri (East)
Mumbai-400059, Maharashtra, India

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by KONARK SYNTHETIC LIMITED (CIN: L17200MH1984PLC033451) ('hereinafter called the Company') for financial year from April 01st, 2023 to March 31st, 2024 (hereinafter referred to as "the Audit Period"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, and as per the explanations given to us and the representations made by the Management of the Company, we hereby report that in our opinion, the Company had, during the Audit Period generally complied with the statutory provisions listed hereunder and also that the Company had proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed during the Audit Period and other records made available to us and maintained by the Company and as shown to us during our audit and according to the provisions of the following laws:

- I. The Companies Act, 2013 and the Rules made there under and the applicable provisions of the Companies Act, 1956;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

MANAGEMENT DISCUSSION AND ANALYSIS**1. World Economy:**

The global economy demonstrated strong resilience in the face of economic headwinds during 2023. It managed to expand by 3.2% despite facing geopolitical challenges and fluctuations in commodity prices, leading to inflationary pressures across both advanced and emerging markets.

In order to address this issue, central banks of major economies devised strategies. They implemented measured interest rate increases, effectively curbing its escalation. Inflation rates receded more swiftly than anticipated from their peak in 2022, resulting in gradual economic recovery and job creation in the US, Europe and other emerging markets, albeit persistent geopolitical tensions, disrupting global supply chains and trade. China's economy continued to experience strain throughout 2023, a trend expected to persist into 2024, given its significant manufacturing capabilities and supply chain influence, posing a potential risk to global economic stability. However, emerging economies like India, Vietnam and Mexico are expected to show positive growth.

The disturbances in the Red Sea disrupted supply chains, resulting from the shifts in imports and exports of several economies. Possible causes for growth failures include the property sector's growing problems in China and abroad, along with a disruptive shift toward tax increments and budget cuts.

2. Indian Economy:

The Indian economy demonstrated remarkable resilience in the face of global economic challenges. A strong resurgence in consumer demand, excellent performances across manufacturing, services and agricultural sectors, by a favourable monsoon have been pivotal in this growth trajectory. According to the National Statistical Office (NSO), India has registered a real GDP growth of over 7% during FY 2024. India's per capita disposable income has been rising over the years and is expected to be C 2.14 lakh in 2023-24, driven by overall economic growth. This rebound in economic growth can be attributed to India's sound macroeconomic fundamentals, increasing domestic demand and prudent monetary policies implemented by the RBI. Despite moderate revenue growth, India Inc's interest coverage ratio, a measure of financial health, has expanded, across certain sectors including automobiles, cement, consumer durables hospitality, oil and gas, petrochemicals, pharmaceuticals and power. Considering the China plus One approach of the global community, the general confidence level of Industry remains positive. However, ongoing geopolitical conditions will continue to pose challenges for the textile Industry.

3. Global Textile:

The demand for clothing in the main export markets like the US, the EU and the Middle Eastern nations has been affected by un favorable economic circumstances. India exports a fifth of its garments to the EU, which is still dealing with the fallout from the conflict between Russia and Ukraine. The demand for apparel has decreased in 2023 compared to 2022 in the US and the Middle East due to the ongoing Israel-Gaza conflict. The global textile market was estimated at USD 1,837 billion in 2023 and from 2024 to 2030, revenue is expected to increase at a compound annual growth rate (CAGR) of 7.4%. Throughout the forecast period, the fashion industry's relentless need for clothes combined with the growth of e-commerce platforms is predicted to propel market expansion.

4. Indian Textile:

The Indian textile industry's recovery in the upcoming calendar year (CY) 2024, hinges on factors such as, an increase in local demand, recovery in exports and stabilized cotton prices. Roughly, three-fourths of the total demand is met by the domestic market, which is still not vibrant. India's T&C exports decreased by 4.13% during FY23-24 over FY22-23. T&C exports declined from USD 35.16 billion in FY22- 23 to USD 33.71 billion in FY23-24. As T&C exports account for 1/3rd of textile output in the country, a significant boost in export performance is required to achieve higher share in the world trade of T&C and create gainful employment. This textile sector needs to leverage regulatory support and address structural difficulties in order to continue growing.

5. Performance

The overall performance during the year 2023 - 24 was not satisfactory. The detail of financial performance is given in Directors Report.

Business Review

As compared to the earlier years, our Company is setting for the positive growth. Despite competition at global level, there are positive signs for efficient and innovative companies and your company is set to follow the best practices to perform well.

Financial Review

During year under review Company's sales and operations were a bit slow and rigid as compared to previous financial year 2022-23.

The Company is looking forward for change in present scenario and increase consumer confidence and grow market consumption along with other cost cutting measures including better finance control, working capital management, etc.

