Annexure II

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

Dear Stakeholders,

We are pleased to present the Business Responsibility and Sustainability Reporting (BRSR) report for PB Fintech Limited, a company that has been at the forefront of innovation in the fintech space. Our company was efficient systems in our offices. We are also working incorporated in 2008 and has since grown to become a leading player in the Indian fintech sector.

We are committed to ensuring that our company operates responsibly and sustainably. Our commitment to sustainability is reflected in our Business Responsibility and Sustainability Reporting Policy, which was approved by our Board of Directors in February 2023. This policy is aligned with the National Guidelines on Responsible Business Conduct (NGRBC) 2018 and the United Nations Sustainable Development Goals (SDGs).

Our company's flagship brand, Policybazaar is a leading insurance web aggregator that helps customers compare and purchase insurance policies from various providers. Our platform has made it easier for customers to find the best insurance deals, and we have been instrumental in increasing insurance penetration I would like to take this opportunity to thank our in India.

Paisabazaar, another key brand under our umbrella, is a leading online lending marketplace that has revolutionized the way Indians access credit. Our platform connects borrowers with lenders, providing them with a wide range of financial products and services. We are proud to have served millions of customers and have disbursed over ₹1 trillion in loans since our inception.

At PB Fintech, we recognize the importance of sustainability and are committed to reducing our environmental impact. We have implemented various initiatives to reduce our carbon footprint, including the use of renewable energy sources and energytowards reducing waste and increasing recycling in our operations.

Our commitment to sustainability extends beyond our own operations. We are working with our suppliers and partners to ensure that they adhere to our sustainability standards and practices. We believe that responsible business practices are essential for long-term success and are committed to making a positive impact on the communities we serve.

In this BRSR report, we have provided detailed information on our sustainability initiatives, including our environmental, social, and governance (ESG) performance. We have also disclosed our material issues, which are critical to our business and stakeholders.

stakeholders for their continued support and trust in our company. We are committed to transparency and accountability and will continue to work towards making a positive impact on the environment, society, and our stakeholders.

Sincerely,

Yashish Dahiya - Chairman & CEO

Alok Bansal - Executive Vice Chairman & Whole Time Director

We have built India's largest online platform for **Insurance** & Lending products

THE BUZZ

Q&A

"Health, life insurance growth drivers for us"

Yashish Dahiya, Chairman & CEO of PB Fintech, talks about focussing on growth, sustaining profit, and the challenges the insurance industry is facing

BY TEENA JAIN KAUSHAL

PB FINTECH—THE parent company of Policybazaar and Paisabazaar-turned profitable for the first time 22 | in Q3FY24. It reported a consolidated net profit of ₹38 crore, compared to

a loss of ₹87 crore in the year-ago period and a loss of around ₹20 crore in the previous quarter. Yashish Dahiya, Chairman & CEO of PB Fintech, talks to Business Today about Policybazaar's idea of growth, importance of back-end integration, and more. Edited excerpts:

....

How has FY24 been so far in terms of growth and profitability?

We're exceeding expectations in terms of growth, maybe by about 10%. Profit is just a by-product for us, but it's pretty much on expected lines and is on track. Our focus is 80% on growth, knowing that profit follows. I think if you have growth, profit will eventually come. And

I think the growth part has done well. So, we feel good about it [profit].

.... In Q3FY24, Policybazaar made a profit for the first time. Will this be sustainable? The answer is yes. But

please understand that

your fixed costs cannot grow. See, all internet businesses at a very fundamental level have something called operating leverage. It means that when you do incremental business, the investments are huge, which is why they incur losses in the initial years.

will keep changing because

from new initiatives. This year we are making losses of over₹170 crore on new initiatives and both those [operating leverage and losses] and the fixed costs are now being covered well by the core business. So once you get to that stage, any incremental growth starts to flow to

"OUR FOCUS IS 80% ON GROWTH. KNOWING THAT PROFIT FOLLOWS. I THINK THE GROWTH PART HAS DONE WELL. SO, WE FEEL GOOD ABOUT IT [PROFIT]"

profit is, again, a by-And if you're making a sigproduct. Our business has nificant amount of money, reached a stage where it they're hoping they have a just has to make profits break-even performance, and if you go back to whatbecause at some point your operating margin has ever we've been saying in to cover your fixed costs. previous interviews, it was always [going to be profit-We have been operating at able in] Q3FY24. So it was roughly about 40 to 45% exactly on expected lines. operating margin in the The margin is a combination of seasonality and

core business, and that has now reached a stage where it is taking care of all fixed growth because as you costs, including the losses keep growing, the margin

the bottom line, because your fixed costs do not grow as much. I think if you look at the last twothree years, even though our fixed costs have grown at a slower rate, they have not declined.

drivers?

