24. Members may note that the Board of Directors, in its meeting held on 04.09.2024 has recommended a dividend of Re. 0.10/- per share for fiscal year 2023-24. The record date for the purpose of dividend will be 20.09.2024. The dividend, once approved by the members in the ensuing AGM will be paid within 30 days from the date of AGM, electronically through various online transfer modes to those members who have updated their bank account details. For members who have not updated their bank account details, dividend warrants / demand drafts / cheques will be sent out to their registered addresses. To avoid delay in receiving the dividend, members are requested to update their KYC with their depositories (where shares are held in

BANDARAM PHARMA PACKTECH LIMITED

dematerialized mode) and with the Company's Registrar and Transfer Agent (RTA) (where shares are held in physical mode) to receive the dividend directly into their bank account on the pay-out date.

25. In accordance with the provisions of the Income Tax Act, 1961 as amended by and read with the provisions of the Finance Act, 2020, with effect from 1st April 2020, dividend declared and paid by the Company is taxable in the hands of its members and the Company is required to deduct tax at source (TDS) from dividend paid to the members at the applicable rates. A separate email will be sent at the registered email ID of the members describing about the detailed process to submit the documents/ declarations along with the formats in respect of deduction of tax at source on the dividend payout. Sufficient time will be provided for submitting the documents/ declarations by the members who are desiring to claim beneficial tax treatment. The intimation will also be uploaded on the website of the Company www.bnrsecurities.com. Shareholders holding shares in physical form may write to the company/ company's R&T agents for any change in their address and bank mandates; shareholders holding shares in electronic form may inform the same to their depository participants immediately, where applicable.
26. If the final dividend, as recommended by the Board of Directors, is approved at the AGM, payment of such dividend will be made on or after 01.10.2024 as under:
 - i. To all the Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the Depositories viz. National Securities Depository Limited (NSDL) and the Central Depository Services (India) Limited (CDSL) as at the close of business hours on 20.09.2024 (viz. the "Record Date");
 - ii. To all the Members in respect of shares held in physical form after giving effect to their valid transfer or transmission or transposition requests lodged with the Company, if any, as at the close of business hours on 20.09.2024.
27. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates as applicable to various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments made thereto from time to time. Some of the major features of the latest tax provisions on dividend distribution are stated as hereunder for a quick reference.

For Resident Shareholders, tax shall be deducted at source under Section 194 of the Income Tax Act, 1961 at 10% on the amount of Dividend declared and paid by the Company during financial year 2023-24 provided PAN is provided by the shareholder. If PAN is not submitted, TDS would be deducted @ 20% as per Section 206AA of the Income Tax Act, 1961.

However, no TDS shall be deducted on the dividend payable to a resident Individual if the total dividend to be received by them during Financial Year 2023-24 does not exceed Rs. 5,000/-. Please note that this includes the previous dividend(s) paid, if any, and future dividend(s) which may be paid, during the Financial Year 2023-24, if declared.

In cases where the shareholder provides Form 15G (applicable to any person other than a Company or a Firm) / Form 15H (applicable to an Individual above the age of 60 years), provided that the eligibility conditions are being met, no tax at source shall be deducted. Apart from the above, since the TDS/ Withholding rates are different for resident and nonresident shareholders, members are requested to confirm their residential status as per the provisions of the Income Tax Act 1961, by sending an email at investor@cameoindia.com with cc to infoshivamedicare@gmail.com Company shall arrange to email the soft copy of TDS certificate of the Members at their registered email ID in due course, post payment of the dividend amount and in remaining cases where no email ID is registered, TDS certificates shall be posted to the Members.

In view of above provisions, the shareholders are requested to update their PAN with the Company/R&T Agent (in case shares held in physical mode) and with the depositories (in case of shares held in demat mode). A Resident individual shareholder with PAN but not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H in the aforesaid manner, to avail the benefit of non-deduction of tax at source, by sending email to infoshivamedicare@gmail.com upto 5.00 p.m. (IST) on 24.09.2024. Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F or any other document which may be required to avail the tax treaty benefits under the provisions of Income Tax Act, 1961 by sending an email to infoshivamedicare@gmail.com upto 5.00 p.m. (IST) on 24.09.2024.

BANDARAM PHARMA PACKTECH LIMITED

28. THE INTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- a) The voting period begins on 24.09.2024 at 09.00 A.M. and ends on 26.09.2024 at 05.00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 20.09.2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- b) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- c) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
- d) Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
- e) In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- f) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND REGULATIONS OF SEBI(LODR), REGULATIONS, 2015:

Item No.4:

As per the provisions of Section 186 of the Companies Act, 2013, the Board of Directors of a Company can make any loan, investment or give guarantee or provide any security beyond the prescribed ceiling of:

- i. Sixty per cent of the aggregate of the paid-up capital and free reserves and securities premium account or,
- ii. Hundred per cent of its free reserves and securities premium account, whichever is more, if the special resolution is passed by the members of the Company.

As a measure of achieving greater financial flexibility and to enable optimal financing structure, this permission is sought pursuant to the provisions of Section 186 of the Companies Act, 2013 to give powers to the Board of Directors for making further investment, providing loans or give guarantee or provide security in connection with loans to subsidiaries/ associate/group companies for an amount not exceeding Rs. 100 crores (Rupees Hundred Crores Only). The investment(s), loan(s), guarantee(s) and security (ies), as the case may be, will be made in accordance with the applicable provisions of the Companies Act, 2013 and relevant rules made there under. These investments are proposed to be made out of own /surplus funds/internal accruals and or any other sources including borrowings, if necessary, to achieve long term strategic and business objectives.

Further, the Company has investment of Rs. 50 Lakhs as on 31.03.2024. The Company intends to extend guarantee in favour of its Subsidiary, VSR Paper and Packaging Limited on the Board of which the Director of the Company Mr. Deepak Reddy Bandaram is also a director, to an extent of Rs. 50 Crores in due course.

The Board of Directors recommends the Special Resolution for approval of the Members.

None of the Directors or Key Managerial Personnel or any relative of any of the Directors/ Key Managerial Personnel of the Company are, in any way, concerned or interested, financially or otherwise, in the resolution.

Item No. 5: To make loans or investments and to give guarantees or to provide security in connection with a loan made under Section 185 of the Companies Act, 2013.

The Company makes investments in and gives loans to other bodies corporate including the subsidiary company as and when needed. The Company also proposes to provide corporate guarantees on behalf of its subsidiary company (VSR Paper and Packaging Limited) and other bodies corporate in whom any one of the directors is interested, to the banks/financial institutions/Finance Companies for the financial assistance provided by them.

