CHAIRMAN'S MESSAGE

Anil Kumar Monga, Chairman & Managing Director

Dear Shareholders, Ladies & Gentlemen,

Warm greetings from Emmsons Group!

I am delighted to extend a heartfelt welcome to each one of you at the 30th Annual General Meeting of your Company. Even in this virtual setting, your presence is a privilege and a testament to our strong bond. Thank you for your unwavering trust, encouragement, and consistent support towards the Company and its Management.

The dedication and teamwork displayed by our talented professionals inspire me with confidence and assurance, despite hardships our recent past. Our path to a bright and prosperous future is well-lit by the milestones set by your Company.

As we come together at this juncture, it's a moment to celebrate our shared accomplishments. Your commitment and belief in the Company's vision have played a pivotal role in our success. Your support fuels our drive to excel further and embrace the opportunities that lie ahead.

Let us continue to push boundaries, embrace innovation, and maintain the spirit of unity that defines us. Each success story we create is a testament to our collective efforts, and I am confident that our journey ahead will be even more remarkable.

I extend my best wishes to each one of you and your families. May you all continue to thrive and find happiness in every endeavour.

Thank you for being an integral part of the Emmsons Group.

Warm regards,

Sd/-

NOTES:

1. Pursuant to the General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, followed by General Circular Nos. 20/2020 dated May 5, 2020, and subsequent circulars issued in this regard, latest being the General Circular No. 10/2022 dated December 28, 2022, issued by the Ministry of Corporate Affairs (MCA) and Circulars dated May 12, 2020, January 15, 2021, May 13, 2022 and January 5, 2023 issued by SEBI (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold AGM through VC, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC. The proceedings of the 30th AGM will be deemed to be conducted at the Registered Office of the Company situated at Flat No. 301, Plot No. 12 Zamrudpur Community Centre, Kailash Colony Delhi - 110048.
2. An Explanatory Statement under Section 102(1) of the Companies Act, 2013, in respect of the Special Business to be transacted at the meeting is annexed to this notice.
3. Pursuant to Regulation 36(3) of the SEBI (LODR) Regulations, 2015, the information about the Directors proposed to be appointed /re- appointed is appended as Annexure to the notice.

4. In terms of the MCA circulars, physical attendance of the members at the AGM and appointment of proxies has been dispensed with. Accordingly the attendance slip, Proxy Form and Route Map are not annexed to this notice. However in pursuance of Section 112 and 113 of the Act, representatives of the corporate members may be appointed for the purpose of casting vote through remote e-voting prior to the AGM, participation in the AGM through VC/OAVM facility and for electronic voting during the AGM.
5. Corporate members intending to authorise their representatives pursuant to Section 113 of the Act to participate in the Meeting and cast their votes through e-voting, are requested to send certified copy of the Board / governing body resolution / authorisation, etc. authorising their representatives to attend and vote on their behalf by email to bhalendra.singh@emmsons.com
6. Pursuant to the aforesaid MCA Circulars, Attendance of the members participating in the AGM through VC/OAVM facility shall be counted for the purpose of reckoning the quorum under section 103 of the Act.
7. The Company has engaged [LINKINTIME](#) to provide the facility for voting through remote e-voting, for participation in the 30th AGM through VC facility and e-voting during 30th AGM.
8. In line with the MCA circulars and SEBI Circulars referred above, the notice of the 30th AGM along with annual report is being sent by e-mail to all the members, whose email IDs are registered with the Company. The said documents are available on the website of the Company at www.emmsons.com and on the website of the BSE Limited at www.bseindia.com and also on the website of the Link Intime India Private Limited ("LIPL") at www.linkintime.co.in.
9. The Company has published advertisements in newspaper to encourage shareholders, holding shares in physical and electronic form, to register/update their email ids for receiving the Annual Report of the Company for the financial year 2022-23.
10. Those shareholders who have still not been able to update their email IDs, may follow the process for registration of email IDs and procuring User IDs and Password for e-voting, on the resolution set out in the notice:-
 - o In case shares are held in demat mode, please sent an email to enotices@linkintime.co.in quoting DP Client Id (16 digit DP Id+ Client ID or 16 digits beneficiary ID), Name of the holder(s), scanned copy of client master list/demat account statement, PAN Card and Aadhar Card.

INDEPENDENT AUDITOR'S REPORT

**To the Members of Emmsons International Limited
Report on the Standalone Ind AS Financial Statements****Qualified Opinion**

We have audited the accompanying standalone financial statements of "Emmsons International Limited" (the "Company"), which comprise the Balance sheet as at March 31, 2023, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the 'Basis for Qualified Opinion' section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion**Material Uncertainty Related To Going Concern**

"We draw the attention of the accompanying Statement which indicated that the Company has incurred a loss for the year ended 31 March 2023 of Rs.17599.15 lacs and as of that date, the Company's accumulated losses amounts to Rs. 216118.43 lacs which have resulted in substantial erosion of net worth of the Company and the current liabilities have exceeded its current assets as at 31, March 2023. We further draw attention that the Company has continued to default in repayment of principal and interest in respect of its borrowings. The above factors, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern."

