PM inaugurates ₹2.7K cr Z-Morh tunnel in J&K

Project will provide all-weather connectivity between Srinagar and Leh

DHRUVAKSH SAHA
New Delhi, 13 January

Prime Minister Narendra Modi on Monday inaugurated the 6.5-kilometre-long Sonamarg tunnel, and said that several large road and rail projects like the upcoming Zojila tunnel and the Udhampur Srinagar Baramulla Rail Link (USBRL) would make Jammu and Kashmir among the most well-connected regions in the country.

Located on the strategic Srinagar-Leh National Highway, the ₹2,700 crore Sonamarg tunnel (renamed from Z-Morh Tunnel) will be crucial in providing all-weather connectivity to the Ladakh region. It is a part of the 12-km-long tunnel project — which along with the upcoming Zoji La tunnel — will ensure round-the-clock connectivity between Srinagar and Ladakh. Zoji La tunnel is expected to be completed in 2028.

Union minister of road transport and highways Nitin Gadkari and Chief Minister of Jammu and Kashmir Omar Abdullah were also present during the inauguration. Abdullah hailed PM Modi for his efforts in bridging the gap between 'Dil (heart) and Delhi' and holding assembly polls in the Union Territory, while expressing confidence that he will soon restore the statehood of J&K.

During his address, Modi said, "You can be sure that this is Modi; if he makes a promise, he keeps it." There is a time for every work, and at the right time, the right thing will be done."

The PM also said Gulmarg, which is preparing to host the fifth edition of Khelo India Winter Games, has become the winter sports capital of the country.

Both PM Modi and Abdullah paid tributes to the seven workers who were killed in a terrorist attack near the tunnel site on October 20 last year. The PM said that the route between Srinagar and Leh would earlier be impacted by snowfall and ava-

lanches in the valley. "Now the economy of the Union Territory will immensely benefit from uninterrupted connectivity," he said. Sonmarg tunnel, located in J&K's Ganderbal district, was initially being executed by the Border Roads Organisation (BRO) in public private partnership mode in 2012, but was subsequently taken over by the National Highways & Infrastructure Development Corporation Limited (NHIDCL). The project faced numerous delays as Srinagar-Sonmarg Tunnelway Ltd, the first concessionaire, was an entity of the IL&FS group, which faced a financial crisis in 2018.

The contract for the tunnel was then awarded to APCO Infratech in August 2019,

with a 42-month deadline.

The bi-directional tunnel features a parallel escape tunnel for enhanced safety. It includes a 3.7 km creeper lane for heavily loaded vehicles, a 4.6 km western approach road, a 0.9 km eastern approach road, 2 major bridges, and 1 minor bridge.

The tunnel, along with other infrastructure projects, is also of strategic importance, as these ensure all-year military access and supply chains for military essentials. Modi said that over ₹42,000 crore worth of road connectivity projects are underway in J&K, including four national highway projects and two ring roads and more than 14 tunnels like Sonamarg are being constructed.

Odisha joins Ayushman Bharat-PMJAY scheme

SANKET KOUL
New Delhi, 13 January

The Odisha government on Monday signed a memorandum of understanding (MoU) with the National Health Authority (NHA) to implement the Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) in the state.

The Centre's flagship health scheme will run in convergence with the state's Gopabandhu Jan Arogya Yojana (GJAY).

The combined initiative will provide healthcare coverage of ₹5 lakh per family per annum, with additional ₹5 lakh for women members.

The AB-PMJAY, launched in 2018, provides health cover of ₹5 lakh per family per year for secondary and tertiary care hospitalisation to around 550 million individuals, corresponding to 123.4 million families.

Whether households are covered or not depends on the deprivation and occupational criteria of the Socio-Economic Caste Census 2011 (SECC 2011) for rural and urban areas, respectively.

"In Odisha, the converged scheme is expected to cover around 10.3 million families, with 6.78 million of them being

supported by the central government," a senior official said.

Odisha Chief Minister Mohan Charan Majhi said people, who were previously receiving treatment in around 900 empanelled hospitals under GJAY, will now have access to cashless and quality treatment in over 29,000 government and private-empanelled hospitals.