The consent and approval of the Shareholders is therefore, sought in accordance with the provisions of Section 185 of the Companies Act, 2013 for loans to be given to any other body corporate and subsidiary (VSR Paper and Packaging Limited) in whom any of the director of the company is interested or guarantees/securities to be provided by the Company in connection with a loan taken by subsidiary company (VSR Paper and Packaging Limited) or any other body corporate in whom any of the director of the company is interested.

A company may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the director of the company is interested, subject to the condition that—

- (a) a special resolution is passed by the company in general meeting:

Provided that the explanatory statement to the notice for the relevant general meeting shall disclose the full particulars of the loans given, or guarantee given or security provided and the purpose for which the loan or guarantee or security is proposed to be utilised by the recipient of the loan or guarantee or security and any other relevant fact;

and

- (b) the loans are utilised by the borrowing company for its principal business activities.

One of the directors of the Company Mr. B. Deepak Reddy is interested in a body corporate and subsidiary of the company (VSR Paper and Packaging Limited) ("Borrower") by virtue of him being its director and hence a special resolution needs to be passed in order to enable the Company to provide Corporate Guarantee/ provide the property owned by the Company as security for the loan facility of not exceeding

BANDARAM PHARMA PACKTECH LIMITED

Rs. 50 Crores (Rupees Fifty Crores Only) ("the Credit Facility) proposed to be availed by the Borrower from AU Small Finance Bank Limited. The Credit Facility will be availed by the Borrower for take over from existing banker and working capital purpose which constitutes the principal business activities of the Borrower as per its Memorandum of Association.

Item No. 6 and 7:

the Company is desirous of raising finance from various Banks and/ or Financial Institutions and / or any other lending institutions and/or Bodies Corporate and / or such other persons / individuals as may be considered fit, in the best interest of the Company. Accordingly, it is proposed to increase the maximum borrowing limits to Rs. 150 Crores (Rupees One Hundred and Fifty Crores Only) or the aggregate of the paid-up capital, free reserves and securities premium of the Company, whichever is higher and also to create such charges, mortgages and hypothecations, on the movable and immovable properties of the Company, both present and future, in such manner as the Board may deem fit, to provide security to the lenders in respect of such borrowings. Pursuant to section 180(1)(c) of the Companies Act, 2013 the Board of Directors of a Company may borrow any amount which, together with any amount already borrowed by the Company, exceeds the aggregate amount of the paid-up capital, free reserves and securities premium of the Company, (apart from temporary loans obtained from the Company's bankers in the ordinary course of business), only with the consent of the Members of the Company by way of a Special Resolution.

In order to facilitate securing the borrowing made by the Company, it may be necessary to create charge on the assets or whole or substantially the whole of the undertaking of the Company in such manner as the Board may determine in the best interest of the Company (which may lead to its disposal in the unlikely event of any default/potential default in repayment by the Company). Pursuant to Section 180(1)(a) of the Companies Act, 2013, Board of Directors of a Company may sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company only with the consent of the Members by way of a Special Resolutions. The Board of Directors recommended the Special Resolutions as set out at Item Nos. 6 and 7 of the accompanying notice for approval of Members of the Company.

None of the Directors and Key Managerial Personnel of the Company and their relatives is in any way concerned or interested, financially or otherwise, in the above resolutions.

Annexure–V**MANAGEMENT DISCUSSION & ANALYSIS****1. Industry Structure and Developments Summary****Global outlook:**

Recycled Paper Market Size, Trends and Industry Analysis -2028 The recycled paper market is expected to grow from US\$ 32,558.44 million in 2021 to US\$ 42,395.79 million by 2028; it is estimated to grow at a CAGR of 3.8% from 2021 to 2028. There is a significant increase in demand for recycled paper due to the growing initiatives of governments of various nations to encourage waste paper recycling. The recycled paper is limited to the paper used in industrial applications, but it also includes household waste paper such as newspapers, magazines, and packaging papers. The generation of paper waste from these sources is very high, and this waste needs to be recycled rather than dumping it over or burning it. With the implementation of government regulations and the formation of new associations related to recycled paper, the market for recycled paper is estimated to expand rapidly in the coming year. The Global Paper Recycling Market is estimated to be USD 50.75 Bn in 2023 and is expected to reach USD 61.09 Bn by 2028, growing at a CAGR of 3.78%. (Source: <https://www.theinsightpartners.com/reports/waste-paper-recycling-market>)

India's share in the demand for paper across the globe were analysed is growing, as the domestic demand is increasing at a steady pace, while the demand in western nations is shrinking. Notably, the demand for domestic paper in India rose from 9.4 million tonnes in FY08 to 15.4 million tonnes in FY16. Despite the continuous growth in the industry, per capita paper consumption in the country stands at a little over 14 kg, which is still well below the global average of 57 kg and considerably below 200 kg in North America. The Indian paper & paper products market is projected to grow from \$ 8.6 billion in 2018 to \$ 13.4 billion by 2024, exhibiting a CAGR of 7.8% during 2019-2024. Growing manufacturing sector, requirement of better quality packaging of FMCG products marketed through organized retail and the demand for the upstream market of paper products, such as tissue paper, filter paper, tea bags, light weight online coated paper and medical grade coated paper are expected to drive the paper & paper products market in India in coming years. Ballarpur Industries Limited (BILT) and ITC are among the largest producers of paper in the country. Moreover, many of the existing players are increasing their capacity to meet the growing demand. However, high cost of production as a result of unavailability and high cost of raw materials, high cost of power, concentration of mills in specific areas only, technological obsolescence as well as environmental challenges are some of the factors hampering the market growth.

The Indian paper & paper products market has been segmented into raw material, application and region. Based on raw material, the market has been categorized into waste & recycled paper, wood and agro residue. The waste & recycled paper segment is expected to dominate the market during forecast period, owing to growing concerns about the cutting down of trees for producing pulp. Further, based on application, the market has been bifurcated into writing & printing paper, paperboard & packaging, newsprint and specialty paper. Among the application segments, the demand for paperboard & packaging is growing at the fastest pace, as paperboard & packaging caters to industries including FMCG, food & beverages, textiles and pharmaceutical. The segment is also expected to dominate the market, owing to factors such as rising urbanization, increasing preference for ready-to-eat foods and requirement of better-quality packaging of FMCG products marketed through organized retail.

