Prime Minister Narendra Modi holds a mace at a public meeting for the last phase of Lok Sabha elections, in Hoshiarpur, Punjab on Thursday.

## PM Modi emphasises on development and social equality

Hoshiarpur (Punjab), May 30 (UNI) : Prime Minister Narendra Modi on Thursday underscored his government's efforts to eliminate caste discrimination and promote social equality. "Guru Ravidas Ji wanted a society without discrimination based on caste. Today, the benefits of the Modi government's schemes are reaching everyone without discrimination," he said, listing achievements such as providing concrete houses, gas connections, toilets,

and electricity connections to all sections of society. He reaffirmed his commitment to the principle of "Sabka Saath, Sabka Vikas" which he described as a guiding philosophy for his administration. Addressing his last election rally of the ongoing Lok Sabha polls here, he paid homage to the sacred land of Guru Ravidas Ji and emphasised his government's commitment towards development and heritage preservation.

## Shiv Sena leader appeals CM to allow work from home

Mumbai, May 30 (UNI) : Owing to the Jumb mega block of 63 hours in the Central Railway, Adv. Susieben Shah, Spokesperson of Shiv Sena on Thursday appealed to Chief Minister Eknath Shinde to either give holidays or allow work from home for government, semi-government, as well as private offices, to avoid any untoward incidents. As many as 930 trains will be cancelled between May 31 and June 2, which will affect lakhs of commuters. "Millions of commuters travel on the Central Railway on a daily basis. As a result, there will be commotion across the railway network. To avoid any untoward incidents during these days, I appeal to the Government of Maharashtra to issue a notification to allow work from home or give holidays to all private as well as public offices. I also appeal to you to urge the citizens traveling from and to the areas affected to be safe and travel only if necessary," Shah stated in the letter to Eknath Shinde. Since Friday evening, there will be a mega block in two prime stations: the CSMT station and Thane station. The megablock will be conducted to facilitate platform extension and widening projects at two important stations. Due to the disruptions, there are chances of massive crowds during the rush hours. "Mumbaikars will get huge relief if they are given work from home on Friday and Saturday. This will ensure public safety and infrastructural development simultaneously," she said.

## Monsoon onset in 8-10 days, says IMD

Mumbai, May 30 (UNI) : The India Meteorological Department (IMD) said on Thursday that the monsoon will arrive in the city and across the state in eight to 10 days after the southwest monsoon hits Kerala within the next 24 hours. Director of the IMD in Mumbai Sunil Kamble said that the IMD is expecting the arrival of the monsoon in Kerala one day in advance of its usual date of June 1. "The normal date of the onset of monsoon in Kerala is June 1. But we are expecting an advanced monsoon, and within 24 hours, we are expecting the monsoon to reach Kerala. Once the monsoon arrives in Kerala, it takes eight to ten days to cover Maharashtra," Kamble said.

## Three tourists drown in backwaters of irrigation dam in Kolhapur

Kolhapur, May 30 (UNI) In a tragic incident, three tourists, including two women, drowned in the backwaters of irrigation dam at Olvan-Bhatwadi area in Radhanagari tehsil of this district on Thursday. According to Radhanagari police, three tourists went to take bath in backwaters and while taking bath, all of them drowned following not able to judge properly the deep of the water. The deceased decided to take meal at the bank of backwaters at Olvan-Bhatwadi village and told the relatives to bring meal. When their relatives came with tge meal, they saw the bodies floating on the water. After receiving information, Radhanagari police immediately rushed to the spot and fished out the bodies with the help of local villagers. Police identified the deceased as Satish Laxman Tipugade (26), Ashiwini Rajendra Malvekar (32) and her daughter Pratiksha (13), all from Kagal tehsil in this district. Radhanagari police inspector Santosh Gore investigating the matter further.

## INDIA bloc will form government, PM will be elected unanimously: Kharge

New Delhi, May 30 (UNI) : Congress President Mallikarjun Kharge on Thursday expressed confidence that the INDI Alliance will get electoral majority on June 4 and said the leaders of the coalition parties will then sit together and unanimously choose the Prime Minister. Addressing a press conference at the AICC headquarters here, Kharge while replying to questions said, "We are confident that on June 4, the people will give an alternate mandate and the INDI alliance will form a nationalist and inclusive government that will work for the welfare of the people".

Replying to a question regarding the agenda of the meeting of INDI bloc leaders to be held on June 1, the Rajya Sabha MP said that this meeting would solely be on the election results. On Prime Minister Narendra Modi's record interviews to media, Kharge said that if the BJP was winning why were they running from one media to another giving interviews. This only showed that Modi was losing this election. Meanwhile, Congress general secretary K C Venugopal said that the June 1 meeting would only be for the counting preparations. The party has directed its state units to alert about the 17 C form.

## NDA didn't raise any issues of public interest during Lok Sabha election campaign : Tejaswi

Senior RJD leader Tejaswi Prasad Yadav on Thursday alleged that NDA leaders did not raise any issues of public interest during their Lok Sabha election campaign and spent entire energy only in abusing him. Yadav told media persons here that NDA leaders who campaigned in the Lok Sabha election, did not raise issues of public interest and exhausted all energies only in abusing him. No leader of NDA talked about price rise and employment for youths, he pointed out. (See on page 2)

## Biden admin considering allowing Ukraine to strike ....

The Biden administration is considering lifting restrictions on Ukraine to strike targets on Russian territory with US-supplied weapons, despite earlier statements that it has not given such authorization, Politico reported. Amid a worsening situation on the battlefield for Ukraine and the daily advance of Russian troops, (See on page 5)

## Cambodian PM receives call from Filipino boxing icon ...

Cambodian Prime Minister Hun Manet on Thursday received a courtesy call from Filipino world boxing icon and former senator Manny Pacquiao as the latter is visiting the country. "Welcome Manny Pacquiao to Cambodia," Hun Manet wrote in a text posted on his social media, with a photograph showing him shaking hands with the boxing superstar." (See on page 7)

## Potable water use banned at construction sites and car ....

Delhi government on Thursday imposed a ban on usage of potable water at construction sites, car washing and repairing centres stating that these establishments will be sealed if found violating the ban. (See on page 8)

## NDA didn't raise any issues of public interest during Lok Sabha election campaign : Tejaswi

Patna, May 30 (UNI) : Senior RJD leader Tejaswi Prasad Yadav on Thursday alleged that NDA leaders did not raise any issues of public interest during their Lok Sabha election campaign and spent entire energy only in abusing him.

Yadav told media persons here that NDA leaders who campaigned in the Lok Sabha election, did not raise issues of public interest and exhausted all energies only in abusing him. No leader of NDA talked about price rise and employment for youths, he pointed out.

"Prime Minister Narendra Modi raised irrelevant issues in his campaign", the Senior RJD leader said, adding that Modi had threatened to put him behind bars after campaign.

People were fed up with Narendra Modi government due to failures on all fronts, he further added. Yadav said that BJP would get wiped out in Lok Sabha election. People would teach a befitting lesson to PM for his false promises made earlier, he pointed out. Meanwhile, former Bihar Chief Minister Rabri Devi predicted that INDIA bloc would cross 300 mark in Lok Sabha election. The BJP led NDA would face crushing defeat, she asserted.

Residents collect drinking water from a tanker amid ongoing water crisis at Vivekananda Colony, Chanakyapuri, in New Delhi on Thursday.

## Three die, thousands rescued as flood wreaks havoc in Manipur

(Standard Post Bureau)

Imphal, May 30 : Three persons including a woman have died and thousands were evacuated to safe places since Cyclone Remal hit Manipur Monday.

All the major rivers including Nambul, Imphal, Iril, Kongba, and Nambol were flowing above flood levels. Breaches at various parts of the river banks have led to inundation of the Kangla fort, hospitals, the iconic women's markets, and most roads were not safe for travel. Army, Assam Rifles, Manipur Police, and officials worked hard to rescue people stranded in their homes. Local organizations have managed to rescue thousands of people using machinery, makeshift boats while

Assam Rifles personnel have also rescued more than 1000 people and distributed essential commodities.