When you talk about our own product mix, maybe

Business Today 28 April 2024

.... What are your growth

IV. Employees

- 20. Details as at the end of Financial Year:
- a. Employees and workers (including differently abled):

	Particulars		М	ale	Female	
S. No.		Total (A)	No. (B)	% (B / A)	No. (C)	% (C / A)
			EMPL	OYEES	NO. (C)	% (C / A)
1.	Permanent (D)	18441	14140	77%	4301	23%
2.	Other than Permanent (E)	1658	952	57%	706	43%
3.	Total employees (D + E)	20099	15092	75%	5007	25%

*Note: The Company does not have any workers as defined in the guidance note on BRSR.

b. Differently abled Employees and workers:

	. Particulars		М	ale	Female	
S. No.		Total (A)	No. (B)	% (B / A)	No. (C)	% (C / A)
			EMPL	OYEES	EMPLOYEES	
1.	Permanent (D)	21	18	86%	3	14%
2.	Other than Permanent (E)	3	2	67%	1	33%
3.	Total employees (D + E)	24	20	83%	4	17%

21. Participation/Inclusion/Representation of women

	Total	No. and percentage of Females			
	(A)	No. (B)	% (B / A)		
Board of Directors	9	3	33.3%		
Key Management Personnel	4	0	0%		

STATUTORY REPORTS

22. Turnover rate for permanent employees and workers

	FY 2023-24		FY 2022-23			FY 2021-22			
	Male	Female	Total	Male	Female	Total	Male	Female	Total
Permanent Employees	86%	105%	91%	101%	108%	104%	83%	98%	87%

*Increase in turnover is driven by infant attrition (0-1) in contact centre operations which is owing to the two factors- higher quality standards in new hire training assessment and certification as well as surge in contact centre openings in the market. Removing infant attrition, there is degrowth in attrition from 70% in 22-23 to 58.54% in 23-24 (till March). Annualised attrition in corporate functions and non-operations for FY24 is 25.95%.

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

(iii)Net worth (in Rs.)- Rs. 7,729.37 Crores (As on 31st March'24)

*As the Company's average net profit of the last three consecutive years (i.e 2020-21, 2021-22 & 2022-23) is negative, it is not required to spend any amount on CSR activities during the FY 2023-24.

25. Complaints / Grievances on any of the principles (Principles 1 to 9) under the National Guidelines on

- **** The various mechanisms in place to receive and respond to consumer and feedback are Customer helpline
- No have been received from communities and value chain partners during the FY 2022-23 and FY 2023-24.

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying The risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Information Security and Data Privacy	R	PB Fintech Limited provides information services to customers with technology enabled platforms that offer convenient access to insurance, credit, and other financial products to make informed purchase decisions. To effectively deliver value to stakeholders, the information security and data privacy becomes very important.	Solutions like WAF, next-gen firewall, endpoint security, cloud workload security, URL proxy, cloud security groups, logging & monitoring, cyber threat intelligence are in place to ensure adequate protection against security breaches. Processes like user access rights review, database access review, principle of granting least privilege and backup management among others are defined, documented, and implemented to further strengthen the security.	-ve
2	Talent Management	R	Our team being our biggest strength the importance of Talent Management is very crucial for the success of the organization objectives.	We continue to invest and reinvest in organizational talent in the form of paid courses, in-house training, soft- skill sessions, at the time of joining and during the job tenure. Our HR policies are procedures are aligned to attract and retain the best talents. The post-Covid era has been about raising the bar when it comes to employee engagement. For example, at Policybazaar, the Jeeto Apna Ghar contest, which gives high performing employees a chance to win their own home, has been a key motivator for employees and has helped slash the attrition rate.	+ve
3	Financial Literacy Awareness	Ο	Financial literacy awareness is much desired so that people can take right action for their financial safety and security. This becomes more so important in our country where still a large section of the community depends upon informal channels for their insurance and financial needs.	As part of our Community work we launched "Financial Literacy" program to 100 Final Year undergraduate students at each of the locations Gurgaon, Chennai, Kolkata and Mumbai. The total duration of the program was 20 Hrs. in offline mode and with a placement of 50% of which 50 eligible students had been placed within the organization. Till date we have trained more than 6000 school and college students on financial literacy.	+ve