6. Outlook:

The market is expected to grow on the back of continued growth in domestic demand and high potential growth in exports. The management is confident of better performance from the financial year 2024-25 onwards.

7. Risk and Concerns:

The exercise for evaluating the potential risks for the organization is closely monitored by the management. All identified risks have been classified with respect to their seriousness and probabilities of such risks getting materialized have also been ascertained. In formulating corporate strategies, these risks are duly considered and counter measures are adopted.

Every Sector has both internal & external risk and textile sector is no exceptional to it. Company monitors the external environment & manages the internal environment to mitigate the risks faced by the company.

8. Internal Control System & Adequacy:

The Company has proper and adequate system of internal control to ensure that all the assets are safeguarded from loss, damage or disposition. The Company has independent Audit system to monitor the entire operations and the Audit Committee monitors financial statement to ensure that transactions are adequately authorized and recorded, and that they are reported correctly. The Board of Directors considers internal controls as adequate as it regularly review the findings and recommendations of internal audits.

9. KEY FINANCIAL RATIOS

In accordance with the SEBI (Listing Obligations and Disclosure Requirements 2018)(Amendment) Regulations, 2018, the company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in key sector specific financial ratios.

FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the members of **KONARK SYNTHETIC LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Financial Statements of KONARK SYNTHETIC LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (herein referred to as "the standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the Auditor's responsibilities for the audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to the following matters:

- a) The company' Trade Receivables includes Long Outstanding receivables of Rs.711.18 Lakhs from Mudra Denims Pvt Ltd. The said company is under Corporate Insolvency Resolution Process and the probability of recovery of the dues is minimal. The company has made an impairment provision in earlier years of Rs.177.79 Lakhs and have a net outstanding of Rs.533.39 lakhs as at Balance Sheet date. The impairment provision was made based on the management's estimate of prospect of recovery. However, In the absence of adequate evidence of recovery of the said dues, we are unable to comment on the realisability of the balance amount outstanding.

The company' Trade Receivables also includes Long Outstanding receivables of Rs.93.47 Lakhs from Shubhlakshmi Polyester Ltd. The company has not made any provision for impairment and claims 100% probability of recovery of dues from parties. However, In the absence of adequate evidence of recovery of the said dues, we are unable to comment on the realisability of the amount outstanding.

Despite of large amount of receivable, the company have not initiated any legal proceedings against these debtors till the date of this report.

- b) We draw attention to Note 35 of the accompanying standalone financial statements regarding contingent liability/capital commitments which describes as below:

The Company has given a Corporate Guarantee of Rs.2706.00 Lacs (P.Y. Rs.2706.00 Lacs) to the bankers of its subsidiary company namely India Denim Limited and a Corporate Guarantee of Rs.4600.00 Lacs (P.Y. Rs.4600.00 Lacs) to the bankers of its Associate Company' subsidiary company namely Konark Gujarat PV Private Limited against Term Loan and Working Capital Facilities sanctioned to the said companies.

Further, the above contingent liability includes corporate guarantee of Rs.2706.00 Lacs in respect of loan availed by its subsidiary company M/s. India Denim Limited. The accounts of the said subsidiary have been classified as NPA by the bankers of the company. The legal proceeding regarding the said matter when ultimately concluded, will have a material impact on financial position of the Company and company may not be able to discharge its liabilities as guarantor as the amount of the liability of the company against these corporate guarantees are much higher than the total net worth of the company.

Our opinion is not modified in respect of these above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Sr. No.	Key Audit Matter	Auditor's Response
1.	<p>Impairment of financial assets including write-offs using Expected Credit Losses (ECL) model</p> <p>As described in the notes to the standalone financial statements, the impairment losses have been determined in accordance with Ind AS 109 Financial Instruments requiring considerable judgment and interpretation in its implementation, which also involved significant judgement by management in measuring the expected credit losses. Key areas of judgment included:</p> <p>Determining the criteria for a significant increase in credit risk ('SICR')</p> <p>Techniques used to determine the Probability of Default (PD) and Loss Given Default ('LGD')</p> <p>Assumptions used in the expected credit loss model such as the financial condition of the counterparty, expected future cash flows etc.</p>	<p>Principal Audit Procedures</p> <p>We assessed the appropriateness of the Company's policy on Expected Credit Loss recognition on financial instruments with reference to the applicable accounting standards.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing:</p> <p>We evaluated and tested the design and tested the operating effectiveness of Company's controls over the data used to determine the impairment reserve, internal credit quality assessments and methodology followed for computation of ECL.</p> <p>For Expected Credit Losses computed by the management, we performed the following procedures:</p> <ul style="list-style-type: none"> • Assessed the reasonableness of assumptions and judgement made by management on model adoption and parameters selection; • Examined the key data inputs to the ECL model on a sample basis to assess their accuracy and completeness; • Evaluated and tested on sample basis the appropriateness of staging including determination of significant increase in credit risk; • Assessed the Company's methodology for ECL provisioning, Classification and Measurement; • We enquired with the management regarding significant judgments and estimates involved in the impairment computation and evaluated the reasonableness thereof.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information in the Management Discussion and Analysis, Board's Report including Annexure to the Board's Report and Corporate Governance but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making

judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for establishing and maintaining adequate and effective controls in respect of use of accounting software that entails the requisite features as specified by the Companies (Accounts) Rules, 2014, as amended from time to time, including an evaluation and assessment of the adequacy and effectiveness of the company's accounting software in terms of recording and maintaining audit trail (edit log) of each and every transaction and ensuring that the audit trail cannot be disabled and has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Ind AS Financial Statements
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts, for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company during the year ended March 31, 2024.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented that, to the best of its knowledge and belief no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The company has not declared or paid any dividend during the year ended March 31, 2024.
 - vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Konark Synthetic Limited ("the Company") as of 31st March 2024 in conjunction with our audit of the Ind AS Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT**(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)****Report on the statement on the matters specified in the paragraph 3 and 4 of the Companies (Auditor's Report) Order, 2020:**

- (i) In respect of its property, plant and equipment
- a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment except in case of certain Plant & Machinery and few other assets where item wise particulars are not available and the company is in process of retrieving the relevant information and updating the same in Fixed Assets Register.
- (B) The company has maintained proper records for intangible assets.
- b) Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification as informed by management.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.
- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment (including Right-of-use assets) or Intangible assets or both during the year.
- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder
- (ii) In respect of its Inventory
- a) The inventory has been physically verified by the management during the year except for stores and spares. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of Rs.5 crore, in aggregate, from banks on the basis of security of current assets and following discrepancies were noticed between Quarterly Statement of Current assets filed with the bank and books of accounts:

Quarter Ended on	Amount of Current Assets as filed with the Bank (A)	Amount of Current Assets as per Books (B)	Difference, if Any (A-B)	Reason for Discrepancies, if any
June, 2023	3033.81	3033.83	-0.02	According to the information and explanations given to us by the management, the quarterly stock statements were submitted to bank based on the Cost method of stock valuation. Whereas, during the quarterly review/audit the stock were valued at lower of Cost or Net Realizable Value. Further the value of Trade receivables were reported on gross basis in the stock statement instead of net off provision.
September, 2023	3471.32	3493.38	-22.060	
December, 2023	3812.97	4181.87	-368.90	
March, 2024	2830.36	2941.04	-110.68	

- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we report that, during the year, the Company has not made any investments in, provided any guarantee, or security to companies, firms, Limited Liability Partnerships or any other parties.

- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we report that, during the year, the Company has not granted any loans or advances in the nature of loans, provided any guarantee or security to any party. Hence, reporting under clause 3(iii) (a)(A) and 3(iii) (a)(B) of the Order is not applicable.
- b) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the terms and conditions of the loans granted by the company are prejudicial to the company's interest on account of the fact that company the loans have been granted at interest free and without security. Details of such loans & advances are as under:

Particulars	Amount (Rs. In Lakhs)
Gross Balance outstanding as at beginning of the year	56.97
Loans granted during the year	-
Gross Balance outstanding as at balance sheet date	56.97

According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the corporate guarantees provided by the company in respect of loans taken by other companies are prejudicial to the company's interest on account of the fact that amount of guarantee is much higher than the net worth of the company. Details of such corporate guarantee are as under:

Particulars	Amount (Rs. In Lakhs)
Amount of guarantee as at beginning of the year	7306.00
Guarantee provided during the year	-
Amount of guarantee as at balance sheet date	7306.00

According to the information and explanations given to us and based on our examination of the records, investments made are not prejudicial to the interest of the company.

- c) In respect of the loans and advances in the nature of loans, no schedule for repayment of principal and payment of interest has been stipulated by the Company. Therefore, in absence of stipulation of repayment terms we are unable to make any comment on the regularity of repayment of principal and payment of interest.
- d) As the above-mentioned loan granted is payable on demand, thus adherence of this clause is not applicable in case of principal.

KONARK SYNTHETIC LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024****Note 1 CORPORATE INFORMATION:**

Konark Synthetic Limited ("the Company") is a limited Company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE), in India. The registered office of the Company is situated at Building No.7, Mittal Industrial Estate, Andheri Kurla Road, Sakinaka, Andheri (East), Mumbai -400059, India.

Company is engaged in the Manufacturing of Yarn and Trading of Fabric with Weaving and Processing and Manufacturing of Readymade Garments.

