JTL Industries Secures Bid as L1 Supplier for 36,000 MT GMS Tubes in Support of Jal Jeevan Mission, Jammu

Chandigarh, 6th November 2024: JTL Industries Limited (“JTL” or “The Company”), is a fast-growing dynamic steel tube manufacturing company which specializes in producing ERW Black Pipes, Pre-Galvanized and Galvanized Steel Pipes, large diameter tubes and pipes, and hollow structure.

JTL Industries is pleased to announce that it has pioneered as the L1 bidder for the Jal Jeevan Mission project, securing an order for the supply of ISI-certified Galvanized Mild Steel (GMS) tubes for 95% of the sizes, amounting to 35,473 MT of the total order. With an order value of ₹265 crore, this win underscores JTL’s strong position in delivering high-quality, value-added products that meet critical government standards. This achievement highlights JTL's commitment to supporting vital infrastructure projects and contributing to the nation’s development.

The **Jal Jeevan Mission (JJM)**, launched by India’s Ministry of Jal Shakti in 2019, was inaugurated by Prime Minister Narendra Modi to provide functional household tap connections (FHTC) to every rural household by 2030. The initiative addresses critical water access and quality issues, aiming to transform rural health and sanitation and reduce waterborne diseases. As of August 2024, nearly 15.07 crore rural households have been connected, achieving a coverage of approximately 78%. The mission emphasises community-led planning, sustainability, and technological solutions for monitoring. Additionally, it focuses on rural empowerment, particularly for women, by reducing the time spent on water collection and improving overall living standards.

Commenting on the above business update, the management of the Company said:

"Winning this bid for the Jal Jeevan Mission reinforces our role as a trusted partner in India’s infrastructure development. The order reflects our dedication to quality and our ability to meet the stringent standards required by large-scale government projects. We are proud to contribute to this transformative initiative, which will significantly improve water access and quality for millions of rural households."

About JTL Industries Limited

JTL Industries Limited is amongst the fastest-growing steel tube manufacturers, and its registered office is located in Chandigarh. The company has manufacturing facilities in Punjab, Maharashtra, and Chhattisgarh. The cumulative capacity of the company is ~6,86,000 MTPA for pipe manufacturing and ~3,00,000 MTPA is backward integration. The company is a recognized Star Export House, and its product offering includes GI Pipes, MS Black Pipes, Hollow-sections, and Solar Structures, amongst others, which cater to diverse industrial and infrastructural applications. All the products are available in hot dip galvanized, pre-galvanized and without coated (MS black) grades.