However, for the reasons more fully described in Note 36 (c) to the standalone financial statements, the accounts of the Company have been prepared as a Going Concern.

Our conclusion is modified in respect of this matter.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Standalone financial statements.

- We draw attention to Note No. 36 (C) to the Standalone financial statements, wherein the Company has an outstanding obligation to lenders, and the accompanying Statement which in indicated that the Company has incurred a net loss for the year ended 31 March 2023 of Rs.17599.15 lacs and as of that date, the Company's accumulated losses amounts to Rs. 216118.43 lacs which have resulted in substantial erosion of net worth of the Company and the current liabilities have exceeded its current assets as at 31, March 2023. The above factors, on the operations of the company, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern."

However, for the reasons more fully described in Note 36 (c) to the financial statements, the accounts of the Company have been prepared as a Going Concern.

- We also draw attention to the fact that the net worth of the company is fully eroded and accumulated losses have exceeded the equity share capital by Rs. 214918.82 lacs

Emphasis of Matter

We draw attention to the following matters in the standalone Ind AS financial statements:

1. The Company has accumulated losses of Rs. 216118.43 lacs and its net worth has been fully eroded, the company has incurred a net loss during the current year and previous year and, the company's current liabilities exceeded its current assets as at balance sheet date.
2. The Company's bank accounts were declared Non-Performing Assets (NPA) in the years 2014 & year 2015 and no settlement has been made till reporting date. During the year provision for Interest amounting Rs. 17420.00 lacs at the prevailing interest rates have been made in books and total bank borrowings outstanding as at reporting date is Rs. 210944.19 lacs. However, no documents or bank statements were provided to confirm the above balances.
3. Sundry creditors shown under non-current liabilities Rs 2944.55 lacs are pending for payment and outstanding for more than three years. The amount payable is subject to confirmation, reconciliation, and adjustment, if any, in the books of accounts, consequential impact on loss and liabilities of the company due to adjustment is unascertained.
4. Non-Current Investments of Rs 882.02 lacs includes investments made in unquoted Equity shares and share application money in its loss-making foreign subsidiary companies. The impact thereof on value of investments is unascertainable.

Our opinion is not modified in respect of this matter.

Information Other than the Standalone Ind AS financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Ind AS Financial Statement

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will

always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

- e) On the basis of the written representations received from the directors as of March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the Internal Financial Control with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) In our opinion the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) In our opinion, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x) (a) The Company not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
- (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year and provided to us, when performing our audit.
- xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii) According to the information and explanations given to us and on the basis of our examination of the records of the company, in our opinion, the company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports issued to the Company during the year and covering the period up to 31 March 2023 for the period under audit.

- xv) According to the information and explanations given to us and on the basis of our examination of the records of the company, in our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b), (c) and (d) of the Order is not applicable.
- xvii) According to the information and explanations given to us and on the basis of our examination of the records of the company, in our opinion, the company has incurred cash losses during the financial year amounting to Rs.17589.19 Lacs covered by our audit and Rs. 14815.54 Lacs in the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors of the Company during the year. Hence, reporting under clause (xviii) of the Order is not applicable.
- xix) According to the information and explanations given to us and on the basis of our examination of the records of the company, in our opinion, on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx) The Company is not required to spend any amount towards Corporate Social Responsibility under section 135 of the Companies Act during the period under audit and hence reporting under clause (xx) of the Order is not applicable.

Annexure -B to the Independent Auditor's Report of even date on the Standalone Ind AS financial statements of Emmsons International Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **Emmsons International Limited** ("the company") as of March 31, 2023, in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS**COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES****1 Company Overview**

Emmsons International Limited is a public limited company incorporated and domiciled in India and its shares are publicly traded on the Bombay Stock Exchange ('BSE'), in India. The registered & Administration office of the company is situated at Flat No. 301 Plot No. 12, Zamrudpur Community Centre, Zamrudpur, New Delhi-110048 India.

2 Significant accounting policies**2.1 Basis of preparation**

The financial statements have been prepared in accordance with Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter, prescribed under Section 133 of the Companies Act, 2013 ("Ind AS").

2.2 Basis of measurement

The financial statements are prepared on Historical Cost basis except for certain financial assets and liabilities that are measured at fair value (Refer accounting policy regarding Financial Instruments). The accounting policies not specifically referred to otherwise, are consistent and in consonance with generally accepted accounting principles. All income and expenditure are being accounted for on accrual basis.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2.3 Functional and Presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lakhs (upto two decimals), except as stated otherwise.

