PATHWAYS TO PROGRESS

KOLKATA OFFICE HIGHLIGHTS

We're excited to announce our **new Kolkata office**, strategically positioned to strengthen our reach and service offerings in Eastern India. Key benefits include:

Gateway to Emerging Markets

Kolkata opens doors to Eastern India and neighbouring regions, allowing us to tap into a growing demand for MICE services and connect with new client sectors.

Strategic Growth Milestone

This expansion aligns with our long-term strategy to establish a pan-India presence, marking a crucial step toward nationwide growth and leadership in MICE services.

Closer to Key Clients

A local presence lets us offer faster, more personalized services, deepening our relationships and understanding of regional business practices.

Skilled Talent Pool

Kolkata's rich talent pool, skilled in event planning, technical support, and client relations, enables us to provide high-quality, region-specific service.

Cost-Effective Operations

The Kolkata base lowers event logistics costs, streamlines local supply chains, and reduces overhead, ensuring efficient, economical service delivery.

Enhanced Brand Visibility

Expanding into Kolkata elevates our brand presence in Eastern India, reinforcing our position as a leader in MICE services across the nation.

NEW MANAGERIAL PERSONNEL

As part of our new expansion strategy, we have appointed new managerial personnel in Kolkata.

Designation: Vice President (Sales)

With nearly 25 years of experience in Marketing, Corporate & Channel Sales, Business Development, Team Management, Revenue Generation, Branch Operations, Relationship Building, Brand Promotion, Coordination, and Training, with extensive expertise in the Tourism sector.

MICE INDUSTRY OVERVIEW

The MICE (Meetings, Incentives, Conferences, and Exhibitions) industry is experiencing robust growth, with a market valuation of approximately \$904.30 billion in 2023 and projections to reach around \$1.93 trillion by 2032, reflecting a compound annual growth rate (CAGR) of about 8.99%. This growth is driven by factors such as globalization, technological advancements in event management, and increased corporate investment in face-to-face interactions, which are essential for networking and relationship-building.

Despite its positive trajectory, the MICE industry faces challenges including high operational costs and geopolitical uncertainties that can impact international travel and participation. The competitive landscape is dynamic, with companies focusing on strategic partnerships and innovative solutions to enhance their service offerings. As businesses continue to prioritize collaboration and knowledge exchange, the demand for MICE services is expected to expand significantly in the coming years.

FINANCIAL ANALYSIS

Revenue from Operations

Increased from ₹7,091.16 lacs in H1-24 to ₹11,930.45 lacs in H1-25, marking a 68% Half year-over-Half year (HOH) growth. This surge indicates strong sales growth, due to higher demand and expanded market reach.

Reserves

There is a significant increase in reserves from ₹3,070.12 lacs to ₹7,614.64 lacs, indicating retained earnings or possibly profit accumulation over the period. This sharp increase in reserves contributes positively to the company's financial health and increases total shareholders' funds.

Borrowings

Borrowings have slightly decreased from ₹1,233.08 lacs to ₹1,220.1 lacs, suggesting a reduction in debt, albeit minor. This may indicate efforts to improve the company's leverage position.

EBITDA and EBITDA Margin

EBITDA nearly doubled, from ₹651.51 lacs in H1-24 to ₹1,262.28 lacs in H1-25, showing a 94% growth. The EBITDA margin improved from 9% to 11%, indicating better operational efficiency.

PAT and PAT Margin

PAT (Profit After Tax) almost doubled, growing by 96% from ₹434.35 lacs to ₹853.26 lacs. The PAT margin improved from 6% to 7%, showcasing improved net profitability.

Earnings Per Share (EPS)

EPS rose from 2.31 to 4.48, reflecting a 94% improvement, signaling value creation for shareholders.

Total Assets

Total assets rose from ₹10,128.06 lacs to ₹13,545.04 lacs. The increase suggests growth in the asset base, which can provide more resources for revenue generation in the future.