Thousands of people were living in various relief centres opened by local organizations. Officials said so far three persons including a woman have died in separate incidents and power supplies were cut off in most parts of the state as transformers, power stations were flooded. Manipur government has also opened helplines and the most affected areas were the low-lying valley districts of Imphal East, Imphal West, Thoubal, Bishenpur, and Kakching districts. Heavy rainfall has also affected the hill districts and landslides were reported in the

Ukhrul, Tamenglong, Kangpokpi, Senapati districts.

On Wednesday night a team of the National Disaster Response Force (NDRF) arrived in Imphal by a special Air Force flight. Manipur Governor Anusuiya Uikey and Chief Minister N Biren Singh have appealed to remain calm and help the authorities in helping the affected people. Chief Minister N Biren said Rs 30 crore available in the disaster fund was used to help the affected people.

As both the national highways were cut off efforts were on to restore traffic by opening the Irang bridge. On Tuesday, the Irang Bailey bridge on NH 37, which connects Imphal to Jirbam, had collapsed in Taobam village in Noney district.

## Modi, Shah abandoned Tandon after learning he was losing: Tewari

Chandigarh, May 30 (UNI) : The INDIA bloc candidate Manish Tewari on Thursday claimed that after coming to know that the BJP candidate Sanjay Tandon was "badly losing" from Chandigarh, both the Prime Minister Narendra Modi and the union Home Minister Amit Shah cancelled their campaign meetings in Chandigarh.

Tewari claimed that for the last few elections, either Modi or Shah compulsorily campaign in Chandigarh for their party candidate.

However, he said, he learnt that both senior BJP leaders cancelled their Chandigarh tour at the last minute, as they did not want to be seen as campaigning for someone who was "losing badly". Tewari also termed as "untrue" BJP leader Piyush Goyal's allegation that lie did not vote in the 2019 Lok Sabha polls. "I very much voted in 2019 and I will very much in 2024 also", he asserted.

## Congress, SP, and BSP playing with the soul and security of the country : Yogi Adityanath

Mandi, Bijheri (HP), May 30 (UNI) : Uttar Pradesh Chief Minister Yogi Adityanath said that the Congress, Samajwadi Party, and Bahujan Samajwadi Party are behaving against the values and ideals of India and playing with the soul and security of the country.

Addressing election meetings in favour of Party Lok Sabha Candidate from Mandi Kangana Ranaut, Union Minister Anurag Singh Thakur in Hamirpur Patna Sahib candidate and former Union Minister Ravi Shankar Prasad and Arrah candidate R.K. Singh, on the last day of campaigning, he appealed to voters to vote for BJP candidates to bring a change and make India a developed country.

The UP Chief Minister warned that if the Indi alliance came to power, it would impose Taliban rule and, impose inheritance tax.

He said they would implement personal. Ravi Shankar ji fought a battle in

the court to end the practice of triple talaq but they want the practice of triple talaq to be started again, he said.

The opposition alliance wants to bring Taliban rule in which women will not have the freedom to go to schools, colleges, and offices and will be forced to wear burqas all the time. He also alleged that Congress wants to impose an 'inheritance tax' like 'Jaziya tax', Yogi said.

He highly praised Ranaut and Anurag Thakur and appealed people to vote for them to help the BJP win more than 400 seats.

He said Ranaut has devotion like Meerabai, the brilliance of Maharani Padmini, and has the valour and spirit of Rani Laxmibai to fight the opponents.

Yogi said the BJP government has completed the work of Kashi and Ayodhya, and now 'we have moved towards Mathura'. This election is between Ram devotees and

Ram traitors. Ram traitors are those who obstruct the development and construction of the Ram temple.

Chief Minister said there have been extensive changes in the country in the last 10 years of BJP rule. There were governments and money earlier, but there was no thought of development then. They were thinking only about the development of their family. In 10 years India has created a new identity for itself in the world. If there is a crisis anywhere in the world, it looks towards India, today there is no infiltration on the borders and no terrorism.

Yogi said today a new Ayodhya has been built. International Airport, rest house and restaurants have been built for the convenience of people.

The international Airport has been named after Maharishi Valmiki, Rest houses were named after Nishad Raj, and restaurants after Mata Shabari.

## Four dead in Meghalaya landslide

Shillong, May 30 (UNI) : Four persons, including a minor, died after a massive landslide at Nongpriang village under the Shella Community and Rural Development Block in East Khasi Hills district in Meghalaya in the wee hours of Thursday, an official said.

"While the body of one of the victims identified as Phisar Nongrum (75) was retrieved from the debris, Kynmaw Syngai (70) Benti Riahtam (60) and a minor boy, Lumlang Riahtam (16) were trapped under debris," Executive Director, State Disaster Management Authority, Matsiewdor War Nongbri said.

Lumlang Riahtam, K. Syngai and Benti Riahtam belonged to the same family. She said the search and rescue operations are on.

Meanwhile, Chief Minister Conrad Sangma has directed the district administration to immediately release the ex-gratia to the next of kin. "Sad to hear the news of four of our citizens who are feared dead in a massive landslide at Nongpriang, Shella block. Body of one victim has been found, search operation is ongoing Directed the administration to immediately release the ex-gratia to the next of kin," Sangma posted on X.

On the other hand, an official report said that due to heavy downpour of water from the hilltop onto the National Highway-6, Lumshong, East Jaintia Hills district has made the highway "extremely vulnerable and its integrity is doubtful", as a result of which, under the provision of Section 34 (b) and (m) of the Disaster Management Act, 2005, restriction on vehicular movement through this particular stretch has been ordered. "All types of vehicular movement through that particular stretch are hereby being prohibited till restorative works are completed.

## Court extends police custody of accused of swapping blood sample

Mumbai, May 30 (UNI) A local court in Pune has extended till June 5 the police custody of two doctors and a peon of the Sassoon General Hospital for their alleged involvement in changing the blood samples of the minor accused in the May 19 Pune Porsche car crash that left two techies dead.

The accused, Dr. Ajay Taware, Dr. Shrihari Halnor, and Peon Atul Ghatkamble — all suspended — were courted after their first police remand ended today.

While moving the remand application for the extension in police custody of the accused trio, the police lawyer told the court that the blood sample of the minor accused was replaced with the blood sample of a woman, ostensibly to prove that the 17-year-old boy was not in an inebriated condition at the time of the crash.

The police said that they wanted to probe the woman's identity and match her blood samples with the boy's blood samples to determine the swap and related aspects.

The three accused were raided and arrested after the police probe revealed that they had changed the minor's blood sample in the bin and taken the blood sample of a woman, suspected to be his mother, and two others to help him get off the hook.

## Two residents of Uttarakhand, arrested in Mumbai with 'Heroin'

Mumbai, May 30 (UNI): The Kandivali unit of the Anti-Narcotics Cell (ANC) of the Mumbai Crime Branch on Thursday arrested two residents of Uttarakhand in Mumbai and seized 280 grams of 'Heroin' worth Rs 1 crore 12 lakhs in the international markets from their possession.

Official sources said they were arrested while supplying the drug in the Borivali area of the city suburb. The two accused

## Wadettiwar demand action against Danve

Jalna, May 30 (UNI) : Leader of opposition in Maharashtra assembly Vijay Wadettiwar on Thursday assured that he will raise his voice in state assembly to get justice to the Santre family of Javkheda of district who was beaten by forcefully demolished their house to grab the land.

Wadettiwar said that the activists of Union Minister Raosaheb Danve and MLA Santosh Danve for National Highway No. 753, which passes through Javkheda village, beat up the Santre family of the Kumbhar Samaj. The family of the victim, Santre, has alleged that Public Works Department officials were involved in the illegal demolition of the house. The incident of 8 to 10 unknown people entering the house at night and beating and destroying the house took place in the village of Union Minister Raosaheb Danve.

are presently residing in Palghar district on a rental basis. The police registered a case against the accused under the Narcotic Drugs and Psychotropic Substances Act (NDPS Act) and presented them in court, and the court remanded them into police custody till June 3.

The Crime Branch team is further investigating the matter and trying to find out the source of the drug. Further details are awaited.