2.4 Use of Estimates

In preparing Company's financial statements in conformity with accounting principles generally accepted in India, management is required to make estimates and assumptions that affect the reported amount of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognized in the period in which the same is determined.

2.5 Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- Expected to be settled in normal operating cycle;
- Due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.6 Property Plant & Equipment**i) Initial recognition and measurement**

An item of property, plant and equipments recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Items of Property, Plant and Equipment are measured at cost less accumulated depreciation/ amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management. When parts of an item of property, plant and equipment have different useful lives, they are recognized separately.

Property, Plant and Equipments which are not ready for intended use as on the date of Balance Sheet are disclosed as 'Capital Work-In-Progress'.

ii) Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably. The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in profit or loss as incurred.

iii) Derecognition

Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

iv) Depreciation/amortization

Depreciation is recognized in profit or loss on a straight line method over the estimated useful life of each item of Property, Plant and Equipment.

Depreciation on additions to/deductions from property, plant and equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Depreciation on property, plant and equipment is provided on their estimated useful life as prescribed by Schedule II of Companies Act, 2013 as follows:

1) Buildings	60 years
2) Plant & Machinery	15 years
3) Furniture & Fixtures	10 years
4) Vehicles	08 years
5) Office Equipments	05 years
6) Generator	15 years
7) Computer	03 years

2.7 Capital work-in-progress

The cost of self-constructed assets includes the cost of materials & direct labour, borrowing costs, any other costs directly attributable to bring the assets to the location and condition necessary for it to be capable of operating in the manner intended by management.

2.8 Intangible assets

i) Initial recognition and measurement

An intangible asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and the cost of the asset can be measured reliably.

Intangible assets that are acquired by the Company, which have finite useful lives, are recognized at cost. Subsequent measurement is done at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

Expenditure on development activities is capitalized only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Company intends to and has sufficient resources to complete development and to use or sell the asset.

Expenditure incurred which are eligible for capitalizations under intangible assets are carried as intangible assets under development till they are ready for their intended use.

ii) Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

iii) Derecognition

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized in the statement of profit and loss.

iv) Amortization

Intangible assets having definite life are amortized on straight line method in their useful life of 5 year

2.9 Investment Property

Investment properties are measured at cost less accumulated depreciation and impairment losses, if any. Depreciation on building is provided over the estimated useful lives as specified in Schedule II to the Companies Act, 2013. The residual values, useful lives and depreciation method of investment properties are reviewed, and adjusted on prospective basis as appropriate, at each financial year end. The effects of any revision are included in the statement of profit and loss when the changes arise.

2.10 Inventories

Inventories of Finished goods are valued at the lower of cost and net realisable value on FIFO basis.

Costs incurred in bringing each product to its present location is included in cost in valuation of inventories.

2.11 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and cash on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

2.12 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Financial assets:

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

a) Initial recognition and measurement

All financial assets are recognized initially at fair value. In the case of financial assets not recorded at fair value through profit or loss.

b) Subsequent measurement

Financial assets are subsequently classified and measured at:

- Financial assets at amortised cost
- Financial assets at fair value through profit and loss (FVTPL)
- Financial assets at fair value through other comprehensive income (FVOCI).

c) Equity Instruments:

All investments in equity instruments in entities other than subsidiaries are measured at fair value. For all other equity instruments, the Company decides to classify the same either at FVTOCI or FVTPL. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable. Investment in Equity shares of subsidiaries and associates are valued at cost

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instruments, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment as the company transfers cumulative gain or loss within the equity.

Equity instruments if classified as FVTPL category are measured at fair value with all changes recognized in the profit and loss.

d) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The Company has transferred its contractual rights to receive cash flows from the asset.

e) Impairment of Financial Asset

Expected credit losses are recognized for all financial assets subsequent to initial recognition in Statement of Profit.

For recognition of impairment loss on financial assets other than Trade receivables, the company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide impairment loss. However, if credit risk is increased significantly, lifetime ECL is used.

If, in a subsequent period, credit quality of the instrument improves to such extent that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12- Month ECL.

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

ii) Financial liabilities**a) Initial recognition and measurement**

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

b) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. Amortized cost is calculated by taking into account any discount or premium on acquisition and any material transaction that are any integral part of the EIR. Trade and other payables maturing within one year from the balance sheet date are carried at transaction value, the carrying amounts approximate fair value due to the short maturity of these instruments. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

c) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

2.13 Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or Indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

2.14 Impairment of Non-Financial Assets

The Company, in accordance with the Indian Accounting Standard (Ind AS) 36 “Impairment of Assets” , has adopted the practice of assessing at each Balance Sheet date whether there is any Indication that an asset may be impaired. If any such Indication exists, then the company provides for the loss for impairment of Assets after estimating the recoverable amount of the assets.