- Ensuring safe / filtered drinking water
- Office infrastructure is clean and hygienic
- Chair / workstations are ergonomic and well-maintained
- b. What are the processes used to identify work-

related hazards and assess risks on a routine and non-routine basis by the entity?

The Company communicates, involves, and actively engages in training all employees on health and safety issues.

The Company monitors the internal health and safety performance, including work-related accidents, incidents, and significant ill-health occurrences such as epidemic threats and investigates those that do occur and helps reduce their number and severity.

The Company works closely with appropriate external agencies and within its industry to ensure the continued adoption of appropriate best-practice in health and safety management.

c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)

Considering the nature of the operations this is not directly applicable.

d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)

Yes, the company has a policy of health and accident insurance for the employees. Also, the Company has tie-ups with hospitals and online consultations for the physical and mental wellbeing of employees.

11. Details of safety related incidents, in the following format:

Safety Incident/Number	FY 2023-24	FY 2022-23
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	-	0.78
Total recordable work-related injuries	-	24
No. of fatalities	-	
High consequence work-related injury or ill-health (excluding fatalities)	-	-

12. Describe the measures taken by the entity to ensure a safe and healthy workplace.

The Company has an Equal Employment Opportunity policy and a POSH policy in place. The Company is committed to maintain a work environment that is free from any harassment and has a work culture which is conducive for diversity. This Equal Opportunities Policy is subject to The Right of

Persons with Disabilities Act, 2016, The Transgender Persons (Protection of Rights) Act, 2019 and the HIV & AIDS (Prevention and Control) Act,2017 and any rules, guidelines or government policies incidental thereto as amended from time to time, along with other applicable laws & regulations whose intent is primarily anti- discrimination. The objective of this policy is to provide equal opportunities in terms of employment, and protection from various forms of

discrimination throughout the employee lifecycle which includes recruitment to superannuation. The Company is committed to eliminate all kinds of discrimination on the grounds of HIV or AIDS, age. colour, disability, marital status, nationality, race, religion, gender or sexual orientation. The Company strives that all decisions on employment, career progression, training or any other benefits are solely based on qualification and merit.

Similarly, the Company's POSH policy is In line with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 ("Act") and the rules framed thereunder ("Rules"). The Company has formulated this anti-sexual harassment policy ("Policy") to prohibit, prevent or deter the commission of acts of Sexual Harassment against women Personnel at Workplace and to provide the procedure for the redressal of pertaining to Sexual Harassment of women Personnel at the Workplace.

The company also provides an Employee Assistance Program (EAP) to ensure there is a program in place for addressing mental wellness needs and holistic wellbeing of employees. For this, we have partnered with an external agency named 1to1 help to support our employees with professional counselling. It is a confidential service where employees reach out to the agency directly & avail counselling services though frequent sessions. The association also offers a range of reliable self-help resources like Online Library alongwith e-workshops on important issues like Mental Wellness, Stress Management etc.

13. Number of Complaints on the following made by employees and workers:

		FY 2023-24			FY 2022-23				
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks

PRINCIPLE 4 - Businesses should respect the interests of and be responsive to all its stakeholders

As a responsible organization, our primary goal is to ensure well-being for all stakeholders over the long term. To address investor concerns, we've established a Stakeholders Relationship Committee (SRC). Our technological infrastructure and data analytics capabilities are pivotal in resolving critical issues for all stakeholders, including customers, insurer partners, and lending partners. By providing valuable data insights to our insurer and lending partners, we aim to improve their service delivery while continuously investing in our platforms to enhance customer experience with convenience, speed, and choice.

Additionally, we've formed a Risk Management Committee to oversee and minimize risks, safeguarding the interests of stakeholders to support our business objectives and foster sustainable growth. Our robust risk management framework is designed to effectively mitigate various business and operational risks.