## BJP workers held protests across Maharashtra against Awhad

Chhatrapati Sambhajinagar, May 30 (UNI) : The activities of the Bharatiya Janata Party (BJP) across the Maharashtra on Thursday held a protest agitation against NCP (SP) MLA Jitendra Awhad for tearing down a photograph of Dr. Babasaheb Ambedkar yesterday during his protest against Manusmriti at Mahad in Raigad district. In Chhatrapati Sambhajinagar, BJP Scheduled Caste Morcha, all front office bearers Yuva Morcha, OBC Morcha Mahila Morcha, Minority Morcha, and Labour Morcha activists held protest agitation at Kranthi Chowk and condemned the act done by Awhad. Meanwhile, the former state minister Awhad apologized on Wednesday for tearing up photos denouncing the Manusmriti, which also had a picture of

Ambedkar on them. Awhad had taken part in a protest at Mahad against the state government's alleged plans to introduce some verses from the Manusmriti in the school curriculum from this year onwards.

A controversy erupted after videos of that protest showed Awhad tearing up posters that also had Ambedkar's picture on them. The BJP workers staged protests today in various cities of the state, including Mumbai, Nagpur, and Thane, condemning Awhad's act. A case has been registered against Awhad in Pune and other places in the state. Meanwhile, the state deputy chief minister, Devendra Fadnis, clarified today that there is no proposal to introduce some verses from the Manusmriti in the school curriculum and said that the opposition party has no work except to lie on this issue daily.

## Preparations have been made for counting of vote for Aurangabad LS seat: EC

Chhatrapati Sambhajinagar, May 30 (UNI) The election department has made all preparations for the counting vote in Aurangabad Lok Sabha constituency. District Election Officer and Collector Dilip Swamy himself is monitoring all arrangements.

According to an official press release issued on Thursday by the EC, the counting of votes will be held on Tuesday, June 4, in accordance with the Lok Sabha elections.

The counting of votes for Aurangabad Lok Sabha Constituency will be held at MIT College, Beed Bypass, Chhatrapati Sambhajinagar, from 8 a.m. onward.

The election department has informed us that it has made preparations for this vote count. Yesterday, all six returning officers and nodal officers inspected all arrangements.

The first randomization of the employees appointed for counting votes took place on May 27. On June 3, the second assembly constituency-wise randomization will take place in the presence of election inspectors.

Then the third table-wise randomization will take place during the actual counting of votes on June 4, the release added.

## Stock market continues to fall for 4th day; Sensex down over 617 points

Mumbai, May 30 (UNI) : Investors' anxiety ahead of next week's election results and escalating tensions in West Asia took its toll on the stock market, which fell for the fourth consecutive day amidst profit booking and nervousness as the 30-share BSE Sensex plunged 617.30 points to close at 73885.60.

Most heavyweights, including Reliance Industries (RIL), TCS, L&T, and others, ended in the red zone, while banking stocks were in demand throughout the day.

The NSE Index, or Nifty, also fell below the 22500 mark and closed 216

points down at 22488.65 from the previous close.

Foreign Institutional Investors (FIIs) continue to sell in the cash segment, as they sold equities worth Rs 5,842 crore in the last trading session, according to data available. While the domestic institutional investors bought to the tune of Rs 5,234 crore.

Market experts are also advising caution to small investors ahead of the election results, as large-scale profit booking and heightened volatility in the coming sessions may drag the market down further.

Major losers in today's session (Nifty) were RIL

by 1.11 percent at Rs 2849.70, TCS down 1.78 percent at Rs 3736.10, Iyfe down 1.62 percent at Rs 1427.45, and Bajaj Finance down 2.80 percent at Rs 6616.45, among others.

Major gainers were HDFC Bank, up 0.43 percent at Rs 1514.85, and ICICI Bank, up 1.06 percent at Rs 1113.70. Other banking shares and Airtel ended in green.

Earlier during the day, the BSE Sensex touched the day's high of 74493.55 and the day's low of 73668.73 before settling at 73885.60, down more than 617 points. Similarly, the NSE Nifty also saw a high of 22705 and a low of 22417 during intra-day trading.

## Voting percentage increase in Maha compared to 2019 LS election: EC

Mumbai, May 30 (UNI) The Central Election Commission had directed that all the states should make efforts to increase the voting percentage for the general Lok Sabha elections as compared to 2019, and also take care that the percentage of voting does not decrease.

According to the official press statement issued today, the General Lok Sabha election 2024 in Maharashtra was conducted in five phases.

Both of these objectives have been achieved in the polling statistics of Maharashtra, as reported by the Office of the Chief Electoral Officer, State of Maharashtra.

A total of 5,70,06,778 voters, including 3,06,56,611 male voters and 2,63,48,717 female voters, among 1450 other voters, exercised their right to vote with a percentage of 61.33 percent. In the Lok Sabha elections held in 2019, a total of 5,38,38,389 voters voted, the percentage of which was 60.71, the statement added.

## PUBLIC NOTICE

### Local Stakeholder Consultation Meeting for "Grouped Sustainable Agroforestry Project"

Stakeholder consultation meeting for the "Grouped Sustainable Agroforestry Project" being developed by GKF Agroforestry and ClimeTrek Ltd in the states of Telangana and Andhra Pradesh, will be held at "Janampeta, Gandeed, Mahabubnagar District" on 03/06/2024 at 10:30 AM. This project is being developed as a Climate, Community, Biodiversity (CCB) rated project in the Verra registry. All the stakeholders who are project participants, residents of the area, groups and organizations who will be directly or indirectly impacted by the project activity, are cordially invited to participate in the programme and provide valuable feedback.

For any concerns, please contact us at [info@climetrek.com](mailto:info@climetrek.com). We look forward to your participation.

## STANDARD POST

### Braving rarefied air and cold, Himachal tribals gung ho over casting their votes on June 1

Braving rarefied air and cold temperatures, when plains in northern India are reeling under a debilitating heatwave, voters in high-altitude Himalayan hamlets of Himachal Pradesh are gung ho about exercising their franchise on June 1.

A testament to the dedication to keep democracy alive, the world's highest polling station Tashigang, located at a height of 15,256 feet above sea level, in the Spiti Valley, which is part of the Mandi parliamentary constituency, has 52 registered voters, comprising 30 men and 22 women.

"We are excited to cast our vote for a better future and a better life for generations to come," remarked Tashigang resident Tenzin Lundup.

"Like the last elections (2022 Assembly polls), the polling station in Tashigang would again record 100 per cent polling," added first-time voter, Kalzang Rinchen, a postgraduate preparing for exams for a government job. The Lahaul-Spiti District has the lowest number of electorate -- 25,273 -- in the state, while Kinnaur has 59,943 voters.

The climatic conditions in these districts are harsh as much of the land falls under a cold desert.

The Election Commission of India (ECI) has set up 92 polling stations in Lahaul-Spiti, while in Kinnaur there will be 128 polling stations.

"Polling is a difficult exercise in Lahaul-Spiti, Kinnaur and Chamba as one-third of the polling booths are located at altitudes above 13,000 feet.

He said a majority of polling stations in Lahaul-Spiti and Kinnaur are connected by road.

Electronic Voting Machines (EVMs) and Voter Verifiable Paper Audit Trail (VVPAT) machines for Kaza, some 320 kms from state capital Shimla, were dropped by a helicopter of the Indian Air Force (IAF) on May 27.

The Spiti Valley has 29 polling stations. Thirteen gram panchayats fall in the Spiti Valley, mainly populated by tribals, who are largely Buddhist farmers.

The gram panchayats are Losar, Kibber, Kaza, Langecha, Demul, Lalung, Dhankar, Tabo, Gue, Hal, Khurik, Kungri and Saganam.

Another remote place in the state is the landlocked Pangri Valley in Chamba District. The Saach Pass is the gateway to the picturesque Pangri Valley.

Located at an altitude of 14,500 feet in Chamba District, it's still closed for motorists after the winter snowfall.

Resident Commissioner Ritika Jindal, the first woman officer to opt for the Pangri posting, told IANS the material for 39 polling stations has reached Killar, the subdivisional headquarters of Pangri, located in the Pir-Panjali range of the Himalayas, via an IAF helicopter. The Saach Pass, the shortest road link between Chamba town, some 450 km from the state capital, and Killar is expected to reopen in the first week of July.

The Chask Bhatari and Kulal polling stations are the remotest in the Pangri Valley, where election officials will have to walk a distance of at least 14 km to conduct the poll. The valley last saw snowfall on May 2. Lahaul-Spiti, along with other remote areas of Kinnaur District and Pangri and Bharmour subdivisions of Chamba District, are part of the sprawling Mandi constituency that covers almost two-thirds of the state. In Mandi, Congress legislator Vikramaditya Singh, the scion of the erstwhile royal family, challenges actress Kangana Ranaut of the BJP.