2.15 Provisions, Contingent Liabilities and Contingent Assets

Provision are measured at the Present value of the management’s best estimate of the expenditure required to settle the present obligation at the end of reporting period. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

Contingent liabilities are disclosed only when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which is not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or estimate of the amount cannot be measured reliably. No contingent asset is recognized but disclosed by way of notes to accounts only when its recognition is virtually certain.

2.16 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and it is probable that future economic benefits will flow to the entity. Amount of sales are recorded net of goods and service tax, sale returns , trade allowances and discounts but inclusive of excise duty. Revenue from sale of products is recognized when the significant risks and rewards of ownership of the products have been transferred to the buyer, and the amount of revenue can be measured reliably.

Export benefits are recognised on accrual basis.

Dividend income is recognized when the right to receive the income is established.

Interest income is recognised, when no significant uncertainty as to measurability or collectblitiy exists, on a time proportion basis taking into account the amount outstanding and the applicable interest rate , using the effective interest rate method (EIR).

2.17 Foreign Currency Conversions/Transactions

Foreign Currency Transactions are recorded at the exchange rates prevailing on the date of the transactions. Gains and losses arising out of subsequent fluctuations are accounted for on actual payments or realisations as the case may be. Monetary assets and liabilities denominated in foreign currency as on Balance Sheet date are translated into functional currency at the exchange rates prevailing on that date and Exchange differences arising out of such conversion are recognised in the Statement of Profit and Loss.

2.18 Income Taxes

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to any business combination or to an item which is recognised directly in equity or in other comprehensive income.

a) Current Tax

Current Tax is the amount of tax payable on the estimated taxable income for the current year as per the provisions of Income Tax Act,1961.

b) Deferred Tax

Deferred tax is recognised for temporary differences.However, Deferred Tax Assets is recognised to the extent that, it is probable that taxable income will be available against which the same can

be realised. Deferred tax assets are reviewed at each Balance Sheet date and are written-down or written-up to reflect the amount that is reasonably certain (as the case may be) to be realized.

c) Minimum Alternate Tax (MAT)

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax for the year. The deferred tax asset is recognised for MAT credit available only to the extent that it is probable that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset, it is created by way of credit to the statement of profit and loss and shown as part of deferred tax asset. The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.

2.19 Employee Benefits

i) Short Term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present, legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Post-Employment benefits

Employee benefit that are payable after the completion of employment are Post-Employment Benefit (other than termination benefit). Company has identified two types of post employment benefits.

a) Defined contribution plans

Defined contribution plans are those plans in which the company pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Employee State Insurance are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation beyond the monthly contributions and are recognised as an expenses in Statement of Profit & Loss.

b) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Company pays Gratuity as per provisions of the Gratuity Act, 1972. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit to employees is discounted to determine its present value.

The calculation is performed annually by a qualified actuary using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Any actuarial gains or losses pertaining to components of re-measurements of net defined benefit liability/(asset) are recognized in OCI in the period in which they arise.

2.20 Borrowing Cost

General and Specific Borrowing Cost that are directly attributable to the acquisition or construction or production of qualifying assets are capitalized as part of the cost of such assets upto the date when such assets are ready for intended use. Qualified assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are charged as expenses in the year in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalisation.

2.21 Earning Per Share

Basic Earning Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

2.22 Statement of Cash Flows

Statement of cash flows is prepared in accordance with the Indirect method prescribed in Ind AS-7 'Statement of cash flows.

37 Financial risk management objectives and policies

Financial Risk Management Framework

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Credit Risk

Credit risk is a risk that counterparty will not meet its obligations under a financial assets leading into a financial loss. Credit risk includes direct risk of default and risk of deterioration of creditworthiness. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted. Financial assets consist of trade receivables, investments, loans, cash and cash equivalents, bank deposits and other financial assets.

Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The Company has currently been facing difficult liquidity position for reasons beyond its control. Efforts are being made improve the liquidity which will enable it to manages the future liquidity risk by maintaining adequate resources by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of interest rate risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. As the Company's debt obligation with floating interest rates are in INR which is subject to insignificant change, exposure to the risk of changes in market interest rates are substantially independent of changes in market interest rates.

38 Capital Management

The company's policy is to maintain an adequate capital base so as to maintain creditor and market confidence and to sustain future development. Capital includes issued capital, share premium and all other equity reserves attributable to equity holders. The primary objective of the Company's capital management is to maintain an optimal structure so as to maximise the shareholder's value. In order to strengthen the capital base, the company may use appropriate means to enhance or reduce capital, as the case may be.

The Company manages its capital structure in consideration to the changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by Equity plus net debt. Net debt consists of borrowings including interest accrued on borrowings, trade and other payables, less cash and short-term deposits.