The paper & paper products market in India has been segmented into North, South, East and West. Western region is the lead consumer of paper & paper products across the country, on account of increasing paper consumption, especially FMCG products. Paper mills are concentrated in the states of Tamil Nadu, Andhra Pradesh, Maharashtra, Punjab, Madhya Pradesh and Gujarat. The paper mills use a variety of raw materials such as wood, bamboo, bagasse, recycled fiber, wheat straw, rice and husk. The geographical location of the mill often determines the type of raw material used. Most mills in the northern and western regions of India depend heavily on agricultural residues and wastepaper as their raw material. While pulp & paper production in southern and eastern regions use wood and bamboo as raw material.

Recovered Paper Market Analysis

The Recovered Paper Market is expected to grow at a CAGR of 2.7% over the forecast period 2021 to 2026. As corrugated containers and boxes are extensively used as packaging products for transportation and shipping, there is an excellent demand for recovered paper derived from old corrugated containers that can be recycled and reused for packaging purposes. The burgeoning demand for corrugated boxes for packaging is encouraging the growth of the recovered paper market. The packaging industry requires

recovered paper as a raw material. The increasing demand for environmentally friendly projects is expanding the market for recovered paper. As the government has also laid down rules regarding the use of papers in terms of environment security; thus, many businesses have started using recovered paper. The recovered paper market is used by different industries that use an environment-friendly product such as the food and beverage industry, electrical and electronics industry, automobile industry, and pharmaceutical industries.

The recovered paper market is used for manufacturing products such as container boards, corrugated boxes, cartons, and many others. For example, according to the US Census Bureau, in that year 2019, some 17.6 million tons accounting for 35.7% of all recovered paper and paper-boards were shipped out as part of net exports. In that year, around 37.8% of all recovered paper and paper-boards were recycled into container boards. According to METI (Japan), in 2018, approximately 35.4 thousand metric tons of molded pulp were made from recovered paper, down from more than 36 thousand tons in the previous year. The composition ratio of recovered paper from molded pulp amounted to around 3.2% in 2018. According to AF&PA, in 2019, approximately 79.5% of wastepaper was recovered in Japan, an increase from about 71% in 2005. The government's role in supporting the recovered paper plays a crucial role in driving the market. The reduction of carbon emission is also one of the major factors that draw more attention to the consumption of recovered paper. According to Global Carbon Atlas and CDIAC, in 2018, some 36.7 billion metric tons of carbon dioxide were emitted globally, and it is projected that worldwide energy-related carbon dioxide emissions will increase to 43 billion metric tons in 2050. In today's world, there is an enhanced demand for online purchase of products where cartons and corrugated boxes are highly used for the packaging. For instance, according to India Brand Equity Foundation, increasing exponentially, the market value of the e-commerce industry in India was nearly 50 billion U.S dollars in 2018. This number was expected to reach 200 billion U.S. dollars by 2027. According to Hootsuite, the third quarter of 2019 saw internet users in Indonesia purchase the most items online, with 88% of active internet users shopping online. Asia, majorly dominated by China and India, is still the primary growth driver. The USA and Europe are the prime exporters of recovered paper, globally. However, these regions are witnessing negative or minimum growth rates after the import restrictions in China. Besides, the sustainability regulations in China have become a significant challenge for global recyclers.

Current Mechanism for Collection of Post Consumer Paper in India Collection Performed by Informal Sector Table 1- Table 1 summarises the collection mechanism prevailing in India. The collection of Post Consumer (PC) paper is mainly performed by the informal sector – a community consisting of rag pickers and door-to-door collectors/vendors at the initiating step. This informal sector is controlled and administrated by big traders. As much as 95 per cent of the collection of waste paper in the country is in the hands of the informal sector. There are large traders who fund the entire value chain. The value chain consists of direct collectors from various source points, small shops where primary sorting of the waste into different categories is done, which follows zonal segregation centres owned by semi wholesalers, where the material gets collected from small shops and baled and kept separately for dispatch to the end users. Opportunities and Threats

2. Segment-wise Performance

The Company deals only in one segment i.e. procurement and supply of recycled paper. During the year operations in the FY 23-24, the company achieved a consolidated turnover of Rs. 3407.88 lakhs and earned a net profit after tax of Rs. 96.78 lakhs.

3. Outlook

Currently, the company is supplying the basic raw material for producing the paper and paper board. With the market experience of 4 moths, the encouragement from the different paper mills is very good and lucrative.

4. Risks and Concerns:

Packaging product in paper packaging comprises folding cartons, corrugated boxes, paper bags, and liquid paperboard. With the considerable increase in organized retail, the demand for paper packaging is anticipated to increase due to the rapid increase in supermarkets and modern shopping centers. In June 2022, the Central Pollution Control Board (CPCB), a federal agency under the Ministry of the Environment, released a list of steps to outlaw specific single-use plastic products by June 2022. Such measures are delayed due to the different options adopted by the State Governments which considerably effect the demand for paper packaging in the country.

INDEPENDENT AUDITOR'S REPORT

To

The Members of Bandaram Pharma Packtech Limited

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Statement of Affairs of the Company as at 31st March, 2024, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the twelve months financial year then ended for the year ended on that date.

Report on the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of Bandaram Pharma Packtech Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss, the Cash Flow Statement and the statement of equity for the year ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (a) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except the sales made through trading activities.

Annexure - B to the Independent Auditors' Report:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s Bandaram Pharma Packtech Limited (“the Company”) as of 31st March 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial

BANDARAM PHARMA PACKTECH LIMITED

reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate Information:

Bandaram Pharma Packtech Limited (“the Company”) (Formerly Known as Shiva Medicare Limited) was incorporated in India in the year 1993 having its Registered office at 601, 5th Floor, Oxford Towers, Opp. to Leela Palace Hotel, Old Airport Road, Kodihalli, Bangalore- 560008, INDIA.

The Company is engaged in the Trading of Paper Board and Recycled Waste Paper.

2. Disclosure of Significant Accounting Policies:

a) Compliance with Indian Accounting Standards (Ind AS)

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013.

The financial statements have been prepared on the historical cost basis except for certain instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below:

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss for the year ended 31st March 2024, the Statement of Cash Flows for the year ended 31st March 2024 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as ‘Ind AS Financial Statements’ or ‘Financial Statements’).

b) Basis of Preparation of Financial Statements

The separate Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) under historical cost convention on accrual basis except the assets and liabilities which have been measured at Fair Values.