A majority of the booths are scattered over rugged, cold and inhospitable terrain and poll officials have to trek hours to reach there.

Locals are largely Buddhist farmers who grow barley, potatoes, wheat and black peas.

Before 2019, the highest polling station was Hikkim (14,400 feet) located close to Tashigang. But in 2019, Tashigang was made a polling station.

The state Election Commission has also decided to set up one of the state's remotest polling stations at Bara Bhangal in Kangra District at an altitude of over 2,800 metres not accessible by road. It falls in the Baijnath Assembly constituency that is part of the Kangra parliamentary seat. Situated between the mighty Dhauladhar and Pir Panjal ranges of the Himalayas, Bara Bhangal is considered to be the remotest village with 469 electorates.

Owing to the difficult geographical conditions of the area, an auxiliary polling station will also be set up in Bara Bhangal where the remaining 159 voters will cast their votes. The election official said since most trekking routes leading to Bara Bhangal are blocked by winter snow, helicopter is the only mode of transportation to reach there. However, Bara Bhangal is accessible on foot through the Thamsar Pass, located at an altitude of 4,700 metres. The state ruling Congress has fielded its veteran and four-time Rajya Sabha MP Anand Sharma in his new battleground Kangra, the largest Lok Sabha constituency in terms of voters, against Rajiv Bhardwaj of the BJP, which ignored the sitting MP, Kishan Kapoor.

## Successful Surgical Intervention by Dr. Ashish Gupta on a 55-Year-Old Patient

(Standard Post Bureau)

Renowned neurosurgeon Dr. Ashish Gupta, Senior Director of Neuro Surgery & Spine Surgery, and his medical team at Max Super Speciality Hospital, Patparganj, Delhi, successfully performed a complex minimal invasive spine surgery on Mr. Raben, a 55-year-old male patient from Guwahati. Mr. Raben was admitted with severe neck pain and radicular pain extending into his left upper limb and weakness of hand significantly affecting his quality of life.

Upon admission, Mr. Raben underwent a comprehensive MRI scan of his cervical spine, which revealed several critical issues at the C6-C7 level- Posterior Intervertebral Disc (PIVD), where the disc situated between the sixth and seventh cervical

vertebrae had displaced backward. In Mr. Raben's case, the stenosis at the C6-C7 level was causing compression of the nerve roots exiting at C6 and C7.

Additionally, he exhibited considerable weakness in his right upper limb, indicating that the nerve compression was also affecting his motor functions. This combination of severe pain, nerve compression, and motor weakness necessitated immediate

surgical intervention to prevent further deterioration of his condition and to alleviate his symptoms.

The surgical procedure, led by Dr. Ashish Gupta, was immediately executed. This complex operation involved a microdiscectomy (removal of the herniated disc), decompression (relieving pressure on the nerves), neurolysis (freeing the nerves from surrounding tissue), and spinal fusion

(using an implant to stabilize the spine). The successful execution of this surgery has resulted in a significant improvement in Mr. Raben's condition, leading to his early discharge and full recovery.

Mr. Raben was discharged following the successful operation has made full recovery. Dr. Gupta expressed satisfaction with the outcome and commended his team for their exceptional performance and dedication to patient care.

"Ensuring the best possible outcomes for our patients is our top priority. Mr. Raben's case was particularly challenging, but our team's expertise and the advanced surgical techniques we employed have led to a positive result. We wish Mr. Raben a swift and complete recovery," said Dr. Ashish Gupta.

Dr. Amit Shrivastav, Director and Head of Department, Neurology, Yatharth Hospital

## The Essentials of Headache: Causes and Care

Headaches are among the most widespread neurological complaints worldwide, with half of the global population experiencing at least one headache annually. Defined as pain originating from the head or upper neck, headaches can radiate to the eyes, face, shoulders, and arms. Contrary to conventional wisdom, headache pain does not actually arise from the brain itself but from the surrounding tissues and structures.

Types of Headaches

There are approximately 200 types of headaches, broadly classified into primary and secondary headaches.

Primary Headaches

Primary headaches include tension-type headaches, migraines, and the rare cluster headaches, making up about 90% of all headaches.

Tension-Type Headaches: The most common type, often affecting women more than men, is often exacerbated by stressful and sedentary lifestyles. Symptoms include mild to moderate band-like tightness around the head, sleep difficulties, chronic fatigue, disturbed concentration, and muscle aches.

Migraines: These affect children and adults, with a higher prevalence in women post-puberty. Symptoms include moderate to severe throbbing pain on one side of the head, nausea, vomiting, and light sensitivity.

Cluster Headaches: These rare headaches typically affect men in their late 20s but can also occur in women and children. They manifest quickly with excruciating pain around one eye, excessive tearing, and facial sweating. Cluster headaches can trigger strokes, especially migraines with aura.

Secondary Headaches

Secondary headaches stem from underlying structural issues in the head or neck, encompassing a broad spectrum of medical conditions. These range from dental or sinus infections to severe ailments like brain bleeding or infections such as encephalitis or meningitis.

Traumatic headaches, including post-concussion headaches, also fall into this category, alongside headaches linked to substance abuse or excessive use of headache medications. Additionally, "hangover" headaches result from alcohol consumption, compounded by alcohol's effects and dehydration.

Identifying Serious Headaches

Differentiating between benign primary headaches and potentially dangerous secondary headaches is paramount. Red flags indicating sinister headaches encompass various symptoms, including a severe and swiftly advancing headache, coupled with additional indicators such as fever, drowsiness, double vision, projectile vomiting, or focal weakness. Furthermore, a notable escalation in headache intensity or frequency, particularly in individuals already diagnosed with headache disorders, warrants careful attention as it could signify an underlying and potentially serious medical condition.

Effective Headache Management Involves Lifestyle Changes and Medical Treatments

Relaxation techniques such as meditation, deep breathing, and other methods can help manage headaches, while regular physical activity promotes a healthy lifestyle and reduces stress. Additionally, managing stress by avoiding stressful situations and noisy environments can prevent severe headaches. Massaging the neck and temples can also help as it improves blood circulation. Monitoring one's diet and limiting caffeine and alcohol intake can also reduce the frequency and severity of headaches.

Contrary to the belief that migraines are untreatable, significant advancements in migraine treatment offer effective prophylactic medications and interventions. Combining relaxation techniques, avoiding triggers, meditation, biofeedback, stress relief, and a disciplined lifestyle can significantly control the frequency and intensity of migraines.

Frequent use of painkillers for headaches can lead to Medication Overuse Headache (MOH), a condition challenging to treat and with significant side effects. Long-term headache relief requires proper management rather than habitual painkiller use.

Most headaches are benign and can be managed effectively through lifestyle changes and medications. Stress is a common cause, but it's crucial to identify and address secondary headaches promptly. Consulting a specialist for serious headache symptoms is essential for timely and appropriate treatment.

## India's first successful heart transplant on a Polio survivor performed at Kamineni Hospitals

(Standard Post Bureau)

Doctors at Kamineni Hospital in LB Nagar, Hyderabad, have successfully performed the first-ever heart transplant on a polio survivor. The recipient, Bhaskar, a 45-year-old tailor from Khammam district, had been suffering from severe heart disease which got aggravated in the past three years due to his partial polio condition. The transplant team including, Dr. Vishal V. Khante, Head of the Heart Transplant Department and Consultant Cardiothoracic Surgeon and Dr. Rajesh Deshmukh, Consultant Heart Transplant and Cardiothoracic Surgeon, achieved this significant milestone, which demonstrates the hospital's advanced medical capabilities.

Bhaskar's condition led to irregular heartbeats and insufficient blood supply, causing a range of health complications. His condition necessitated the heart transplant, a complex procedure that took five hours to complete. The surgery involved the

meticulous removal of Bhaskar's old heart, implanting the new one donated by a brain-dead individual, and reconnecting all blood vessels and valves with utmost precision.

Commenting on the achievement, Dr. Vishal V. Khante said, "Following the successful surgery, Bhaskar is on the path to recovery, and is gradually regaining his ability to engage in daily activities. Previously confined to bed due to extreme fatigue, he can now walk significant distances and looks forward to resuming his

normal life. However, post-surgery, Bhaskar requires intensive monitoring and ongoing medication to prevent organ rejection, and our team is constantly monitoring his condition."

