Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 ("the Act")

In respect of Item No.1 - Approval of the 'CFHL - Employee Stock Option Scheme 2024' ("ESOP 2024"/ "Scheme")

Given the highly competitive nature of the Non- Banking Financial Company (NBFC) sector, it is essential for the Company to adopt strategic measures to secure and retain key talents. As the Company advances to leverage market opportunities and address business competition, there is an increasing demand for individuals in critical roles, driven by evolving skillsets pertinent to the Company's business.

Recognizing that the equity-based compensation is considered as an integral part of employee compensation across the sector, which enables alignment of employees' individual goals with organizational objectives by enabling their participation in ownership through an equity-based compensation scheme. To achieve this in a competitive environment, the Company intends to implement the 'CFHL – Employee Stock Option Scheme' ("ESOP 2024"/ "Scheme") to attract, retain, motivate and reward key talent, foster an employee ownership culture and encourage the alignment of individual goals with the Company's objectives for sustained corporate growth.

The Company proposes to extend the grant of Employee Stock Options ("Options") to employees up to 5 levels below MD & CEO. The Nomination Remuneration and HR Committee ("Committee") shall annually select a specific number of employees from this group through a talent and succession process, based on one or more of the following criteria:

1. Past association with the Company.
2. Performance ratings achieved by the employees over the past four quarters, with the stipulation that these ratings consistently meet or exceed minimum performance rating of "3" out of "5" i.e., rating achieved by employees should remain above the two lowest levels of performance rating system.
3. No penalties of ₹1 lakh or more in the last year, as per service regulations.
4. Assessment of future potential; and
5. Any other criteria apart from above as determined by Committee.

Accordingly, on the recommendation of the Committee, the Board of Directors ("Board") of the Company at their meeting held on September 18, 2024 had approved the introduction of the scheme, subject to the approval of the Members of the Company.

The employees may create wealth depending on prevailing market price of Shares as on the date of sale.

In this regard, the Committee shall adjust the number and exercise price of the Options granted in such a manner that the total value of the Options granted under the Scheme remains the same after any such corporate action. Accordingly, if any additional Options are issued by the Company to the option grantees for making such fair and reasonable adjustment, the aforesaid ceiling of Options/Shares shall be deemed to be increased to the extent of such additional Options issued.