(Rs. In Lacs)

Particulars	As at March 31, 2023	As at March 31, 2022

INDEPENDENT AUDITOR'S REPORT

To
The Members of Emmsons International Limited
Report on the Audit of the Consolidated Ind AS Financial Report

Qualified Opinion

We have audited the accompanying consolidated financial statements of Emmsons International Limited (hereinafter referred to as the "Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as the "Group") comprising of the consolidated Balance sheet as at March 31, 2023, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us except for the effects of the matters described in the 'Basis for Qualified Opinion' section of our report and on the other financial information of the subsidiaries, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2023, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

The basis for Qualified Opinion**Material Uncertainty Related to Going Concern**

"We draw the attention of the accompanying Statement which indicated that the Group has incurred a net loss for the year ended 31 March 2023 of Rs. 20818.90 lacs and as of that date, the Company's accumulated losses amounts to Rs 241436.88 lacs which have resulted in substantial erosion of net worth of the Group and the current liabilities have exceeded its current assets as at 31, March 2023. We further draw attention that the Group has continued to default in repayment of principal and interest in respect of its borrowings. The above factors indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern."

However, for the reasons more fully described in Note 40(c) to the standalone financial statements, the accounts of the Company have been prepared as a Going Concern.

Our conclusion is modified in respect of this matter.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance With these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

- We draw attention to Note No. 40 (C) to the consolidated financial statements, wherein the Group has an outstanding obligation to lenders, and the accompanying Statement which indicated that the Group has incurred a net loss for the year ended 31 March 2023 of Rs. 20818.90 lacs and as of that date, the Company's accumulated losses amounts to Rs 241436.88 lacs which have resulted in substantial erosion of net worth of the Company and the current liabilities have exceeded its current assets as at 31, March 2023. We further draw attention that the Group has continued to default in repayment of principal and interest in respect of its borrowings. The Bank accounts of Emmsons International Limited and Emmsons Gulf DMCC, Dubai has been declared NPA (Non-Performing Assets) by the respective Banks as both the companies are in default of payment of Principal and interest to their Bank. The above factors, on the operations of the company, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern." However, for the reasons more fully described in Note 40 (c) to the financial statements, the accounts of the Company have been prepared as a Going Concern.
- We also draw attention to the fact that the net worth of the company is fully eroded and accumulated losses have exceeded the equity share capital by Rs. 240237.28 lacs

Emphasis of Matter

1. The Company has accumulated losses of Rs 241436.88 lacs and its net worth has been fully eroded, the company has incurred net losses during the current year and previous year and, the company's current liabilities exceeded its current assets as at balance sheet date.
2. The Company's bank accounts were declared Non-Performing Assets (NPA) in the year 2014 and 2015 and no settlement has been made till reporting date. During the year provision for Interest amounting to Rs. 17420.00 lacs have been made in books and total bank borrowings outstanding as at reporting date is Rs. 280527.37 lacs. However, no documents or bank statements were provided to confirm the above balances.
3. Sundry creditors shown under non-current liabilities Rs 516.27 lacs are pending for payment and outstanding for more than three years. The amount payable is subject to confirmation, reconciliation, and adjustment, if any, in the books of accounts, consequential impact on loss and liabilities of the company due to adjustment is unascertained.
4. We also draw attention to the fact that the net worth of the company is fully eroded and accumulated losses has exceeded the equity share capital by Rs. 240237.28 lacs.

Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial

statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for the safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

The parent Company has consolidated financial Statements as per Indian Accounting Standard (Ind AS) 110 "Consolidated Financial Statements" prescribed under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with section 133 of Companies Act, 2013 by incorporating Financials of its two Subsidiary Company Namely Emmsons Gulf DMCC, Dubai and Emmsons S.A., Switzerland. The Group has defaulted in payment of interest and repayment of loans to its bankers and all accounts of the company and its subsidiaries have been classified as Non-Performing Assets (NPA). Both the subsidiary companies have represented that the companies have not made any financial transactions during the F.Y. 2022-2023 and have further represented that for deep financial crunch no staff was employed by them to prepare year ending financial statement. It has also been represented by the Board that financial statements as on 31-03-2023 may be read with the same figures as appearing in the Audited financial statement as on 31-03-2018. In the absence of audited financial statement the Board has assumed the figures of financial statement 31-03-2018 as the results for 31-03-2023 also and have made consolidated financial statement as per Indian Accounting Standard (Ind AS) 110.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is

sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or Conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which are to be audited by other auditors, such other auditors remain responsible for the direction, supervision, and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2023, and are therefore the key audit matters. We law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of certain subsidiaries whose financial statements, before consolidation adjustments, reflect the group's share of total assets / (-Negative assets) of Rs. (-47196.33) Lacs as of March 31, 2023, the group's share of total revenues of Rs. NIL, Group's share of total net Profit (loss) of Rs. (-3219.75) and net cash outflows amounting to Rs. 163.10 Lacs for the year ended March 31, 2023, as considered in the consolidated financial statements. These financial statements have been furnished to us by the Management. Our opinion on the

consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of such other auditors. Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.;
- (b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;