- Financial instruments – measured at fair value;
- Assets held for sale – measured at fair value less cost of sale;
- Plan assets under defined benefit plans – measured at fair value
- Employee share-based payments – measured at fair value
- Biological assets – measured at fair value
- In addition, the carrying values of recognized assets and liabilities, designated as hedged items in fair value hedges that would otherwise be carried at cost, are adjusted to record changes in the fair values attributable to the risks that are being hedged in effective hedge relationship.

Current and Non-Current Classification:

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is classified as current when it satisfies any of the following criteria: it is expected to be realized in, or is intended for sale or consumption in, the Company’s normal operating cycle. It is held primarily for the purpose of being traded;

- It is expected to be realized within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- All other assets are classified as non-current.
- A liability is classified as current when it satisfies any of the following criteria:
 - It is expected to be settled in the Company’s normal operating cycle;
 - It is held primarily for the purpose of being traded

BANDARAM PHARMA PACKTECH LIMITED

- It is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification
- All other liabilities are classified as non-current

c) Use of estimates and judgment

The preparation of the financial statements in conformity with Ind AS, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

This note provides an overview of the areas where there is a higher degree of judgment or complexity. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation.

The areas involving critical estimates or judgments are:

S. No	Name of the estimate	Note No	Remarks
1	Fair value of unlisted equity securities	4	Company has unlisted equity shares during the current financial year
2	Goodwill impairment	Not applicable	No amount provided during the current financial year
3	Useful life of intangible asset	Not Applicable	No intangible assets held by the company for the current financial year
4	Measurement of contingent liabilities and contingent purchase consideration in a business combination	Not applicable	Contingent transactions are recognized based on happening contingent event. No contingent liabilities for the report

d) Recent Accounting Pronouncements:

The Ministry of Corporate Affairs (MCA) has issued the Companies (Indian Accounting Standards) (Amendment) Rules, 2023 on 31st March, 2023 amending:

- a) Ind AS 1, 'Presentation of Financial Statements' - This amendment requires companies to disclose their material accounting policies rather than their significant accounting policies.
- b) Ind AS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' - This amendment has introduced a definition of 'accounting estimates' and includes guidance to help distinguish changes in accounting policies from changes in accounting estimates.
- c) Ind AS 12 'Income Taxes' - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The amendments clarify how companies account for deferred tax on transactions such as leases

These are applicable from Financial Year beginning on or after 1st April 2023 (Thus for us will be applicable from 1st April 2024).

Based on a preliminary evaluation, the Company does not expect any material impact on the financial statements resulting from the implementation of these amendments

BANDARAM PHARMA PACKTECH LIMITED

e) Amendment to Ind AS 107 and Ind AS 109: Interest Rate Benchmark Reform:

The amendments to Ind AS 109 Financial Instruments: Recognition and Measurements provide number of reliefs, which apply to all hedging relationships that are directly affected interest rate benchmark reform. A hedging relationship is affected if the reform gives raise to uncertainty about the timing and/or amount of bench mark -based cash flow of hedging items or hedging instrument. These amendments have no impact on the standalone financial statements of the company as it does not have any interest rate hedge relation.

The amendment to Ind AS 107 prescribe the disclosure which entities are required to make for hedging relationship to which the reliefs as per the amendments in Ind AS 109 are apply. This amendment had no impact on the standalone financial statement of the company.

f) Functional and Presentation Currency:

The Financial Statements have been prepared and presented in Indian Rupees (₹), which is also the Company's functional currency.

g) Rounding off:

All amounts in the Financial Statements and accompanying notes are presented in (₹) Lakhs and have been rounded-off to one decimal place unless stated otherwise.

h) Approval of financial statements:

The Financial Statements are approved by the Board of Directors on 29th May 2024.

Significant accounting policies:

A summary of the significant accounting policies applied in the preparation of the Financial Statements, is as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

2.1 Ind AS 105: Non-Current Assets held for Sale or Discontinued Operations:

This standard specifies accounting for assets held for sale, and the presentation and disclosure for discontinued operations:

Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less cost to sell, and depreciation on such assets to cease; and

- (a) Assets that meet the criteria to be classified as held for sale to be presented separately in the balance sheet and the results of discontinued operations to be presented separately in the statement of profit and loss.

S.no	Particulars of Disclosures	As at 31 st March 2024 (Rs.)	As at 31 st March 2023 (Rs.)
1	A Description of Non-Current Asset (Disposal group)	-	-
2	A description of the facts and circumstances of the sale, or leading to the expected disposal, and the expected manner and timing of that disposal	-	-
3	The gain or loss recognized in accordance with paragraphs 20– 22 and, if not separately presented in the statement of profit and loss, the caption in the statement of profit and loss that includes that gain or loss	-	-

2.2 Ind AS 106: Exploration for Evolution of Mineral resources:

This standard specifies the financial reporting for the exploration for evaluation of mineral resources. In particular, this standard requires:

- a. Limited improvements to existing accounting practices for exploration and evaluation of expenditures
- b. Entities that recognize exploration and evaluation of assets to assess such assets for impairment in accordance with this standard and measure any impairment.

Disclosures that identify and explain the amounts in the entity's financial statements arising from the exploration for the evaluation of mineral resources and help users of those financial statements understand the amount, timing and certainty of future cash flows from any exploration and evaluation of assets recognized.

This Ind AS 106 not applicable, the company is in the business of Trading of Paper Board and Recycled Waste Paper. Hence this Ind AS does not have any financial impact on the financial statements of the company.

2.3 Ind AS-16: Property, Plant and Equipment:

Items of Property, Plant and Equipment are stated at cost less accumulated depreciation.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Depreciation on the fixed assets has been provided based on useful lives as prescribed under part C of the schedule II of the Companies act, 2013.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

S. No	Asset	Useful life (in Years)
1	Computers	3
2	Office Equipment	5
3	Furniture & Fixtures	10
4	Vehicles	10

Depreciation on additions (disposals) is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).

2.4 Impairment Assets (Ind AS 36)

The Company's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

2.5 Intangible assets (Ind AS 38):

Intangible assets are amortized over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method are reviewed at least at each financial year end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate, and are treated as change in accounting estimates. The amortization expense on intangible assets with finite useful lives is recognized in profit or loss.

2.6 Cash Flow Statement (Ind AS 7):

Cash flows are reported using the indirect method under Ind AS 7, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

- a) **Non-cash items: Nil**
- b) **Changes in Liability Arising from Financing Activity**

(Rs in Lakhs)

Particulars	01-Apr-23	Cash Flow	31-Mar-24
		(Net)	
Current Borrowings	-	-	-
Non-current Borrowings	440.50	438.75	1.75
Total	440.50	438.75	1.75

2.7 Operating Cycle:

The Company has adopted its normal operating cycle as twelve months based on the nature of products and the time between the acquisition of assets for processing and their realization, for the purpose of current / non-current classification of assets and liabilities.

