Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 and Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Item No. 4: Ratification of Remuneration Payable to Cost Auditor for Financial Year 2024-25

The Board at its meeting held on May 28, 2024, approved the appointment of Ms. Jayanthi Hari, Cost Accountant, to conduct the audit of cost records of the Company for the financial year ending March 31, 2025, at a remuneration of ₹ 4,50,000 plus applicable taxes and out of pocket expenses, as recommended by the Audit Committee of the Company.

In accordance with the provisions of Section 148 of the Act read with the Companies (Cost Records and Audit) Rules, 2014, the remuneration payable to the Cost Auditors is required to be ratified by the members of the Company. Accordingly, ratification by the members is sought to the remuneration payable to the Cost Auditors for the financial year ending March 31, 2025, by passing an Ordinary Resolution as set out at Item No. 4 of the Notice.

The Board recommends the Ordinary Resolution at Item No.4 for approval by the Members.

None of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in this resolution.

Item 5: Payment of remuneration to Mr. T. T. Venkatesh.

Mr. T. T. Venkatesh was appointed and has been working as General Manager of the Company from July 01, 2019. Mr. T. T. Venkatesh being a relative in terms of section 2 (77) and the rules made thereunder, of Mr. T. T. Jagannathan and Dr. Mukund T.T. Directors, the approval of the shareholders under section 188 of the Companies Act 2013 was obtained for payment of remuneration up to ₹ 60 lakhs to him as per terms and conditions of his appointment in his capacity as General Manager by an Ordinary Resolution passed in the Annual General Meeting held on July 08, 2021.

Mr. T. T. Venkatesh is 42 years of age and is a graduate from Cornell University with work experience of over 10+ years in setting up and leading new business successfully in a challenging service industry at senior management levels before he joined the company on July 01, 2019.

He, in his capacity as General Manager, is currently looking after digitalisation of sales process for alternate channels – retail, rural and online channels and is reporting to Chief Sales and Marketing Officer. He is at present being paid a total annual remuneration of around ₹ 57 lakhs per annum. Considering his job profile, performance and industry norm and based on the evaluation by the Senior Management, the Nomination and Remuneration Committee in their meeting held on May 10, 2024 has recommended revision in his remuneration and the Board of Directors in their meeting held on May 28, 2024, subject to approval of the shareholders, have approved the payment of remuneration up to ₹ 1 crore by way of salary, allowances, perquisites, benefits etc., as per

the policy of the Company to Mr. T. T. Venkatesh from time to time.

Pursuant to the provisions of Section 188(1) (f) of the Companies Act, 2013 read with Rule 15(3)(ii) (b) of the Companies (Meeting of Board and its Powers) Rules, 2014, approval of the shareholders is, inter alia, required by passing resolution, where a relative of a Director/related party holds an office or place of profit in the Company drawing a remuneration of more than ₹ 2,50,000 per month. Mr. T. T. Venkatesh being a related party in terms of Section 2(76) (i) of the Companies Act, 2013 the approval of the shareholders is required for payment of revised remuneration which will be in excess of ₹ 2,50,000 per month. As required u/s 177(4)(iv) of the Companies Act, 2013, the Audit Committee at its meeting held on May 27, 2024 has approved the proposal. Accordingly, the resolution seeks the approval of the shareholders for payment of enhanced remuneration to Mr. T. T. Venkatesh as proposed and there by his holding of office or place of profits in terms of section 188 of the Act. The particulars pursuant to Rule 15 of the Companies (Meeting of Board and its Powers) Rules, 2014, are given below:

- a) **Name of the related party:** Mr. T. T. Venkatesh
- b) **Name of the director or key managerial personnel who is related, if any.**
Mr. T. T. Jagannathan and Dr. Mukund T.T, Directors
- c) **Nature of relationship.**
Mr. T. T. Venkatesh is the son of Mr. T. T. Jagannathan and brother of Dr. Mukund T.T.
- d) **Nature, material terms, monetary value and particulars of the contract or arrangements.**
Mr. T. T. Venkatesh is an employee of the company in the management cadre in the capacity of General Manager. He is currently drawing a remuneration of around ₹ 57 lakhs annually by way of salary, allowances, perquisites and benefits and this remuneration is within the limit of ₹ 60 lacs approved by the Shareholders earlier in the AGM held on July 8, 2019. This limit is now proposed to be revised up to an aggregate amount of ₹ 1 Crore per annum. His remuneration will be as per the policy of the Company and as applicable to other Senior Executives.
- e) **Any other information relevant or important for the members to take a decision on the proposed resolution:**

As briefed above in the explanatory statement Mr. T. T. Venkatesh holds the necessary qualification, experience and competence to serve in the management cadre of the company. His evaluation and compensation are as per the policy and rules of the company as applicable to other employees in the management cadre. His appointment is in the ordinary course of business and the remuneration proposed to be paid is at arms' length.

The Board recommends the resolution at Item No. 5 for approval by the shareholders.

Mr. T. T. Jagannathan, Dr. Mukund T.T. being relatives in terms of section 2(o) read with rule 2(76)(i) of the Companies Act 2013 are deemed to be interested or concerned in the resolution and no other director or key managerial personnel or their relative is in anyway interested or concerned in the resolution.

Item 6: Appointment of Mr. R. Srinivasan (DIN: 00043658) as Director of the Company

REVIEW OF PERFORMANCE/HIGHLIGHTS

- The growth outlook for global economy continued to remain sluggish throughout the year with the geo-political threat playing a dominant factor with continued and new conflicts. Global players were still nursing inventories bought immediately after Covid causing drop in procurements during FY 24. At latter part of the year geo-political conflicts started impacting the shipping rates along with supply chain delays.
- India's GDP continued to show its resilience despite these headwinds with an estimated growth rate of 7% in FY 24. However, the growth in Indian economy was driven largely by service, travel & tourism, construction sectors and partly by manufacturing sector. General inflation impacted the growth in consumer durables of the kind dealt in by Your Company. The share of wallet of consumers was deployed more in travel, tourism, jewellery, etc and investments in stock markets.
- Apart from the above general economic trends, Your Company rationalized its cleaning solutions portfolio by retaining only home appliances. This was a planned reduction of a sale of over ₹ 10 crores to ensure a more profitable mix of product range that fits into distribution matrix of Your Company. Pending indigenisation of development in few product lines and the policy not to depend on imports from China for these, some product opportunities could not be taken advantage of. The inflation had higher impact on low-income group than on the middle & high income groups. Under these circumstances the domestic sales dropped from ₹ 2,556 Crores to ₹ 2,430 Crores. The second half saw some growth while the first-half was impacted severely due to factors outlined above.
- All channels were active throughout the year. While the growth was muted in the general trade, the online and large formats as well as Prestige Xclusiv channel did better. The competition intensity continued to be high throughout the year with the increased discounting by most brands and online channels.
- Exports continued to face the impact of the headwinds caused by geo-political situation. During the year, by adding a few more customers the export sales saw a marginal increase from ₹ 69.7 Crores to ₹ 70.4 Crores.
- Your Company continued its focus on new marketing strategies which helped it to minimize the impact of the tough market conditions and to maintain healthy margins.
- Your Company launched various innovative and premium products across categories during the year. These new launches helped to maintain the momentum in the market.
- Your Company has successfully completed the first phase of the automation of the Stainless Steel Pressure Cooker manufacturing at Hosur Plant which will benefit Your Company with uninterrupted production process, consistent product quality and higher productivity.
- The commodity prices were stable during the year though the prices were at a level higher than the pre-pandemic level. The continued inflationary trends and adverse exchange resulted in increase in certain key raw & packing material costs and in manufacturing costs.
- Notwithstanding overall tepid market conditions Your Company was able to maintain a healthy margin through improved efficiencies in operations. Against the pressures of lower sales growth, increase in cost of operation, your Company delivered EBITDA (before exceptional items) of ₹ 386 crores (PY ₹ 402 Crores) and Profit before tax at ₹ 318 Crores (PY ₹ 349 Crores). EBITDA margin was at a healthy level of 15.4% (PY 15.3%) and the Operating EBITDA margin was at 12.8% (PY 14.0%)
- The depreciation charge was higher at ₹ 58.9 crores (PY ₹ 47.7 Crores) due to investment in fixed assets.

- The Net profit after tax was at ₹ 238.8 Crores (PY ₹ 260.2 Crores).
- The standalone EPS (face value of ₹ 1/-) was at ₹ 17.23 (PY ₹ 18.77)
- As stated in the past years, your company does not follow a stand-alone margin led policy but is focussed on growth with a fair long-term return on capital employed. Operating ROCE stood at 34.6% (PY 35.9%) on expanded asset base as compared to the previous year.
- The Company is debt-free and carried a comfortable free cash of over ₹ 1,020 Crores (including short term liquid investments) as on March 31, 2024.
- The consolidated turnover and profit before tax of the Company and its subsidiaries amounted to ₹ 2678 Crores (PY ₹ 2,777 Crores) and ₹ 301 Crores (PY ₹ 343 Crores) respectively.

Your Board of Directors consider the performance of your Company during the year as good given the tepid, demand and inflationary environment. Your Company continues to maintain its leadership in market share both in value & volume terms across major product categories.

Your directors are happy to recommend a dividend of ₹ 6/- per share of face value ₹ 1/- each for FY 24 (PY: ₹ 6/- per share of face value ₹ 1/- each).

A detailed analysis is provided under the section 'Management's Discussion and Analysis' forming part of this Director's Report.

MANAGEMENT'S DISCUSSION AND ANALYSIS

A. ECONOMY / INDUSTRY SCENARIO

General Economy: As mentioned in the highlights, through the year the global economy witnessed recessionary and inflationary trends due to increasing geo-political tensions. As in previous year the Indian economy continued to show its resilience due to its strong domestic demand and investment, along with Government's continued emphasis on capital expenditure and remained the fastest growing major economy in the world in 2023-24 fiscal. The domestic demand was driven largely by service, construction sectors and core manufacturing sector. While domestic macro fundamentals are strong and improving, downside risks can arise from global headwinds and uncertainties in weather conditions. The continued inflation and high interest rate trend affected the customer sentiment affecting the market growth especially on the items for day-to-day consumption. The IIP growth rate for FY 24 is estimated at modest growth of 5.8% ending better than the previous year in tough global condition. The Private Final Consumption dropped from 6.8% in FY 23 to 3% in FY 24 reflecting further weakening of consumption momentum in the economy during this year. The exports growth was muted in spite of the low base in last year due to

the global headwinds. The service sectors like travel, entertainment and hospitality industries continued to maintain the momentum gained since the last year. RBI maintaining the policy rates during the year helped to contain inflation which helped Indian economy to move ahead of many of the developed nations.