"Kamineni Hospitals, renowned for its expertise in liver and kidney transplants, celebrates this achievement with great pride and humility. This successful surgery highlights the medical capabilities of our hospital. I thank all doctors including Dr. Vishal Khante, Dr. Rajesh Deshmukh, Consultant Cardiothoracic Surgeon, Dr. Suresh Kumar Esampalli, Chief Cardiac

Anaesthetist and Dr. Ravali Sade, Consultant Anaesthetist, the dedicated ICU staff, and the nursing team, for having played crucial roles in this surgery," added Dr. Gayatri Kamineni, COO, Kamineni Hospitals.

Expressing his gratitude, Bhaskar credited the skilled doctors at Kamineni Hospital for giving him a new lease on life. He acknowledged that without their expertise and dedication, he wouldn't have survived this ordeal. Bhaskar continues to follow the prescribed medical regimen and attends regular consultations.

## Meet Ashwini, a homemaker turned Amazon Flex delivery partner who seized opportunities and achieve financial independence

(Standard Post Bureau)

Shifting from the serene countryside of Solapur to the bustling city of Pune, 33-year-old Ashwini Kenchi embarked on a transformative journey. As a dedicated homemaker, she juggled managing a family and raising two children. However, her desire to support her husband financially and secure a brighter future for her children fuelled her determination to seek new opportunities. This pivotal move marked the beginning of Ashwini's inspiring journey towards financial independence and personal fulfilment through the Amazon Flex Program.

Relocating to Pune with her husband and their two school-going children—a

13-year-old daughter and an 11-year-old son—Ashwini sought a city that offered better job prospects and an enhanced quality of life. Her husband supported this crucial decision. Once settled, Ashwini began exploring job opportunities that would allow her to contribute financially while still managing her personal responsibilities.

Ashwini's curiosity was piqued when she learned about the Amazon Flex program from another delivery associate. Intrigued by the promise of flexibility, she conducted thorough online research to understand the program better. She discovered that Amazon Flex was the perfect fit for her needs,

offering the flexibility to schedule delivery slots around her children's school and tuition timings. By using her vehicle to deliver packages for Amazon, Ashwini found a way to earn extra income and move closer to her goals. "Working as an Amazon Flex partner has been incredibly rewarding for me. The program offers flexibility; I can choose delivery slots based on my children's schedules. I'm able to contribute to expenses like house rent and school fees while also saving for our future. Despite lacking experience in delivery, the thorough training and unwavering support from the Amazon Flex team have equipped me with the skills and

confidence necessary to excel in my role," says Ashwini Kenchi.

With Amazon Flex, Ashwini found the balance she had been seeking. She efficiently organizes her day by working in the morning after dropping the kids off at school and again in the evening during their tuition classes. This option of scheduling enables her to seamlessly manage both her personal and professional responsibilities.

Dr. Karuna Shankar Pande, Vice President, Amazon Logistics, India, said, "At Amazon, we are dedicated to fostering diversity, equity, and inclusion (DE&I) and empowering individuals from diverse backgrounds.

## Google announces 2 bln USD for data center, cloud services

Kuala Lumpur, May 30 (UNI) Google will invest 9.4 billion ringgit (2 billion U.S. dollars) to establish its first data center and Google Cloud region in Malaysia, the tech company said on Thursday.

The data center will power Google's digital services, such as search, maps, and workspace and enable Google to deliver the benefits of artificial intelligence to users and customers across the country, the company said in a statement. It also said the cloud region will deliver high-performance and low-latency services to large enterprises, startups, and public sector organizations, allowing customers to benefit from key controls and maintain the highest security, data residency, and compliance standards. Chief Financial Officer of Alphabet and Google Ruth Porat said the investment strengthens its partnership with Malaysia to advance its "Cloud First Policy," including its cybersecurity standards.

Tengku Zafrul Abdul Aziz, minister of investment, trade and industry of Malaysia, said in a separate statement that the partnership and continued investment will accelerate the nation's digital transformation, contribute

## Lava from volcano in Iceland approaching US Navy's communications masts

Reykjavik, May 30 (UNI) Lava flowing from a volcano following the eruption in southwestern Iceland is fast approaching the communications masts owned by the US Navy near the city of Grindavik, Icelandic broadcaster RUV has reported. The report said on Wednesday that defensive walls were built around the masts, and there was hope that the walls would hold lava. The Icelandic Foreign Ministry is closely monitoring the situation,

the report said. Grindavik Mayor Fannar Jonasson has expressed concerns that defences might break. "It has to be expected that if it continues like this, then something might start to give way," he said on air on RUV. The eruption in the area of the volcanic hill Sundhnukur on the Reykjanes Peninsula began on Wednesday afternoon. Before the eruption, authorities ordered that people be evacuated from Grindavik and the Blue Lagoon geothermal spa.

ITBP personnel take part in a route march ahead of the last phase of Lok Sabha polls, in Patiala on Wednesday.

## Iran rules out sabotage explosion behind Raisi's helicopter crash

Tehran, May 30 (UNI) Iran on Wednesday ruled out the possibility of a sabotage explosion leading to the helicopter crash that resulted in the deaths of Iranian President Ebrahim Raisi and his entourage, local media reported.

The General Staff of Iran's Armed Forces released the second report on the causes of the helicopter crash on Wednesday, the official news

agency IRNA reported. The report said given the results of the tests on the helicopter's wreckage and remaining parts and the way the remains had been scattered at the scene of the incident, as well as their distance from the fuselage, the possibility of an explosion caused by an act of sabotage during the flight or moments before the chopper's crash into the mountain was dismissed.

No sign of electronic warfare was detected on the crashed helicopter, it said, adding that the weather conditions on the way back to Tabriz, the capital of East Azerbaijan province, would need further investigations. According to the report, the total weight of the passengers and equipment onboard was proportionate to the helicopter's maximum load

limit at the time of takeoff and during the flight. In addition, during the flight and until 69 seconds before the incident's occurrence, contact had been maintained with the crashed helicopter's flight crew on the specified frequencies, which dismissed the possibility of any disruption in the communication system or frequency interference.

## US concerned about Ukraine's strikes on Russia's early warning systems

Washington, May 30 (UNI) : The United States is concerned about Ukraine's attempts to strike Russia's missile early warning systems due to the risk of

Ukraine's Military Intelligence Directorate (GUR) was responsible for the strikes.

US media earlier reported that the Biden administration is considering lifting restrictions on Ukraine to strike targets on Russian territory with US-supplied weapons, despite earlier statements that it has not given such authorisation.

Russia has been conducting a special military operation in Ukraine since February 24, 2022. President Vladimir Putin has said the operation aims to "protect people subjected to genocide by the Kiev regime for eight years." According to the president, the ultimate goal of the operation is to liberate Donbas and create conditions that guarantee Russia's security.

Russia earlier sent a note to NATO because of arms supplies to Ukraine. Russian Foreign Minister Sergey Lavrov has said any cargo that contains weapons for Ukraine will become a legitimate target for Russia.

destabilising the situation, a US official told the Washington Post on condition of anonymity.

"The United States is concerned about Ukraine's recent strikes against Russian ballistic missile early-warning sites," the official said.

The US told Kiev about its concerns about two attempted attacks last week against radar stations providing conventional air defence as well as warning of Western nuclear launches.

"These sites have not been involved in supporting Russia's war against Ukraine. But they are sensitive locations because Russia could perceive that its strategic deterrent capabilities are being targeted, which could undermine Russia's ability to maintain nuclear deterrence against the United States," the US official said.

The newspaper quoted a Ukrainian official as saying

## EU leaders to strip Hungary of top jobs in commission over resisting aid to Kiev

Brussels, May 30 (UNI) : A number of EU leaders are planning to "punish" Hungary for its opposition to supporting Ukraine by barring its representatives from senior posts in the European Commission following elections in June, Politico reported on Thursday, citing three diplomats familiar with the discussions. In March, the Council of the EU raised the ceiling of the European Peace Facility funding for Ukraine by establishing the Ukraine Assistance Fund, providing an extra 5 billion euros (\$5.4 billion) in military aid to Kiev, including lethal and non-lethal military equipment and training. On Monday, Belgian Foreign Minister Hadja Lahbib said that Hungary continued to block the assistance. Hungarian Prime Minister Viktor Orban's EU counterparts intend to provide his country with a weak portfolio for his stance on aid to Kiev when the new EU Commission is elected, the diplomats said. One of them was cited as saying that there was hardly "even a question" of the country being allowed to retain control of any high positions.

