Dear Sir/Madam,

In terms of Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that Comrade Appliances Limited has commenced the setup of a second manufacturing unit in Padghe Village, Palghar, Maharashtra. This new unit is being established to meet the rising demand for air coolers in preparation for the upcoming season.

The facility is expected to be operational by the mid of November 2024, and it will significantly enhance our production capacity to ensure timely fulfilment of orders.

This expansion is part of our ongoing efforts to scale operations, improve efficiency, and cater to the growing demand for our products in both domestic and international markets.

We shall keep the exchange and stakeholders updated on further developments related to this project.