Independent Auditor's Report

Annexure 1 to the Independent Auditor's Report of even date on the Consolidated Financial Statements of Emmsons International Limited,

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Emmsons International Limited as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of Emmsons International Limited (hereinafter referred to as the "Holding Company") as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting With Reference to these Consolidated Financial Statements

A company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes

those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting With Reference to these Consolidated Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company have, maintained in all material respects, adequate internal financial controls over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

GROUP OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES

1 1.1. Group Information

Emmsons International Limited (Parent Company) is a public limited Company domiciled in India and incorporated under the provisions of Companies Act, 1956 and its shares are publicly traded on the Bombay Stock Exchange ("BSE") in India. The Registered office of the Parent Company is situated at 301/12 Community Centre, Zamrudpur, New Delhi-110048, India.

Under Companies Act 2013, Group is defined as Parent company and its Subsidiaries. The company has following subsidiaries:

Name of the Subsidiaries	Date on which it became subsidiary	Country of Incorporation	Proportion of ownership interest
Emmsons S.A..	03.09.2007	Switzerland	99.99%
Emmsons Gulf DMCC	01.02.2009	Dubai	100.00%

2 Basis of preparation

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with section 133 of Companies Act, 2013 and presentation requirements of Division II of schedule III to the Companies Act, 2013 (as amended), on the historical cost basis except for certain financial instruments that are measured at fair values, as explained in the accounting policies below.

The Significant accounting policies used in preparing the consolidated financial statements are set out in Note 3 of the Notes to the consolidated financial statements.

3 Significant accounting policies

3.1 Basis of Measurement

The consolidated financial statements have been prepared on an accrual basis and under the historical cost convention except following which have been measured at fair value:

- Certain financial assets i.e. Investments .
- Defined benefit plans – plan assets measured at fair value,

The consolidated financial statements are presented in Indian Rupees (Rs., which is the Group's functional and Group's presentation currency and all amounts are rounded to the nearest lakhs (00,000) and two decimals thereof, except as stated otherwise.

3.2 Use of Estimates

The preparation of the consolidated Ind AS financial statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future years.

3.3 Basis of consolidation

The consolidated financial statements relate to Parent company and subsidiaries ('Group'). Subsidiary are those entities in which the Parent directly or indirectly, has interest more than 50% of the voting power or otherwise control the composition of the board or governing body so as to obtain economic benefits from activities. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases. The consolidated financial statements have been prepared on the following basis:-

- The financial statements of the subsidiaries are combined on a line-by-line basis by adding together the like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and intra-group transactions and unrealized profits or losses in accordance with IND AS 110 – 'Consolidated Financial Statements' notified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended time to time.

- b) In the case of foreign subsidiaries, being non-integral foreign operations, revenue items are consolidated at the closing exchange rates prevailing at the year end. All assets and liabilities are converted at rates prevailing at the end of the year. Components of equity are translated at closing rate. Any gain / (loss) on exchange difference arising on consolidation is recognized in the Foreign Currency Translation Reserve (FCTR).
- c) Non-controlling Interest (NCI) in the net assets of the consolidated subsidiaries is identified and presented in the consolidated Balance Sheet separately from liabilities and the equity attributable to the Parent's shareholders. NCI in the net assets of the consolidated subsidiaries consists of:
- The amount of equity attributable to NCI at the date on which investment in a subsidiary is made and
 - The NCI share of movement in the equity since the date the parent subsidiary relationship came into existence.
- d) The consolidated Ind AS financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the companies separate financial statements.

3.4 Current and non-current classification

The Group presents assets and liabilities in the consolidated balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- Expected to be settled in normal operating cycle;
- Due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

3.5 Property Plant & Equipment

i) Initial recognition and measurement

An item of property, plant and equipments recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

Items of Property, Plant and Equipment are measured at cost less accumulated depreciation/ amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management. When parts of an item of property, plant and equipment have different useful lives, they are recognized separately.

Property, Plant and Equipments which are not ready for intended use as on the date of consolidated Balance Sheet are disclosed as 'Capital Work-In-Progress'.

ii) Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably. The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Group and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in consolidated statement of profit or loss as incurred.

iii) Derecognition

Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

iv) Depreciation/amortization
Indian Entity

Depreciation is recognized in consolidated statement of profit and loss on a straight line method over the estimated useful life of each item of Property, Plant and Equipment.

Depreciation on additions to/deductions from property, plant and equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Depreciation on property, plant and equipment is provided on their estimated useful life as prescribed by Schedule II of Companies Act, 2013 as follows:

1)	Buildings	60 years
2)	Plant & Machinery	15 years
3)	Furniture & Fixtures	10 years
4)	Vehicles	08 years
5)	Office Equipments	05 years
6)	Generator	15 years
7)	Computer	03 years

Foreign Entities
Emmsons Gulf DMCC

Depreciation on Property , Plant and Equipment is calculated using the straight line method to allocate their cost less estimated residual values over the estimated useful lives of the assets.

The estimated useful lives of the assets are as follows:

	Year
Freehold properties	60
Furniture fixture and office equipment's	15
Motor Vehicle	10

3.6 Capital work-in-progress

The cost of self-constructed assets includes the cost of materials & direct labour, borrowing costs, any other costs directly attributable to bring the assets to the location and condition necessary for it to be capable of operating in the manner intended by management.

3.7 Intangible assets
i) Initial recognition and measurement

An intangible asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Group and the cost of the asset can be measured reliably.

Intangible assets that are acquired by the Group, which have finite useful lives, are recognized at cost. Subsequent measurement is done at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

ii) Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

iii) Derecognition

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized in the consolidated statement of profit and loss.

iv) Amortization

Intangible assets having definite life are amortized on straight line method in their useful life of 5 years.

3.8 Investment Property

Investment properties are measured at cost less accumulated depreciation and impairment losses, if any. Depreciation on building is provided over the estimated useful lives as specified in Schedule II to the Companies Act, 2013. The residual values, useful lives and depreciation method of investment properties are reviewed, and adjusted on prospective basis as appropriate, at each financial year end. The effects of any revision are included in the consolidated statement of profit and loss when the changes arise.

3.9 Inventories

Inventories of Finished goods are valued at the lower of cost and net realisable value on FIFO basis. Costs incurred in bringing each product to its present location is included in cost in valuation of inventories.

3.10 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and cash on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

3.11 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Financial assets:

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument.

a) Initial recognition and measurement

All financial assets are recognized initially at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs are attributable to the acquisition or issue of the financial asset, otherwise charged to consolidated statement of profit and loss.

b) Subsequent measurement

Financial assets are subsequently classified and measured at:

- Financial assets at amortised cost
- Financial assets at fair value through profit and loss (FVTPL)
- Financial assets at fair value through other comprehensive income (FVOCI).

c) Equity Instruments:

All investments in equity instruments in entities other than subsidiaries are measured at fair value. For all other equity instruments, the Group decides to classify the same either at FVTOCI or FVTPL. The Group makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable. Investment in Equity shares of subsidiaries and associates are valued at cost

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instruments, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to consolidated statement of profit and loss, even on sale of investment as the Group transfers cumulative gain or loss within the equity.

Equity instruments if classified as FVTPL category are measured at fair value with all changes recognized in the consolidated statement of profit and loss.

d) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognized (i.e. removed from the Group's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The Group has transferred its contractual rights to receive cash flows from the asset.

e) Impairment of Financial Asset

Expected credit losses are recognized for all financial assets subsequent to initial recognition in the consolidated statement of profit and loss.

For recognition of impairment loss on financial assets other than Trade receivables, the Group determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide impairment loss. However, If credit risk is increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves to such extent that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12- Month ECL.

For trade receivables Group applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Group uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

ii) Financial liabilities

a) Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the consolidated statement of profit and loss as finance cost.

b) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. Amortized cost is calculated by taking into account any discount or premium on acquisition and any material transaction that are any integral part of the EIR. Trade and other payables maturing within one year from the balance sheet date are carried at transaction value, the carrying amounts approximate fair value due to the short maturity of these instruments. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the consolidated statement of profit and loss.

c) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the consolidated statement of profit and loss.

3.12 Fair value measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or Indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Group.

determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Group determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations

3.13 Impairment of Non-Financial Assets

The Group, in accordance with the Indian Accounting Standard (Ind AS) 36 "Impairment of Assets", has adopted the practice of assessing at each Balance Sheet date whether there is any Indication that an asset may be impaired. If any such Indication exists, then the Group provides for the loss for impairment of Assets after estimating the recoverable amount of the assets.

3.14 Provisions, Contingent Liabilities and Contingent Assets

Provision are measured at the Present value of the management's best estimate of the expenditure required to settle the present obligation at the end of reporting period. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

Contingent liabilities are disclosed only when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which is not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or estimate of the amount cannot be measured reliably. No contingent asset is recognized but disclosed by way of notes to accounts only when its recognition is virtually certain.

3.15 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and it is probable that future economic benefits will flow to the Group. Amount of sales are recorded net of goods and service tax, sale returns, trade allowances and discounts but inclusive of excise duty. Revenue from sale of products is recognized when the significant risks and rewards of ownership of the products have been transferred to the buyer, and the amount of revenue can be measured reliably.

Export benefits are recognised by Group on accrual basis.

Dividend income is recognized when the right to receive the income is established.

Interest income is recognised, when no significant uncertainty as to measurability or collectability exists, on a time proportion basis taking into account the amount outstanding and the applicable interest rate, using the effective interest rate method (EIR).

3.16 Income Taxes

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the consolidated statement of profit and loss except to the extent it relates to any business combination or to an item which is recognised directly in equity or in other comprehensive income.

a) Current Tax

Current Tax is the amount of tax payable on the estimated taxable income for the current year as per the provisions of Income Tax Act, 1961.

b) Deferred Tax

Deferred tax is recognised for temporary differences. However, Deferred Tax Assets is recognised to the extent that, it is probable that taxable income will be available against which the same can be realised. Deferred tax assets are reviewed at each Balance Sheet date and are written-down or written-up to reflect the amount that is reasonably certain (as the case may be) to be realized.

c) Minimum Alternate Tax (MAT)

Minimum alternate tax (MAT) paid in a year is charged to the consolidated statement of profit and loss as current tax for the year. The deferred tax asset is recognised for MAT credit available only to the extent that it is probable that the Group will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Group recognizes MAT credit as an asset, it is created by way of credit to the statement of profit and loss and shown as part of deferred tax asset. The Group reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.

3.17 Employee Benefits**i) Short Term Employee Benefits**

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

A liability is recognized for the amount expected to be paid under performance related pay if the Group has a present, legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Post-Employment benefits

Employee benefit that are payable after the completion of employment are Post-Employment Benefit (other than termination benefit). Group has identified two types of post employment benefits.

a) Defined contribution plans

Defined contribution plans are those plans in which the Group pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Employee State Insurance are Defined Contribution Plans in which Group pays a fixed contribution and will have no further obligation beyond the monthly contributions and are recognised as an expenses in consolidated statement of profit and loss.

b) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Group pays Gratuity as per provisions of the Gratuity Act, 1972. The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit to employees is discounted to determine its present value.

The calculation is performed annually by a qualified actuary using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Any actuarial gains or losses pertaining to components of re-measurements of net defined benefit liability/(asset) are recognized in OCI in the period in which they arise.

By Dubai Subsidiary, amount required to cover end of service indemnity at the Balance Sheet date are computed pursuant to the United Arab Emirates Federal Labour Law based on the employee's accumulated period of service and current basic remuneration at the Balance Sheet date

3.18 Borrowing Cost

General and Specific Borrowing Cost that are directly attributable to the acquisition or construction or production of qualifying assets are capitalized as part of the cost of such assets up to the date when such assets are ready for intended use. Qualified assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are charged as expenses in the year in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalisation.

3.19 Foreign Currency Transactions

Foreign Currency Transactions are recorded at the exchange rates prevailing on the date of the transactions. Gains and losses arising out of subsequent fluctuations are accounted for on actual payments or realisations as the case may be. Monetary assets and liabilities denominated in foreign currency as on Balance Sheet date are translated into functional currency at the exchange rates prevailing on that date and Exchange differences arising out of such conversion are recognised in the consolidated statement of profit and loss.

3.20 Earning Per Share

Basic Earning Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

41 Financial risk management objectives and policies

Financial Risk Management Framework

The Group is exposed primarily to Credit Risk, Liquidity Risk and Market risk (fluctuations in interest rate), which may adversely impact the fair value of its financial instruments. The Group assess the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Group.

Credit Risk

Credit risk is a risk that counterparty will not meet its obligations under a financial assets leading into a financial loss. Credit risk includes direct risk of default and risk of deterioration of creditworthiness. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted. Financial assets consist of trade receivables, investments, loans, cash and cash equivalents, bank deposits and other financial assets.

Liquidity Risk

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The Group has currently been facing difficult liquidity position for reasons beyond its control. Efforts are being made improve the liquidity which will enable it to manages the future liquidity risk by maintaining adequate resources by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Group's exposure to market risk is primarily on account of interest rate risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. As the Group's debt obligation with floating interest rates are in INR which is subject to insignificant change, exposure to the risk of changes in market interest rates are substantially independent of changes in market interest rates.

42 Capital Management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Group's capital management is to maximize the shareholder value.

The Group manages its capital structure in consideration to the changes in economic conditions and the requirements of the financial covenants. The Group monitors capital using a gearing ratio, which is net debt divided by Equity plus net debt. Net debt consists of borrowings including interest accrued on borrowings, trade and other payables, less cash and short-term deposits.