2.8 Capital Work in Progress

Capital Work in Progress (CWIP) includes Civil Works in Progress, Plant & Equipment under erection and Pre-Operative Expenditure pending allocation on the assets to be acquired/commissioned, capitalized. It also includes payments made towards technical know-how fee and for other General Administrative Expenses incurred for bringing the asset into existence.

2.9 Investments:

Investments are classified as Non-Current and Current investments.

Investments, which are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

Current investments are carried at lower of cost and fair value. Non-Current Investments are carried at cost less provision for other than temporary diminution, if any, in value of such investments.

2.10 Effects of changes in foreign Rates (Ind AS 21):

Foreign currency transactions are recorded at the exchange rates prevailing on the dates when the relevant transactions took place. Exchange difference arising on settled foreign currency transactions during the year and translation of assets and liabilities at the year-end are recognized in the statement of profit and loss.

In respect of Forward contracts entered into to hedge risks associated with foreign currency fluctuation on its assets and liabilities, the premium or discount at the inception of the contract is amortized as income or expense over the period of contract. Any profit or loss arising on the cancellation or renewal of forward contracts is recognized as income or expense in the period in which such cancellation or renewal is made.

2.11 Borrowing Costs (Ind AS 23):

Borrowing costs that are attributable to the acquisition or construction of qualifying assets up to the date of capitalization of such asset are capitalized as part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

2.12 Revenue Recognition (Ind AS 18):

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

- a) Sales Revenue is recognized on dispatch to customers as per the terms of the order. Gross sales are net of returns and applicable trade discounts and excluding GST billed to the customers.
- b) Subsidy from Government is recognized when such subsidy has been earned by the company and it is reasonably certain that the ultimate collection will be made.
- c) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.
- d) All other incomes are recognized based on the communications held with the parties and based on the certainty of the incomes.

2.13 Accounting for Government Grants and Disclosure of Government Assistance (Ind AS 20):

Government grants:

Government grants are not recognized until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received.

Government grants are recognized in the Statement of Profit and Loss on a systematic basis over the years in which the Company recognizes as expenses the related costs for which the grants are intended to compensate or when performance obligations are met.

Government grants, whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets and nonmonetary grants are recognized and disclosed as 'deferred income' under non-current liability in the Balance Sheet and transferred to the Statement of Profit and Loss on a systematic and rational basis over the useful lives of the related assets.

The benefit of a government loan at a below-market rate of interest and effect of this favourable interest is treated as a government grant. The loan or assistance is initially recognized at fair value and the government grant is measured as the difference between proceeds received and the fair value of the loan based on prevailing market interest rates and recognized to the income statement immediately on fulfilment of the performance obligations. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

2.14 Inventories (Ind AS 2):

Inventories are assets:

- a. Held for sale in the ordinary course of business;
- b. In the process of production for such sale;
- c. In the form of materials or supplies to be consumed in the production process or in the rendering of services

Net Realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Inventories at the year-end are valued as under:

Raw Materials, Packing Material, Components, Consumables and Stores & Spares	At Cost as per First in First Out Method (FIFO)
Work in Progress and Finished goods	At lower of net realizable value and Cost of Materials plus Cost of Conversion and other costs incurred in bringing them to the present location and condition

- Cost of Material excludes duties and taxes which are subsequently recoverable.
- Stocks at Depots are inclusive of duty, wherever applicable, paid at the time of dispatch from Factories.

2.15 Trade Receivables – Doubtful debts:

A Trade receivable represents the company's right to an amount of consideration that is unconditional.

Provision is made in the accounts for Debts/Advances which is in the opinion of Management are Considered doubtful of Recovery.

2.16 Retirement and other Employee Benefits:

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders related service.

Gratuity liability is a defined benefit obligation and the cost of providing the benefits under this plan is determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out for this plan using the projected unit credit method. Actuarial gains and losses for defined benefits plan is recognized in full in the period in which they occur in the statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The Company presents the leave as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

2.17 Ind AS 17- Leases

Finance charges in respect of finance lease obligations are recognized as finance costs in the statement of profit and loss. In respect of operating leases for premises, which are cancellable / renewable by mutual consent on agreed terms, the aggregate lease rents payable is charged as rent in the Statement of Profit and Loss.

2.18 Insurance Claims:

Insurance Claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.19 Earnings per Share (Ind AS 33):

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equities shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equities shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.20 Provisions, Contingent Liabilities and Contingent Assets (Ind AS 37):

The Company recognized provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources required to settle the obligation in respect of which a reliable estimate can be made. A disclosure for Contingent liabilities is made when there is a possible obligation or present obligations that may, but probably will not, require an outflow of resources. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent assets are neither recognized nor disclosed in the financial statements.

2.21 Prior Period and Extraordinary and Exceptional Items:

- (i) All Identifiable items of Income and Expenditure pertaining to prior period are accounted through "Prior Period Items".
- (ii) Extraordinary items are income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the enterprise and, therefore, are not expected to recur frequently or regularly. The nature and the amount of each extraordinary item be separately disclosed in the statement of profit and loss in a manner that its impact on current profit or loss can be perceived.
- (iii) Exceptional items are generally non-recurring items of income and expenses within profit or loss from ordinary activities, which are of such, nature or incidence.

2.22 Financial Instruments (Ind AS 107 Financial Instruments: (Disclosures)

I. Financial assets:

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

a. Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b. Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose Objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c. Financial assets at fair value through profit or loss (FVTPL)

A Financial asset which is not classified as AC or FVOCI are measured at FVTPL e.g., investments in mutual funds. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

B. Investments in subsidiaries

The Company has accounted for its investments in subsidiaries at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

II. Financial Liabilities

A. Initial recognition

All financial liabilities are recognized at fair value.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments

2.23 Operating Segments (Ind AS 108)

Operating segment is a component of an entity:

- a. That engages in business activities from which it may earn revenues and incur expenses (including revenues and expenses relating to transactions with other components of the same entity).
- b. Whose operating results are regularly reviewed by the entity's chief operating decision maker to make decision about resources to be allocated to the segments and assess its performance, and
- c. For which discrete financial information is available.

The Company is engaged in Trading of Paper. As there are no two or more separate reportable segments, Segment Reporting as per Ind AS -108, "Operating Segments" is not prepared.