Note 2 BASIS OF PREPARATION AND PRESENTATION:**i. Statement of compliance**

These financial statements ("the Financial Statements") are prepared in accordance with the Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented in these financial statements.

ii. Accounting convention

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

iii. Presentation

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division II of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

The Standalone financial statements are presented in Indian Rupees (Rs.) and all values are rounded to the nearest Lakhs, except when otherwise indicated.

iv. Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are included in the note 3 of the financial statements.

Note 3 SIGNIFICANT ACCOUNTING POLICIES:

The financial statements have been prepared using the significant accounting policies and measurement bases summarised as below. These policies are applied consistently for all the periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

3.1 Property Plant and Equipment:

Property, plant and equipment are carried at cost of acquisition or construction, net of recoverable taxes less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, borrowing cost and any cost directly attributable to the bringing the assets to its working condition for its intended use.

Capital work in progress includes cost of property, plant and equipment under installation as at the balance sheet date.

Depreciation on the Property plant and equipment is provided using straight line method over useful life of assets as specified in schedule II to the Companies Act, 2013, Depreciation on Property Plant & equipment addition/deletion during the year has been provided on pro-rata basis from the date of such addition or upto date of such deletion as the case may be. Freehold land is not depreciated.

The assets' residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate.

Property plants and equipment are eliminated from financial statement, either on disposal or when retired from active use. Profits/Losses arising in the case of retirement/disposal of property plant and equipment are recognized in the statement of profit and losses in the year of occurrence.

Leasehold Lands are amortized over period of lease. Buildings constructed on leasehold land are depreciated based on the useful life specified in schedule II to the Companies Act, 2013, where the lease period of land is beyond the life of the building.

3.2 Intangible Assets:

Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any Cost includes expenditure that is directly attributable to the acquisition of the intangible assets.

Identifiable intangible assets are recognised when it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

Computer software are capitalized at the amount paid to acquire the respective license for use and are amortized over period of useful lives. The assets useful lives are reviewed at each financial year end.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognized.

3.3 Leases:

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases are capitalized at the commencement of the lease at the inception date at fair value of the leased property or, if lower, at the present value of the minimum lease payments. The corresponding liability is included in the balance sheet as a finance lease liability. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as finance costs in the statement of profit and loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Assets acquired on leases where a significant portion of the risks and rewards of ownership are retained by lessor are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

3.4 Inventories:

In general, all inventories of finished, work-in-progress etc. are stated at lower of cost or net realizable value. Cost of inventories comprise of all cost of purchase, cost of conversion and other cost incurred in bringing the inventory to their present location and condition. Raw materials & Stores and Spares are stated at cost on FIFO basis. Waste and by product are valued at net realizable value. Cost of finished products are determined at raw material cost plus costs of conversion, comprising labour costs and an attributable proportion of manufacturing overheads based on normal level of activities.

3.5 Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

3.6 Impairment of assets:

An asset is considered as impaired when at the date of Balance Sheet, there are indications of impairment and the carrying amount of the asset, or where applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the statement of profit and loss. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

3.7 Financial instruments – initial recognition, subsequent measurement and impairment:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

l) Financial assets - Initial recognition and measurement:

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

Financial assets - Subsequent measurement:

For the purpose of subsequent measurement of financial assets are classified in two broad categories:-

- a) Financial assets at fair value
- b) Financial assets at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

A financial asset that meets the following two conditions is measured **at amortised cost** (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- a) Business model test:** The objective of the Company's business model is to hold the financial asset to collect the contractual cash flow.
- b) Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured **at fair value through other comprehensive income** unless the asset is designated at fair value through profit or loss under the fair value option.

- a) Business model test:** The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial assets.
- b) Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

All other financial asset is measured at fair value through profit or loss.

Financial assets - Equity Investment in subsidiaries, associates and joint venture:

The Company has accounted for its equity investment in subsidiaries, associates and joint venture at cost.

Financial assets - Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's statement of financial position) when:

- a) The rights to receive cash flows from the asset have expired, or
- b) The Company has transferred its rights to receive cash flow from the asset.

Impairment of financial assets**Trade receivables**

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of trade receivables.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Write-offs Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

II) Financial liabilities - Initial recognition and measurement:

The financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial liabilities - Subsequent measurement:

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Financial Liabilities - Financial guarantee contracts:

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined and the amount recognised less cumulative amortisation.

Financial Liabilities - Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

3.8 Current and non-current classification:

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading & manufacturing.
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when it is:

- a) Expected to be settled in normal operating cycle,
- b) Held primarily for the purpose of trading, & manufacturing.
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.

3.9 Provisions, Contingent Liabilities, Contingent Assets and Commitments:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

3.10 Dividend Distribution:

Annual dividend distribution to the shareholders is recognised as a liability in the period in which the dividends are approved by the shareholders. Dividend payable and corresponding tax on dividend distribution is recognised directly in other equity.

