Dear Sir/Madam,

This is with reference to your email as referred above, seeking clarification on the movement in volume of equity shares of Marico Limited (“**Company**”).

In this regard, we wish to inform that in accordance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“**SEBI Listing Regulations**”), the Company has been regularly and promptly disseminating to the stock exchanges all material events, information, etc. that may have a bearing on the operations/performance of the Company. Furthermore, the Company has submitted its audited standalone and consolidated financial results for FY 2023-24 on May 6, 2024, pursuant to its adoption by the Board of Directors at its meeting held on the same day.

The increase in movement in volume of Company’s equity shares is due to market conditions and is purely market driven. In the event there is any material event/information that requires intimation under the SEBI Listing Regulations, the Company will continue to make necessary disclosures in accordance with regulatory provisions.

We request you to take the above clarification on records.

Thank you.

Yours faithfully,