Essential Indicators

- 1. Describe the processes for identifying key stakeholder groups of the entity.
- group

Stakeholder Group	Whether identified as Vulnerable & Marginalized Group (Yes/No)	Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website), Other	Frequency of engagement (Annually/ Half yearly/ Quarterly / others – please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

PB Fintech Limited is committed to providing a safe and positive work environment. Employees also have access to several forums where they can highlight matters or concerns faced at the workplace. This is achieved through a well-established and robust grievance resolution mechanism, which are based on the principles of natural justice, confidentiality, sensitivity, non-retaliation, and fairness while addressing concerns. Also, the Whistle Blower Policy provides for the complete protection to the whistleblowers against any unfair practice like

retaliation, threat, or intimidation of termination/ suspension of service, disciplinary action, transfer, demotion, refusal of promotion, or the like including any direct or indirect use of authority to obstruct the whistleblower's right to continue to perform his/her duties/functions including making further complaint.

PRINCIPLE 6 - Businesses should respect and make efforts to protect and restore the environment

As a responsible corporate entity, our company is committed to minimising its environmental footprint. We adhere to all relevant environmental regulations governing our premises and operations, and we encourage stakeholders to do the same. Despite being a technology-focused firm with minimal environmental impact, we actively seek

ways to optimize resource usage in our operations. This includes integrating environmentally friendly equipment such as energy-efficient technologies. Additionally, we have implemented procedures for the responsible disposal of electronic waste (E-waste). Our company aims to embrace sustainable products and practices, working diligently to minimize the carbon footprint associated with our operations and facilities.

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

Parameter

From renewable resources Total electricity consumption (A) Total fuel consumption (B)

Energy consumption through other sources (C)

Total energy consumed from renewable resources (A+

From non - renewable resources

Total electricity consumption (D)

Total fuel consumption (E)

Energy consumption through other sources (F)

Total energy consumed from non-renewable sources (

Total energy consumed (A+B+C+D+E+F)

Energy intensity per rupee of turnover (Total energy consumption/ Revenue from operation)

Energy intensity per rupee of turnover adjusted for Pur Power Parity (PPP) (Total energy consumed / Revenue operations adjusted for PPP)

Energy intensity in terms of physical output

Energy intensity (optional) - the relevant metric may h by the entity

Note: Indicate if any independent assessment / evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. N, No independent assessment / evaluation/assurance has been carried out by an external agency.

if any.

The operations of the company are not covered under the Performance, Achieve and Trade (PAT) Scheme of the Government of India

3. Provide details of the following disclosures related to water, in the following format:

Parameter Water withdrawal by source (in kilolitres) (i) Surface water (ii) Groundwater (iii) Third party water* (iv) Seawater / desalinated water (v) Others Total volume of water withdrawal (in kilolitres) (i + ii Total volume of water consumption (in kilolitres) Water intensity per rupee of turnover (Total water con Revenue from operations)

Water intensity per rupee of turnover adjusted for Purc Power Parity (PPP)(Total water consumption / Revenu from operations adjusted for PPP)

Briefly describe the waste management practices adopted in your establishments adopted by your company to reduce usage of hazardous and toxic chemicals in your and the practices adopted to manage such wastes.			

Green practices are engrained in the Company's culture, with employees willingly recycling and reusing paper in workstations to reduce waste. All the waste are sent for recycling through authorizes collectors. We are reusing all physical assets including information systems hardware and at the end of life the E-waste is given to authorized recyclers / collectors. Batteries and used oil generated are disposed of through authorized vendors.

STATUTORY REPORTS

- b. Installation of LED lights across all floors which almost emit no heat & UV emissions;
 - c. Regular monitoring of temperature inside the buildings and controlling the air conditioning system.
 - d. Usage of energy efficient illumination fixtures.
 - e. VRV/VRF air-conditioned systems are installed that are second generation energy efficient products
- f. All electrical appliances that we are sourcing for the office are 5* (star) rated for higher energy efficiency.

ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

No facilities are in/around ecologically sensitive areas.

12. Details of environmental impact assessments of projects undertaken by the entity based on 4. If the entity has undertaken any specific initiatives applicable laws, in the current financial year:

The operations of the company are not covered by the 2006 notification on Environmental Impact Assessment

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

Yes, PB Fintech Limited is compliant with all the applicable environmental laws and regulations based on its nature of business.