Industry: Your Company primarily operates in the Kitchen Appliances segment with a wide range of product categories. The product categories broadly consist of Pressure Cookers, Cookware, Gas Stoves, Domestic Kitchen Electrical Appliances and select home appliance not being whitegoods outside the Kitchen Segment. The market for all these segments consists of organized national brands, regional brands as well as unorganized players. Except for Pressure Cookers, Cookware and Induction Cooktops, the market for the rest of the key product lines is fragmented and is shared by several players. Over the last five years or so many players both big and small have been entering as well as exiting the appliance categories and the churn is still going on. Reorganization, mergers/acquisitions etc are also seen in this industry over the last few years. With E-Commerce becoming an active channel over the last couple of years it has become a platform for intense competition as even regional and small players could reach out to pan India through this channel. The competitive intensity continued to be high calling for higher sales promotion / increased discounts during this year by most brands and online channels.

Consumer/Channel Scenario: The products coming under discretionary spending share of wallet was a major concern. While there was some softening of inflation at the later part of the year, the same was not reflected in the consumer sentiment as evident from the continued pressures on consumer durables including kitchen and home appliances. With more offices moving to work from office, the home improvement intensity has come down significantly. Value added innovative products continued to do well during the year. The improvement in the real-estate construction industry is aiding demand for new homes which as and when occupied can improve the demand for kitchen and home appliances. The exclusive retail channel has shown a positive growth reflecting a strong presence in the market. However, the general trade has not been growing reflecting the customer sentiment. The e-commerce has been doing well due to discounting by brands / platforms in the low-priced mass product. The large format stores channel has also been doing well as compared to last year. Smaller players were able to get into online platform with

lower price points especially with reference to entry level products.

Export Market: Exports from India remained weak with very negligible growth from the low base of last year. This was due to the head winds caused by global recession and unprecedented inflation in the developed markets driven by extended and new geopolitical issues. However, India continued to remain high on minds of the global brands as alternate source of supply. Once the global economy improves, India is expected to reap the benefits on exports.

Your Company: Even under these difficult economic conditions your Company maintained its leadership position in key categories like Pressure Cookers, Cookware, Value added Gas Stoves, Induction Cooktop etc and is steadily improving its market share in the Mixer Grinder segment. Company's indigenisation program for some small appliances has stabilized with nil imports of finished goods during the year. The models launched under Svachh platform viz. Pressure Cookers and Gas Stoves, the new IOT enabled products in rice cookers and kitchen hoods and the new value-added models in Cookware did well during the year. Your Company is continuously investing in innovative products with designs that remove the pain points of the consumers, in strengthening its manufacturing capability and sourcing capacities through automation and creating additional facilities. Your Company continues to maintain cordial relations with all its channel partners – whether online or offline and has proactively minimised the conflict among the various channels without compromising on product offerings and without succumbing to predatory pricing pressures. Your Company maintains significant presence in all channels – traditional retail, online, large format stores, rural, institution, CSD etc besides your Company's Prestige Xclusive network of Stores spread across India.

Your Company will continue to focus on product innovation and differentiation coupled with innovative distribution, market expansion and digitalization of sales and marketing processes to stay ahead in the marketplace.

B. ANALYSIS OF PERFORMANCE:

1. KITCHEN & HOME APPLIANCES:

The products include Pressure Cookers, Cookware, Kitchen Electrical Appliances, Gas Stoves, and Home Appliances. The turnover of these product categories is given in the following table:

(₹ in Crores)

	2023-24			2022-23		
	Domestic	Export	Total	Domestic	Export	Total
Pressure Cookers (including Microwave Pressure Cookers)	762.47	27.26	789.73	800.50	26.77	827.27
Cookware	371.38	27.72	399.10	377.82	40.19	418.01
Gas Stoves	307.31	0.15	307.46	332.60	0.51	333.11
Mixer Grinder	228.44	0.73	229.17	275.01	0.72	275.73
Induction Cooktop	304.02	0.29	304.31	287.44	0.26	287.70
Other Kitchen/ Home Appliances	343.29	0.65	343.94	339.30	0.34	339.64
Cleaning Solutions	37.12	-	37.12	45.06	-	45.06
Others	76.35	13.56	89.91	98.31	0.89	99.20
Total	2430.38	70.36	2500.74	2556.04	69.68	2625.72

- Your Company due to tough external factors as mentioned in the Highlights could not register a growth during the year. The drop in sales was only in the 1st of the half year whereas your Company registered a growth of around 4% in 2nd half over last year through judicial products mix, channel presence and market penetration. While all channels were active during the year, the modern formats, e-commerce, and exclusive stores registered a growth, but the general trade felt the impact of the tepid, demand and inflationary pressures. The exports registered a nominal growth of 1% in spite of the continued global slowdown.
- Your Company continued to manage its trade policy with general trade as well as other channels cautiously to improve working capital efficiencies across channels.
- The value-added premium products did better during the year.
- Early this year your Company decided to rationalize the product offerings in Cleaning Solution with more focus on value added products like vacuum cleaners, water purifiers, etc. to improve the focus and for sales growth on long term. This had impact on the sales this year to the tune of ₹ 10 crores this year.
- Pending indigenisation of development a few product lines and the policy not to depend on imports from China for these, some product opportunities could not be taken advantage of. Your Company is revisiting its import policy on a case to case basis till the ecosystem improves

within India for developing new designs/products at rapid pace.

- During the year under report your Company introduced around 170 new SKUs covering Pressure Cookers, Induction Cook tops, Mixer Grinders, Rice Cookers, Gas Stoves, and other Small Electric/Non-Electric Appliances.
- Judge brand as a tactical brand is progressing well and contributed around ₹ 48 Crores to Sales (PY ₹ 46 crores); a growth of 4%. During the 1st quarter of this year Your Company has repositioned the Judge brand. Various new products were launched during the year and Your Company is expanding its distribution network for Judge Brand products. The benefit of this repositioning is expected in the coming years.
- Despite adverse market conditions and inflationary challenges during the year, various operating ratios were maintained at healthy levels with EBITDA margin (before exceptional items) at 15.4% as against 15.3% in the previous year. None of the key financial ratios (inventory turnover, receivable turnover, net-current asset turnover, margins and return on net worth) had a variance of 25% or more as compared to the previous year.
- Operating ROCE stood at 34.6% (PY 35.9%) on expanded manufacturing asset base. Your Company continued to be debt free and carried a sizeable free cash balance of over ₹ 1020 Crores at the year-end after payment of dividend, capital expenditures and after deploying sufficient amounts in working capital for a cost-effective supply chain.
- Your Company has over the last few years substantially reduced its dependence on imports which has a positive impact on working capital efficiencies.
- Prestige Xclusive network was consolidated and rationalized where necessary and new outlets were added. The number of outlets as at 31.03.2024 was 699 (PY 681). The network now covers 27 States and 371 Towns. The spread of the network is also evenly distributed between Metros, Mini-Metros, Tier 1, Tier 2, and Tier 3 cities.
- Service network as of March 31, 2024 stands at 476 centres (PY - 512 centres).

2. SUBSIDIARY COMPANIES & CONSOLIDATED RESULTS:

(a) Horwood Homewares Ltd, United Kingdom

The operating subsidiary Horwood Homewares Limited (Horwood) achieved a sale of £ 14.4 million (PY £15.3 million). The drop in sales was due to slowdown of economy and unprecedented inflation triggered by the extended geo-political

situation in UK, Europe, and USA the markets in which they are operating. Operating EBITDA was at £0.02 million (PY £0.3 million). The drop in EBITDA is primarily caused by increase in global supply chain issues, increase in operational cost due to inflation and reduced operating leverage due to lower sales. With the recession and inflation existing throughout the year, Horwood has taken all necessary steps to manage this tough period through optimization of costs and through improved operational efficiencies.

(b) Ultrafresh Modular Solutions Limited, India

During the last quarter of FY 22, your Company made strategic investment of around 41% in Ultrafresh Modular Solutions Ltd (Ultrafresh) engaged in the business of Modular Kitchens and kitchen appliances having many franchisee outlets across India. In Jan 2023 your Company further invested in Ultrafresh and increased its shareholding to 51% and Ultrafresh became subsidiary of your Company from that date. Accordingly, the consolidated financial statement for the previous year includes the profit / loss of Ultrafresh as an associate for the period up to December 2022 and as Subsidiary from January 2023.

Ultrafresh achieved a turnover of ₹ 31.2 Crores during the year (PY ₹ 23.0 Crores) with an EBITDA of ₹ (6.0) Crores (PY: ₹ (9.9) Crores).

Being an Associate Company up to December 2022, the net loss of Ultrafresh for the period from 1st April to 31st Dec 2022 proportionate to the share holding up to that period viz. ₹ (2.22) Crores is consolidated appropriately in the Consolidated Financials. For the period from Jan 23 to Mar 23 the net loss of ₹ (3.3) Crores is considered in the Consolidated Financials as applicable to Subsidiary. In FY24, the net loss of Ultrafresh for full year viz ₹ (8.5) Crores is considered in the Consolidated Financials as applicable to Subsidiary.

The consolidated financials are attached to this Annual Report separately.

C. OUTLOOK & OPPORTUNITIES:

- a. Despite the deteriorating global situation, India is one of the fastest growing economies post covid pandemic and is poised to become the 3rd largest economy in the world in the next few years.
- b. The Reserve Bank of India has projected a GDP growth of 7% in real terms for FY 25 driven by resilient activity in services and manufacturing industry and estimated the CPI inflation at 4.5%. The growth is expected to be more broad based than the skew towards a few sectors in the last year.
- c. The growth in consumer spending post pandemic has been fluctuating between categories and amongst categories between premium products and entry products. The fluctuation is also seen among income groups and geographies – urban and non-urban. With larger State spends in non-urban areas and expected increase in middle income group, private final consumption is expected to improve and broad-based. The new homes built in the last few years are expected to reach occupation levels which will provide impetus to the demand for kitchen and home appliances.
- d. In order to tap the expected increase in private final consumption, your Company has put in place appropriate initiatives to introduce new products across categories, channel / geography specific initiatives to consolidate leadership and improve market share in categories as well as channels. Onetime sizable investments will be made in this direction in the six quarters commencing from Q1 of FY 25.
- e. The shifting sizable portion of the manufacturing by the global brands to Country outside China will benefit India. Your Company's export customers continue to show much interest to increase their sourcing from the Company during FY 24 and we expect this to further strengthen during FY 25 subject to no further impact in the global economy.
- f. Your Company, as always, focuses on improvement in efficiencies and management of critical costs to deliver decent profits even if planned growth is impaired due to external factors like geo-political or climatic disturbances
- g. Your company is comparatively better placed owing to its brand salience, exclusive retail network across India besides strong presence in every other channel that reaches the end consumer.
- h. Your company is debt-free, and all its manufacturing and sourcing facilities with adequate capacities and human infrastructures can increase supplies to the market at short notice.
- i. India's economy is performing well amid global challenges. Addressing concerns such as declining exports and sluggish private

investment will be crucial for sustaining growth momentum in the future. India's underlying economic fundamentals are strong and despite this turbulence the impact on the long-term outlook will be marginal. If the projected GDP growth of 7% is realized, your Company is confident of returning to growth path with stable operating margins.