## Biden admin considering allowing Ukraine to strike Russia with US weapons

Washington, May 30 (UNI) The Biden administration is considering lifting restrictions on Ukraine to strike targets on Russian territory with US-supplied weapons, despite earlier statements that it has not given such authorization, Politico reported.

Amid a worsening situation on the battlefield for Ukraine and the daily advance of Russian troops, the Biden administration is increasingly inclined to change its policy and allow Kiev to attack targets on Russian territory, the report said on Wednesday. The issue is "under consideration," while US Secretary of State Antony Blinken and White House National Security Advisor John Kirby continue to state that there have not been any changes in policy.

No decision has been made yet, and chances are that the Biden administration will continue to limit Kiev's ability to choose

targets in Russia, the report added.

According to an internal document obtained by the newspaper, Ukraine continues to insist in its communications with the United States that the US restrictions "significantly reduce the effectiveness of partners' assistance and neutralise the efforts made."

On Wednesday, 60 former US officials and scholars sent a letter to President Joe Biden demanding that he lift existing restrictions amid the deteriorating situation on the battlefield for the Ukrainians in the Kharkov (also known as Kharkiv) region.

The signatories of the letter include former US Special Representative for Ukraine Negotiations Kurt Volker; former US Army Europe Commanding General Ben Hodges; former Supreme Allied Commander Europe Philip Breedlove; and former US ambassadors to Russia and Ukraine.

## Indian boxers shine at World Olympic Qualification Tournament

Bangkok, May 30 (UNI) : Indian boxers Nishant Dev and Ankushita Boro have advanced to the quarterfinals of the World Olympic Boxing Qualification Tournament 2024, edging closer to securing spots at the Paris 2024 Olympics.

In the men's 71 kg division, Nishant triumphed over Thailand's Peerapat Yeasungnoen with a unanimous 5-0 decision, placing him just one win away from clinching an Olympic quota. In the women's 60 kg category, Ankushita, a former junior world champion, overcame Kazakhstan's Rimma Volossenko by a 4-1 split decision in her round of 16 bout. National champion Arundhati Choudhary also showcased her prowess, advancing to the quarterfinals of the women's 66 kg weight category with a decisive 5-0 victory against Puerto Rico's Stephanie Pieneiro.

### Indian boxers register convincing wins to advance

Bangkok, May 30 (UNI) India's Sachin Siwach (57kg), Sanjeet Kumar (92kg), Amit Panghal (51kg) and Jaismine (women's 57kg) took another step towards Paris Olympic qualification as they registered convincing victories over their respective opponents to advance to the next round of the Boxing World Qualifiers here in Thailand on Thursday.

Siwach started the proceedings for India with a clinical 5-0 win over Olympian Batuhan Ciftci of Turkey in the pre-quarterfinal round and Sanjeet then saw off the challenge from Luis Sanchez of Venezuela with an identical margin in the Round of 32. As per the rules, in the men's 57kg Category only three boxers will make cut for the Paris Olympic, Siwach therefore needs to win two more bouts to make the cut while Sanjeet, who got a bye in the Round of 64, will have a similar target as all four semi-finalists will qualify in his weight category. Up against an experienced boxer, Siwach came out all guns blazing in Round 1 and that strategy worked wonders for the Indian as he took control of the bout very quickly. He earned a unanimous verdict even in Round 2 and though Ciftci attempted a comeback in the third and final round, the Indian was too comfortable in the end.

The 92kg bout between Sanjeet and Sanchez followed a similar trajectory as the 2021 Asian Championship gold medallist did not allow his Venezuelan opponent to get a look in, in Round 1.

Sanchez did show some spark in Round 2 and 3 but the experienced Sanjeet kept him at bay and landed his punches on counter attacks to win easily.

Later in the day, Jaismine did not give Azerbaijan's Mahsati Hamzayeva any chance of even putting up a fight as she clinched the women's 57kg category Round of 32 bout with a 5:0 verdict.

However, Narender Berwal's journey in the men's +92 kg category came to an end following a narrow 3-2 defeat against Ecuador's Gerlon Gilmar Congo Chala.

As it stands, India has already secured three Olympic quotas through Lovlina Borgohain (women's 75 kg), Nikhat Zareen (women's 50 kg), and Preeti Pawar (women's 54 kg). However, the final decision on athletes' participation at the Paris Games will be made by the National Olympic Committees, which have the exclusive authority to select representatives for their countries. India has fielded ten boxers in total for the second World Olympic Qualifier in Bangkok, aiming to secure more Olympic berths. At this tournament, three quotas are available in the women's 60kg, men's 57kg, and men's 80 kg divisions, while the men's 63.5 kg and 71 kg divisions offer five

## Next season's Champions League special with final in Munich: Kompany

Berlin, May 30 (UNI) : An energetic aura comes with the man in the white shirt entering the podium in the Allianz Arena.

Vincent Kompany came with perfectly rolled-up sleeves, a firm look, and a touch of natural ease. His physical presence, his firm and convincing statements might have given an impression of what made him one of the World's best defenders when in the shirt of Manchester City for 11 years.

He called Pep Guardiola one of the most important coaches he has worked under. When officially presented as Bayern's new head coach equipped with a contract until 2027 this Thursday in Munich, the 38-year-old former Burnley manager admitted: "The 2024-25 Champions League season is a bit more special than others due to the final taking place in Munich. But we don't get there by talking."

After his engagements in the Belgian league Anderlecht and Burnley in the Championship and the Premier League, taking over the 2020 treble winner Bayern appears like a big step into the unknown. It grew up on the streets of Brussels, if you play football there, what we did all the time, you learn football is about winning and being consistent. That might have influenced me," the former Belgian international said. Despite he is entering a new level in his coaching life, he emphasized "I won't change and become another person."

"I have learned in my youth through my family, to always work hard. Pressure has never impressed or burdened me much. I get up in the morning with energy and optimism." It might be his

quotas each. The remaining nine categories have four quotas each. Ankushita Boro needs two more victories to secure her Olympic spot. This comes after Indian boxers were unable to secure any quotas at the first World Boxing Qualification Tournament held in Busto Arsizio, Italy, in March.

Looking ahead, Sachin Siwach (57 kg) will aim to secure his quarter-final berth on Thursday against Turkey's Batuhan Ciftci. Commonwealth Games champion Amit Panghal (51 kg), Sanjeet (92 kg), and Jaismine Lamboria (women's 57 kg) will also commence their campaigns after receiving byes in the opening round of their respective categories.

The Indian boxing contingent remains hopeful and determined to increase their representation at the Paris 2024 Olympics through strong performances in the ongoing tournament.

### Sachin, Sanjeet register clinical victories to close in on Paris berth

Bangkok, May 30 (UNI) India's Sachin Siwach (57kg) and Sanjeet Kumar (92kg) took another step towards Paris Olympic qualification as they registered convincing victories over their respective opponents to advance to the next round of the Boxing World Qualifiers here in Thailand on Thursday.

Siwach started the proceedings for India with a clinical 5-0 win over Olympian Batuhan Ciftci of Turkey in the pre-quarterfinal round and Sanjeet then saw off the challenge from Luis Sanchez of Venezuela with an identical margin in the Round of 32.

In the 57kg Category only three boxers will make cut for the Paris Olympic, Siwach therefore needs to win two more bouts to make the cut while Sanjeet, who got a bye in the Round of 64, will have a similar target as all four semi-finalists will qualify in his weight category.

Up against an experienced boxer, Siwach came out all guns blazing in Round 1 and that strategy worked wonders for the Indian as he took control of the bout very quickly. He earned a unanimous verdict even in Round 2 and though Ciftci attempted a comeback in the third and final round, the Indian was too comfortable in the end.

The 92kg bout between Sanjeet and Sanchez followed a similar trajectory as the 2021 Asian Championship gold medallist did not allow his Venezuelan opponent to get a look in, in Round 1.

Sanchez did show some spark in Round 2 and 3 but the experienced Sanjeet kept him at bay and landed his punches on counter attacks to win easily.