3.11 Sales & Purchase:

Revenue from sale of goods is recognized when significant risk and rewards of ownership of goods have passed to the buyer. Sales are recorded excluding GST net of return, rate difference and sales claim. Purchases are recorded excluding GST, net of return, rate differences and purchase claims.

3.12 Foreign Currency Reinstatement and translation:

Transactions denominated in foreign currency are normally recorded at the customs exchange rate prevailing at the time of transaction. Monetary Items denominated in foreign currencies at the yearend are restated at year end rates. Exchange difference relating to long term monetary items, arising during the year, in so far as they relate to the acquisition of depreciable fixed asset is adjusted to the carrying cost of the fixed asset. All other exchange differences are dealt with in the Statement of Profit and Loss. Non monetary foreign currency items are carried at cost.

3.13 Borrowing Costs:

Borrowing costs specifically relating to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalised (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalisation is determined by applying a capitalisation rate to the expenditures on that asset. The capitalisation rate is the weighted average of the borrowing costs applicable to the borrowings of the Company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalised during a period does not exceed the amount of borrowing cost incurred during that period. All other borrowing costs are expensed in the period in which they occur.

3.14 Export Incentives:

Benefit on account of entitlement of Duty Draw Back and others are recognized as and when right to receive is established as per the terms of the scheme.

3.15 Employee Benefit:

Short term employee benefits are recognised as an expense in the statement of profit and loss of the year in which the related services are rendered.

Post employment and other long term employee benefits are charged off in the year in which the employee has rendered services. The amount charged off is recognized at the present value of the amounts payable determined using actuarial valuation techniques based on Projected Unit Credit Method. Actuarial gain/losses in respect of post employment and other long term benefits are charged to Other Comprehensive Income (Net of Tax).

Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due.

3.16 Taxation

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively

3.17 Earnings per share:

Basic earnings per share is computed using the 'net profit for the year attributable to the shareholders (Before and After Exceptional Items)' and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the 'net profit for the year attributable to the shareholder (Before and After Exceptional Items)' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

3.18 Investments in Subsidiaries and Associates

The Company records the investments in Subsidiaries and Associates at cost less impairment loss, if any.

After initial recognition, the Company determines whether there is any objective evidence of impairment as a result of one or more events that occurred after the initial recognition of investment in Associates and that event (or events) has an impact on the estimated future cash flows of the Subsidiaries and Associates that can be reliably estimated. If there exists such an objective evidence of impairment, then impairment loss is recognized with respect to the Company's investment in Subsidiaries and Associates.

3.19 Significant Accounting Judgements, Estimates and Assumptions:

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based on its assumptions and estimates on parameters available when the financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Property, plant and equipment and Intangible Assets:

Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values as per Schedule II of the Companies Act, 2013 or are based on the Company's historical experience with similar assets and taking into account anticipated technological changes, whichever is more appropriate.

Recognition of deferred tax assets:

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Contingencies:

Management has estimated the possible outflow of resources at the end of each annual reporting financial year, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

Fair value measurements and Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Defined benefits plan:

The Cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Recoverability of trade receivable:

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

Provisions:

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

A.	Defined Contribution Plan	2023-2024	2022-2023
----	---------------------------	-----------	-----------

Contribution to Defined Contribution Plan, recognized as expense for the years are as under:

	Employer’s Contribution to Provident Fund	1.44	1.60
	Employer’s Contribution to ESI Scheme	0.05	0.05

The contribution to provident fund is made to Employees’ Provident Fund managed by Provident Fund Commissioner. The contribution towards ESIC made to Employees’ State Insurance Corporation. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation.

B. Defined Benefit Plan

The present value of Employees’ Gratuity obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to buildup the final obligation.

INDEPENDENT AUDITOR'S REPORT

To the members of **KONARK SYNTHETIC LIMITED**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of KONARK SYNTHETIC LTD ("the Holding Company"), its subsidiaries (the Holding company and its subsidiaries together referred to as "the Group") its associates comprising of Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and notes to consolidated financial statement, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of other auditors on separate financial statements and on the other financial information of subsidiaries and associates the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 As amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at March 31, 2024, its consolidated Profit (including other comprehensive income), its consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the Subsidiaries and Associates audited by the other auditors, to the extent it relates to the Subsidiaries and Associates and, in doing so, place reliance on the work of the other auditors and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the Subsidiary is traced from the financial statements audited by the other auditors.