D. MEDIUM & LONG-TERM STRATEGY:

- a. Few years back your Company has adopted an expansive Vision – To Delight Home Makers with Innovation and To Make Company's products available at Every Home. Your Company is in the process of redrawing its blueprint for the long-term taking into account the rapid changes in economic scenarios both domestic and global, emerging opportunities, etc. Globally reputed consultants will be assisting the company in this process.
- b. Your Company has successfully managed the transition in operating management at key levels with a blend of experience and diverse skill sets and has put in place long term incentive plans to maintain and attract talent.
- c. Your Company operates out of its core strengths of brand, innovation, design, manufacturing, distribution, sourcing, and service capabilities and more importantly 'Customer Engagement' and will continue its efforts to further fortify these strengths.
- d. In the medium and long-term, your Company expects to maintain growth levels surpassing the GDP with healthy operating EBITDA margin and Return on Capital Employed subject to any unforeseen external factors beyond control.

E. THREATS

The domestic market has vast opportunities with the increase in customer base year after year. However, threats in the form of new entrants or existing regional brands causing disruptions through unrealistically low prices due to pressure from some channels can continue to exist. Consolidation of big-format and online channels in a few hands can cause disruptions in the short-term both for traditional small retail players and organized national brands. Any delay in innovation of new and differentiated products can impact growth due to these developments. Fluctuation in the commodity prices is also a major threat as it may not be possible for Your Company to pass on the impact of cost increases to consumers in

full. The increased geo-political tension may have adverse impact on the commodity pricing and the supply chain costs. The dynamic cost management process adopted by Your Company will ensure healthy margins at EBITDA levels as demonstrated in the last few years.

F. RISKS AND CONCERNS

The various general economic risks and concerns which can impact your Company have already been outlined in the preceding sections. The concerns largely centre around external factors.

G. RISK MANAGEMENT

Your Company has a Risk Management Committee in place as required under SEBI (LODR) Regulations the details of which are provided in the Report on Corporate Governance.

Some of them are</p> <p>➤ At Hosur Plant</p> <ul style="list-style-type: none"> ○ 240kw capacity Roof Top Solar Plant installation – Average electricity 800 kwh/day generation ○ Waste diesel recycling - Diesel saving 200 lts/ day. ○ IR 300cfm air compressor Slip Ring Motor system to Normal Induction Motor to save energy - Power factor improved from 0.94 to 0.98. Also, efficiency loss avoided. ○ Auto cut off for lighting system in break time (Tea & Lunch time) - ○ Energy saving 12kwhr/day & 3744 kwhr/year saving. ○ Auto Dishing machine with pick and place system - Energy saving by 52kwhr/month. ○ Normal induction motor converted to Servo motor to reduce the power consumption - 144 kwhr/day energy saving in hydraulic press. ○ Aluminium lid cleaning purpose air purge system modified to an auto ON/OFF - 10 kwhr/day saving.
(ii)	Steps taken by the Company for utilizing alternate sources of energy:	<p>➤ At Roorkee Plant</p> <ul style="list-style-type: none"> ○ Power saving by combining two operations in single machine in place of two machines - 11250 kwhr/ year. ○ Power saving by combining two cocker body draw process in single tool in place of two tools - 32914 kwhr/year savings. ○ Power saving by using the 3 kw induction motor in place of 5.5 Kw motor in SAM oval cutting machine. Yearly Power saving Approx. in 2 shift=37500 kwhr/year . ○ Power saving by running one shift Approx. 58 X 8 X 300 days=139200 kwhr/year. <p>➤ At Khardi Plant</p> <ul style="list-style-type: none"> ○ Energy saving by replacing the Sodium vapour 400 W lamps with 120 W lamps (30 Sodium vapour Lamps replaced by 120 watts led lamps). Total energy saved - 27,594 KWH/Year. ○ Energy Saving- by eliminating the LPG consumption for washing plant and implementing Electric heater. 18 MT LPG saved per year (Thermal Energy) ○ Energy saving by eliminating one 75 HP Motor from 230 T Hydraulic Press and now operating with one 75 HP (Earlier 2 X 75 HP). Energy savings approximately 25000 KWH/Year. ○ Internal Rotary Polishing - Replacing Belt conveyor with the Gravity roller conveyor around 3000 KWH per annum saved. <p>➤ At Karjan Plant</p> <ul style="list-style-type: none"> ○ 990 kwp capacity Roof Top Solar Plant installation - Average electricity 3500 kwhr/ day generation ○ Installation of VFD in Compressor. Average energy savings 9000 KWH per Year ○ Installation of Timers in Lighting Panels, Average energy savings 32400 KWH per Year ○ Installation of Solar LED Lamps at Emergency assembly points. Average energy savings 9000 KWH per Year.
(iii)	Capital Investment on energy conservation equipments:	

		<ul style="list-style-type: none"> o Installation of Servo Pumps and Servo Motors. Average energy savings 76500 KWH per Year. o Replacement of higher capacity pump (11KW) to the suitable capacity (7,5KW) Pump for cooling tower. Average energy savings 18000 KWH per Year. o Installation of 55KW VFD in 10 Station dust collector. Average energy savings 50400 KWH per Year. o Installation of VFD and auto Vessel ejection system in Sunray machine. Average energy savings 32400 KWH per Year. o Installation of Centralised Cooling Tower for Press Shop. Average energy savings 36500 KWH per Year. o Installation of Thyristor in Heating System/Oven). Average energy savings 47200 KWH per Year. o Installation of IGBT System in Heating Machine. Average energy savings 111600 KWH per Year. o Installation of 18VFD in assembly conveyor. Average energy savings 35084 KWH per Year. <p>➤ At Coimbatore Plant</p> <ul style="list-style-type: none"> o Triply Lid Outside Polishing Chuck Vacuum holding to Mechanical Holding – Savings of 150 cfm air / day. o Two stage process changed to single stage process in 2 Ltr Cooker- Energy Saved 30HP. o SS Body Polishing Motorized drive system installed, which combines two operations- Energy Saved 10HP. o 500 KW Capacity Roof Top Solar Plant installation under progress. SOP by July'24- Average electricity 1500 kwh/day generation. o Conversion from water-cooled vacuum pump system to oil cooled vacuum pump system. Energy saved 12 units/day – 3600Kwhr/Year. o Installation of VFD in Lid process. Energy savings of 15 units/day – 4500Kwhr/Year. o Auto air purge system in SS draw operation. Energy savings 6 units/day— 1800Kwhr/Year.

Form No. MR - 3 SECRETARIAL AUDIT REPORT

ANNEXURE - F

FOR THE FINANCIAL YEAR ENDED 31st March, 2024
(Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members,
TTK Prestige Limited,
Plot Nos. 38, SIPCOT Industrial Complex, Hosur – 635 126
Tamilnadu, India

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by TTK PRESTIGE LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2024, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2024 and made available to me, according to the provisions of:

- i. The Companies Act, 2013 ("the Act") and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment, if any;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

(c) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;

(d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

vi. Other laws applicable specifically to the Company, namely:

(a) The Patents Act, 1970; and

(b) The Trade Marks Act, 1999

I have also examined compliance with the applicable clauses of the (i) Secretarial Standards issued by The Institute of Company Secretaries of India (ii) The Listing Agreements entered into with Stock Exchanges.

I report that, during the year under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines and Standards mentioned above.

I further report that, there were no events/actions in pursuance of:

- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (b) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not applicable to the Company)
- (d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
- (e) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018 requiring compliance thereof by the Company during the audit period.

I further report that, the compliance by the Company of applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts have not been reviewed in this Audit since the same have been subject to review by the statutory financial auditors, tax auditors, and other designated professionals.

I further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that

took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board meetings and except in case of meetings called with shorter notice to transact urgent business, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

Place: Bengaluru
Date : May 28, 2023

I further report that, based on the information provided and the representation made by the Company and also on the review of the compliance certificates/reports taken on record by the Board of Directors of the Company, in my opinion there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I report further that, during the audit period there were no other specific events/ actions in pursuance of the above referred laws, rules, regulations, guidelines, etc. having a major bearing on the Company's affairs.

PRINCIPLE 6 Businesses should respect and make efforts to protect and restore the environment
Essential Indicators

1	Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:	
	Parameter	2023-24 (in GJ)
	2022-23 (in GJ)	
	From renewable sources	
	Total Electricity Consumption (A)-Solar	4,081.17
	Total Fuel Consumption (B)	-
	Energy consumption through other sources (C) -Wind	611.05
	Total Energy consumed from renewable sources (A+B+C)	1,200.91
	From non-renewable sources	
	Total Electricity Consumption (A)	68,423
	Total Fuel Consumption (B)-Diesel/Petrol (Converted in to GJ)	11,143
	Energy consumption through other sources (C)-Piped Natural Gas (PNG) -Converted in to GJ	29,161
	Total Energy consumed from non-renewable sources (A+B+C)	109,971
	Energy intensity per rupee of turnover (Total energy consumption / Revenue from Operations) (GJ/Rs. Crores)	42.34
	Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumption / Revenue from Operations adjusted for PPP) (GJ/USD Cr.) (1USD=₹. 22.88 on PPP)	968.73
	Energy intensity in terms of physical output	
	Energy intensity (optional) - the relevant metric may be selected by the entity	NA
	Note: Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? (Y/N). If yes, name of the external agency.	No
2	Does the entity have any sites / facilities identified as Designated Consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N). If yes, disclose whether targets set under the PAT Scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.	No
3	Provide details of the following disclosures related to water, in the following format:	
	Parameter	2023-24
	2022-23	
	Water withdrawal by source (in kilolitres)	
	(i) Surface Water	Nil

7.	Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:			
	Parameter	Unit	2023-24	2022-23
	Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	4,188	3,842
	Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	15,015	15,288
	Total Scope 1 and Scope 2 emission intensity per Rupee of Turnover (Total Scope 1 and Scope 2 GHG emission / Revenue from operations)	Metric tonnes of CO ₂ equivalent / Rs.Cr.	7.68	7.29
	(Total Scope 1 and Scope 2 emission intensity per rupee if turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emission / Revenue from operations adjusted for PPP) (1USD = ₹ 22.88 on PPP)	Metric tonnes of CO ₂ equivalent / USD Cr.	175.70	166.69
	(Total Scope 1 and Scope 2 emission intensity in terms of physical output)	-	-	-
	(Total Scope 1 and Scope 2 emission intensity (optional) - the relevant metric may be selected by the entity)	-	NA	NA
	Note: Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? (Y/N). If yes, name of the external agency.	No		
8.	Does the entity have any project related to reducing Green House Gas emission? If yes, then provide details:	Yes. Energy reduction projects are being implemented. These include installation of 990 KWP roof top solar power plant, Battery operated fork lift trucks, installation of dock leveller etc.		
9	Provide details related to waste management by the entity, in the following format:			
	Parameter	2023-24	2022-23	
	Total Waste generated (in M.T)			
	Plastic Waste (A)	41.88	37.17	
	E-waste (B)	19.32	0.89	

Bio-medical Waste (C)	0.05	0.08
Construction and Demolition Waste (D)	Nil	Nil
Battery Waste (E)	0.54	1.83
Radioactive Waste (F)	Nil	Nil
Other Hazardous Waste, Please specify, if any (G)	467.67	516.25
Other Non-Hazardous Waste generated (H). Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector) (H).		
- Metal waste	1,968.04	1,698.32
- Other waste	900.92	972.79
Total (A + B + C + D + E + F + G + H)	3,398.41	3,227.33
Waste intensity per Rupee of turnover (Total Waste generated / Revenue from Operations) (M.T. / ₹ Cr)	1.36	1.23
Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Waste generated / Revenue from Operations adjusted for PPP) (M.T./USD Cr.) (1USD=₹ 22.88 on PPP)	31.09	28.12
Waste intensity in terms of physical output		
Waste intensity (optional) - the relevant metric may be selected by the entity	NA	NA
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste	2023-24	2022-23
(i) Recycled	2,792.94	2,470.23
(ii) Re-used	15.83	0.61
(iii) Other recovery operations	339.24	312.66
Total	3,148.01	2,783.50
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste	2023-24	2022-23
(i) Incineration	0.05	0.08
(ii) Landfilling	49.85	88.99
(iii) Other disposal operations	200.51	354.76
Total	250.41	443.83
Note:	Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? (Y/N). If yes, name of the external agency.	No. However, as a part of ISO 14001 certification, independent audit of environmental practices is carried out.

10	Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your Company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.		Waste Segregation and Disposal Procedure established in the company are in line with the requirements of ISO 9001:2015 and ISO 14001:2015 Standards. The company focuses on operational efficiency and resource conservation through waste reduction, reuse, recycle and recovery practices, and has undertaken several initiatives in these areas.		
11	If the entity has operations / offices in / around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones, etc.) where environmental approvals / clearances are required, please specify details in the following format:				
	S.No.	Location of operations / offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.	
	Our Manufacturing facilities are not located in ecologically sensitive areas.				
12	Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:				
	Name and brief details of Project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)
	None				
13	Is the entity compliant with the applicable environmental law / regulations / guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act and Environment Protection Act and Rules thereunder (Y/N). If not provide details of all such non-compliances, in the following format:				
	S.No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by the regulatory agencies such as Pollution Control Boards or by Courts	Corrective action taken, if any
	Yes. The Company complies with all the applicable environmental laws / regulations / guidelines and there is a robust mechanism to monitor and report its compliances. There is no non-compliance. The company has also obtained ISO 14001 certification for its Environmental Management Systems for most of its major manufacturing locations				
	Leadership Indicators				
1	Water withdrawal, consumption and discharge in areas of water stress (in kilolitres)				
	The Company is not operating in any water stress areas and therefore, this indicator is not applicable.				
	For each facility / plant located in areas of water stress, provide the following information				
	(i) Name of the area				
	(ii) Nature of Operations				
	(iii) Water withdrawal				
	Parameter	2023-24		2022-23

	Total Scope 3 emission intensity (optional) – the relevant metric may be selected by the entity		NA	NA
	Note: Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? (Y/N). If yes, name of the external agency.			No

3	With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities			NA
4	If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:			
	S.No.	Initiative Undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
	1.	Rooftop solar	990 KWP- Rooftop solar power generation system @ Karjan Plant	Reduced energy from non-renewable energy sources and CO2 emission reduction.
	2	Automation	Pick and Place Robotics	Improvement in safety, ergonomics and productivity
	3	Battery-operated forklift and stackers	Replaced diesel forklift	Reduction in CO2 emission
	4	GreenCo Initiatives	Implemented GreenCo Initiatives in Karjan Plant, obtained certification for "GreenCo Silver Rating"	Reduction in energy and water consumption, reduced waste and CO2 emission, and improved work safety.
5	Does the entity have a business continuity and disaster management plan? Give details in 100 words / web link.		Yes. All our Manufacturing units have comprehensive emergency preparedness plans to handle various identified and potential emergencies. The plans are designed to contain the incident, minimize casualties and prevent further injuries, mitigation measures, quick and streamlined relief and rescue operation and speed up restoration of normalcy. Members of the emergency response teams are aware of their roles and responsibilities and ensure that the risks are managed well as per the plan. This is achieved by implementing the plan, training the people, improving response through regular conduct of mock drills and auditing controls to ensure that the system works as planned.	
6	Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard?		Value chain partners have not yet been assessed for environmental Impacts. This process will be initiated in the coming years.	
7	Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.		Not Applicable	

PRINCIPLE 7
Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent
Essential Indicators

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF TTK PRESTIGE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of TTK Prestige Limited ("the Company"), which comprise the balance sheet as at March 31, 2024, the statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl No	Key Audit Matter	How our audit addressed the Key Audit Matter
1.	<p>Revenue Recognition</p> <p>The Company manufactures and trades in a number of products related to kitchen appliances. Revenue is measured net of discounts, incentives and rebates earned by customers on the Company's sales.</p> <p>Given the variety and large number of sales transactions and estimates involved in discounts etc. revenue recognition is considered a Key Audit Matter. Disclosure Note 45 and the accounting policies provide additional information on how the Company accounts for its revenue.</p>	<p>Our audit included but was not limited to the following procedures:</p> <p>Our procedures included, among others, obtaining an understanding of the processes and relevant controls relating to the accounting for customer contracts.</p> <p>Accounting policies:</p> <p>Assessing the appropriateness of the Company's revenue recognition accounting policies, including those relating to discounts, incentives and rebates under Ind AS 115.</p> <p>Control testing:</p> <p>Testing the selected key controls for the revenue recognized throughout the year and calculation of discounts, incentives and rebates, including reviewing the results of testing by management, for their design and operating effectiveness and performed procedures to gain sufficient audit evidence on the accuracy of the accounting for customer contracts and related financial statement assertions.</p> <p>Evaluating the IT systems relevant for revenue recognition and the functioning of the related general IT controls.</p>

		<p>Tests of details:</p> <ul style="list-style-type: none"> • Reviewed sales transactions recorded either side of year end as well as credit notes issued after the year end date to determine whether revenue was recognized in the correct period. • Performed substantive procedures to understand and validate the basis of provision for schemes and discounts with underlying workings and evidences. • Compared the current year estimates of discounts, incentives and rebates to the prior year and, where relevant, completing further inquiries and testing. • Obtained the supporting documentation on sample basis for discounts and incentives given under schemes to agree to the amounts recorded as discounts and incentives during the period. • Use of data analytics to perform analytical procedures and substantive tests of detail in order to audit the underlying revenue. <p>Disclosures:</p> <ul style="list-style-type: none"> • Tracing disclosure information to accounting records and other supporting documentation. • Ensured the completeness of the disclosures made are as per Ind AS 115

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Directors report and Business Responsibility and Sustainability Report but does not include the financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Board of Directors for Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually

or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to the standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph h(vi) below on reporting under rule 11(g) of the companies (Audit and Auditors Rule, 2014).
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the (Ind AS) specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

- (g) The observation relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph b above on reporting under Section 143(3)(b) and paragraph h(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014
- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as at March 31, 2024 on its financial position in its standalone financial statements – Refer Note 34 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2024;
 - iv.
 - (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - (b) The management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - (c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
 - v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.
As stated in note 49 to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.
 - vi. As stated in Note 53 to the financial statement and relying on representations/explanations from the company and based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has been enabled and operated throughout the year for all relevant transactions, except for the feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes.
Further, for the periods where the audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with.
As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable only from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:
In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.

ANNEXURE A

Referred to in paragraph 1 on 'Report on Other Legal and Regulatory Requirements' of our report of even date to the members of TTK Prestige Limited ("the Company") on the standalone financial statements as of and for the year ended 31 March 2024.

- (i) (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain Property, Plant and Equipment were physically verified by the management during the year. In our opinion, and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company as at Balance Sheet date
In respect of immovable properties of land and building that have been taken on lease and disclosed as right of use assets in the financial statements, the lease agreements are in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year and hence this clause is not applicable to the Company.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibitions) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The inventory, except goods in transit and stocks lying with third parties, has been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. For stocks lying with third parties at the year-end, written confirmations have been obtained and in respect of goods-in-transit, subsequent goods receipts have been verified or confirmations have been obtained from the parties. In our opinion, the coverage and procedure of such verification by the management is appropriate. The discrepancies noticed on verification between the physical stocks and the book records are not 10% or more in the aggregate for each class of inventory. The discrepancies noted have been properly dealt with in the books of accounts.
Based on our audit procedures & according to the information and explanation given to us, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company.
- (iii) Based on our audit procedures and according to the information and explanation given to us, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, paragraph 3(iii) (a) to (f) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanation given to us, the Company has complied with provisions of Section 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees, and securities, as applicable
- (v) Based on our audit procedures & according to the information and explanation given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of the Act and the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company as specified under sub section (1) of section 148 of the Act, for maintenance of cost records in respect of the products manufactured by the Company, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not, made a detailed examination of cost records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, the Company has generally been regular in depositing undisputed statutory dues including Goods and Service Tax, provident fund, employees' state insurance, income-tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues as applicable with the appropriate authorities.

According to the information and explanation given to us and the records of the Company examined by us, no undisputed amounts payable in respect of Goods and Service Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues were in arrears, as at 31 March 2024 for a period of more than six months from the date they became payable

- (b) According to the information and explanations given to us and based on our examination of the records of the Company, there are no statutory dues referred to in sub-clause (a) as at 31 March 2024, which have not been deposited with the appropriate authorities on account of any dispute, except as stated below:

- (viii) Based on our audit procedures and as per the information and explanations given by the management, no amount has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Accordingly, paragraph 3(viii) of the order is not applicable to the Company.
- (ix) (a) Based on our audit procedures and as per the information and explanations given by the management, the Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender,
- (b) According to the information and explanations given to us, the Company is not a declared willful defaulter by any bank or financial institution or other lender. Accordingly, paragraph 3(ix)(b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us and the records of the Company examined by us, there were no term loans availed by the company. Accordingly, paragraph 3(ix)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us and the records of the Company examined by us, there were no funds raised on short term basis by the Company. Accordingly, paragraph 3(ix)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and the records of the Company examined by us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, joint ventures or associate companies. Accordingly, paragraph 3(ix)(e) of the Order is not applicable to the Company.
- (f) According to the information and explanations given to us and the records of the Company examined by us, the Company has not raised any loans during the year on pledge of securities held in its subsidiaries, joint ventures or associate companies. Accordingly, paragraph 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) According to the information and explanations given to us, the Company did not raise money by way of initial public offer or further public offer (including debt instruments) during the year and hence the question of whether money raised were applied for the purposes for which those are raised does not arise. Accordingly, paragraph 3(x) of the Order is not applicable to the Company.

- (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence the question of whether the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised does not arise. Accordingly, paragraph 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) We have been informed that the company has identified a fraud committed by one employee of the company, during the year under audit whose amount is not material (Rs. 0.34 Cr). We have been informed that the employee has been dismissed and the amount fully recovered.
- Except for the above, to the best of our knowledge and belief and according to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of Section 143 of the Act has been filed by secretarial auditor or by cost auditor or by us in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government of India for the period covered by our audit.
- (c) As represented to us by the management, there are no whistle blower complaints received during the year by the Company
- (xii) The Company is not a Nidhi company in accordance with Nidhi Rules 2014. Accordingly, paragraph 3(xii)(a) to (c) of the Order is not applicable.
- (xiii) Based on our audit procedures and according to the information and explanations given to us, all the transactions entered into with the related parties during the year are in compliance with Section 177 and Section 188 of the Act where applicable and the details have been disclosed in the standalone financial statements as required by the Indian accounting standard Related Party Disclosures (Ind AS 24)
- (xiv) (a) To the best of our knowledge and belief and according to the information and explanations given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the reports of the Internal Auditors for the period under audit.
- (xv) On the basis of the information and explanations given to us, in our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) Based on our audit procedures and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of Reserve Bank of India Act, 1934 (2 of 1934).
- (b) Based on our audit procedures and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable to the Company.
- (c) Based on our audit procedures and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence the questions of fulfilling criteria of a CIC, and in case the Company is an exempted or unregistered CIC, whether it continues to fulfill such criteria, do not arise. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on our audit procedures and according to the information and explanations given to us, none of the group companies are Core Investment Company (CIC) and hence the question of number of CICs which are part of the Group does not arise. Accordingly, paragraph 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) Based on our audit procedures and according to the information and explanations given to us, the Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting

is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

- (xx) (a) Based on our audit procedures and according to the information and explanations given to us, in respect of other than ongoing projects, the Company having spent the required amount, there is no amount pending to be transferred to a Fund specified in Schedule VII to the Companies Act within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act.
- (b) Based on our audit procedures and according to the information and explanations given to us, the Company is not required to transfer unspent amount under sub-section (5) of section 135 of the Companies Act, pursuant to ongoing project to special account in compliance with provision of sub-section (6) of section 135. Accordingly, paragraph 3(xx)(b) of the Order is not applicable to the Company.

ANNEXURE B

Referred to in paragraph 2(f) on 'Report on Other Legal and Regulatory Requirements' of our report of even date Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls with reference to standalone financial statements of TTK Prestige Limited ("the Company") as of 31 March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Nature and purpose of reserves:

- Capital reserve: The Company recognises profit and loss on purchase, sale, issue or cancellation of the Company's own equity instruments to capital reserve.
- Securities premium: Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of section 52 of the Companies Act, 2013.
- Capital redemption reserve: As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilized in accordance with the provisions of section 69 of the Companies Act, 2013.
- General reserve: The general reserve is a free reserve which is used from time to time to transfer profits from retained earnings for appropriation purposes.
- Share Based Payment Reserve: The fair value the equity settled share based payment transaction is recognised in standalone statement of profit and loss with corresponding credit to share based payment reserve.
- Retained Earnings: Retained earnings are the profits that the Group has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.
- Items of Other Comprehensive Income
 - Remeasurements of Net Defined Benefit Plans: Differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised in other comprehensive income and are adjusted to retained earnings.
 - Equity Instruments through Other Comprehensive Income: The fair value change of the equity instruments measured at fair value through other comprehensive income is recognised in equity instruments through Other Comprehensive Income."

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

1. Corporate Information

TTK Prestige Limited ('TTK' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at Plot No. 38, SIPCOT Industrial Complex, Hosur, Tamilnadu – 635126. The Company's shares are listed and traded on Stock Exchanges in India. The Company is primarily engaged in the business of Kitchen and Home Appliances.

2. Material Accounting Policies**(i) Statement of Compliance**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Sec 133 of the Companies Act 2013 and other relevant provisions of the Act as amended thereto.

These financial statements were authorized for issue by the Board of Directors on May 25, 2023.

These financial statements have been prepared on accrual and going concern basis.

(ii) Basis of Preparation and Presentation

These financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

As the operating cycle cannot be identified easily in normal course, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

(iii) Fair Value Measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed in line with the Company's accounting policies. For this analysis, the company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

(iv) Use of Estimates and Judgments

In the application of the Company's accounting policies, the Management of the Company are required to make judgments. The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates

Estimates and underlying assumptions are reviewed on an ongoing basis at each balance sheet date. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are provided in Note 2.1.

(v) Revenue Recognition**Revenue from Sale of goods:**

Sales are stated at net of returns and GST. Sales Revenue is recognized when:

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations. The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on terms with customers.

Revenue is measured on the basis of contracted price, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the Government such as Goods and Services Tax, etc. Accumulated experience is used to estimate the provision for such discounts and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

Our customers have the contractual right to return goods only when authorised by the Company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

A contract liability is recognised for expected volume discounts payable to customers in relation

to sales made until the end of the reporting period. The Company adjusts estimate of revenue at the earlier of when the most likely amount of consideration company expects to receive changes or when the consideration becomes fixed. No element of financing is deemed present as the sales are made with a credit term of 30-120 days, which is consistent with market practice. The Company's obligation to provide a refund for faulty products under the standard warranty terms is recognised as a provision.

(vi) Other Income

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.

When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss. Interest arising on overdue bills is recognized on date of reliable measurement being the date of settlement.

Dividend income from investments is accounted for when the right to receive the payment is established.

(vii) Foreign Currency**• Initial Recognition**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

• Subsequent Recognition

As at the reporting date, non-monetary items which are carried at historical cost and denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were fair value measured.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

(viii) **Investment in subsidiaries, associates and joint ventures:**

The Company records the investments in subsidiaries, associates and joint ventures at cost less impairment loss, if any.

(ix) **Financial Instruments**

1 (a) **Financial Assets - Other than investment in subsidiaries, associates and joint ventures**

Financial assets other than investment in subsidiaries, associates and joint ventures comprise of investments in equity and debt securities, trade receivables, cash and cash equivalents and other financial assets.

Initial recognition:

All financial assets are recognized initially at Fair value or in case of financial assets not recorded at FVTPL, transaction costs that are attributable to the Acquisition of the financial asset. Purchase or sales of financial asset within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date. However, trade receivables that do not contain a significant financing component are measured at transaction price

Subsequent measurement:

(i) **Financial assets measured at amortized cost:**

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of profit and loss.

The Company while applying above criteria has classified the following at amortized cost

(a) Trade receivable

(b) Other financial assets

(ii) **Financial asset at FVTOCI**

Financial assets that are held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial asset and the contractual terms of financial assets give rise on specified

dates to cash flow that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at FVTOCI. Fair value movements in financial assets at FVTOCI are recognized in other comprehensive income.

Equity instruments held for trading are classified as FTVPL. For other equity instruments the Company classifies the same as FVTOCI. The classification is made on initial recognition and is irrevocable. Fair value changes on equity instruments at FVTOCI excluding dividends, are recognized in other comprehensive income (OCI).

(iii) **Financial asset at FVTPL**

Financial asset are measured at fair value through Profit and loss if it does not meet the criteria for classification as measured at amortized cost or at fair value through other comprehensive income. All fair value changes are recognized in the Statement of Profit and loss.

1(b) **De-recognition on financial asset:**

Financial assets are de-recognized when the contractual right to cash flows from the financial asset expires or the financial asset is transferred and the transfer qualifies for De-recognition. On De-recognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of De-recognition) and the consideration received (including any new asset obtained less any new liability Assumed) shall be recognized in the statement of profit and loss (except for equity instruments designated as FVTOCI).

1 (c) **Impairment of financial asset:**

Trade receivables under IND AS 109, investments in debt instruments that are carried at amortized cost, investments in debt instruments that are carried at FVTOCI are tested for impairment based on the expected credit losses for their respective financial asset.

(i) **Trade receivable:**

An impairment analysis is performed at each reporting date. The expected credit losses over lifetime of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rate reflecting future economic conditions. In this approach assets are grouped on the basis of similar credit

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

(ii) Other financial assets:

Other financial assets are tested for impairment and expected credit losses are measured at an amount equal to 12 month expected credit loss. If the credit risk on the financial asset has increased significantly since initial recognition, then the expected credit losses are measured at an amount equal to life-time expected credit loss.

2. *Financial liabilities:*

Initial recognition and measurement:

Financial liabilities are initially recognized at fair value plus any transaction cost that are attributable to the acquisition of financial liability except financial liabilities at fair value through profit and loss which are initially measured at fair value.

Subsequent measurement:

The financial liabilities are classified for subsequent measurement into following categories

- at amortized cost
- at fair value through profit and loss

De-recognition of financial liabilities

A financial liability is derecognized when and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

3. *Derivative financial instruments:*

Foreign exchange forward contracts and options are entered into by the Company to mitigate the risk of changes in foreign exchange rates associated with certain payables, receivables and forecasted transactions denominated in certain foreign currencies. These derivative contracts that do not qualify for hedge accounting under IND AS 109, are initially recognized at fair value on the date the contract is entered into and subsequently measured through Profit or Loss. Gains or loss arising from changes in the fair value of the derivative contracts are recognized in profit or loss.

4. *Offsetting of financial assets and liabilities:*

Financial assets and liabilities are offset and the net amount is presented in Balance Sheet when, and only when, the Company has a legal right to offset the recognized amounts

and intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

5. *Reclassification of financial assets:*

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are categorized as equity instruments at FVTOCI and financial assets or liabilities that are specifically designated as FVTPL. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business are expected to be infrequent.

(x) **Property, Plant and Equipment**

Property plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Cost includes expenditure that is directly attributable to acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located.

When parts of an item of Property, Plant and equipment have differential useful life, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses on disposal of an item of property plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of Property, Plant and equipment and are recognized net within other income/ other expenses in the statement of profit and loss account.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The carrying amount of the replaced part is de-recognized. The cost of day to day servicing is recognized in the statement of profit and loss account. All other repair and maintenance costs are recognized in profit or loss as incurred.

Depreciation on fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

been re-assessed as under based on technical evaluation, taking into the account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties, maintenance support, etc.

- Plant and machinery – 5 to 20 years
- Electrical installations and equipment – 5 to 20 years
- Tools and Moulds - 3 to 10 years

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

(xi) **Impairment of Non-Financial Asset**

The Company assesses at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets of the Company. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

(xii) **Employee Benefits**a) **Defined Contribution Plans**

The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognized as an expense in the Statement of Profit and Loss. The contributions as specified under the law are paid to respective Regional Provident fund commissioner.

b) **Defined Benefit Plans (Superannuation)**

The eligible employees of the Company are entitled to receive benefits under the superannuation scheme, a defined contribution plan, in which the Company

makes annual contributions of a specified sum, which is recognized as an expense in the Statement of Profit and Loss. The Contributions are by way of annual premium payable in respect of a superannuation policy issued by the Life Insurance Corporation of India, which confers benefits to retired/resigned employees based on policy norms. No other liabilities are incurred by the Company in this regard.

c) **Defined Benefit Plans (Gratuity and Compensated Absences)**

The Company makes annual contributions to gratuity funds administered by the trustees for amounts notified by the funds. The Company accounts for the net present value of its obligations for gratuity benefits, based on an independent actuarial valuation, determined on the basis of the projected unit credit method, carried out as at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss.

Past service cost is recognized in Statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Re-measurement.

The Company presents the first two components of defined benefit costs in statement profit and loss in the line item "Employee Benefits Expenses". Curtailment gains and losses are accounted for as past service costs.

The defined benefit obligation recognized in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

d) Other Employee Benefits

Other benefits, comprising of Leave Travel Allowances, are determined on an undiscounted basis and recognized based on the likely entitlement thereof.

e) Termination Benefits

A liability for a termination benefit is recognized at the earlier of when the company can no longer withdraw the offer of the termination benefit and when the company recognizes any related restructuring costs.

(xiii) Provisions, Contingent Liabilities and Contingent Assets

General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Warranty provisions

Provisions for warranty-related costs are recognized when the goods are sold to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

(xiv) Leases

When a contract begins, the company determines if it constitutes a lease. A lease exists if it grants control over an identified asset for a period, with consideration exchanged. If there are both lease and non-lease components, payments are allocated accordingly, and lease accounting is applied only to lease components.

At the lease's start, the company recognizes a right-of-use asset and lease liability. This includes the lease liability's present value of future payments, initial direct costs, and lease payments made. The right-of-use asset is depreciated unless ownership or lease renewal is probable, over the shorter of its useful life or lease term.

The lease liability's initial measurement includes fixed payments and variable payments dependent on an index or rate, less any incentives received. If the interest rate implicit in the lease isn't determinable, the company uses its incremental borrowing rate.

The lease term includes extensions the company is likely to exercise but excludes uncertain early termination options. Variable lease payments without an index or rate dependency are expensed as incurred. Guaranteed minimum payments are treated as fixed and included in the lease liability calculation.

The lease liability is adjusted for interest accrual and reduced for payments made. It's also re-measured for modifications, changes in lease terms, 'in-substance fixed' payments, or alterations in relevant indexes or rates.

The company chooses not to apply this accounting model to leases of low-value assets or those lasting less than 12 months.

(xv) Income Tax

a) Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities on the taxable income of the year. The tax rates and tax laws used for computation of current tax includes those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current tax is recognized in the statement of profit and loss except to the extent it relates to an item recognized directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

b) Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and a liability in the financial statements and the corresponding tax base used in the computation of taxable profit and is accounted for using the balance sheet method. Deferred tax liabilities

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the company intends to settle its current tax assets and liabilities on a net basis.

Current and deferred tax are recognized in the Statement of profit and loss, except when they relate to items credited or debited directly to equity, in which case the tax is also recognized directly in equity. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

(xvi) Earnings Per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the

weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(xvii) Inventories

Inventories are valued at the lower of cost (computed on a Weighted Average basis) or net realizable value. Cost includes the cost of purchase including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase. Trade discounts, rebates and benefits are deducted in determining the cost of purchase. Net realizable value represents the estimated selling price for the inventories less all estimated costs of completion and costs necessary to make the sale. Finished goods and Work in Progress include cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

(xviii) Cash and Cash Equivalents (for the purpose of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of no cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year is classified by operating, investing and financing activities.

(xix) Recent Pronouncements**(i) New and amended standards adopted by the Company:**

The Company has applied the following amendments for the first time for their annual reporting period commencing April 1, 2023

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

The amendments to Ind AS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates.

Ind AS 1 - Presentation of Financial Statements

The amendments to Ind AS 1 provide guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. The amendments have had an impact on the Company's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Company's financial statements.

Ind AS 12- Income Taxes

The amendments to Ind AS 12 Income Tax narrow the scope of the initial recognition exception, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases and decommissioning liabilities.

(ii) **New Standards/Amendments notified but not yet effective**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

2.1 **Critical judgments in applying accounting policies & Key sources of estimation uncertainty:**

The preparation of the company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying number of assets or liabilities affected in future periods.

Critical Judgements in applying Accounting Policies:

- (i) **Lease classification:** The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics

Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

- (i) **Useful life of Property, Plant & Equipment (PPE)**
The Company reviews the estimated useful lives of PPE at the end of each reporting period.
- (ii) **Defined benefit plans, Defined Benefit Obligations (DBO)** Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

(b) Fair Value Hierarchy

An analysis of financial instruments (as indicated in the table above) that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, are as described below:

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of investment in quoted equity shares, and mutual fund investments.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 (₹ in Crores)

- (i) Borrowings, loans, short-term financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.
- (ii) Management uses its best judgement in estimating the fair value of its financial instruments. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date

39 Financial Risk Management Objectives and Policies

The Company is exposed primarily to fluctuations in credit, liquidity and interest rate risks and foreign currency exchange rates, which may adversely impact the fair value of its financial instruments. The company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the risk management committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the company.

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk.

Price Risk

The Company's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The investment in listed and unlisted equity securities are not significant.

Interest Rate Risk:

The company's investments are primarily in short term and long term investment which do not expose it to significant interest rate risk.

Foreign Currency Risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities. Considering the countries and economic environment in which the company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollars against the functional currency of the company.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

The Company imports raw materials and finished goods from outside India as well as makes export sales to countries outside the territories in which they operate from. The Company is therefore exposed to foreign currency risk principally arising out of foreign currency movement against the Indian Currency. Foreign currency exchange risks are managed by entering into forward contracts against foreign currency vendor payables.

The Company's outstanding foreign currency exposure is as follows:

(a) Credit Risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks.

Financial instruments that are subject to concentrations of credit risk principally consist of investments classified as loans and receivables, trade receivables, loans and advances, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Company results in material concentration of credit risk.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 1288.77 Crores and ₹ 1152.39 Crores as of March 31, 2024 and March 31, 2023 respectively, being the total of the carrying amount of balances with banks, bank deposits, and Trade receivables, other financial assets and investments excluding equity and preference investments. The Company's exposure to customers is diversified and there is one customer who contributes to more than 10% of outstanding accounts receivable as of March 31, 2024 (no customers as of March 31, 2023).

Financial Assets that are neither past due nor impaired

Cash and cash equivalents, financial assets carried at fair value and interest-bearing deposits with corporate are neither past due nor impaired. Cash and cash equivalents with banks and interest-bearing deposits placed with corporates, which have high credit rating assigned by international and domestic credit-rating agencies. Financial assets carried at fair value substantially include investment in liquid mutual fund units. With respect to trade receivables and other financial assets that are past due but not impaired, there were no indications as of March 31, 2024, that defaults in payment obligations will occur except as described in note 10 on allowances for impairment of trade receivables.

The Company does not hold any collateral for trade receivables and other financial assets. Trade receivables and other financial assets that are neither past due nor impaired relate to new and existing customers and counter parties with no significant defaults in past.

Trade Receivables

Customer credit risk is managed by each business unit subject to the company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit or other forms of credit insurance.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 (₹ in Crores)

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed above under Credit risk. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

At March 31, 2024, the Company had 2 Customers (March 31, 2023: 3 customers) that owed the Company more than 5% of the Total receivables, which accounted for approximately 22.95% (March 31, 2023: 26%) of all the receivables outstanding.

Financial Instruments and Cash Deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the company's policy. The cash surpluses of the company are short term in nature and are invested in Liquid Debt Mutual funds and bonds. Hence, the assessed credit risk is low.

(b) Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit, which carry no or low market risk.

The Company monitors its risk of a shortage of funds on a regular basis.

The following table shows a maturity analysis of the anticipated cash flows including interest obligations for the Company's financial liabilities on an undiscounted basis, which therefore differ from both carrying value and fair value.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF TTK PRESTIGE LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of TTK Prestige Limited (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at 31 March 2024, and the consolidated statement of Profit and Loss (including Other Comprehensive Income), the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2024, and their consolidated profit, consolidated total comprehensive income, their consolidated statement of changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained, and evidence obtained by other auditors in terms of their reports referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl No	Key Audit Matter	How our audit addressed the Key Audit Matter
1.	<p>Revenue Recognition</p> <p>The Group manufactures and trades in a number of products related to kitchen appliances. Revenue is measured net of discounts, incentives and rebates earned by customers on the Group's sales.</p> <p>Given the variety and large number of sales transactions and estimates involved in discounts etc. revenue recognition is considered a Key Audit Matter.</p> <p>Disclosure Note 47 and the accounting policies provide additional information on how the Group accounts for its revenue.</p>	<p>Our audit included but was not limited to the following procedures:</p> <p>Our procedures included, among others, obtaining an understanding of the processes and relevant controls relating to the accounting for customer contracts.</p> <p>Accounting policies:</p> <p>Assessing the appropriateness of the Group's revenue recognition accounting policies, including those relating to discounts, incentives and rebates under Ind AS 115.</p> <p>Control testing:</p> <p>Testing the selected key controls for the revenue recognized throughout the year and calculation of discounts, incentives and rebates, including reviewing the results of testing by management, for their design and operating effectiveness and performed procedures to gain sufficient audit evidence on the accuracy of the accounting for customer contracts and related financial statement assertions.</p>

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

The Holding Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Directors report and business responsibility and sustainability report but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act, that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company, its subsidiary companies, which are companies incorporated in India have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. Our responsibilities in this regard are further described in the section titled 'Other Matters' in this audit report.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of 2 subsidiaries (TTK British Holdings Limited and Horwood Homewares Limited) whose financial statements reflect total assets (before consolidation adjustments) of ₹ 304.59 Cr and net assets of ₹ 34.01Cr (before consolidation adjustments) as at March 31, 2024, total revenues of ₹ 151.59 Cr and net loss after tax of ₹ 7.18 (before consolidation adjustments and foreign currency translation adjustments) and net cash outflows amounting to ₹ 7.8 Cr for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.
- (b) 2 subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in United Kingdom (UK). The Holding Company's management has converted the financial statements of subsidiaries from accounting principles generally accepted in UK to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, based on our audit and on the consideration of report of other auditors on separate financial statements and other financial information of subsidiaries, as noted in the 'Other matters' paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors except for the matters stated in the paragraph h(vi) below on reporting under Rule 11(g) of the companies (Audit and Auditors) Rules, 2014
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company incorporated in India none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to adequacy of the internal financial controls over financial statements of the Holding Company and one of its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.

- g) The observation relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph b above on reporting under Section 143(3)(b) and paragraph h(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on consolidated financial statements as also the other financial information of the subsidiaries, as noted in the 'Other Matters' paragraph:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 37b to the consolidated financial statements.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and one of its subsidiary company incorporated in India.
 - iv. (a) The management of Holding Company, and one of its subsidiary company incorporated in India has represented that, to the best of their knowledge and belief, as disclosed in note 51 to the consolidated financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company and one of its subsidiary company incorporated in India to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company and one of its subsidiary company incorporated in India ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - (b) The management of the Holding Company and one of its subsidiary company incorporated in India has represented, that, to the best of it's knowledge and belief, as disclosed in note 51 to the consolidated financial statements, no funds (which are material either individually or in the aggregate) have been received by the holding company and one of its subsidiary company incorporated in India from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company, and one of its subsidiary company incorporated in India shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - (c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
 - v. (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) As stated in note 50 to the consolidated financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
 - vi. As stated in Note 55 to the Consolidated financial statement and relying on representations/explanations from the holding company and based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has been enabled and operated throughout the year for all relevant transactions, except for the feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes

Further, for the periods where the audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with.

As reported by the auditor of the Indian subsidiary, the subsidiary company has used accounting software for maintaining its books of account, which does not have a feature of recording audit trail (edit log) facility and the same has not been operated throughout the year for all relevant transactions recorded in the respective

software. Further, softwares used were not enabled for the audit trail and hence we are unable to comment whether audit trail feature being tempered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable only from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024

3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the holding company and one of its subsidiary company incorporated in india to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.

ANNEXURE B

Referred to in paragraph 2(f) on 'Report on Other Legal and Regulatory Requirements' of our report of even date on the consolidated financial statements of TTK Prestige Limited

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of TTK Prestige Limited (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Holding Company and one of its subsidiary company, which is company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding company and one of its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements based on our audit of the Company and one of its subsidiary company, which is company incorporated in India. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to financial statements of the Holding Company and one of its subsidiary company which is company incorporated in India.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and one of its subsidiary company which is company incorporated in India, have, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

1. Corporate Information

TTK Prestige Limited ('TTK' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at Plot No.38, SIPCOT Industrial Complex, Hosur, Tamilnadu-635126. The Company's shares are listed and traded on Stock Exchanges in India. The Company is primarily engaged in manufacture of Kitchen and Home Appliances. TTK Prestige Limited together with its subsidiaries is hereinafter referred to as "Group", the term "company" wherever used in the consolidated financial statements, refer to TTK Prestige Limited.

2. Material Accounting Policies**(i) Statement of Compliance**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Sec 133 of the Companies Act 2013 and other relevant provisions of the Act as amended thereto.

These financial statements were authorized for issue by the Board of Directors on May 28, 2024.

These financial statements have been prepared on accrual and going concern basis.

(ii) Basis of Preparation and Presentation

These financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

As the operating cycle cannot be identified easily in normal course, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

(iii) Principles of Consolidation and Equity Accounting:

Subsidiaries are all entities (including structured entities) over which the group has control. The

group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary is fully consolidated from the date on which control is transferred to the group.

They are deconsolidated from the date the control ceases. The acquisition method of accounting is used to account for business combinations by the group. The group combines the financial statements of the parent and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intergroup transactions, balances and unrealized gains on transactions between group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of transferred asset.

Accounting policies of subsidiary has been changed where necessary to ensure consistency with the policies adopted by the group. Non-Controlling interests, if any, in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

Subsidiaries:

Name of the Company	Percentage of Holding	Principal Place of Business
TTK British Holdings Limited	100%	United Kingdom
Horwood Homewares Limited	100%	United Kingdom
Ultrafresh Modular Solutions Limited	51%	India

(iv) Other Significant Accounting Policies:

These are set out under "Significant Accounting Policies" as given in the Group's Standalone financial statements except for

Foreign Currency Translations:

Items included in the financial statements of each of the group's entities are measured using the currency of the primary economic environment in which the entity operates ('the

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

functional currency'). The Consolidated financial statements are presented in Indian Rupee (INR), which is the parent's functional and presentation currency.

The results and financial position of each of the group entities whose functional currency is different from the parent's functional currency is translated using the following procedures:

- (a) Assets and liabilities for each balance sheet presented translated at the closing rate at the date of that balance sheet.
- (b) Income and expenses presented in statement of profit and loss translated at monthly average exchange rate and
- (c) All resulting exchange differences recognized in other comprehensive income.

Goodwill:

Goodwill on acquisition of Subsidiaries is included in Intangible assets. Goodwill is not amortized but it is tested for impairment annually or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or group of units are identified at the lowest levels at which goodwill is monitored for internal management purposes, which in our case are the operating segments.

Deferred Tax:

Deferred income tax liabilities / assets are recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries where the timing of reversal of the temporary difference can be controlled and it is probable

that the temporary difference will not reverse in the foreseeable future.

Software:

Amortization is provided at 25% on straight line basis in respect of one subsidiary (Horwood Homewares Limited)

Equity Method of Accounting (Investment in Associate)

An interest in an associate is accounted for using the equity method from the date the investee becomes an associate and are recognised initially at cost. The consolidated financial statements include the Company's share of profits or losses, other comprehensive income and equity movements of equity accounted investments, from the date that significant influence until the date that significant influence ceases. When the Company's share of losses exceeds its interest in an equity accounted investment, the carrying amount of that interest (including any long-term interests in the nature of net investments) is reduced to nil and the recognition of further losses is discontinued except to the extent that the Company has incurred constructive or legal obligations or has made payments on behalf of the investee. When the Company transacts with an associate, unrealised profits and losses are eliminated to the extent of the Company's interest in its associate. Dividends are recognised when the right to receive payment is established.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date. Any gains or losses arising from such remeasurement are recognized in profit or loss or other comprehensive income, as appropriate.

(v) Recent Pronouncements

(i) New and Amended Standards Adopted by the Company:

The Group has applied the following amendments for the first time for their annual reporting period commencing April 01, 2023

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

The amendments to Ind AS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates.

Ind AS 1 - Presentation of Financial Statements

The amendments to Ind AS 1 provide guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. The amendments have had an impact on the Group's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Group's financial statements.

Ind AS 12- Income Taxes

The amendments to Ind AS 12 Income Tax narrow the scope of the initial recognition exception, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases and decommissioning liabilities.

(ii) New Standards / Amendments notified but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not

notified any new standards or amendments to the existing standards applicable to the Company.

2.1 Critical judgements in applying accounting policies & Key sources of estimation uncertainty:

The preparation of the Group's Financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accounting disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying number of assets or liabilities affected in future periods.

Critical Judgements in Applying Accounting Policies:

Leases: The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Group's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The Group revises the lease term if there is a change in the non -cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024**Estimates and Assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

- (i) Useful life of Property, Plant & Equipment (PPE) : The Group reviews the estimated useful lives of PPE at the end of each reporting period.
- (ii) Defined benefit plans, Defined benefit obligations (DBO) : Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Other Details of Equity Shares for a period of 5 years immediately preceding March 31, 2024

1. Paid Up Share Capital of 13,86,14,020 shares of ₹ 1/- each (Previous Year : 13,86,14,020 shares of ₹ 1/- each) includes 1,01,79,297 (Previous Year : 1,01,79,297 shares) of ₹ 10/- each allotted as Bonus Shares fully paid-up by capitalisation of reserves. The Paid Up Share Capital also includes 9979 shares of ₹ 10/- each issued to shareholders of Triveni Bialelli Industries Private Limited as per the demerger scheme approved by the Honorable High Courts of Madras and Bombay.
2. The Board of Directors at their Meeting held on October 27, 2021 approved the sub-division of each equity share of face value of ₹10/- fully paid up into 10 equity shares of face value of ₹ 1/- each fully paid up. The same had been approved by the Members on December 1, 2021 through postal ballot and e-voting. The effective date for the subdivision was December 15, 2021. Consequently the split of equity shares had been effected from December 15, 2021. Accordingly, equity shares and earning per shares have been adjusted for share split in accordance with IND AS 33 'Earning Per Share' for all previous periods.
3. During the FY 2019-20, 23,10,233 nos of Bonus Shares of ₹ 10/- each have been allotted on 17th May 2019 (pursuant to the Share Holders resolution, dated 3rd May 2019 approving the same), thus increasing the paid up share capital to ₹ 13.86 Crores. These bonus shares rank paripassu in all respects with the existing shares and will be entitled to any dividend declared after 17th May 2019.

4. Rights, preferences and restrictions attached to shares

Equity shares: The Company has one class of equity shares having a par value of ₹ 1/- per share. Each shareholder is eligible for one vote per share held. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in the proportion to their shareholding. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend."

(b) Fair Value Hierarchy

An analysis of financial instruments (as indicated in the table above) that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, are as described below:

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of investment in quoted equity shares, and mutual fund investments.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

- (i) Borrowings, loans, short-term financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.

(ii) Management uses its best judgement in estimating the fair value of its financial instruments. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

(c) Interest Rate Risk Management

The Group's main interest rate risk arises from long term borrowings with variable rates. The borrowings of the group amounting to Rs.46.86 Crores as at March 31, 2024 (PY ₹ 40.75 Crores) will not have any material impact due to the changes in market interest rates.

42 Financial risk management objectives and policies

The Group is exposed primarily to fluctuations in credit, liquidity and interest rate risks and foreign currency exchange rates, which may adversely impact the fair value of its financial instruments. The group has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the risk management committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the group.

Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Group's exposure to market risk is primarily on account of foreign currency exchange rate risk.

Price Risk:

The Group's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The investment in listed and unlisted equity securities are not significant.

Interest Rate Risk:

The group's investments are primarily in short term and long term investment which do not expose it to significant interest rate risk. The Groups's main interest rate risk also arises from long term borrowing with variable interest rate. The borrowings of group amounting to ₹ 46.86 Crores as at March 31, 2024 (PY ₹ 40.75 Crores) will not have material impact due to changes in market interest rates. If Interest rates were to increase by 100 bps as on March 31 2024 additional net annual interest expenses would amount to approximately 0.47 Crore.

Foreign Currency Risk:

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities. Considering the countries and economic environment in which the group operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollars against the functional currency of the group.

The Group evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

The Group imports raw materials and finished goods from outside India as well as makes export sales to countries outside the territories in which they operate from. The Group is therefore exposed to foreign currency risk principally arising out of foreign currency movement against the Indian Currency. Foreign currency exchange risks are managed by entering into forward contracts against foreign currency vendor payables.

The Group's outstanding foreign currency exposure is as follows:

	Liabilities as at		Assets as at	
	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
USD	-	-	0.00	-
Pounds	-	-	-	-
EURO	-	-	0.01	0.09

Foreign currency sensitivity analysis

The Group is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables.

As per management's assessment of reasonable possible changes in the exchange rate of +/- 5% between USD-INR currency pair and EURO-INR currency pair sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below:

Sensitivity at year end	March 31, 2024	March 31, 2023
Receivables:		
Weakening of INR by 5%	0.00	0.04
Strengthening of INR by 5%	0.00	-0.04

(a) Credit Risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks.

Financial instruments that are subject to concentrations of credit risk principally consist of investments classified as loans and receivables, trade receivables, loans and advances, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Group results in material concentration of credit risk.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 1324.91 Crores and ₹ 1197.26 Crores as of March 31, 2024 and March 31, 2023 respectively, being the total of the carrying amount of balances with banks, bank deposits, and Trade receivables, other financial assets and investments excluding equity and preference investments. The Group's exposure to customers is diversified and there is one customer who contributes to more than 10% of outstanding accounts receivable as of March 31, 2024 (no customers as of March 31, 2023)

Financial Assets that are neither past due nor impaired

Cash and cash equivalents, financial assets carried at fair value and interest-bearing deposits with corporate are neither past due nor impaired. Cash and cash equivalents with banks and interest-bearing deposits placed with corporates, which have high credit rating assigned by international and domestic credit-rating agencies. Financial assets carried at fair value substantially include investment in liquid mutual fund units. With respect to trade receivables and other financial assets that are past due but not impaired, there were no indications as of March 31, 2023, that defaults in payment obligations will occur except as described in note 3.7 on allowances for impairment of trade receivables.

The Group does not hold any collateral for trade receivables and other financial assets. Trade receivables and other financial assets that are neither past due nor impaired relate to new and existing customers and counter parties with no significant defaults in past.

Trade Receivables

Customer credit risk is managed by each business unit subject to the group's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit or other forms of credit insurance.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed above under Credit risk. The Group does not hold collateral as security. The Group evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

At March 31, 2024, the Group had 2 Customers (March 31, 2023: 3 customers) that owed the Group more than 5% of the Total receivables, which accounted for approximately 22.95% (March 31, 2023: 26%) of all the receivables outstanding.

Financial Instruments and Cash Deposits

Credit risk from balances with banks and financial institutions is managed by the Group's treasury department in accordance with the group's policy. The cash surpluses of the group are short term in nature and are invested in Liquid Debt Mutual funds and bonds. Hence, the assessed credit risk is low.

(b) Liquidity Risk

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Group invests its surplus funds in bank fixed deposit, which carry no or low market risk.

The Group monitors its risk of a shortage of funds on a regular basis.

The following table shows a maturity analysis of the anticipated cash flows including interest obligations for the Group's financial liabilities on an undiscounted basis, which therefore differ from both carrying value and fair value.

51 Share-based Payment Arrangements

A. Description of Share-based Payment Arrangements

At March 31,2024, the Holding Company had the following share-based payment arrangements:

Share option plans (equity-settled)

The Holding company has granted time linked and performance linked grants as on September 13, 2023 with different vesting options

Time linked grants: Time linked Grants to be granted annually subject to the Performance linked to balanced score card

Performance Linked grants: Performance linked grants to be granted after the end of Performance Year based on parameters linked to Holding Company Performance subject

The key terms and conditions related to the grants under these plans are as follows; all options are to be settled by the delivery of shares.

Grant date/employees entitled	Number of options	Vesting conditions	Period of options
Options granted to key management personnel under time linked grants			
On Sept 13, 2023	25926	No precondition except continuity of service as on date of vesting	4 years(Vesting) + 2 years (Exercise)
Options granted to key management personnel under performance linked grants			
On Sept 13, 2023	32925	No precondition except continuity of service as on date of vesting and achievement of targets set by the Holding company	4 years(Vesting) + 2 years(Exercise)
Total share options	58851		

B. Measurement of fair values

Equity-settled share-based payment arrangements

The fair value of the employee share options has been measured using the Black-Scholes formula. Service and non-market performance conditions attached to the arrangements were not taken into account in measuring fair value.

The inputs used in the measurement of the fair values at grant date of the equity-settled share-based payment plans are as follows.

	Share Option Plans			
	Options granted to key management personnel under time linked grants		Options granted to key management personnel under time linked grants	
	March 31,2024	March 31,2023	March 31,2024	March 31,2023
Fair value at grant date	273.56 - 374.06	-	769.40 - 786.64	-
Share price at grant date	805.25	-	805.25	-
Exercise price	724.725	-	1	-
Expected volatility (weighted-average)	32.67%	-	32.67%	-
Expected life	3-6 Years	-	3-6 Years	-
“Expected dividends”	0.75%	-	0.75%	-
Risk-free interest rate (based on government bonds)	7.1%-7.12%	-	7.1%-7.12%	-

Equity-settled share-based payment arrangements

Expected volatility has been based on an evaluation of the historical volatility of the Holding company’s share price, particularly over the historical period commensurate with the expected term. The expected term of the instruments has been based on historical experience and general option holder behaviour.

C. Reconciliation of outstanding share options

The number and weighted-average exercise prices of share options under the share option plans were as follows.

Particulars	Options granted to key management personnel under time linked grants				Options granted to key management personnel under performance linked grants			
	March 31, 2024	Weighted average exercise price	March 31, 2023	Weighted average exercise price	March 31, 2024	Weighted average exercise price	March 31, 2023	Weighted average exercise price
Outstanding at April 01,	-	-	-	-	-	-	-	-
Granted during the year	25,926	724.73	-	-	32,925	1.00	-	-
Forfeited during the year	-	-	-	-	-	-	-	-
Exercised during the year	-	-	-	-	-	-	-	-
Outstanding at March 31	25,926	-	-	-	32,925	-	-	-

The options outstanding at March 31, 2024 had an exercise price in the range of 273.56 - 374.06 for time linked options. The options outstanding at March 31, 2024 had an exercise price in the range of 769.40 - 786.64 for performance linked options.

- 52 The group has tested the Goodwill for Impairment as on March 31, 2024 (as required to be done annually as per IndAS-36). It assessed the recoverable amount of the relevant cash generating unit to which the Goodwill relates as the higher of Fair value less cost of disposal and the value in use. This has not resulted in an impairment charge in respect of Goodwill. The company continues to assess and take steps as appropriate to enhance profitability. The said assessment includes significant assumptions as described below. The Calculations used in cash flow projections based on financial budgets approved by the management covering a five-year period.

Description	Assumptions
Fixed cost inflation	2.25% for next one year and 2% thereafter
Employee cost inflation	1.5% for next two years and 2% thereafter
Pre Tax weighted average cost of capital	9.70%
Terminal period growth rate	2.00%
Budgeted gross margin	43% to 44%
Average sales growth	10% to 20%

Approach for the assumptions considered above

- Cost inflation/budgeted margin:
 - o Based on past performance & management's expectations for the future
 - o Fixed cost of CGUs, which do not vary significantly with sales volume or prices. Management forecasts these costs based on the current structure of the business, adjusting for inflationary increase but not reflecting any future restructurings or cost saving measures
 - Pre-tax discount rate reflects specific risks relating to the relevant CGU and the place of business in which they operate
 - Long term growth rate is the weighted average growth rate used to extrapolate the cash flows beyond the budget period.

The projections cover a period of five years, as we believe this to be the most appropriate time scale over which to review and consider annual performances before applying a fixed terminal value multiple to the final year cash flows.

The growth rates used to estimate future performance are based on the conservative estimates from past performance.

53 During Financial year 2021-22 company had acquired 2,32,860 fully paid up shares and 3,00,000 partly paid up shares of shares representing 40% of equity share capital of Ultrafresh Modular Solutions Limited ("Ultrafresh") on February 07, 2022 for a consideration of ₹ 20.01 Crores.

On January 04, 2023 the company had further paid the balance called up money for the partly paid up 3,00,000 shares amounting to ₹ 9.99 Crores. Accordingly Ultrafresh Modular Solutions Limited had become a subsidiary of the company w.e.f January 04, 2023.

Details of purchase consideration, the net assets acquired and Goodwill as follows:

Particulars	Amount
(a) Purchase Consideration	30.00
(b) Net Assets (at fair value)	4.98
(c) Goodwill	25.02

Further the difference of Investment in Ultrafresh (Associate) for 40% share (at fair value on the date of acquisition) with value of investment as per equity method upto the date of acquisition had been recorded as gain in relation to step-up acquisition of Associate."

No Material acquisition related costs other than the consideration towards additional stake was incurred for the aforesaid acquisition."

During Financial Year 2022-23:-

From the date of acquisition Ultrafresh has contributed ₹ 7.22 crores of revenue and ₹ (2.98) Crore of profit after tax. If the business combination had taken place at the beginning of the year, revenue would have been higher by ₹ 4.62 Crores and profit after tax would have been higher by ₹ (0.82) Crores.

54 Certain figures apparently may not add up because of rounding off, but are wholly accurate in themselves.

55 The Company has used accounting software during the year which has the audit trail feature enabled throughout the year. Post publication of ICAI implementation guide in February 2024, direct database level changes was also included in audit trial scope which was not enabled, however access to the database level is available only for privileged users. The Company shall evaluate the impact on performance by enabling the database level audit trail and incorporate the recommendation as suggested by the ERP vendor.

56 The previous year's figures have been regrouped and reclassified wherever necessary to make them comparable with the figures of the current year.