2.24 Events Reporting Period (Ind AS-10)

Events after the reporting period are those events, favourable and unfavourable, that occur between the end of the reporting and the date when the financial statements are approved by the Board of Directors in case of a company, and, by the corresponding approving authority in case of any other entity for issue. Two types of events can be identified:

- a. Those that provide evidence of conditions that existed at the end of reporting period (adjusting events after the reporting period);
- b. Those that are indicative of conditions that arose after the reporting period (non-adjusting events after the reporting period).

An entity shall adjust the amounts recognized in its financial statements to reflect adjusting events after the reporting period.

As per the information provided and Books of Account no such events are identified during the reporting period. Hence Ind AS 10 Events After the Reporting Period is not applicable.

2.25 Construction Contracts (Ind AS -11)

Construction contract is a contract specifically negotiated for the construction of an asset or a combination of assets that are closely interrelated or interdependent in terms of their design, technology, and function or their ultimate purpose or use.

The company is engaged in trading of Paper Board and Recycled Waste Paper. Hence. Ind AS 11 "Construction Contract" is not applicable.

2.26 Income Taxes (Ind AS 12)

The Tax Expense for the period comprises of current and deferred tax.

- **Current Tax:**

Current Tax on Income is determined and provided on the basis of taxable income computed in accordance with the provisions of the Income Tax Act, 1961.

In the year in which 'Minimum Alternative Tax '(MAT) on book profits is applicable and paid, eligible MAT credit equal to the excess of MAT paid over and above the normally computed tax, is recognized as an asset to be carried forward for set off against regular tax liability when it is probable that future economic benefit will flow to the Company within the MAT credit Entitlement period as specified under the provisions of Income Tax Act, 1961.

- **Deferred Taxes:**

Deferred tax liabilities are recognized for all timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are

BANDARAM PHARMA PACKTECH LIMITED

recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Independent Auditor's Report

To

The Members,

Bandaram Pharma Packtech Limited

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Statement of Affairs of the Company as at 31st March, 2024, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the twelve months financial year then ended for the year ended on that date.

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying Consolidated Ind AS financial statements of Bandaram Pharma Packtech Limited ('the Holding Company') formerly known as Shiva Medicare Limited, and its subsidiaries (collectively referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Consolidated Ind AS Financial Statements")

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, and cash flows and changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

BANDARAM PHARMA PACKTECH LIMITED

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure- A" a statement on the matters specified in paragraphs 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Annexure - B to the Independent Auditors' Report:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s Bandaram Pharma Packtech Limited (“the Company”) as of 31st March 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial

BANDARAM PHARMA PACKTECH LIMITED

reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate Information

Bandaram Pharma Packtech Limited ("the Company") (Formerly Known as Shiva Medicare Limited) was incorporated in India in the year 1993 having its Registered office at 601, 5th Floor, Oxford Towers, Opp. to Leela Palace Hotel, Old Airport Road, Kodihalli, Bangalore- 560008, INDIA.

The parent company is in the business of Trading of paper.

2. Basis of Preparation, Measurement and Significant Accounting policies**2.1 Basis of preparation and measurement****a. Basis of preparation and consolidation**

These Consolidated Financial Statements have been prepared in accordance with Indian Accounting Standards (herein after referred to as the "Ind AS") as notified by Ministry of Corporate affairs pursuant to section 133 of the Companies Act 2013 read with rule 3 of the Companies 9 Indian Accounting standards) Rules 2013 as amended from time to time.

The Consolidated Financial Statements have been prepared in on accrual and going concern basis. The accounting policies are applied on consistently to all periods presented in the consolidated financial statements. All assets and liabilities have classified as current or noncurrent as per the Group's normal operating cycle, paragraph 66 and 69 of Ind AS 1 and other criteria set out in the Division II of the Schedule III of the Companies Act 2013. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities

Subsidiaries are entities where the group exercise control or hold more than one-half of its total share capital. The net assets and results of acquired businesses are included in the consolidated financial statements from their respective dates of acquisition, being the date on which the Group obtains control. The results of disposed businesses are included in the consolidated financial statements up to their date of disposal, being the date control ceases.

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The accounting policies adopted in the preparation of consolidated financial statements are consistent with those of previous year. The consolidated financial statements of the Company and its subsidiaries have been combined on a line- by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and the unrealized profits/losses, unless cost/revenue cannot be recovered.

The excess of cost to the Group of its investment in subsidiaries, on the acquisition dates over and above the Group's share of equity in the subsidiaries, is recognized as 'Goodwill on Consolidation' in the Consolidated Financial Statements. On the other hand, where the share of equity in subsidiaries as on the date of investment is in excess of cost of investments of the Group, it is recognized as 'Capital Reserve' and shown under the head 'Other Equity' in the consolidated financial statements. There is no Goodwill nor Capital Reserve arisen during Acquisition.

Non-controlling interests in the net assets of consolidated subsidiaries is identified and presented in the consolidated Balance Sheet separately within equity.

Non-controlling interests in the net assets of consolidated subsidiaries consists of:

- (a) The amount of equity attributable to non- controlling interests at the date on which investment in a subsidiary is made; and
- (b) The non-controlling interests share of movements in equity since the date parent subsidiary relationship came into existence.

The profit/loss and other comprehensive income attributable to non-controlling interests of subsidiaries are shown separately in the consolidated statement of profit and loss and consolidated statement of changes in equity.

BANDARAM PHARMA PACKTECH LIMITED

The consolidated financial statements are presented in INR, the functional currency of the Group. Items included in the consolidated financial statements of the Group are recorded using the currency of the primary economic environment in which the Group operates (the 'functional currency').

Transactions and balances with values below the rounding off norm adopted by the Group have been reflected as "0" in the relevant notes to these consolidated financial statements.

The Consolidated financial statements of the Company for the year ended 31st March, 2024 includes the subsidiary company of VSR Paper Packing Limited (Subsidiary Company).

b. Basis of Measurement

These consolidated Financial Statements are prepared under the historical cost convention except for certain class of financial assets/liabilities, share based payments and net liability for defined benefit plans that are measured at fair value.

The consolidated IND AS financial statements comprise the financial statements of the Company and entities controlled by the entity and its subsidiaries. Control is achieved when the Group:

- Has power over the investee,
- Is exposure or rights to variable return from its involvement with the investee, and
- Has the ability to use its power over the investee to affect its returns.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the above three elements of control.