Based on the work we have performed, if we conclude that there is any material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors is responsible for the preparation and presentation of these consolidated financial statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its associates in accordance with the Ind AS and other accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the companies included in the group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provision of the act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the directors of the holding company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective board of directors of the companies included in the group and of its associates are also responsible for overseeing the financial reporting process of the group.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain Sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group and its associates of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, Supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further prescribed in section titled 'Other Matters' to this audit report.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of holding company and such other entities included in consolidated financial statement of which we are independent auditor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

We draw attention to the following matters:

- a. One Associate company whose interim consolidated financial results/financial information/financial statements include the Group's share of net profit after tax of Rs. 2.31 lakhs for the year ended 31st March 2024, as considered in the Statement whose interim financial results/financial information/financial statements have been reviewed by their respective auditors.

The independent auditor's reports on interim financial results/financial information/financial statements have been furnished to us by the Management and our conclusion on the Statement in so far as it relates to the amounts and disclosures in respect of this Associate company.

- b. One Subsidiary company namely India Denim Limited is under Corporate Insolvency Resolution Process as per the order number CP(IB)/361/AHM/2019 dated 22/09/2023 passed by the Hon'ble NCLT, Ahmedabad. The board of the company was suspended from the same date and the Resolution Professional (RP) was appointed for the same. The interim financial results/financial information/financial statements for the said company was not available and hence the profit/loss of the subsidiary company is not considered while preparing the Unaudited Consolidated Financial Results for the holding company. The company has already made full provision for the investment made in the same subsidiary company.

Our opinion is not modified in respect of these matters.

- c. The annual Consolidated financial results which state that the results for the quarter ended 31st March 2024 and 31st March 2023 are the balancing figures between the audited figures in respect of the full financial year and the unaudited published year to date figures up to the third quarter to the relevant financial year, which are subject to limited review by us, as required under the Listing Regulations.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statement and other financial information of subsidiaries and associates as noted in the other matter paragraph we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Statement of Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow and notes to the consolidated financial statements dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of Consolidated Financial Statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended except Ind AS 12 "Income Taxes" and Ind AS 19 "Employee Benefits" as mentioned in other matter paragraph.
- e) On the basis of the written representations received from the directors of holding company as on March 31, 2024 taken on record by the Board of Directors of Holding company and report of statutory auditors of its subsidiaries and associates, none of the directors of group company are disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy and operating effectiveness of the Internal financial controls over financial reporting with reference to these consolidated financial statements of the holding company and its subsidiaries and associates, refer to our separate report in "Annexure A" to this report.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our Opinion and based on the consideration of reports of other statutory auditors of subsidiaries and associates incorporated in India the Managerial Remuneration for the year ended March 31, 2024 has been paid/provided by the Holding company, subsidiaries and associates to its directors in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate financial statements of subsidiaries and associates as noted in other matters paragraph:
- i. Note 35 of the Consolidated financial statements disclose the impact of pending litigations on its financial position of the group and its associate in consolidated financial statements.

- ii. Provisions has been made in consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. No amount was required to be transferred, to the Investor Education and Protection Fund by the Holding company, subsidiary and its associate.
 - iv. (a) The respective Managements of the Company, its subsidiaries and associates , have represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of the subsidiaries or associates to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(b) The respective Managements of the Company, its subsidiaries and associates, has represented that, to the best of their knowledge and belief no funds (which are material either individually or in the aggregate) have been received by the Company or any of the subsidiaries or associates from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of the subsidiaries or associates shall, whether, directly or indirectly, lend or invest in other persons or entities identified in my manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. Since the Holding Company has not declared or paid any dividend during the year, the question of commenting on whether the same is in accordance with Section 123 of the Companies Act, 2013 does not arise.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure "B" a statement on the matters specified in the paragraph 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of KONARK SYNTHETIC LIMITED ("the Holding Company") and its subsidiary and associate which are companies incorporated in India, as of March 31, 2024 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the holding Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to holding company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the holding Company and its subsidiary companies, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail,

accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

KONARK SYNTHETIC LIMITED

Notes to the Consolidated Financial Statement for the year Ended March 31, 2024

Note 1 Corporate Information:

The Consolidated Financial Statements comprise financial statements of Konark Synthetic Limited ("the company") and its domestic subsidiary namely, India Denim Limited and Consolidated financial statements of associate concern Konark Infratech Private Limited (collectively "the Group") for the year ended March 31, 2024. The Company is a limited Company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE), in India. The registered office of the Company is situated at Building No.7, Mittal Industrial Estate, Andheri Kurla Road, Sakinaka, Andheri (East), Mumbai -400059, India.

Group is engaged in the business of Trading and Manufacturing of Textile goods and also in Power generation.

Note 2 Basis of Preparation and Presentation:

The Consolidated financial statements have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standard) Rules, 2015 (Ind AS).

The Consolidated financial statements have been prepared as a going concern basis under the historical cost basis, except for certain financial assets and liabilities, which are measured at fair value / amortised cost if any.

The Consolidated financial statements are presented in Indian Rupees (Rs.) and all values are rounded to the nearest Lakhs, except when otherwise indicated.