Later in the day, 2022 Commonwealth Games gold medallist Amit Panghal will face Mauricio Ruiz of Mexico in the 51kg second round while Jaismine will be up against Mahsati Hamzayeva of Azerbaijan in women's 57kg category.

### Cambodian PM receives call from Filipino boxing icon Pacquiao

Phnom Penh, May 30 (UNI) : Cambodian Prime Minister Hun Manet on Thursday received a courtesy call from Filipino world boxing icon and former senator Manny Pacquiao as the latter is visiting the country.

"Welcome Manny Pacquiao to Cambodia," Hun Manet wrote in a text posted on his social media, with a photograph showing him shaking hands with the boxing superstar. "His visit will contribute to the promotion of sports, tourism, and the Cambodia-Philippines relations through people-to-people connectivity," he said. Pacquiao is visiting Cambodia to support the "Hanuman Kun Khmer" kickboxing event, which will take place on Friday at the Diamond Island in the capital Phnom Penh.

## Zverev powers into French Open third round, Collins ousted

Paris, May 30 (UNI) : German tennis sensation Alexander Zverev showcased his prowess at the 2024 French Open, securing a commanding victory over David Goffin to advance to the tournament's third round here on Thursday.

After a compelling showdown with Rafael Nadal earlier in the week, Zverev demonstrated his mettle once again, defeating Goffin with a solid 7-6, 6-2, 6-2 triumph. Despite facing early pressure, Zverev maintained his composure throughout the match, showcasing his undeniable skill on the court.

With this win, Zverev notches his 90th career Grand Slam victory, with an impressive 30 of those wins achieved at the French Open. The victory serves as a testament to Zverev's determination to silence critics who have doubted his ability to claim the title, including recent remarks made by Rennae Stubbs.

Although the match saw its share of challenges, including a delay caused by a roof leak and a disagreement with the umpire, Zverev remained unfazed, ultimately dominating the court and outclassing his opponent in a brisk two hours and 23 minutes.

As Zverev's title aspirations gain momentum, other top contenders, including

### Sindhu exits Singapore Open in second round against Carolina Marin

Singapore, May 30 (UNI) : India's PV Sindhu faced a disappointing second-round exit at the Singapore Badminton Open 2024 BWF Super 750 tournament in Kallang on Thursday.

Sindhu, a two-time Olympic medallist, was defeated by Spain's world No. 3, Carolina Marin, in a nail-biting match that ended 13-21, 21-11, 22-20, lasting one hour and eight minutes.

This marks Sindhu's sixth consecutive loss to Marin, with her last victory against the Spaniard occurring in the quarterfinals of the Malaysia Open 2018. The rivalry between the two shuttlers is well-known, highlighted by their clash in the Rio 2016 Olympics final, where Marin triumphed.

Sindhu, currently ranked 12th in the world, started the match strongly, securing the first game with ease. However, Marin fought back to win the second game and eventually edged out Sindhu in the decider.

### Chhangte craving to 'assist' Chhetri to turn Kuwait tie a memorable one

Kolkata, May 30 (UNI) : When the 18-year-old Lallianuala Chhangte announced himself on the international stage in style with a brace against Nepal in the 2015 SAFF Championship, it was the start of something special.

"The first time I got called up for the national team, it was special," the winger remembered. "That is one of the days that I will always remember," Chhangte said. "The first goal I scored for India was special. Outside the box. Beating one player. That was a very beautiful goal," he said.

The road wouldn't be smooth after that, but the Mizo flash's hunger and determination helped traverse everything. Fast forward to 2024, Chhangte now has the AIFF Player of

Novak Djokovic, continue to navigate their path through the tournament. Despite improving weather conditions, the schedule remains tight, with several matches still to be played, raising the possibility of further delays and cancellations.

With Zverev's stellar performance and Djokovic's continued quest for victory, the French Open promises to deliver more thrilling tennis action in the days to come. Meanwhile, Danielle Collins, once deemed a top contender for the title, faced a stunning upset defeat at the hands of Olga Danilovic, with a final score of 6-7, 7-5, 6-4.

Collins, known for her consistent performance on the WTA Tour throughout 2024, unexpectedly fell short against the Serbian qualifier, who notably partnered with Novak Djokovic in this year's

United Cup as the top female player.

Danilovic's victory swiftly followed Djokovic's triumph on Court Philippe-Chatrier, propelling her into the third round alongside her compatriot.

Despite Collins' recent successes, including triumphs in Miami and Charleston, her decision to compete in Strasbourg last week, where she reached the final, may now be scrutinised. This defeat marks only her third loss in recent months, with previous setbacks against Aryna Sabalenka and Madison Keys, the latter occurring in Strasbourg's final. Questions arise regarding Collins' rigorous schedule leading up to the French Open, especially considering Keys' victory earlier in the day, positioning her as a potential challenger for Emma Navarro. For Collins, however, the outcome may

signal a misstep in her preparation.

Danilovic, who had previously posed challenges for Collins during her return to Madrid, emerged as a formidable opponent once again. Despite Collins' initial lead, Danilovic managed to stage a comeback, ultimately securing a remarkable victory. Her journey from qualifying to the third round, defeating a tournament favorite along the way, marks a significant milestone in her career.

The Serbian's steady progress since representing her country alongside Djokovic in the United Cup earlier in the year culminated in this career-best win, significantly impacting Collins' section of the draw. As Danilovic celebrates her triumph, Collins faces the reality of a formidable obstacle encountered on her path to French Open glory.

### Disney+ Hotstar launches 'Caught & Bold' for ICC Men's T20 WC 2024

Mumbai, May 30 (UNI) : Disney+ Hotstar is set to revolutionise cricket coverage with the launch of 'Caught & Bold', a live cricket show debuting on June 2 for the ICC Men's T20 World Cup 2024.

Featuring T20 World champions Harbhajan Singh, S. Sreesanth, Piyush Chawla, former cricketer Ambati Rayudu, and seasoned broadcaster Sanjay Manjrekar, the show promises interactive segments and humour, hosted by stand-up comics Varun Thakur and Rohan Joshi, along with content creators Ocean Sharma, Arjun Pandit, and Navneeth Krishna. Dhruv Dhawan, Head of Ads at Disney+ Hotstar, highlighted the show's aim to enhance India's cricket watching experience with engaging content that resonates with fans and advertisers. 'Caught & Bold' will offer live fan interaction, quizzes, bold predictions, and cricket analysis with entertainment.

## Western Railway' organised oral Cancer Screening camp in Association with Cancer Patients aid Association

Glimpses of the Oral Cancer Screening Camp organised by WR's Health Unit of Lower Parel.

(Standard Post Bureau)

Mumbai, May 30 : On 29th May, 2024, Western Railway's Health Unit of Lower Parel in Mumbai Central Division organised an Oral Cancer screening camp. The camp was organised in association with Cancer Patients Aid Association (CPAA). The screening camp imparted participants with key information regarding early detection of cancer through preventive check-ups, tobacco addiction, etc.

and individual screenings were carried out by a team of ENT doctors.

According to a press release issued by Mr Sumit Thakur, Chief Public Relations Officer of Western Railway, the camp was organised in the presence of Dr. Jyotsna Chopra, Chief Medical Superintendent/Mumbai Central, Dr. J.P. Rawat, Sr. Consultant/Jagjivan Ram Hospital, Mumbai Central, Ms. Neeta More, Executive Director of CPAA and Ms.

Varsha Usgaonkar who is a renowned actress & active volunteer with CPAA. While addressing the participants, Dr. Jyotsna Chopra stressed the importance of early detection of cancer by preventive check-ups and emphasized on "Prevention is better than Cure". Dr. J.P. Rawat motivated people for breaking the habit of addiction. He shared his own experience of how he helped the patients at Prayagraj Railway hospital

to overcome the addiction of tobacco chewing and cigarette smoking by creating health awareness among them. Executive Director of CPAA, Ms. Neeta More informed the audience about the objectives of CPAA and the work done for cancer patients like screening, guidance during treatment, and help for accommodation during treatment and rehabilitation emphasizing its philosophy of 'Total Management of Cancer'. Renowned

Marathi actress Ms. Varsha Usgaonkar has been associated with CPAA for the last 30 years. She told the participants to pay attention to their diet as unhealthy diet leads to illness. She insisted on being aware and get early check-up for detection of cancer at early stage. She also stressed the importance of involvement of family and realising that the illness like cancer is self-made due to wrong habits. Mr Thakur added

that a team of ENT doctors examined the attendees and counselled them regarding healthy lifestyle. Brochures were distributed regarding diet in cancer and tobacco free life style. A total of 112 individuals were screened which included employees, family members and contract staff and porters. Two persons were advised to get a biopsy; besides this 29 cases of Leukoplakia and Erythroplakia were also detected and the participants were advised for follow up.