"The converged schemes will cumulatively benefit around 45 million people of Odisha with the help of a single card," he added.

The scheme would also cover families of accredited social health activists (ASHA) and anganwadi workers. Implementation of the converged scheme will be looked after by the NHA and Odisha's State Health Assurance Society (SHAS).

While the NHA's remit includes providing operational guidelines, technical support and facilitating capacity building, SHAS's work will revolve around card printing, distribution and empanelment of healthcare providers and hospitals.

The financing mix will remain in the existing sharing ratio of 60:40, as is there for states and union territories (UT) with legislature.

Farm groups to put up a united front

SKM, KMM and, SKM (Non-Political) hold joint meeting

SANJEEB MUKHERJEE & AGENCIES
New Delhi/Chandigarh, 13 January

The Samyukta Kisan Morcha (SKM), which spearheaded the yearlong farmers' stir at Delhi borders, on Monday held a joint meeting with the two other farmer unions that are leading the protests at the borders of Punjab and Haryana and decided to draw a blueprint for a joint fight.

The latest agitation on Punjab-Haryana border is being led by Kisan Mazdoor Morcha (KMM) and SKM (Non-Political). One of their leaders, Jagjit Singh Dallewal, is on a fast-unto death for the last one month demanding legal guarantee for minimum support price (MSP) on crops.

The SKM, which led the 2020 agitation against the now-repealed three farm laws, is not part of the stir of the SKM (Non-Political) and the Kisan Mazdoor Morcha (KMM) that has been going on at the Khanauri and Shambhu border points since February 13 last year after a farmers' march to Delhi was stopped by security forces.

The meeting was advanced from January 15 to 13 at the request of the protesting farmers in the wake of the "deteriorating" health of Dallewal.

Addressing reporters after the meeting, leaders of the three organisations said the meeting was held in a cordial atmosphere. KMM leader Sarwan Singh Pandher said, "We have called another meeting on January 18 where issues like how to ensure victory in the agitation and how to get farmers' demands accepted will be discussed. People want us all to fight unitedly."

Centre to now review agriculture situation every week: Chouhan

The Centre will review the agriculture situation in the country every Monday. This will include details on whether any crop is infected with any disease, immediate measures to prevent it if a disease has occurred, issuing advisories to state governments, and informing Krishi Vigyan Kendras (KVKs). If necessary, a team may also be sent to prevent the spread of such diseases.

The review will also assess the availability of medicines and the prices at which pesticides are sold to farmers.

"This is because many times, farmers have complained that there is no MRP on pesticides. Such a situation should not arise," Agriculture Minister Shivraj Singh Chouhan said on Monday. The review will also consider weather conditions and the status of production.

There's still 'degree' of standoff at LAC: Army chief

Army Chief Gen Upendra Dwivedi, addressing a press conference on Monday ahead of the Army Day on January 15, said there is still a "degree" of standoff between the Indian and Chinese militaries along the Line of Actual Control in eastern Ladakh and both sides need to sit down and firm up a broader understanding on how to calm down the situation.

He further said that Pakistan is the "epicentre" of terrorism and the cycle of violence in Jammu and Kashmir is being "orchestrated" from that country, but the

overall situation in the Union Territory is "firmly" under control.

Soldiers at Siachen glacier now have high-speed internet

Soldiers posted at Siachen glacier, the highest battlefield in the world, can now enjoy high-speed internet services, the Army said on Monday.

Reliance Jio has successfully deployed plug-and-play pre-configured equipment at a forward post, leveraging its indigenous full-stack 5G technology.

15 million take dip on Day 1 of Mahakumbh

The Mahakumbh, the world's largest gathering, began on Monday with 15 million people taking a dip in the Sangam in their quest for 'moksha' and the belief it will cleanse their sins. Uttar Pradesh Chief Minister Yogi Adityanath congratulated the seers and devotees who took a dip. Over 400 million people, are expected over the 45 days.

The India Meteorological Department has also developed a dedicated webpage to provide weather updates for the Mahakumbh.

Meanwhile, over 250 individuals were reunited with their kin on the first day thanks to 'digital initiatives' bolstered by the traditional policing measures.