Note 3 Basis of Consolidation:

- The consolidated financial statements comprise the financial statement of the Company and its subsidiaries and associates as at 31st March 2024. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.
- Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including the contractual arrangement with the other vote holders of the investee, rights arising from other contractual arrangements, the Group's voting rights and potential voting rights and the size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired during the year are included in the consolidated financial statements from the date the Group obtains control and assets, liabilities, income and expenses of a subsidiary disposed off during the year are included in the consolidated financial statements till the date the Group ceases to control the subsidiary.

Consolidation procedure:

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- The consolidation financial statements are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the parent company's separate financial statements except otherwise stated elsewhere in this schedule. The Financial statements of the Company and its subsidiaries companies have been combined on line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Indian Accounting Standard (Ind AS) 110 – "Consolidated Financial Statements". In case an associate, company follows equity method of consolidation as per Ind AS.
- Non-Controlling Interest's share of profit/loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.
- Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet.
- The details of the Subsidiaries, / Step-Down Subsidiaries and Associates in the consolidated financial statement are as follows:

Name of the Subsidiary Company	Financial Year of the Subsidiary/Associates company ended on	Extent of Holding/Subsidiary Company's Interest	Country of Incorporation
India Denim Limited	March 31, 2024	61.17 %	India
Konark Infratech Private Limited. (KIPL)*	March 31, 2024	26.925%	India
Konark Gujrat PV Private Limited	March 31, 2024	100% by KIPL	India

* Konark Infratech Private Limited is an associate concern of Konark Synthetic Limited.

Note 4 Significant Accounting Policies:**4.1 Property Plant and Equipment:**

Property, plant and equipment are carried at cost of acquisition or construction, net of recoverable taxes less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, borrowing cost and any cost directly attributable to the bringing the assets to its working condition for its intended use.

Capital work in progress includes cost of property, plant and equipment under installation as at the balance sheet date.

Depreciation on the Property plant and equipment is provided using straight line method over useful life of assets as specified in schedule II to the Companies Act, 2013. Depreciation on Property Plant & equipment addition/deletion during the year has been provided on pro-rata basis from the date of such addition or upto date of such deletion as the case may be. Freehold land is not depreciated.

The assets' residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate.

Property plants and equipment are eliminated from financial statement, either on disposal or when retired from active use. Profits/Losses arising in the case of retirement/disposal of property plant and equipment are recognized in the statement of profit and losses in the year of occurrence.

Leasehold Lands are amortized over period of lease. Buildings constructed on leasehold land are depreciated based on the useful life specified in schedule II to the Companies Act, 2013, where the lease period of land is beyond the life of the building.

4.2 Intangible Assets:

Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the intangible assets.

Identifiable intangible assets are recognised when it is probable that future economic benefits attributed to the asset will flow to the Group and the cost of the asset can be reliably measured.

Computer software are capitalized at the amount paid to acquire the respective license for use and are amortized over period of useful lives. The assets useful lives are reviewed at each financial year end.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

4.3 Leases:

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Group is classified as a finance lease.

Finance leases are capitalized at the commencement of the lease at the inception date at fair value of the leased property or, if lower, at the present value of the minimum lease payments. The corresponding liability is included in the balance sheet as a finance lease liability. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as finance costs in the statement of profit and loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Assets acquired on leases where a significant portion of the risks and rewards of ownership are retained by lessor are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

4.4 Inventories:

In general, all inventories of finished, work-in-progress etc. are stated at lower of cost or net realizable value. Cost of inventories comprise of all cost of purchase, cost of conversion and other cost incurred in bringing the inventory to their present location and condition. Raw materials & Stores and Spares are stated at cost on FIFO basis. Waste and by product are valued at net realizable value. Cost of finished products are determined at raw material cost plus costs of conversion, comprising labour costs and an attributable proportion of manufacturing overheads based on normal level of activities.

In case of subsidiary company India Denim Limited, all the inventories are valued at Net Realisable Value.

4.5 Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

4.6 Impairment of assets:

An asset is considered as impaired when at the date of Balance Sheet, there are indications of impairment and the carrying amount of the asset, or where applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the statement of profit and loss. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

4.7 Financial instruments – initial recognition, subsequent measurement and impairment:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

III) Financial assets - Initial recognition and measurement:

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

Financial assets - Subsequent measurement:

For the purpose of subsequent measurement of financial assets are classified in two broad categories:-

- a) Financial assets at fair value
- b) Financial assets at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

A financial asset that meets the following two conditions is measured **at amortised cost** (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

a) Business model test: The objective of the Group's business model is to hold the financial asset to collect the contractual cash flow and selling financial assets.

b) Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured **at fair value through other comprehensive income** unless the asset is designated at fair value through profit or loss under the fair value option.

a) Business model test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial assets.

b) Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

All other financial asset is measured at fair value through profit or loss.