When the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- Contractual arrangement with the other vote holders of the investee,
- Rights arising from other contractual arrangements,
- The Group's voting rights and potential voting rights and
- Size of the Group's holding of voting rights relative to the size and dispersion of holdings of other investees with voting rights.
- Any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

If an entity of the Group uses accounting policies other than those adopted in the consolidated financial statements, for like transactions and other events in similar circumstances appropriate adjustments are made to that entity's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to the same reporting date as that of the Group, i.e., year ended on 31st March 2024.

Consolidation procedure followed is as under:

- Items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries are combined like to like basis. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date,

- The difference between carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary is subject to adjustment of goodwill and
- Intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group are eliminated subject to impact of deferred taxes. Profit or loss and each component of other comprehensive income (OCI) are attributable to equity holders of the parent of the Group and to the non-controlling interest, even if this results in the non-controlling interests having deficit balance.

A change in the ownership interest of a subsidiary, without loss of control, is accounted for as an equity transaction.

Associates:

Associates are entities over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies. This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting, after initially being recognized at cost.

Joint ventures

Joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control. Investments in joint ventures are accounted for using the equity method, after initially being recognized at cost in the consolidated balance sheet.

Equity Method

Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the Group's share of the post-acquisition profits or losses of the investee in statement of profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognized as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity. Such further losses are disclosed as part of Current Liabilities.

Unrealized gains on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the Accounting Policy.

2.2 Key Accounting Estimates and Judgments:

The preparation of consolidated financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

Information about critical judgements in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

BANDARAM PHARMA PACKTECH LIMITED

S. No	Name of the estimate	Note No	Remarks
1	Fair value of unlisted equity securities	3	Unlisted equity shares are held by the company carried at cost and no diminution in value.
2	Goodwill impairment	NA	NA
3	Useful life of intangible asset	NA	No intangible assets held by the company for the current financial year
4	Measurement of contingent liabilities and contingent purchase consideration in a business combination	NA	Contingent transactions are recognized based on happening contingent event. No contingent liabilities for the report
6	Deferred tax assets for carried forward tax losses	4	As per the Ind AS.12

2.3 Business Combination

The Company accounts for its business combinations under the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Group to the former owners of the acquiree, and equity interests issued by the Group in exchange of control of the acquiree. Acquisition related costs are generally recognized in profit or loss as incurred.

At the acquisition date, the identified assets acquired and the liabilities assumed are recognised at their fair value, except that:

- Deferred tax assets or liabilities, and assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 Income Taxes and Ind AS 19 Employee benefits respectively;
- liabilities or equity instruments related to share-based payment arrangements of the acquiree or share-based payment arrangements of the Group entered into to replace share-based payment arrangements of the acquiree are measured in accordance with Ind AS 102 Share-based Payment at the acquisition date; and
- Assets (or disposal groups) that are classified as held for sale in accordance with Ind AS 105 Non-current Assets held for sale and discontinued operations are measured in accordance with that Standard.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net of the acquisition-date amounts of the identified assets acquired and the liabilities assumed.

In case of a bargain purchase, before recognizing a gain in respect thereof, the Group determines whether there exists clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. Thereafter, the Group reassesses whether it has correctly identified all of the assets acquired and all of the liabilities that are identified in that reassessment. The Group then reviews the procedures used to measure the amounts that Ind AS requires for those purposes of calculating the bargain purchase. If the gain remains after this reassessment and review, the Group recognizes it in Other Comprehensive Income and accumulates the same in equity as capital reserve. This gain is attributable to the acquirer. If there does not exist clear evidence of the underlying assets for classifying the business combination as a bargain purchase, the Group recognizes the gain, after reassessing and reviewing (as described above), directly in equity as capital reserve.

Non-controlling interests that are present ownership interests and entitle their holders to a proportionate share of entity's net assets in the event of liquidation may be initially measured either at fair value or at non-controlling interests' proportionate share of recognised amounts of the acquiree's identified net assets. The choice of measurement basis is made on a transaction-by-transaction basis. Other types of non-controlling interests are measured at fair value or, when applicable, on the basis specified in another Ind AS.

When the consideration transferred by the Group in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition-date fair value and included as part of the consideration transferred in a business combination. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively, with corresponding adjustments against goodwill or capital reserve, as the case may be. Measurement period adjustments are adjustments that arise from additional information obtained during the 'measurement period' (which cannot exceed one year from acquisition date) about facts and circumstances that existed at the acquisition date.

The subsequent accounting for changes in the fair value of contingent consideration that do not qualify as measurement period adjustments depends on how the contingent consideration is classified. Contingent consideration that is classified as an asset or a liability is measured at fair value at subsequent reporting dates with the corresponding gain or loss being recognized in profit or loss. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and its subsequent settlement is accounted within equity.

When a business combination is achieved in stages, the Group's previously held equity interest in the acquiree is re-measured to its acquisition date fair value, and the resulting gain, if any, is recognised in profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognised in other comprehensive income are reclassified to profit or loss where such treatment would be appropriate if that interest were disposed of.

If the initial accounting for a business combination is complete by end of the reporting period in which combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provision amounts are adjusted during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date.

Goodwill

After initial recognition, goodwill arising on an acquisition of a business is measured at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or Groups of cash-generating units) that is expected to benefit from the synergies of the combination.

A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognized directly in the Consolidated Statement of Profit and Loss. An impairment loss recognized for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

The Group's policy for goodwill arising on the acquisition of an associate and a joint venture is described in notes below.

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate or a joint venture, or when the investment is classified as held for sale.

When a Group entity transacts with an associate or a joint venture of the Group, profits and losses resulting from the transactions with the associate or joint venture are recognized in the Group's consolidated financial statements only to the extent of interests in the associate or joint venture that are not related to the Group.

2.4 Ind AS 105: Non-Current Assets held for Sale or Discontinued Operations: NIL

2.5 Ind AS 106: Exploration for Evolution of Mineral resources: This Ind AS 106 not applicable, the company is in the business of Manufacturing of Trading of Paper. Hence this Ind AS does not have any financial impact on the financial statements of the company.

2.6 Ind AS-16: Property, Plant and Equipment:

Items of Property, Plant and Equipment are stated at cost less accumulated depreciation.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Depreciation on the fixed assets has been provided based on useful lives as prescribed under part C of the schedule II of the Companies act, 2013.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

S. No	Asset	Useful life (in Years)
1	Computers	3
2	Office Equipment	5
3	Furniture & Fixtures	10
4	Vehicles	10

Depreciation on additions (disposals) is provided on a pro-rata basis i.e., from (upto) the date on which asset is ready for use (disposed of).

