Launch of Happiest Minds' Secureline360, a packaged Managed Detection & Response service offering powered by Generative AI

San Jose, London and Bengaluru, October 09, 2024: Happiest Minds Technologies Limited (NSE: HAPSTMNDS), a 'Born Digital . Born Agile, Mindful IT Company announced today the launch of Happiest Minds' Secureline360, a cutting-edge solution designed to streamline incident response and provide real-time visibility to organizations across industries.

Powered by AI-driven advanced threat detection, Happiest Minds' Secureline360 delivers unmatched speed and precision in identifying and responding to cyber threats. By leveraging the proprietary SecAiGenie platform, Happiest Minds' Secureline360 enables organizations to address even the most complex and unprecedented security incidents at 3X the speed of traditional remediation processes, ensuring no threat goes unresolved.

Ram Mohan, CEO of Infrastructure Management & Security Services (IMSS), Happiest Minds, said, "Secureline360 represents a pivotal advancement in our mission to empower organizations with next-generation cybersecurity solutions. By harnessing the power of AI, we significantly enhance threat detection and streamline incident response, ensuring organizations remain resilient and secure in today's increasingly complex threat landscape. Since Secureline360 provides comprehensive and 24x7 detection and response, our customers can be at peace that their environment is protected and secure."

Priya Kanduri, CTO of Infrastructure Management & Security Services (IMSS) and Head of Security Services, said, "Happiest Minds' Secureline360 solution offers more than just a service—it empowers organizations with a crucial capability to remain resilient in today's high-risk landscape. By combining AI-driven detection with rapid incident response, Secureline360 delivers real-time visibility and advanced threat intelligence, enabling businesses to strengthen their security posture, reduce disruptions, and protect their most critical assets."

As part of its commitment to innovation, Happiest Minds' Secureline360 offers seamless integration, enabling organizations to proactively defend against advanced cyber-attacks while maintaining business continuity.