Leadership Indicator

1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres):

For each facility / plant located in areas of water stress, provide the following information:

(i) Name of the area

(ii) Nature of operations

Water withdrawal, consumption and discharge in the following format:

This is not being tracked currently

11. If the entity has operations/offices in/around 2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Scope 3 GHG emissions are not tracked currently.

- 3. With respect to the ecologically sensitive areas reported at Question 11 of Essential indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities. Not Applicable
- or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format: Not Applicable
- 5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

We have a comprehensive business continuity and disaster management plan in place. This plan covers services like rescue, firefighting, and first aid and it prioritizes safeguarding corporate data, operational integrity, infrastructure security, and personnel safety. The strategy also aims to contain incidents, minimize casualties, and facilitate rapid relief and recovery operations.

- 6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard. Not Applicable
- 7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts. Nil

PRINCIPLE 7 - Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.

PRINCIPLE 9 - Businesses should engage with and e) provide value to their consumers in a responsible manner

We are dedicated to prioritizing consumer needs by streamlining and digitalizing previously complex offline processes. Our efforts include simplifying renewals and providing real-time updates on services and claims requests for an enhanced consumer experience. Utilizing advanced technology such as chatbots and video calls, we effectively engage with consumers while also utilizing these tools for verification and fraud prevention purposes. For instance, we employ chatbots on WhatsApp to disseminate policy updates • Toll Free No. and schedule appointments with our advisors.

Streamlined processes such as KYC, fraud detection, and motor claims have been made more efficient through quick video and document uploads. We are also working towards introducing voice-assisted renewals to our range of renewal offerings. Our focus on technology solutions emphasizes automation and self-service options for consumers, supported by sales and service assistance through telecalls and chats via our website and app. Additionally, we have expanded our support network with accessible offline stores, where consumers can visit and schedule in-person appointments for guidance from our advisors.

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

At Policy Bazaar, a customer can primarily get in touch with the following modes:

- 1. Complaint through My A/c.
- 2. Complaint through social media
- 3. Emails where IRDA is copied
- 4. Emails where CXO's are copied
- 5. Toll Free Number
- 6. Customer raise a complaint through care@ policybazaar.com
- 7. Customer can raise a complaint through chat on PB website

(c) What percentage of total procurement (by value) The organization has put in place a structured internal escalation mechanism to ensure systematic handling of all complaints along with addressing the complaints within a defined turnaround time and those surpassing the TAT are systematically escalated to the higher authority. Policy Bazaar has a system and a procedure for receiving, registering and disposing of grievances. The company ensures that the following minimum timeframes are adopted:

- a) Endeavour is made to send a written first-time response to a complainant within 2 hours of the receipt of the grievance.
- b) The first-time response contains the name of the officer who will deal with the grievance
- c) It contains the details of the insured grievance and the follow-up TAT procedure and the time to be taken for the resolution of the complaint
- d) Where the complaint will get resolved within stipulated days, the resolution is communicated along with the acknowledgement.
- Here the grievance is not resolved within the stipulated working days, it is mandatory to share the interim time with the customer on the follow-up done.
- f) If the customer does not respond to calls and emails 3 times the complaint is closed, and an interim closure email is also sent. The complaint is again opened when the customer responds.

Regarding Paisabazaar, any customer having a grievance with respect to the product and services offered by the company may reach out to the Company through any of the following channels:

- Email at: care@paisabazaar.com
- Write a letter at the address: Paisabazaar Marketing and Consulting Private Limited, Plot number 135P, Sector 44, Gurgaon-122001, Harvana.

The customers are requested to necessarily provide the following details which includes:

- Details of Products for which Grievance is made
- Date of Application submitted
- **Details of Grievance**
- Valid Contact Information including Phone No. & . E-mail ID registered with the Company at the time of registration for availing the services of Paisabazaar.

Once the customer Grievance is received, we will endeavour to send an acknowledgement / a response within 48 working hours of receiving the Grievance. After examining the matter, we will send our final response or explain why we need more time to respond and shall endeavour to do so within 30 days of receipt of Grievance.

The Nodal Grievance Redressal Officer details are as follows:

- E-mail- servicehead@paisabazaar.com
- Call at 0124-6473726