2.7 Impairment Assets (Ind AS 36)

The Company's non-financial assets, other than deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

BANDARAM PHARMA PACKTECH LIMITED

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

2.8 Intangible assets (Ind AS 38):

Intangible assets are amortized over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method are reviewed at least at each financial year end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate, and are treated as change in accounting estimates. The amortization expense on intangible assets with finite useful lives is recognized in profit or loss.

2.9 Cash Flow Statement (Ind AS 7):

Cash flows are reported using the indirect method under Ind AS 7, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Non-current Borrowings	764.74	(297.2)	467.54
Total	1420.25	200.09	1220.16

2.10 Operating Cycle:

The Company has adopted its normal operating cycle as twelve months based on the nature of products and the time between the acquisition of assets for processing and their realization, for the purpose of current / non-current classification of assets and liabilities.

2.11 Capital Work in Progress

Capital Work in Progress (CWIP) includes Civil Works in Progress, Plant & Equipment under erection and Preoperative Expenditure pending allocation on the assets to be acquired/commissioned, capitalized. It also includes payments made towards technical know-how fee and for other General Administrative Expenses incurred for bringing the asset into existence.

2.12 Investments:

Investments are classified as Non-Current and Current investments.

Investments, which are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

Current investments are carried at lower of cost and fair value. Non-Current Investments are carried at cost less provision for other than temporary diminution, if any, in value of such investments.

2.13 Effects of changes in foreign Rates (Ind AS 21):

Foreign currency transactions are recorded at the exchange rates prevailing on the dates when the relevant transactions took place. Exchange difference arising on settled foreign currency transactions during the year and translation of assets and liabilities at the yearend are recognized in the statement of profit and loss.

In respect of Forward contracts entered into to hedge risks associated with foreign currency fluctuation on its assets and liabilities, the premium or discount at the inception of the contract is amortized as income or expense over the period of contract. Any profit or loss arising on the cancellation or renewal of forward contracts is recognized as income or expense in the period in which such cancellation or renewal is made.

2.14 Borrowing Costs (Ind AS 23):

Borrowing costs that are attributable to the acquisition or construction of qualifying assets up to the date of capitalization of such asset are capitalized as part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

2.15 Revenue Recognition (Ind AS 18-Revenues):

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

- a) Sales Revenue is recognized on dispatch to customers as per the terms of the order. Gross sales are net of returns and applicable trade discounts and excluding GST billed to the customers.
- b) Subsidy from Government is recognized when such subsidy has been earned by the company and it is reasonably certain that the ultimate collection will be made.
- c) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.
- d) All other incomes are recognized based on the communications held with the parties and based on the certainty of the incomes.

2.16 Accounting for Government Grants and Disclosure of Government Assistance (Ind AS 20):

Government grants:

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received.

Government grants are recognised in the Statement of Profit and Loss on a systematic basis over the years in which the Company recognizes as expenses the related costs for which the grants are intended to compensate or when performance obligations are met.

Government grants, whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets and nonmonetary grants are recognised and disclosed as 'deferred income' under non-current liability in the Balance Sheet and transferred to the Statement of Profit and Loss on a systematic and rational basis over the useful lives of the related assets.

The benefit of a government loan at a below-market rate of interest and effect of this favorable interest is treated as a government grant. The loan or assistance is initially recognised at fair value and the government grant is measured as the difference between proceeds received and the fair value of the loan based on prevailing market interest rates and recognised to the income statement immediately on fulfillment of the performance obligations. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

2.17 Inventories (Ind AS 2):

Inventories at the year-end are valued as under:

Raw Materials, Packing Material, Components, Consumables and Stores & Spares	At Cost as per First in First Out Method (FIFO)
Work in Progress and Finished goods	At lower of net realizable value and Cost of Materials plus Cost of Conversion and other costs incurred in bringing them to the present location and condition

- Cost of Material excludes duties and taxes which are subsequently recoverable.
- Stocks at Depots are inclusive of duty, wherever applicable, paid at the time of dispatch from Factories.

2.18 Trade Receivables – Doubtful debts:

Provision is made in the Accounts for Debts/Advances which is in the opinion of Management are Considered doubtful of Recovery.

2.19 Retirement and other Employee Benefits:

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders related service.

Gratuity liability is a defined benefit obligation and the cost of providing the benefits under this plan is determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out for this plan using the projected unit credit method. Actuarial gains and losses for defined benefits plan is recognized in full in the period in which they occur in the statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The Company presents the leave as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

2.20 Ind AS 17- Leases

Finance charges in respect of finance lease obligations are recognized as finance costs in the statement of profit and loss. In respect of operating leases for premises, which are cancelable / renewable by mutual consent on agreed terms, the aggregate lease rents payable is charged as rent in the Statement of Profit and Loss.

2.21 Insurance Claims:

Insurance Claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.22 Earnings per Share (Ind AS 33):

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of

equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.23 Provisions, Contingent Liabilities and Contingent Assets (Ind AS 37):

The Company recognized provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources required to settle the obligation in respect of which a reliable estimate can be made. A disclosure for Contingent liabilities is made when there is a possible obligation or present obligations that may, but probably will not, require an outflow of resources. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent assets are neither recognized nor disclosed in the financial statements.

2.24 Prior Period and Extraordinary and Exceptional Items:

- (i) All Identifiable items of Income and Expenditure pertaining to prior period are accounted through "Prior Period Items".
- (ii) Extraordinary items are income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the enterprise and, therefore, are not expected to recur frequently or regularly. The nature and the amount of each extraordinary item be separately disclosed in the statement of profit and loss in a manner that its impact on current profit or loss can be perceived.
- (iii) Exceptional items are generally non-recurring items of income and expenses within profit or loss from ordinary activities, which are of such, nature or incidence.

2.25 Financial Instruments (Ind AS 107 Financial Instruments: (Disclosures)

I. Financial assets:

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

a) financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose Objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) financial assets at fair value through profit or loss (FVTPL)

A Financial asset which is not classified as AC or FVTOCI are measured at FVTPL e.g., investments in mutual funds. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

B. Investments in subsidiaries

The Company has accounted for its investments in subsidiaries at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

II. Financial Liabilities

A. Initial recognition

All financial liabilities are recognized at fair value.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments

a) Operating Segments (Ind AS 108)

The company has only one business segment such as Manufacturing of Trading of Paper. Hence reporting is not applicable.

• **Deferred Taxes:**

Deferred tax liabilities are recognized for all timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes
