Sub: Update on Waghodia plant – Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir / Madam,

We wish to inform you that due to recent heavy rainfall and subsequent flood-like conditions in Vadodara, there was widespread waterlogging in nearby localities. This situation made it difficult for our employees to reach the Waghodia plant.

As a proactive measure to prioritize the safety of our employees, we temporarily closed our operations for a day on **Tuesday, 27th August 2024**. We further report that our Waghodia plant premises remained unaffected, with no damage or flooding. As of today, operations have resumed and are running as usual.

You are requested to kindly take note of the same.

Thanking you,

Yours sincerely,

For R R KABEL LIMITED