## CR provides Traction Distribution staff with Dielectric Shoes as safety measure to avoid incidents of electric shocks during work

(Standard Post Bureau)

Mumbai, May 30 : This is the first of its kind to be introduced on Indian Railways Central Railway has pioneered in providing its Traction Distribution Department (TRD) workmen team working on Over Head Equipment, Power Supply Installations, Substation Installations and other major electric works with Special Dielectric shoes as safety measure to avoid incidents of electric shocks during work. This is the first of its kind on Indian Railways and Central Railway has the distinction of being the First Zonal Railway to provide these Special Dielectric shoes to its staff.

Dielectric Shoes are essential safety equipment for technicians working near live electrical equipment, including those working underground or on overhead lines. Central Railway has procured these special shoes from Malaysia. "The Class-3 model of Dielectric Shoes provide protection upto 33KV electric current and cost Rs.20,000/- + taxes whereas the Class-2 model provides protection upto 17KV electric current and cost Rs.10,000/- + taxes."

## International conference on Steel focus on Capital good organized in Ranchi

(Standard Post Bureau)

New Delhi, May 30 : MECON Limited along with SAIL, under the aegis of the Ministry of Steel, Government of India is organizing a two days International Conference on Steel (ICONS-2024): Focus on Capital Goods on 30th & 31st May 2024 at Ranchi. The objective of the conference is to bring together the brightest minds and leading stakeholders from across the steel industry, including technology providers, steel producers, manufacturers, academia and more to foster new partnerships, explore innovative solutions and to drive forward the future of steel industry.

Shri Sanjay Kumar Verma, CMD-MECON

welcomed all the dignitaries and set the context of the conference. The inaugural session of the Conference was attended by Shri Nagendra Nath Sinha-Secretary-Ministry of Steel, GoI, Ms. Sukriti Likhni-Additional Secretary & Financial Advisor, MoS, Shri Abhijit Narendra-Joint Secretary MoS, Dr. Sanjay Roy-Jt. Secretary, MoS, Shri Amitava Mukherjee, CMD-NMDC, Shri Ajit Kumar Saxena, CMD-MOIL, Shri Sanjay Kumar Verma, CMD& Director commercial Addl charge-MECON and Shri Amarendu Prakash-Chairman-SAIL. Some dignitaries also joined virtually through video conference. CMD-SAIL, CMD-MOIL and CMD-NMDC addressed the

gathering. In the special address, Shri Nagendra Nath Sinha, Secretary-MoS, GoI said that today meticulous project planning and timely execution has become one of the biggest challenges for the steel projects being set up in India. He stressed on the need to find out innovative ways of timely executing our projects for keeping steel projects healthy and for their long-term sustainability. He also emphasized on new ways of working, new ideas, new talents need to be inducted to revive Heavy industry sector. Shri Abhijit Narendra, Joint Secretary-MoS, GoI said that although we are second in steel production, but we have limitations in making machineries for steel

industry. He stressed on to create an Ecosystem containing all the stakeholders. CMD-NMDC mentioned that India is the 5th largest Economy, we are the most young and vibrant nation. India is basically service sector-based nation. Manufacturing sector needs to grow substantially and areas should be identified categorically. Constant interaction is needed between technology provider and technology buyer to educate each other on the possibilities and requirement of the future. CMD-MOIL said that capital goods sector is very strategic part of economy. Capital goods sector is considered as mother of manufacturing sector.

## Potable water use banned at construction sites and car washing centres: Atishi

New Delhi, May 30 (UNI) Delhi government on Thursday imposed a ban on usage of potable water at construction sites, car washing and repairing centres stating that these establishments will be sealed if found violating the ban.

Addressing the media, Delhi cabinet minister Atishi said, "We are forming 200 enforcement teams of Delhi Jal Board which will check that no borewell is damaged or clogged.

The use of potable water is banned on construction sites and if any construction site is found doing so, that site will be sealed by MCD.

"Delhi government is taking one more emergency measure to prevent water shortage in the national capital. There are many car repair and car washing centres that are using potable water... Delhi Jal Board's drinking water. We are banning the use of drinking water by the Delhi Jal Board from being used in car washing and repair centres," Atishi said.

## Prajwal Revanna has been served show cause notice

New Delhi, May 30 (UNI) : The Ministry of External Affairs said on Thursday that suspended Janata Dal-Secular MP Prajwal Revanna, who is accused of sexual assault, was served a show cause notice for revocation of his diplomatic passport on May 23 and has to respond within 10 days.

MEA spokesperson Randhir Jaiswal, answering queries at his media briefing, said

that the ministry received a request from the Karnataka government on May 21 for revocation of Revanna's passport.

"We received a request from the Karnataka government on May 21. On May 23, as per the Indian Passport Act, we initiated action for cancellation of the (diplomatic) passport of the Member of Parliament," Jaiswal said.

MEGH MAYUR INFRA LIMITED (Formerly known as Poddar Infrastructure Limited, there before known as Transoceanic Properties Limited) Regd. Office: MHB-11/A-302, Sarvodaya Co-Operative Housing Society Ltd., Near Bhavishya Nidhi Building, Service Road, Khernagar, Bandra (E), Mumbai - 400051

आर्थिक वर्ष २०२४-२५ मध्ये भारताचा जीडीपी ७ टक्के दराने वाढणार; आरबीआयचा दावा

नवी दिल्ली, दि. ३० (वृत्तसंस्था) : लोकसभा निवडणुकीच्या पार्श्वभूमीवर भारतासाठी एक दिलासादायक बातमी आहे. रिझर्व्ह बँक ऑफ इंडियाचे चालू आर्थिक वर्ष २०२४-२५ मध्ये भारतीयअर्थव्यवस्था ७ टक्के दराने वाढण्याचा अंदाज व्यक्त केला आहे. RBI ने आज आपल्या वार्षिक अहवालात म्हटले की, २०२३-२४ या आर्थिक वर्षात भारतीय अर्थव्यवस्थेने आढावे असतानाही लवचिकता दाखवली. प्रतिकूल परिस्थिती असूनही, सरकारी गुंतवणूक आणि कॅंज्यूरमर ऑप्टिमाइझममुळे आउटलुक पॉझिटिव्ह बनला आहे. आर्थिक वर्ष २०२३-२४ (एप्रिल २०२३ते मार्च २०२४) मध्ये

भारतीय अर्थव्यवस्था मजबूत गतीने वाढली, त्यामुळे GDP वाढीचा दर ७.६ टक्क्यांनी वाढला आहे. २०२२-२३मध्ये हा ७.० टक्के होता. विशेष म्हणजे, सलग तिसऱ्या वर्षी हा सात टक्के किंवा त्याहून अधिक राहिला आहे. आरबीआयने म्हटले की, "२०२४-२५ साठी जीडीपी वाढीचा दर

७.० टक्के असण्याचा अंदाज आहे. यातील जोखीम दोन्ही बाजूंनी समान प्रमाणात संतुलित असेल." २०२३-२४ या आर्थिक वर्षातील खरीप आणि रब्बी, या दोन्ही हंगामात किमान आधारभूत किंमत (MSP) ने सर्व पिकांच्या उत्पादन खर्चावर किमान ५० टक्के नफा निश्चित केला आहे. आरबीआयच्या वार्षिक अहवालात असे म्हटले आहे की, ३१ मार्च २०२४ पर्यंत अन्नधान्याचा एकूण सार्वजनिक साठा हा एकूण तिमाही स्टोरेज मानकाच्या २.९ पट होता. २०२३-२४ या आर्थिक वर्षात खरीप पिकांसाठी MSP मध्ये ५.३-९.०४ टक्के आणि रब्बी पिकांसाठी २.०-७.१ टक्के वाढ करण्यात आली आहे.