Financial assets - Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's statement of financial position) when:

- a) The rights to receive cash flows from the asset have expired, or
- b) The Group has transferred its rights to receive cash flow from the asset.

IV) Financial liabilities - Initial recognition and measurement:

The financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial liabilities - Subsequent measurement:

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Financial Liabilities - Financial guarantee contracts:

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined and the amount recognised less cumulative amortisation.

Financial Liabilities - Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

4.8 Current and non-current classification:

The Group presents assets and liabilities in statement of financial position based on current/non-current classification.

The Group has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading & manufacturing.
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when it is:

- a) Expected to be settled in normal operating cycle,
- b) Held primarily for the purpose of trading, & manufacturing.
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Group has identified twelve months as its normal operating cycle.

4.9 Provisions, Contingent Liabilities, Contingent Assets and Commitments:

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

In case of subsidiary company India Denim Limited, the Company have filled the appeal before ITAT against the assessment order passed by the CIT (A) for the assessment year 2013 -14 determining the demand of Rs.1223.82 Lakhs and the said appeal is pending before the ITAT. The company have not made any provision for the same.

4.10 Dividend Distribution:

Annual dividend distribution to the shareholders is recognised as a liability in the period in which the dividends are approved by the shareholders. Dividend payable and corresponding tax on dividend distribution is recognised directly in other equity.

4.11 Sales & Purchase:

Revenue from sale of goods is recognized when significant risk and rewards of ownership of goods have passed to the buyer. Sales are recorded excluding GST, net of return, rate difference and sales claim. Purchases are recorded excluding GST, net of return, rate differences and purchase claims.

4.12 Foreign Currency Reinstatement and translation:

Transactions denominated in foreign currency are normally recorded at the customs exchange rate prevailing at the time of transaction. Monetary Items denominated in foreign currencies at the yearend are restated at year end rates. Exchange difference relating to long term monetary items, arising during the year, in so far as they relate to the acquisition of depreciable fixed asset is

adjusted to the carrying cost of the fixed asset. All other exchange differences are dealt with in the Statement of Profit and Loss. Non monetary foreign currency items are carried at cost.

4.13 Borrowing Cost:

Borrowing costs specifically relating to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalised (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing costs consist of interest and other costs that the Group incurs in connection with the borrowing of funds. For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalisation is determined by applying a capitalisation rate to the expenditures on that asset. The capitalisation rate is the weighted average of the borrowing costs applicable to the borrowings of the Group that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalised during a period does not exceed the amount of borrowing cost incurred during that period. All other borrowing costs are expensed in the period in which they occur.

In case of subsidiary company India Denim Limited, the secured loans from banks are classified as NPA during 2016-17 and 2017-18, since then no transactions are routed through the accounts, Interest /charges are not debited by the banks.

4.14 Export Incentives:

Benefit on account of entitlement of Duty Draw Back and others are recognized as and when right to receive is established as per the terms of the scheme.

4.15 Employee Benefit:

Short term employee benefits are recognised as an expense in the statement of profit and loss of the year in which the related services are rendered.

Post employment and other long term employee benefits are charged off in the year in which the employee has rendered services. The amount charged off is recognized at the present value of the amounts payable determined using actuarial valuation techniques based on Projected Unit Credit Method. Actuarial gain/losses in respect of post employment and other long term benefits are charged to Statement of Profit and Loss.

The Gratuity and Other retirement benefits in case of its subsidiary India Denim Limited are recorded on cash basis.

Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due.

4.16 Taxes on Income

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively

In case of subsidiary company India Denim Limited, the company has not followed the Ind AS 12 Income Taxes by maintaining the deferred tax asset of Rs.203.20 Lakhs despite the company incurring losses and had uncertainty of future taxable income.

4.17 Earnings per share:

Basic earnings per share is computed using the 'net profit for the year attributable to the shareholders (Before and After Exceptional Items)' and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the 'net profit for the year attributable to the shareholder (Before and After Exceptional Items)' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

4.18 Significant Accounting Judgements, Estimates and Assumptions:

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based on its assumptions and estimates on parameters available when the financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

Property, plant and equipment and Intangible Assets:

Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values as per Schedule II of the Companies Act, 2013 or are based on the Group's historical experience with similar assets and taking into account anticipated technological changes, whichever is more appropriate.

Income Tax:

The Group reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to an adjustment to the amounts reported in the financial statements.

Contingencies:

Management has estimated the possible outflow of resources at the end of each annual reporting financial year, if any, in respect of contingencies/claim/litigations against the Group as it is not possible to predict the outcome of pending matters with accuracy.

Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Defined benefits plan:

The Cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Recoverability of trade receivable:

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

Provisions:

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.
